SEC HIGHLIGHTS

The Southeastern Conference, with its storied 83-year history of athletic achievements and academic excellence, has built perhaps the greatest tradition of intercollegiate competition in baseball of any league in the country since its inception in 1933.

An SEC squad has now appeared in the College World Series 31 of the last 32 years, including appearances by 15 teams in the last six years. Seven SEC teams were selected for NCAA Regional play with five advancing to NCAA Super Regionals.

The SEC has sent 55 teams to the College World Series since 1990. That was accomplished despite no SEC teams making the field in 1992. In that stretch, LSU has been to Omaha 14 times, Florida has now been 10 times, South Carolina six times, Georgia and Mississippi State five times, Arkansas four times, while Alabama, Tennessee and Vanderbilt have been three times each. Auburn has been twice. SEC teams are 113-97 in Omaha since 1990, a 53.8 winning percentage.

SEC teams have won 10 of the last 27 national championships, with LSU winning six (1991, 1993, 1996, 1997, 2000, 2009), South Carolina winning two (2010, 2011), Vanderbilt taking home the title in 2014 and Georgia claiming the 1990 title. The SEC has finished runner up nine times in that span, 1997, 2002, 2005, 2008, 2011, 2012, 2013, 2014 and 2015.

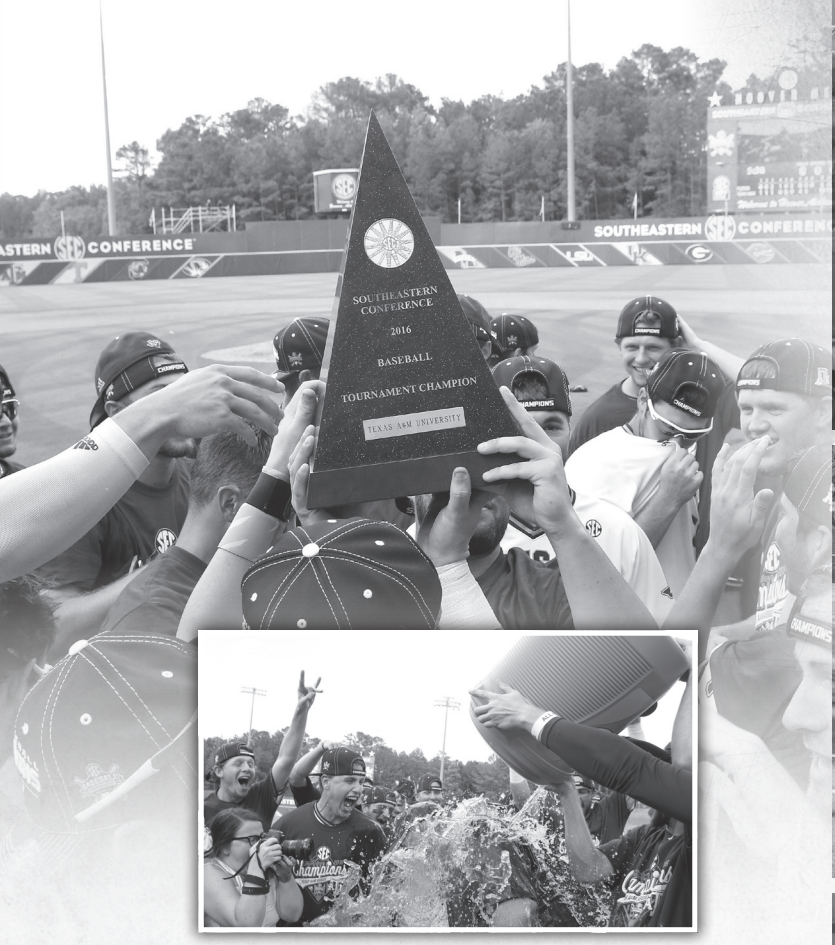

The SEC has averaged nearly eight games played per year in the College World Series since 1990. In 2015, an SEC team played in each of the 16 games of the CWS. In 2004, 12 of the 15 games played in Omaha involved a SEC team. In 1997, the SEC had a team in 13 of the 14 games played in the CWS. Since 1990, an SEC team has played in 187 of the 393 games.

The SEC has played 55 games in the "Final Four" of the College World Series since 1990. Only six times, 1992, 1994, 2003, 2006, 2007 and 2016 has the SEC failed to get a team to the "Final Four" of the CWS.

Total attendance for the 2016 SEC Tournament was 150,064, which broke the previous record by nearly 17,000. Two of the two-five highest attendance marks for a single session were set in 2016. The event has become the Birmingham metro's highest attended sporting event annually, second in the state only to NASCAR races at Talladega. Birmingham Magazine named it the top sporting event annually in the Birmingham area. The entire SEC Baseball Tournament was broadcast live on national television for the second consecutive year.

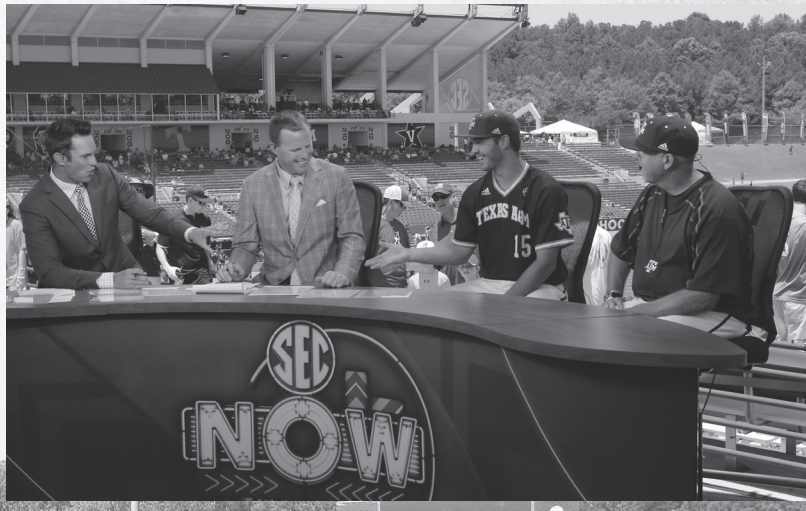

NOTES

- A record seven SEC schools were selected as NCAA Regional host sites in 2016, and four teams - also an NCAA record - earned national seeds.
- Total attendance for the 2016 SEC Tournament was 150,064, which broke the previous record by nearly 17,000. Two of the two-five highest attendance marks for a single session were set this year. Combined home attendance for all 14 SEC teams passed the two million mark for the sixth consecutive season, and the top-six national attendance leaders were all from the SEC (LSU, Ole Miss, Mississippi State, Arkansas, South Carolina and Texas A&M).
- This season marked the first time that six SEC teams won 40 or more regular season games.
- A total of 14 SEC student-athletes were selected on the first day of the Major League Baseball Draft. Seven were selected in the first round/lottery round A, including two in the top-10. Tennessee's Nick Senzel was selected second overall by the Cincinnati Reds, while the Oakland Athletics took Florida's A.J. Puk with the sixth overall pick. The SEC's four first round picks represented three different schools. The SEC has now had a first-round MLB selection each year since 1991 and 109 total in the first round during that time.
- Among the top-two picks in each of the last two MLB Drafts, three have been from the SEC. Vanderbilt's Dansby Swanson and Arkansas' Andrew Benintendi were taken 1-2 in the 2015 draft.

- South Carolina pitcher Braden Webb was named the 2016 National Collegiate Baseball Writers Association National Pitcher of the Year. Florida's Logan Shore and Texas A&M's Boomer White were named District Players of the Year.
- Kentucky's Dustin Beggs was named to the 2016 Capital One Academic All-America Division I Baseball Team.

2017 SEC Inclement Weather Policy

1. If a game is suspended/postponed on Friday or Saturday, the game shall be completed from the point of interruption on the following day prior to the regularly scheduled game. In the event the regularly scheduled game is televised, the suspended/postponed game may be rescheduled, in consultation with the conference office, prior to, or following, the regularly scheduled game, whichever allows the best opportunity to complete such game without interruption.
2. Televised Games Affected by Weather
   A. For games televised on ESPN, ESPN2 or ESPNU
      (1) If a game is suspended/postponed on Friday, and the regularly scheduled Saturday game is televised by ESPN, ESPN2 or ESPNU, the regularly scheduled televised Saturday game must start at its published start time. If a suspended/postponed game is resumed/started prior to the start of the regularly scheduled televised game on Saturday, that game must be stopped after the completion of a full inning one hour prior to the start of the scheduled televised game and resumed following the completion of the regularly scheduled televised game.
      (2) If a game is suspended/postponed on Saturday, and the regularly scheduled Sunday game is televised by ESPN, ESPN2 or ESPNU, the regularly scheduled televised Sunday game must start at its published start time. If a suspended/postponed game is resumed/started prior to the start of the Sunday regularly scheduled televised game, that game must be stopped after the completion of a full inning one hour prior to the start of the scheduled televised game and resumed following the completion of the regularly scheduled televised game.
   B. For games televised on the SEC Network
      (1) If a game is suspended/postponed on Friday, and the regularly scheduled Saturday game is televised by the SEC Network, best efforts should be made to start the regularly scheduled televised Saturday game on the SEC Network at its published start time. (The suspended/postponed game should be scheduled at a time which provides the regularly scheduled televised game a reasonable chance of starting at its published time.) If a resumed/rescheduled game runs into a regularly scheduled televised SEC Network game time, the resumed/rescheduled game should be completed without interruption.
      (2) If a game is suspended/postponed on Saturday, and the regularly scheduled Sunday game is televised by the SEC Network, best efforts should be made to start the regularly scheduled televised Sunday game on the SEC Network at its published start time. (The suspended/postponed game should be scheduled at a time which provides the regularly scheduled televised game a reasonable chance of starting at its published time.) If a resumed/rescheduled game runs into a regularly scheduled televised SEC Network game time, the resumed/rescheduled game should be completed without interruption.
      (3) Depending on the circumstance, any resumed/rescheduled game or any regularly scheduled game may begin/end on the SEC Network Alternate Channel or on SEC Network+.
3. Length of Games
   A. All games played on Friday and Saturday should be scheduled for nine innings. If a suspended game is resumed on Sunday, the regularly scheduled game shall be seven innings.
   B. If weather prevents playing both the Friday and Saturday games, or if the Saturday game does not begin because of rain, there shall be two seven-inning games on Sunday. If a Friday game is suspended and no games are played on Saturday, the suspended game shall be resumed on Sunday, followed by a seven-inning game.
   C. If a suspended game is unable to be completed because of inclement weather and has reached official game status (five innings or more per NCAA Rule 5.8), it shall be declared a game.
   D. Once a suspended game is resumed, the game shall be complete if one team has a lead of 10 or more runs after seven innings of play (NCAA Rule 5.8).
4. Restart Times
   A. In the event of rain on Friday or Saturday, no game may start after 10:00 p.m. local time or resume after midnight local time.
   B. In the event of a rain-delay prior to the beginning of play on Sunday, the game must begin at least two hours and thirty minutes prior to the visiting team's scheduled departure time from the field, but no later than 4:00 p.m. local time to avoid a rain out of the game. (See Departure Time of this section.)
   C. If the game begins and is delayed (Sunday game), it must resume by 6:00 p.m. local time to avoid a rain out of the game.
5. Travel Considerations
   A. In all instances, departure time takes priority. A team may not stay over until Monday to begin or complete a game or series.
   B. In the event the visiting team is not scheduled to leave the host city until Monday and there are no prior travel limitations for the game's umpires that would dictate departure to enact these deadlines, with Conference approval, it would be permissible to waive the 4:00 p.m. deadline for the start of a game and a 6:00 p.m. deadline for the resumption of the game.
6. Authority to Play Doubleheaders
   A. If weather forecasts on Friday or Saturday morning call for a high occurrence of inclement weather on Sunday, the home team with approval of the visiting team may request permission from the Conference office to play a doubleheader on Saturday.
   B. Approval of a prospective Saturday doubleheader shall be limited to circumstances where there is a high likelihood that weather will not permit a game to be played on the final day of the series. This does not apply for possible inclement weather on Friday or Saturday of a weekend series.

FOR THURSDAY THROUGH SATURDAY SERIES

1. If a game is suspended/postponed on Thursday or Friday, the game shall be completed from the point of interruption on the following day prior to the regularly scheduled game. In the event the regularly scheduled game is televised, the suspended/postponed game may be rescheduled, in consultation with the conference office, prior to, or following, the regularly scheduled game, whichever allows the best opportunity to complete such game without interruption.
2. Televised Games Affected by Weather
   C. For games televised on ESPN, ESPN2 or ESPNU
      (1) If a game is suspended/postponed on Thursday, and the regularly scheduled Friday game is televised by ESPN, ESPN2 or ESPNU, the regularly scheduled televised Friday game must start at its published start time. If a suspended/postponed game is resumed/started prior to the start of the regularly scheduled televised game, that game must be stopped after the completion of a full inning one hour prior to the start of the scheduled televised game and resumed following the completion of the regularly scheduled televised game.
      (2) If a game is suspended/postponed on Friday, and the regularly scheduled Saturday game is televised by ESPN, ESPN2 or ESPNU, the regularly scheduled televised Saturday game must start at its published start time. If a suspended/postponed game is resumed/started prior to the start of the regularly scheduled televised game, that game must be stopped after the completion of a full inning one hour prior to the start of the scheduled televised game and resumed following the completion of the regularly scheduled televised game.
   D. For games televised on the SEC Network
      (1) If a game is suspended/postponed on Thursday, and the regularly scheduled Friday game is televised by the SEC Network, best efforts should be made to start the regularly scheduled televised Friday game on the SEC Network at its published start time. (The suspended/postponed game should be scheduled at a time which provides the regularly scheduled televised game a reasonable chance of starting at its published time.) If a resumed/rescheduled game runs into a regularly scheduled televised SEC Network game time, the resumed/rescheduled game should be completed without interruption.
      (2) If a game is suspended/postponed on Friday, and the regularly scheduled Saturday game is televised by the SEC Network, best efforts should be made to start the regularly scheduled televised Saturday game on the SEC Network at its published start time. (The suspended/postponed game should be scheduled at a time which provides the regularly scheduled televised game a reasonable chance of starting at its published time.) If a resumed/rescheduled game runs into a regularly scheduled televised SEC Network game time, the resumed/rescheduled game should be completed without interruption.
      (3) Depending on the circumstance, the resumed/rescheduled game or the regularly scheduled game may begin/end on the SEC Network Alternate Channel or on SEC Network+.
3. Length of Games
   A. All games played on Thursday and Friday should be scheduled for nine innings. If a suspended game is resumed on Saturday, the regularly scheduled game shall be seven innings.
   B. If weather prevents playing both the Thursday and Friday games, or if the Friday game does not begin because of rain, there shall be two seven-inning games on Saturday. If a Thursday game is suspended and no games are played on Friday, the suspended game shall be resumed on Saturday, followed by a seven-inning game.
   C. If a suspended game is unable to be completed because of inclement weather and has reached official game status (five innings or more per NCAA Rule 5.8), it shall be declared a game.
   D. Once a suspended game is resumed, the game shall be complete if one team has a lead of 10 or more runs after seven innings of play (NCAA Rule 5.8).

SECU ACADEMIC INITIATIVE

SECU

The Academic Initiative of the SEC

Through its SECU academic initiative, the Southeastern Conference sponsors, supports and promotes collaborative higher education programs and activities involving administrators, faculty and students at its member universities. SECU is led by the president or chancellor of each SEC university and is managed by the chief academic officer.

SECU academic initiative goals include:

- Advancing the academic reputation of SEC universities beyond the traditional SEC region;
- Highlighting the endeavors and achievements of SEC faculty, students and administrators;
- Identifying and preparing future leaders for high-level service in academia;
- Increasing the amount and type of education abroad opportunities available to SEC students; and
- Supporting collaboration between SEC faculty and administrators.

Current SECU academic initiatives include:

- The SEC Academic Leadership Development Program seeks to identify, prepare and advance academic leaders for roles within SEC institutions and beyond. It has two components, a university-level program and two, three-day, SEC-wide workshops held on specified campuses for all participants.
- The SEC College Tour occurs twice annually, once in the fall and once in the spring. Enrollment administrators from all SEC universities participate in events intended to introduce SEC universities to students, parents and high school counselors from outside of the southeast region.
- The SEC education abroad focus includes a cooperative agreement that gives SEC students access to international programs offered at other SEC universities; an engineering exchange agreement with the Politecnico di Torino in Italy; and Dr Pepper awards that support SEC students with demonstrated financial need who represent non-traditional study abroad participants.
- The SEC Faculty Achievement and Professor of the Year Awards recognize faculty with outstanding records in research and scholarship. There is one winner per campus and one overall winner for the SEC.
- The SEC Faculty Travel Program is intended to enhance collaboration that stimulates scholarly initiatives between SEC universities. The program offers faculty from each SEC university the opportunity to travel to other SEC universities to develop grant proposals, conduct research and deliver artistic performances.
- The SEC MBA Case Competition is an opportunity for SEC business schools to showcase their students' skills at solving simulated, real-world problems that cover the spectrum of business disciplines. The competition is held on one SEC campus and teams of four MBA students compete against other SEC teams, the best receiving various awards and recognition.

SEC HEADQUARTERS

Almost 33 years after moving to Birmingham from Jackson, Miss., the SEC moved into its current headquarters on October 15, 1991.

The building is now named for Roy F. Kramer, the SEC's sixth commissioner who retired in July 2002. During his tenure as the league's commissioner, the SEC won 85 national championships and distributed more than $654 million in revenue back to its member instituions.

The 30,000 square-foot building was provided by the city of Birmingham. It was designed to house the SEC staff and accommodate the needs of the various committees, coaches and administrative groups that meet on a regular basis.

From its headquarters, the SEC office certifies the eligibility of all student-athletes, manages championship events, enhances academic opportunities for student-athletes, monitors NCAA and SEC compliance, coordinates officiating assignments, negotiates television contracts, distributes conference revenue, cultivates corporate sponsorships and coordinates media and public relations efforts.

In 2005, a state-of-the-art video command center was built inside the headquarters and named for the late Brad Davis, the SEC Associate Commissioner who was responsible for its development. Davis passed away on March 2, 2006.

The building also features a rotunda that highlights school banners, championship pedestals and two galleries displaying the member institutions.

The SEC Office underwent a vast renovation in the fall of 2012, with an upgrade to the Davis Command Center being completed prior to the 2014 season, which nearly the tripled the size of the area. A live satellite uplink to the SEC Network in Charlotte, N.C., was implemented in 2015, with collaborative instant replay being integrated into the Central Review Center prior to the 2016 football season.

SEC COMMISSIONER
GREG SANKEY

Greg Sankey is the eighth commissioner of the Southeastern Conference, assuming that position on June 1, 2015, after serving on the SEC staff for 13 years in various leadership roles.

He introduced his concept of "Scholars, Champions, Leaders" to describe the impact of the SEC in his first major address as commissioner at SEC Football Media Days in July of 2015.

"Educating scholars and supporting champions provides the platform for developing leaders who will influence the world," said Sankey, who outlined a plan for magnifying the SEC's leadership in collegiate athletics.

Now in his second year at the helm of the SEC, Sankey has quickly established himself as an advocate for the student-athlete, creating a framework to provide young people in the Conference with new leadership opportunities and resources to succeed at the highest levels of academic achievement and competitive success.

Even before his appointment as commissioner of the SEC, Sankey led national efforts to enhance the student-athlete experience. Working in concert with former SEC Commissioner Mike Slive, he played a central role in crafting the new autonomy governance structure of the NCAA, designed to put the student-athlete first in the development of new legislation.

Upon assuming the role of commissioner, Sankey moved swiftly to address issues critical to college athletics on the Conference and national levels. He appointed a Working Group on Student-Athlete Conduct, a collection of campus leaders established to engage in a continued conversation on student-athlete issues for the purpose of making recommendations for Conference policies or institutional best practices to shape student-athlete behavioral expectations in the SEC.

Another priority under Sankey's leadership is to effectively publicize the success stories of the SEC. As a first step, the SEC collaborated with Conference institutions and the SEC Network to create a series of 30-second video spots titled "I Am The SEC" which featured compelling off-the-field stories of SEC student-athletes in all sports. The spots run during SEC Network events throughout the athletic year.

"The athletic achievements of the SEC continue to be well-documented, but many of our student-athletes lead interesting lives or have intriguing stories that happen away from the field of play," said Sankey in introducing the video series. "This is an opportunity to tell stories of academic achievement, personal ambition, community service, determination in the face of adversity and character of mind."

To build on this initiative for the future, Sankey engaged the SEC with The Richards Group, a highly successful national branding and marketing agency, to develop a comprehensive branding and messaging campaign to positively feature the SEC, its student-athletes, alumni, leaders and fans.

Sankey, 52, joined the SEC staff in 2002 as Associate Commissioner to oversee the SEC's governance, enforcement and compliance program, and later added supervision of the league's championships staff to his responsibilities. He was elevated to Executive Associate Commissioner and Chief Operating Officer for the league office in 2012.

Prior to joining the SEC staff, Sankey was Commissioner of the Southland Conference for nearly seven years. He joined the Southland Conference staff in 1992 where he served as both assistant and associate commissioner before he was named commissioner in 1996 at the age of 31.

Prior to his term at the Southland Conference he was director of compliance and academic services at Northwestern State University in Natchitoches, Louisiana. While at Northwestern State, Sankey also coached the Demons' golf teams for two years, earning the Golf Coaches Association of America District VI Coach of the Year award in 1991. Previous to his tenure at Northwestern State, he was the director of intramural sports at Utica College in upstate New York.

A native of Auburn, New York, Sankey earned his master's degree from Syracuse University and his undergraduate degree from the State University of New York College at Cortland. Sankey and his wife, Cathy, reside in Birmingham, Alabama, and have two adult daughters, Hannah and Moriah.

OFFICIAL SPONSOR PROGRAM

The Southeastern Conference Official Sponsor program began in 1988 with three companies dedicated to intercollegiate athletics and higher education.

Now supported by many of the nation's top corporations, this program has evolved into the most successful of its kind.

Each member of the SEC Official Sponsor team shows its commitment to the future of intercollegiate athletics with contributions to SEC Youth Clinics, SEC Scholarship Programs and SEC Academic Enhancement Programs.

The corporations also conduct consumer promotions designed to increase sales and brand awareness. These promotions also increase public awareness of the member institutions of the SEC, which in turn supports increased ticket sales and high television and radio ratings.

In addition to the broad spectrum of benefits provided by these contributions, each SEC institution is a direct beneficiary of the program. SEC Official Sponsors include Allstate Insurance, AT&T, Belk, Holiday Inn Express, Johnsonville, Regions Bank and Sunkist Soda.

PROGRAM MISSION

The mission of the corporate sponsor program is:

1. To develop marketing and promotional activities that benefit the SEC, its member institutions and the participating corporations;

2. To emphasize the positive role of athletics in our society; and

3. To provide funding for youth clinics, championship events and academic enhancement programs.

SEC LICENSING PROGRAM

The Southeastern Conference markets its registered marks (Southeastern Conference, SEC, SEC Seal and SEC logos) through a licensing program with the Collegiate Licensing Company. The SEC began its licensing program in 1988 to protect the use of its name and insignias and to ensure that its member institutions benefit from the use and sale of items bearing its name and/or logos.

The program also ensures that manufacturers and retailers market only the highest-quality merchandise using the conference name and logos. The SEC has joined a significant number of colleges and universities throughout the country to bring about consistency in the marketplace for officially-licensed collegiate products.

2017 SEC TOURNAMENT

The Southeastern Conference Baseball Tournament returns for a 20th consecutive year to the Hoover Metropolitan Complex in the south-Birmingham city of Hoover, Ala., May 23-28.

The 2017 SEC Baseball Tournament will continue to feature 12 teams and will remain set to begin on Tuesday, May 23. Seeds 5-12 will meet in a single elimination format on the opening day of the tournament, followed by traditional double-elimination play Wednesday-Friday. The tournament will return to single elimination play on Saturday. A total of 17 games will be played throughout the tournament.

The 12 teams are seeded 1-12 with the two divisional champions and top four seeds guaranteed opening-round byes, with the possibility of earning another later in the bracket. The tournament field will include the top teams from the SEC's Eastern and Western Divisions plus 10 at-large bids seeded 3-12 based on conference winning percentage.

In 2016, Texas A&M defeated Florida 12-5 in a championship game that featured the top-two ranked teams in the country.

The Hoover Met formerly served as home of the Double-A Birmingham Barons (Chicago White Sox) of the Southern League. The stadium also has served as host of the NCAA Men's Soccer Final Four, as well as home to the nationally renowned Hoover Buccaneer high school football program.

Located eight miles south of Birmingham, the Hoover Met seats 10,800 for baseball, but can accommodate over 16,000 when the patio, banquet and side grassy areas are used. The stadium also houses 12 suites and state-of-the-art dressing and training rooms. Wireless internet access was added in 2004, concourse and signage renovation was done in 2005 and a second-level pressbox expansion, new stadium seating and an exterior facelift in 2007 completed a $6 million renovation project. A new HD video scoreboard was added in 2008, while the SEC introduced the nation to a 'pitch clock' in 2010. A new sound systems and concourse amenities such as refurbished restrooms big screen HDTVs at concessions stands were added in 2012.

Construction of a new $83 million sports complex and a 145,000-square feet indoor event and performance center began in 2016. Plans for the enhancements to the facility include a player lounge in the stadium, new playing surface, including turf and sub-surface and irrigation, and there will be five NCAA regulation-sized baseball fields at the outdoor sports complex. The project will consist of two phases: one to be completed by the 2017 SEC Tournament, and the other to be completed in 2018.

SEC TOURNAMENT SEEDING: The two division champions shall be automatically seeded number one and number two based on winning percentage in conference competition. The rest shall be seeded numbers three through 12 based on winning percentage without regard to division. Ties will be broken in the following manner:

1. Two-Team Tie. The following procedure will be used in the following order until the tie is broken:
   A. Won-lost results of head-to-head competition between the two tied teams.
   B. If two-teams are divisional opponents:
      (1) Won-lost percentage within their division (over the 15-game SEC division schedule).
      (2) Won-lost percentage of the two teams versus the No. 1 team in their division (and proceeding through the No. 7 team, if necessary).
   C. If two teams are not divisional opponents:
      (1) Won-lost record of the two teams versus the No. 1 seed using common opponents only (and proceeding through the No. 12 seed, if necessary).
      (2) Coin flip by the Commissioner

2. Three-Team Tie (or more). The following procedure will be used in the following order until the tie is broken: (Note: If the three tied teams have three different records against each other, they shall be seeded in best-percentage order.) Otherwise, once the tie has been reduced to two teams, the two-team tiebreaker procedure will be used.
   A. If all three teams are common opponents: Total won-lost percentage of games played among the tied teams.
   B. Won-lost percentage of the tied teams versus the No. 1 seed and proceeding through the No. 12 seed, if necessary, using common opponents only.

GAME 11

The championship game featuring LSU and Mississippi State was called due to lightning and rain with one out in the bottom of the fourth inning with LSU leading 6-0. LSU and Mississippi State were declared tournament co-champions by SEC Commissioner Roy Kramer. The league did not submit an automatic qualifier to the NCAA Tournament. However both schools, as well as Georgia, were selected as at-large qualifiers.

ALABAMA CRIMSON TIDE

The Tide's 2016 season wrapped up at 32-26 overall, including a 15-15 mark in conference play, following its three game stint in the SEC Baseball Tournament. The Crimson Tide won the first of three contests before falling in the final two games of the week to end its tournament run and eventually the season. Alabama advanced to the second round of the 2016 SEC Baseball Tournament with a 5-2 win over No. 8 seed Kentucky on Tuesday at Hoover Metropolitan Stadium. Starter Nick Eicholtz picked up his fourth win of the season and his second over the Wildcats in 2016, throwing 6.2 innings and allowing two runs on three hits with a pair of walks and three strikeouts. Eicholtz began the game hot, retiring the first nine hitters he faced, before giving up a solo home run to break the streak. The junior limited UK in the middle innings, but ran into trouble in the bottom of the seventh. Reliever Matt Foster followed the Tide starter, and came in to record a groundout to first to end any threat. Foster went on to record the first two outs of the eighth before a fielding error allowed one to reach and ended his night. Alabama turned the ball over to its closer, Thomas Burrows, who recorded the final out of the eighth and then sat the Wildcats down in order in the ninth to record his career-high 12th save of the season. The Crimson Tide offense was highlighted by Will Haynie and Hunter Webb, who each finished 3-for-5 with two RBI apiece on the day. Haynie notched his team-high 10th home run and added a pair of runs scored to his stat line, as well. The No. 9 seed Crimson Tide fell, 4-1, to top-seeded Mississippi State on Wednesday evening at The Met. Mississippi State starter Zac Houston had the Crimson Tide's number, working 8.2 innings of one-run baseball. The junior allowed just four hits and did not walk a batter while striking out five. He was pulled in the bottom of the ninth after allowing a pair of hits as the Crimson Tide mounted a comeback. Georgie Salem kept the game alive with a two-out double before Chandler Taylor sent another double off the wall to score Salem and make it a 4-1 game and force a State pitching change. The Bulldogs brought in Blake Smith, who recorded the final out for his fourth save of the year. Alabama baseball's run in the 2016 SEC Tournament came to an end on Thursday afternoon, as the Crimson Tide fell, 5-4, to No. 4 Florida. The two teams changed leads or went even on five different occasions across the nine innings of play, with Florida coming out on top in the end. The Crimson Tide pitching effort was highlighted by Foster, who worked a career-high 5.0 innings of scoreless baseball, allowing three hits and issuing two walks while punching out three hitters.

ARKANSAS RAZORBACKS

Clark Eagan's 2-run home run in the first inning gave Arkansas an early lead against No. 3 Mississippi State, but defensive errors led to a loss as the Hogs fell to the Bulldogs 9-4 in the regular season finale. The Hogs (26-29, 7-23) couldn't string hits together until the late innings. Mississippi State's (40-14, 21-9) bullpen held Arkansas to just 2 hits between the third and seventh innings, but the Hogs pulled together 4 singles of their own in the eighth, scoring twice, giving the game its final tally.

In 1984 the Southeastern Conference developed the Academic Baseball Honor Roll. The new format was adopted to recognize those athletes who had a 3.0 grade point average (either cumulative or during the past year), and had 24 semester or 26 quarter hours countable toward a degree. Prior to the 1996-97 season, the SEC dropped the requirement of earning a letter for that season.

**(NOTE: Before 1954, district playoff games were not considered a part of the national collegiate baseball championship. As a result, only district/playoff games from 1954 to the present, are included in the record column. In 1947, 1948 and 1949, eight teams competed in the national tournament but only two made the CWS in 1947 and 1948 and four made the CWS in 1949. Region Playoff games involving those teams advancing to the national tournament are also included in this list. Super Regionals began in 1999.

2016 SEC BASEBALL ATTENDANCE BREAKDOWN

2016 SEC ATTENDANCE LEADERS

Year after year, the SEC continues to be the benchmark in paid college baseball attendance. The SEC and one of its institutions have led the NCAA in total and average attendance for the last 16 seasons in a row, and 21 of the last 27 years. In 2007, the SEC drew nearly 1.7 million and averaged for 4,000 per game for first time in history. New records were once again set in 2011 as the league drew over two million for the first time ever, as well as nearly 5,000 per game. An NCAA-record 2,319,937 total fans attended regular-season games in the SEC in 2014. The 2016 season marked the 13th year in a row the SEC has topped the one million mark in attendance, leading the nation once again in that category by a wide margin. A total of 211,753 fans attended games in SEC stadiums during opening weekend, and record crowds attended games at Arkansas, Florida, Ole Miss, Mississippi State, Texas A&M and Vanderbilt.
