STADIUM

INAUGURAL SEASON

.....

We would like to welcome you to the Inaugural Season at Cowboys Stadium. Not since the 1971 opening of Texas Stadium has there been such excitement in the air.

With the June opening of George Strait, you will become a part of history as we open one of the greatest architectural masterpieces of our generation.

The Cowboys Stadium family have been preparing for this day for the last five years. You will find this new venue was created with the fan in mind every step of the way. From the moment you arrive at your VIP parking space, we are prepared to bring the ultimate fan experience to you. We believe the luxurious finishes and furniture in your suites, the breathtaking views from your seats and the impeccable service and attention you receive while you are our guests will be unrivaled.

Along with all of this, comes a new food and beverage selection. Just as the architects and construction team have spent countless months building this magnificent new stadium, we too have been crafting innovative new dining offerings for you to choose from for your suite guests.

The enclosed menu is the first of two you will receive this year. This menu is for non-Cowboys events such as concerts and other sporting events and for any items you wish to purchase on event day. The menu that you will receive with your 2009-2010 suite tickets will be used for ALL Cowboys home games advance orders.

After you have the opportunity to review these menus, please let us know if you have any questions. We are happy to assist and look forward to serving you in this exciting new year.
