Subject: Re: Outstanding issues regarding Hospitality

Joe,

Here is what I would propose for the two outstanding events:

New York- Company will pay and host a private dinner for Pro team riders and 10 sponsor guests. (If 20 need to be invited in order to have 10 attendees, that's fine.) (Also, if NYC dinner evolves into the Lance appearance, I would propose that this becomes the sole responsibility of USPS.) *If USPS picks up Lance father # from NYC bump to S.F.*  
San Francisco- 50 guests allotted for Saturday evening reception  
10 guests allotted for Saturday evening dinner. (I don't think that a larger number is practical or doable).

We can further discuss in Santa Barbara if you have any follow up questions.

Thanks for your patience.

Sincerely,

Mark

Mark: I know your still trying to play catch up from being out for the holidays. I need to get final resolution on the remaining contract issues we discussed about Hospitality. To recap here is what we have already reached agreement on: 1. The tour expenses for our guest up to 5 (couples) for a total of 10 people, hotel and hospitality to be paid by Tailwind 2. The Philadelphia reception and dinner. We would be allotted a total of 50 guests at the reception, and 30 at a dinner. Here is what we are still waiting agreement on: 1. NYC Tailwind would host a private VIP dinner for riders and 20 invited sponsor guests. 2. SF would be the same as Philadelphia above. Mark, I would like to get these things put in writing so I can get the contract modified to spell these out and would like to finish this up as soon as possible. Can you please get back to me with a response by this Friday, 1/20/03. Joe Porporino USPS Sales 1735 N Lynn Street RM 5029 Arlington VA 22209-6620 Office: 703-292-3771 Pager: 888-274-8048

*Tailwind will pay for 5 couples - ALL EXP*
