SEC BASKETBALL

"LEGACY OF CHAMPIONS"

Throughout the history of men's college basketball, the Southeastern Conference has captured 11 NCAA Championships and four NIT titles, putting the SEC as one of the nation's top basketball conferences.

During the 2006-07 academic year the Southeastern Conference became the first conference to win the Division I National Championship in Football (Florida), Men's Basketball (Florida) and Women's Basketball (Tennessee) in the same school year.

Only the SEC and the Big East have ever won both the men's and women's basketball titles in one season. SEC won both three times in 1996, 1998 and 2007. The Big East has won both twice in 2003 and 2004.

The SEC swept both the NIT and NCAA Tournaments in 2006 when Florida won its first NCAA championship and South Carolina earned its second straight NIT title. Only four conferences have won both the NIT and NCAA title, including the Big East (2003), ACC (1992) and Big Ten (1979).

- The SEC has won three of the last eight NCAA titles (2006-Florida, 2007-Florida, 2012 Kentucky). No other conference has won more than two NCAA titles during that stretch.
- Six SEC teams received postseason invitations in 2013 with three (Florida,

Ole Miss and Missouri) receiving bids to the NCAA Tournament and three (Alabama, Kentucky and Tennessee) getting NIT invites.

- Eight SEC teams ranked in the Top 100 of the final regular season (March 18) NCAA Men's Basketball RPI in 2013. Only the Big East (11) and Atlantic 10 (10) had more.
- The SEC has won at least 65 percent of its non-conference games since the league expanded to 12 teams in 1991-92.
- The SEC led all other conferences with 12 players selected in the 2012 NBA Draft, including eight that were selected in the first round.
- The top three picks in the 2012 NBA Draft played in the SEC: Kentucky's Anthony Davis (1st overall), Kentucky's Michael Kidd-Gilchrist (2nd overall) and Florida's Bradley Beal (3rd overall).
- Over the last six NBA Drafts, 42 SEC players have heard their names called.
- In 2012 Kentucky's Anthony Davis had one of the most prolific seasons in basketball history. He led the Wildcats to the national title, was named national player of the year, was the number one overall pick in the NBA Draft and was a member

of the gold medal winning squad at the London Olympics.

- Kentucky is the all-time NCAA leader in wins with 2,111 and the Wildcats' 111 NCAA Tournament victories are the most in tournament history. UK's 52 NCAA Tournament appearances are the most in the nation.
- Kentucky's John Calipari is 38-13 (.745) in the NCAA Tournament. Florida's Billy Donovan is 31-11 (.738) in NCAA Tournament games.
- The SEC has won 11 NCAA men's basketball tournament titles with Kentucky claiming eight (1948, 1949, 1951, 1958, 1978, 1996, 1998 and 2012). Florida has two (2006, 2007) and Arkansas has one (1994).
- Since 1993, the SEC has won six men's basketball national championships – Arkansas (1994), Kentucky (1996), Kentucky (1998), Florida (2006), Florida (2007) and Kentucky (2012). Only the ACC (6) has won as many men's basketball titles during this time.
- Every team in the SEC has made at least one NCAA Tournament appearance in the last 10 editions of the NCAA Tournament.
- The SEC is 50-27 (64.9 percent) in the first round of the NCAA Tournament over

Kentucky won its eighth NCAA Championship in 2012 with a 67-59 win over Kansas.

Florida won back-to-back NCAA titles in 2006 and 2007

the last 15 tournaments (since 1999). In 1999 the SEC won each of its six first round games, becoming the first conference to have six teams win their first round games in the same season.

- The SEC has had at least one team advance to the Sweet 16 in 23 of the last 24 years.
- Each of the 126 conference games will be televised live as part of the SEC's historic 15-year agreements with CBS Sports and ESPN that began in 2009-10. Almost half of the SEC's league games will be distributed nationally with ESPN or ESPN2 televising 31 contests, ESPNU showing 18 and CBS Sports five. Additionally, nine games will be offered on ESPN3. The SEC's games on ESPN platforms are exclusively branded as the "SEC on ESPN."
- More than 2.4 million fans have witnessed SEC basketball in each of the last seven seasons. Kentucky and Tennessee were both ranked among the top seven nationally in average attendance. The Wildcats led the nation with an average of 23,099 fans per game while the Vols were seventh with an average of 16,635.
- Southeastern Conferences coaches have led their teams to 33 conference championships and 24 conference tournament championships while collecting 25 conference coach of the year honors over the course of their head coaching careers.

THE SOUTHEASTERN CONFERENCE

"THE STANDARD OF EXCELLENCE"

The Southeastern Conference, with its storied 80-year history of athletic achievements and academic excellence, has built perhaps the greatest tradition of intercollegiate competition of any league in the country since its inception.

The 2012-13 academic year was another season to remember for the SEC as conference teams captured seven national titles and six national runner-up finishes. The SEC has won consecutive national championships in football, gymnastics, men's indoor track & field and men's outdoor track and field. Since 1990, the SEC has won 156 national team championships for an average of more than six per year.

Alabama won the SEC's first national title of the year with its win in the BCS National Championship Game in football. It is the SEC's seventh consecutive football national title. Florida won the league's third consecutive gymnastics title and 16th overall. The Auburn equestrian team brought home the national title in the sport's first year in the SEC. Alabama won its first ever national championship in the sport of men's golf. Arkansas won its 12th national title in men's indoor track & field. Florida and Texas A&M shared the national title in men's outdoor track and field after both squads recorded 53 points at the national meet. Georgia's women's swimming and diving team brought home their fifth national title.

Overall, the SEC finished in the top two in 11 of its 21 sponsored sports and in the top five in 13 of the 21 sports. Nine SEC teams participated in football postseason bowls with Alabama winning BCS Championship. Three men's basketball teams were invited to the NCAA Tournament and seven women's basketball teams were also invited to the NCAA Tournament. The SEC had nine teams advance to postseason play in baseball with LSU and Mississippi State advancing to the College World Series. With 171 teams advancing to NCAA postseason competition, the SEC continued to solidify its place as the nation's premier conference.

In addition to the seven team championships, 93 SEC student-athletes garnered individual national championships, while 559 individuals were awarded with First-Team All-America Honors. Student-athletes around the league continued to excel in the classroom as well with more than 3,100 earning recognition on the SEC Academic Honor Roll.

On the national all-sport level, 12 SEC schools placed in the top 50 of the NACDA

Director's Cup rankings. Florida led the league with a second-place finish. Texas A&M placed fifth while Georgia was 10th; LSU finished 19th, Arkansas 21st, Kentucky 25th, Alabama 26th, Auburn 33rd, Tennessee 37th, Vanderbilt 46th and Mississippi State 49th to round out the league's top-50 finishes.

SECU ACADEMIC INITIATIVE

SECU Executive Director Torie Johnson

Using its SECU academic initiative, the Southeastern Conference sponsors, supports and promotes collaborative higher education programs and activities involving administrators, faculty and students at its member universities. SECU is led by the president or chancellor of each SEC university and is managed by the chief academic officer.

The goals of the SECU academic initiative include:

- Advancing the merit and reputation of SEC universities outside of the traditional SEC region;
- Highlighting the endeavors and achievements of SEC faculty and universities;
- Identifying and preparing future leaders for high-level service in academia;
- Increasing the amount and type of education abroad opportunities available to SEC students; and
- Providing opportunities for collaboration among SEC university personnel.

The current programs of the SECU academic initiative include:

- The SEC Academic Leadership Development Program seeks to identify, prepare and advance academic leaders for roles within SEC institutions and beyond. It has two components, a university-level program and two, three-day, SEC-wide workshops held on specified campuses for all participants.
- The SEC Faculty Achievement and Professor of the Year Awards recognize faculty with outstanding records in research and scholarship. There is one winner per campus and one overall winner for the Conference.

- The SEC Faculty Travel Grant Program is intended to enhance collaboration that stimulates scholarly initiatives between SEC universities. The program offers faculty from each SEC university the opportunity to travel to other SEC universities to develop grant proposals and conduct research.
- The SEC College Tour occurs each spring, and administrators from all SEC universities participate in events intended to introduce SEC universities to students, parents and high school counselors from outside of the southeast region.
- The SEC Symposium is an academic conference-type event intended to address a scholarly issue in an area of strength represented by all SEC universities. Held in Atlanta, Georgia, this marquee event puts on display the research and innovation of SEC institutions for an audience of academicians, government officials, grant funding agents and other stakeholders.
- The SEC Cooperative Education Abroad Agreement provides opportunities for students from all SEC universities to access international programs offered at other SEC universities. And as part of a renewable agreement, Italian engineering students from the Politecnico di Torino (PdT) have the opportunity to enroll at SEC universities each fall, and engineering SEC students may study there the following spring.

SEC NETWORK

The Southeastern Conference and ESPN Announce new TV Network and Digital Platform

20-Year Agreement and Rights Extension through 2034; AT&T U-verse Will Distribute the Network at Launch

The Southeastern Conference and ESPN have signed a 20-year agreement through 2034 to create and operate a multiplatform network, which will launch in August 2014, it was announced on May 2, 2013, by SEC Commissioner Mike Slive and ESPN President John Skipper. The new network and its accompanying digital platform will air SEC content 24/7 including more than 1,000 events in its first year.

The network will televise approximately 45 SEC football games, more than 100 men's basketball games, 60 women's basketball games, 75 baseball games, and events from across the SEC's 21 sports annually. Programming will also include studio shows, original content such as *SEC Storied*, spring football games, signing day and pro days coverage. Hundreds of additional live events

from various sports will be offered exclusively on the digital platform. The network and its digital extensions will connect with each SEC institution and create opportunities for each school to produce and develop content.

"The SEC Network will provide an unparalleled fan experience of top quality SEC content presented across the television network and its accompanying digital platforms," stated Slive. "We will increase exposure of SEC athletics programs at all 14 member institutions, as we showcase the incredible student-athletes in our league. The agreement for a network streamlines and completes an overall media rights package that will continue the SEC's leadership for the foreseeable future."

Each weekend throughout the season, the new network will air multiple top-tier matchups from the strongest conference in college football. Since 2006, the SEC has claimed seven consecutive football national championships. In 2011-12, SEC teams won eight national championships: football (Alabama), men's basketball (Kentucky), gymnastics (Alabama), men's indoor track and field (Florida), women's tennis (Florida), women's golf (Alabama), men's outdoor track and field (Florida), and softball (Alabama). Since 1990, the SEC has won 149 national team championships for an average of more than six per year.

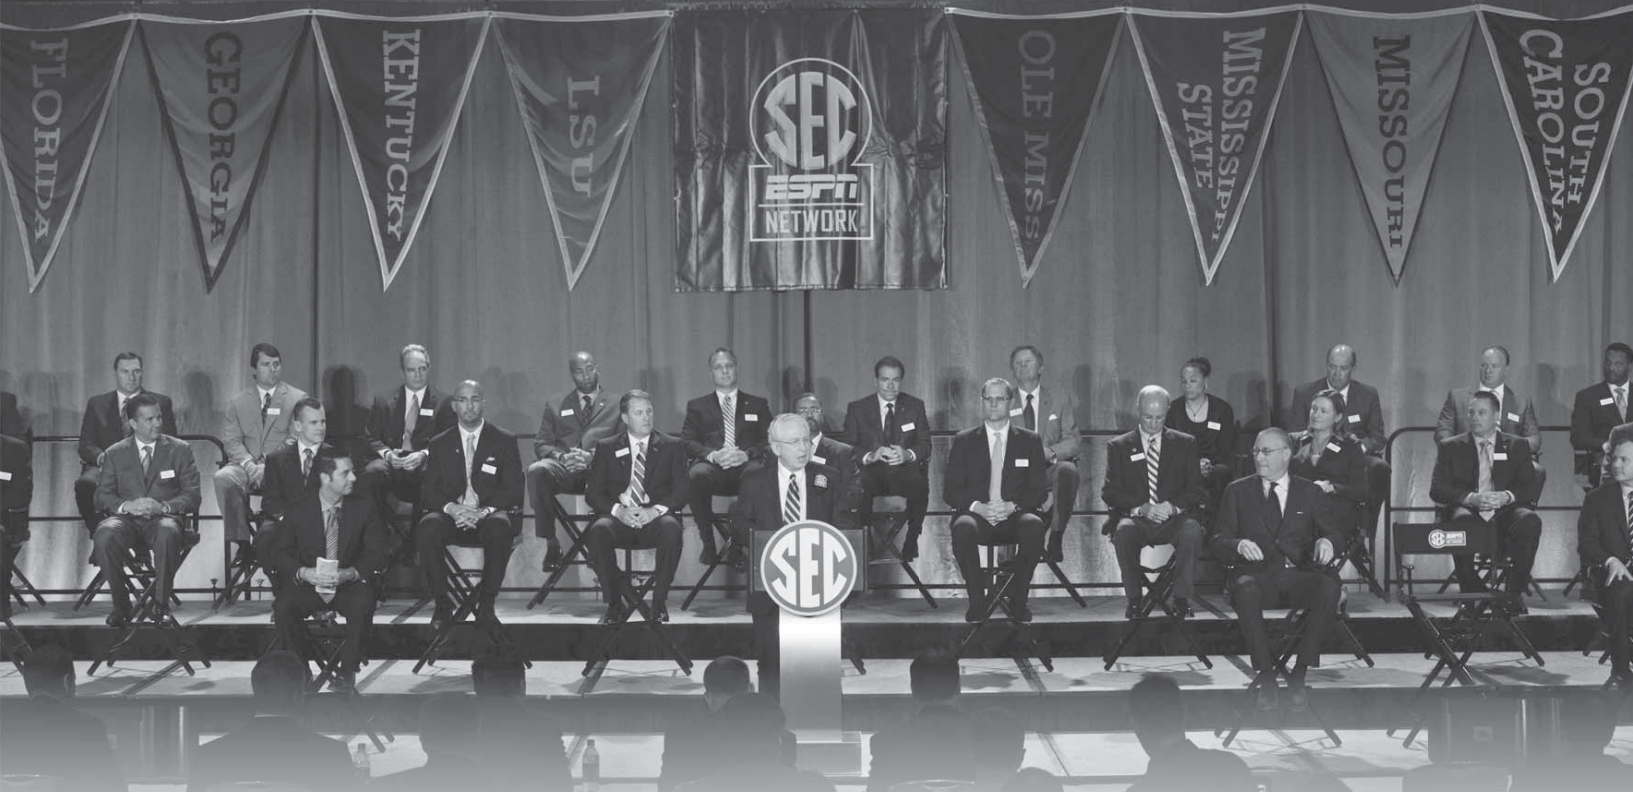

Skipper said, "The SEC is unmatched in its success on the field and its popularity

with fans nationwide. The new network's top-quality SEC matchups across a range of sports will serve all sports enthusiasts including the most passionate, die-hard SEC fans. Also, it will serve the needs of our multichannel distributors and advertisers by providing extremely attractive programming options across all platforms."

As part of the agreement, ESPN will now oversee the SEC's official Corporate Sponsor Program. In addition, ESPN and the SEC also agreed to extend their existing media rights agreement through 2034. ESPN has televised the SEC since 1982. ESPN's existing networks present more than 1,600 hours of SEC action each year. The new network will focus exclusively on the SEC and add another outlet to deliver sports fans more SEC content than ever.

AT&T U-verse® has been secured as the network's first national distributor. AT&T U-verse is the fastest growing TV provider in the U.S. and their subscribers will have access to an unprecedented amount of SEC content across all platforms. Subscribers receiving the live linear network via a multichannel subscription will also have access to the network on PCs, tablets, smartphones and select gaming devices like Xbox. Additional games and coverage will be available through an authenticated digital offering. Fans looking to learn more about how to get the SEC Network can visit GetSECNetwork.com for more information.

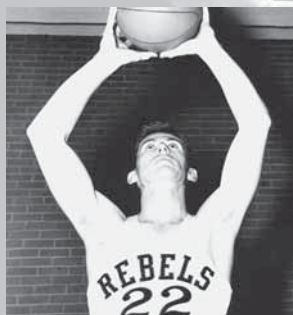

"We are pleased to be involved with the SEC and ESPN at the very beginning of this great alliance," said Jeff Weber, President of Content and Advertising Sales, AT&T. "As the fastest growing and most advanced pay TV service, we want to bring our customers the highest value and most compelling prod-

uct that we possibly can. Access to the SEC Network, across multiple platforms, will only increase the demand for U-verse."

ESPN's Justin Connolly, formerly senior vice president, ESPN affiliate sales and marketing, will oversee the network's day-to-day operations. The network will originate from

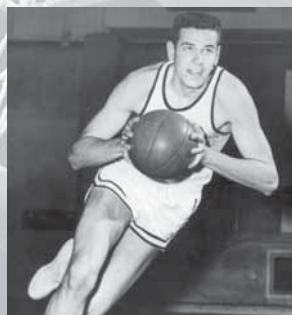

ESPN's Charlotte, N.C., offices with additional staff located at the company's Bristol, Conn., headquarters. Staff announcements and additional details will be made in the coming months.

SEC COMMISSIONER MIKE SLIVE

SEC MISSION STATEMENT

The SEC's mission statement reflects the priorities of the league. "The purpose of the Southeastern Conference is to assist its member institutions in the maintenance of programs of intercollegiate athletics which are compatible with the highest standards of education and competitive sports."

From his early days as an athletics administrator to his current post as commissioner, Mike Slive has played an important role in the ever-changing world of intercollegiate athletics. He was named the seventh commissioner of the Southeastern Conference on July 2, 2002, and uses his role as a leader of intercollegiate athletics' most successful conference as a force for positive change in intercollegiate athletics.

In more than 40 years of legal and athletics administrative experience, Slive has made a major impact on many different levels of intercollegiate athletics. He was a founding commissioner of two conferences, founder of a law firm which assisted NCAA institutions in compliance matters, served as Director of Athletics and handled financial aid for students during his first college administrative position.

As the SEC ends its fourth year of its landmark 15-year agreements with CBS and ESPN, the league recently announced the creation of The SEC Network, set to launch August 2014. These agreements make the league the most widely distributed conference on television in the nation. These arrangements also secure the financial health of the SEC and its member institutions for years to come.

Since Slive's arrival at the SEC in 2002, he has developed initiatives designed to maintain and improve the SEC's position as one of the top intercollegiate athletics conferences in the nation, both on and off the fields of play. These include:

- The SEC Task Force on Compliance and Enforcement issued its first report at the 2004 SEC Spring Meetings. The task force developed policies and procedures to assist league schools in NCAA and SEC compliance and enforcement matters.
- SEC University (SECU) was created in 2005 to increase academic cooperation across the league by linking the resources of the conference's member institutions.
- The SEC annually distributes a database of names and biographies of every minority head and assistant football coach on the Division I level to every one of its schools and every conference in Division I.
- The SEC has initiated policies and procedures designed to foster sportsmanship and prevent inappropriate fan behavior.
- In the fall of 2012, the Southeastern Conference expanded to 14 institutions, with Texas A&M and

Missouri joining the league. It was the first time since July 1991 that the conference has taken in new schools. Texas A&M and Missouri are members of the prestigious Association of American Universities (AAU), joining Florida and Vanderbilt.

On the playing fields during Slive's tenure, the SEC has won 62 national championships, including eight Bowl Championship Series crowns and the last seven in a row. The SEC has won national titles in 15 of its 21 sponsored sports during Slive's 11 years as SEC Commissioner. SEC revenue sharing per year to the member institutions has increased from 95.7 million to 289.4 million under Slive's watch.

"I am honored to serve as the Commissioner of the Southeastern Conference," said Slive. "We have accomplished many of our goals since my arrival in 2002. The SEC is a leader in intercollegiate athletics, meeting today's challenges and setting the course for the future. I look forward to continuing the course we have set to make the SEC the nation's top intercollegiate athletics conference."

Since Slive has been at the SEC, he has served as coordinator of the Bowl Championship Series (2006-08) and served as chair of the NCAA Division I Men's Basketball Committee (2008-09). In 2002-03, Slive served on the Commission of Athletics Opportunity, set up by the United States Secretary of Education to review the workings of Title IX.

Slive served as chair of the first NCAA Infractions Appeals Committee and was chair of the National Letter of Intent Steering Committee. He served as president of the Collegiate Commissioners Association (CCA) from 2001-03, was also on the NCAA Management Council from 1997-2004 and is the former chair of the Board of Directors of NCAA Football USA.

Slive previously was the first commissioner of Conference USA from 1995-2002 and was the first commissioner of the Great Midwest Conference upon its founding in 1991.

A native of Utica, N.Y., Slive graduated from Dartmouth College with a Bachelor of Arts degree in 1962. He earned a Juris Doctor from the University of Virginia Law School in 1965 and an LLM from the Georgetown University Law Center in 1966.

Slive and his wife, Elizabeth, are the parents of a daughter, Anna. Anna and her husband, Judd Harwood, are the parents of a daughter, Abigail, born in May 2012.

The Southeastern Conference has an extensive presence on the World Wide Web.

General SEC basketball information can be accessed on the Web at www.secsports.com. The basketball section is updated with new material daily on the page, with standings, statistics, game previews, notes and other important information. The SEC basketball release can also be printed off the secsports.com website in an Adobe Acrobat file. Adobe Reader, which is used to read the Adobe Acrobat file, can be down-

loaded for free on your computer on the adobe.com website.

The SEC also offers a media-only section of the website - www.secsportsmedia.com. Media covering the SEC can retrieve information from the conference office as well as the 12 SEC institutions from the media site. An internet photo gallery, logos and a championship credentialing system for SEC basketball is available on the site. (The site houses all media information for the other 19 sports the SEC sponsors).

CORPORATE SPONSOR PROGRAM

The Southeastern Conference corporate sponsor program began in 1988 with three companies dedicated to intercollegiate athletics and higher education.

Now supported by many of the nation's top corporations, this program has evolved into the most successful of its kind.

Each member of the SEC corporate marketing team shows its commitment to the future of intercollegiate athletics with contributions to SEC Youth Clinics, SEC Scholarship Programs and SEC Academic Enhancement Programs.

The corporations also conduct consumer promotions designed to increase sales and brand awareness. These promotions also increase public awareness of the member institutions of the SEC, which in turn supports increased ticket sales and high television and radio ratings.

In addition to the broad spectrum of benefits provided by these contributions, each

SEC institution is a direct beneficiary of the program.

SEC Corporate Champions include Allstate Insurance, AT&T, Sunkist and Regions Bank, and current SEC Corporate Sponsors are BC Powder, First Data, Gatorade, Golden Flake, Gulf Shores & Orange Beach of Alabama, KIA Motors, Macy's, Sonic Drive-In, Texas Pete and UPS.

PROGRAM MISSION

The mission of the corporate sponsor program is:

1. To develop marketing and promotional activities that benefit the SEC, its member institutions and the participating corporations;
2. To emphasize the positive role of athletics in our society; and
3. To provide funding for youth clinics, championship events and academic enhancement programs.

SEC LICENSING PROGRAM

The Southeastern Conference markets its registered marks (Southeastern Conference, SEC, SEC Seal and SEC logos) through a licensing program with the Collegiate Licensing Company. The SEC began its licensing program in 1988 to protect the use of its name and insignias and to ensure that its member institutions benefit from the use and sale of items bearing its name and/or logos.

The program also ensures that manufacturers and retailers market only the highest-quality merchandise using the conference name and logos. The SEC has joined a significant number of colleges and universities throughout the country to bring about consistency in the marketplace for officially-licensed collegiate products.

SEC TOURNAMENT

Atlanta's Georgia Dome

The 2014 Southeastern Conference Men's Basketball Tournament will be held in a familiar setting as the Georgia Dome in Atlanta, Ga., again plays host to this event. Fresh off hosting the 2013 NCAA Final Four, the Georgia Dome is a world-class facility with basketball seating configuration of 26,000. The Georgia Dome first hosted the SEC Men's Basketball Tournament in 1995 and the 2014 tournament will mark the 11th time the facility has served as host. The city of Atlanta hosted the first SEC Tournament in 1933 and this season's tournament will mark the 14th time the City of Trees has hosted the event.

The winner of the 13-game tournament receives the SEC's automatic bid to the NCAA Tournament. The tournament seeds are determined by the 18-game conference schedule during the regular season. Teams are seeded 1-14 based on their regular season conference finish.

Atlanta served as host of the inaugural SEC Tournament played following the 1932-33 season and did so again after the 1933-34 season. The event was held every year through 1952, with the exception of

1935. After a 26-year layoff (1953-78), the tournament was renewed in 1979. The 2012 tournament will be the 52nd in league history and the 33rd since the renewal.

The SEC has shown extraordinary balance in the tournament, evidenced by the fact that a different school won the first seven titles after the renewal. The event has helped set the stage for SEC teams in the NCAA Tournament, as 21 of tournament champions since the tournament resumed in 1979 have advanced to at least the Sweet 16. Three of the last 16 SEC Tournament champions have gone on to win the national championship. Since the renewal in 1979, the SEC Tournament Champion has failed to win at least one NCAA Tournament game only four times.

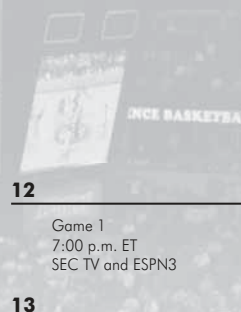

Kentucky leads the league with 27 SEC Tournament titles. Alabama is second with six, while Tennessee ranks third with four. Florida and Mississippi State each have three championship trophies while Georgia, Ole Miss and Vanderbilt have two. Arkansas, Auburn, LSU and former league member Georgia Tech have each won one SEC Tournament championship.

SEC TOURNAMENT TIE-BREAKER PROCEDURES

Teams will be seeded No. 1 through No. 14 in the SEC Men's Basketball Tournament bracket based upon the final regular season Conference standings. Teams that finished No. 1 through No. 4 in the final regular season standings shall receive a "bye" on the first and second days of the SEC Men's Basketball Tournament.

1. Two-Team Tie: The following procedure will be used in the following order until the tie is broken:

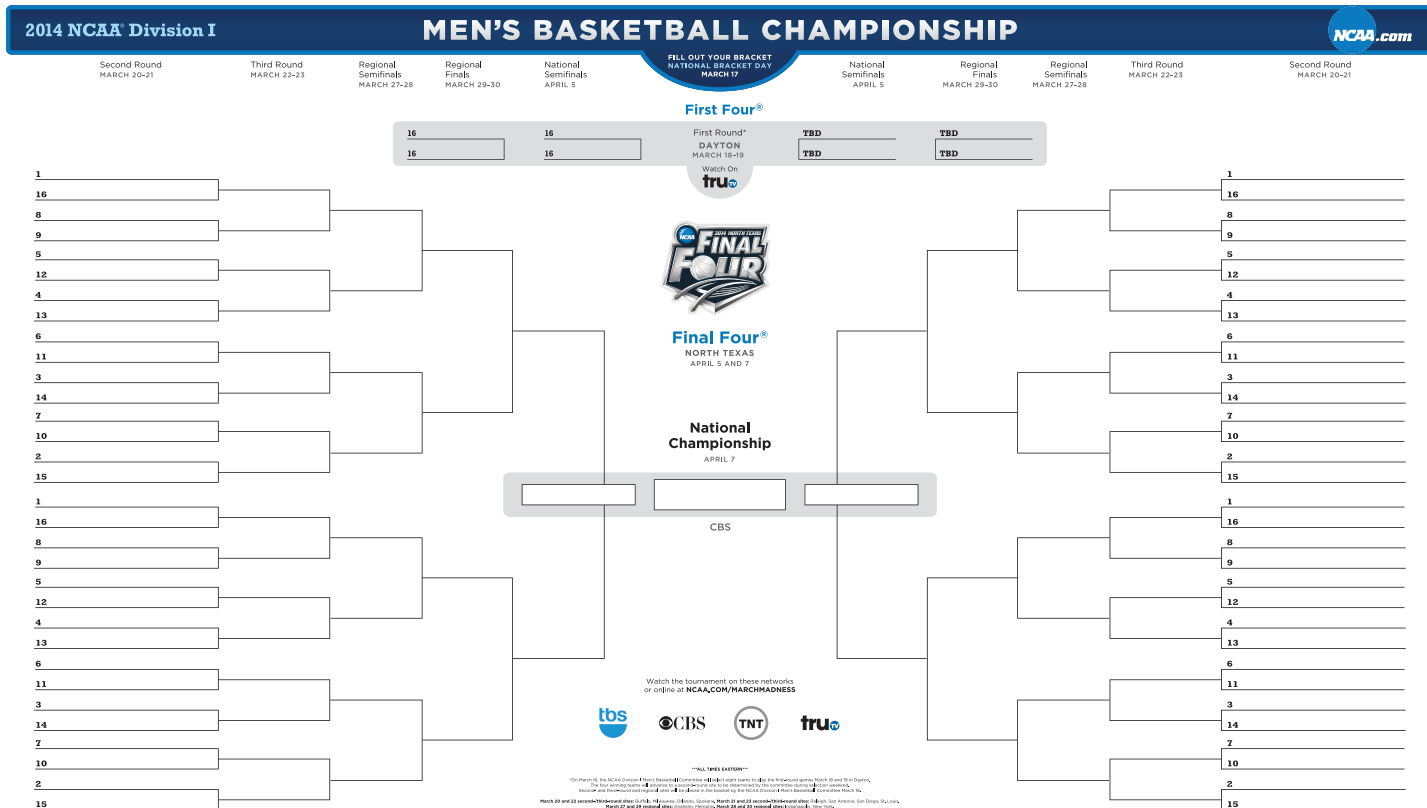

- Won-lost results of head-to-head competition between the two teams.
- Won-lost record of the two teams versus the No. 1 seed (and proceeding through the No. 14 seed, if necessary).
- Coin flip by the Commissioner.

2. Three-Team Tie (or more): When three or more teams are tied, the following procedure will be used in the following order until the tie is broken. If two teams remain tied after a tiebreaker provision, the two-team tiebreaker formula will be used.

- Best winning percentage of games played among the tied teams (Example: Team A is 3-1, Team B is 2-2 and Team C is 1-3 – Team A would be seeded highest, Team B second-highest and Team C lowest of the three).
- Best winning percentage of the tied teams versus the No. 1 seed (and proceeding through the No. 14 seed, if necessary).
- If two teams remain, coin flip by the Commissioner.
- If three or more teams remain, draw by the Commissioner.

For the purpose of seeding, if an institution is precluded from participating in the tournament, such institution will automatically be seeded last. The No. 5 seed with the best record will then receive a bye. However, for the purpose of breaking ties, that team will remain where it finished in the regular-season standings BEFORE being seeded last.

2012-13 REVIEW

2013 SEC TEAM NOTES

ALABAMA

Five of Alabama's top six scorers in 2013 were freshmen or sophomores. Junior guard Trevor Releford lead the team with 14.9 points. UA took a 10-day, five-game trip to Europe (The Netherlands, Belgium and France) over the summer.

ARKANSAS

Arkansas ranked second in the nation with a turnover margin of +5.9. The Razorbacks forced an average of 17.5 turnovers per game this year. Marshawn Powell and BJ Young were each named second-team All-SEC by the league coaches.

AUBURN

Auburn's Frankie Sullivan finished his career with 1,556 points, which is eighth on Auburn's all-time career scoring list. Sullivan also ended his career as Auburn's career leader with 134 games played and 713 3-point field goal attempts.

FLORIDA

Florida won its fourth outright league title and third under coach Billy Donovan. The Gators made their third consecutive Elite Eight appearance. The Gators earned a trip to the NCAA Elite Eight for the third straight season, the only team in the nation to do so.

Kentavious Caldwell-Pope

GEORGIA

Georgia's Kentavious Caldwell-Pope was named SEC Player of the Year by the league's coaches and the Associated Press. He is the first Bulldog ever to receive that honor from the coaches and the first since Dominique Wilkins in 1981 to receive it from the Associated Press.

KENTUCKY

Kentucky won at least 20 games for the 57th time, including all four seasons under John Calipari. Willie Cauley-Stein became the seventh player in program history to register 60 or more blocks in his freshman season.

LSU

LSU's Johnny O'Bryant III recorded 15 double-doubles this season, including 10 in SEC games. Johnny Jones' 19 wins in 2013 marked the second most victories by a first-year LSU coach in the last 60 years.

OLE MISS

Ole Miss claimed its first SEC Tournament Championship since 1981 and just the second SEC Tourney title in school history. The Rebels made their seventh NCAA Tournament appearance in school history and the first since 2002. With 27 wins in 2013, the Rebels tied the 2000-01 squad for the most wins in school history.

MISSISSIPPI STATE

Mississippi State's Craig Sword finished in the Top 10 of the school's freshman record books in points, scoring average, minutes, field goals made and attempted and in the Top 5 in assists, steals and free throws made and attempted. Mississippi State had two players (Gavin Ware and Sword) make the SEC All-Freshman team for only the second time.

MISSOURI

Missouri was back in the NCAA Tournament for a school record-tying fifth consecutive year. Missouri last played in five consecutive NCAA Tournaments from 1986-90 and 1999-03.

SOUTH CAROLINA

South Carolina's Brenton Williams set a school record for most points in an SEC game and most points in Colonial Life Arena with 38 against MSU. Michael Carrera was named to the SEC All-Freshman Team after he led or shared the team lead in scoring on nine occasions, and collected a team best in rebounds 13 times.

TENNESSEE

Tennessee's Jarnell Stokes recorded a double-double in 12 of his last 16 games. He had an SEC-best 16 double-doubles on the year, which is the most for a Vol since Bernard King had 19 in 1976-77. Jordan McRae's 19.2 points in league games this season ranked seventh among all players from the six "major" conferences.

TEXAS A&M

Texas A&M's Elston Turner broke his own Reed Arena scoring record against Tennessee by notching 38 points on 16-of-33 shooting from the floor. Alex Caruso set a school record for steals by an A&M freshman, finishing with a team-leading 61 on the year to break the precious record, which was held by Shelby Metcalf who stole 56 during the 1983-84 campaign.

VANDERBILT

Vanderbilt won three of its last four games, and six of its last eight to end the season. Vanderbilt was 2-1 in the SEC Tournament, and advanced to the SEC Semifinals for the fourth consecutive season. Commodore head coach Kevin Stallings garnered his 400th career victory in VU's quarterfinal win over Kentucky on March 15.

NOTE: From 1933-50 the SEC Champion was determined by a tournament, except for 1935. Since 1951, when the round-robin schedule was introduced, the title has been decided by a winning percentage on the conference schedule. From 1951-64 the round-robin consisted of 14 games. In 1965 and 1966 it was expanded to 16 games. From 1967-91 the round-robin schedule was 18 games. In 1992 the SEC split into an Eastern and Western Division, but continued to recognize an SEC Champion based on a winning percentage over the new 16-game conference schedule. The league also began awarding division championships. In 1979 the tournament was renewed with the winner receiving the SEC's automatic bid to the NCAA Tournament.
