RS Junior Linebacker Curt Maggitt

(What will it mean to be back playing the first game this season)

“It will be great. It’s not like playing in Neyland with all the fans, but I know it will be sold out for sure. Playing on Sunday will be a great opportunity for me to get back out there and do my best for the team to help us get to victory.”

(Does the Georgia game last season still stick with you?)

“Last season is behind us and we learn from it, peek at it, but we don’t stare into the past, we’re moving forward.”

(What would it mean to get back to a bowl game)

“I think it would be a very important step, but in order to get back to a bowl game, you have to focus on the task at hand, which is Utah State, not looking through the whole season.”

(What’s going to be the difference on the defensive side)

“I think us having leaders like myself, A.J., Jordan Williams, Brian Randolph all understand the system and understand the standard and expectation of Coach Jancek and now we have to implement it to the younger guys in order to have success. If we play defense as a whole, we will be a real good defense.”
