

## 2014 SEC Football Media Days Texas A&M Player Quotes Tuesday, July 15, 2014

### **Senior Offensive Lineman Cedric Ogbuehi**

*How are the quarterbacks replacing Johnny Manziel similar and different?*

“Kyle is more of a pocket guy. Kenny is a little bit more mobile. I see a lot of similarities in that they are both playmakers as well.”

*Passing of the torch from Luke Jockel to Jake Matthews to Cedric Ogbuehi.*

“I mean it is a big deal, but every game I’ve got to play still and I’ve got to show out. So I can’t not earn it, I’ve gotta work for it.”

*What are some of similarities and differences in the running backs this year?*

“First of all, all of our running backs are hard runners. Tre Carson has a little more power. Brandon Williams has a little more speed, he’s probably the fastest one and Tre Williams is shifty, he can cut through the small gaps and holes, so they all have similarities but they are all great backs.”

*Talking about the mental and physical hurdles for the position change.*

“As from right tackle to left tackle? The biggest difference is just technique, I think going from right stagger to left stagger. But tackle is tackle. It was hard at first, but once you get use to it, it’s the same thing.”

*Talking about the opening game against South Carolina on the SEC Network.*

“They are a great team. They are physical and play hard, and they have a funny coach.”
