

2014 SEC Football Media Days South Carolina Player Quotes

Tuesday, July 15, 2014

Redshirt Senior Quarterback Dylan Thompson

(On Leadership Position)

“I don’t think there will be any pressure as a team leader. Being a leader is fun for me; not just in football, but in life. Being a leader is about caring about people, and that’s what I try to do with our team. We have great relationships within our team and our staff.”

(On Offensive Line)

“It’s a huge blessing to be behind those guys. Every time I go in to work out, the linemen are in there every morning grinding and putting in extra work. Knowing that the guys care about what they do and want to be great themselves is really encouraging.”

(On Junior Tailback Mike Davis)

“Mike (Davis) is a great player. Fortunately for our team, we have a lot of guys that can get the job done. Mike is a great player and a great guy. It does take some pressure off of you as far as running game, but I think that starts with our offensive line. We have a great line, and Mike is going to have a great year.”

(Relationship with Head Coach Steve Spurrier)

“Coach is awesome. Every time someone asks me how it is playing for him, I say it’s just a blast. For me in high school, I played all sports so I never really concentrated specifically on football. When I got to South Carolina, I knew that he was a perfectionist, so that’s been awesome it be able to work with him. You’ll have a decent game and he’s just not satisfied, and that’s what I love about him.”
