### **Senior Linebacker Ramik Wilson**

*(On defensive backs)*

“Our DBs are looking really good this year. The class Coach (Jeremy) Pruitt brought in has a lot of fresh talent. The way he has been coaching them up, we have all the tools and the talent to be great. If we keep on progressing our secondary is going to be just fine.”

*(On Todd Gurley)*

“Todd (Gurley) is the best running back in the nation. You can ask anybody that and they will agree with it. He works hard and gives us a great practice. He’s probably the best running back I know, and the strongest and biggest. He gives us a great - looking practice to prepare and he backs it up; he’s everything.”

*(On Coach Jeremy Pruitt)*

“Attitude wise, Coach Pruitt is all about business. He’s hard to please and we try our best. He’s not the type of coach to yell and scream in your face when you mess up, he always coaches you up and teaches you what you did wrong and that’s what we needed. He helps us learn and tries to bring the best out of us because he knows what we are capable of. He’s doing a great job.”

*(On favorite stadiums to play in)*

“South Carolina. That’s the game we are looking for. Two years ago we played there and it didn’t turn out well. So we have a little revenge and we’re ready to go over there and handle business.”
