

2014 SEC Football Media Days Alabama Player Quotes Thursday, July 17, 2014

Junior Wide Receiver Amari Cooper

(On playing in Bryant-Denny Stadium and the fans.)

“It seems like they (the fans) love the game more than the players. They are excited each week. It’s crazy out there.”

(On Nick Saban’s passion)

“I wouldn’t say we are scared to perform. I think a lot of outsiders have a different perspective than the insiders do. Coach Saban is a great person. He is a great leader. When he talks, you want to listen to him. He’s a great servant and blessing to other people. That’s what I take from him.”

(On Coach Lane Kiffin)

“Coach Lane Kiffin is a great coach and a great person to be around. He brings that quality to the team. I think we can constantly compete for a championship. Coach is a likable guy. He wants every player to execute their job. He also wants you to have fun playing football.”
