Defensive End C.J. Johnson

On playing Texas A&M in two very close games

"It is not really motivation, but we have to play them to get the SEC Championship, and that is more to us than games in the past."

On playing Texas A&M this year compared to last year

"I think everybody in here knows how it will be different, they don't have Johnny. We will not have to chase him around so it will definitely be a lot easier."

On having more depth this year

"Now, we have quality guys that we can throw in to keep that level of consistency when we need it."

On defending the Ole Miss defense

"Speed really has a lot to do with it but they have so many different things that they can throw at you with so many different guys, it just makes it a lot harder to defend."
