# SEC BASKETBALL

## "LEGACY OF CHAMPIONS"

Throughout the history of men's college basketball, the Southeastern Conference has captured 11 NCAA Championships and four NIT titles, putting the SEC as one of the nation's top basketball conferences.

During the 2006-07 academic year the Southeastern Conference became the first conference to win the Division I National Championship in Football (Florida), Men's Basketball (Florida) and Women's Basketball (Tennessee) in the same school year.

Only the SEC and the Big East have ever won both the men's and women's basketball titles in one season. SEC won both three times in 1996, 1998 and 2007. The Big East has won both twice in 2003 and 2004.

The SEC swept both the NIT and NCAA Tournaments in 2006 when Florida won its first NCAA championship and South Carolina earned its second straight NIT title. Only four conferences have won both the NIT and NCAA title, including the Big East (2003), ACC (1992) and Big Ten (1979).

- The SEC was 12-3 (.800) in the NCAA Tournament and 17-8 (.680) overall in postseason action.
- The SEC's 12 NCAA Tournament wins were the most of any conference (Big Ten 10, American 9).

- The SEC won 80 percent (12-3) of its NCAA Tournament games, the best percentage of any conference.
- Kentucky made its second appearance in the NCAA championship game in three years (2012) and 12th overall.
- The SEC has won three of the last nine NCAA titles (2006-Florida, 2007-Florida, 2012 Kentucky). No other conference has won more than two NCAA titles during that stretch.
- Since 1993, the SEC has won six men's basketball national championships – Arkansas (1994), Kentucky (1996), Kentucky (1998), Florida (2006), Florida (2007) and Kentucky (2012). Only the ACC (6) has won as many men's basketball titles during this time.
- The SEC has won 11 NCAA men's basketball tournament titles with Kentucky claiming eight (1948, 1949, 1951, 1958, 1978, 1996, 1998 and 2012). Florida has two (2006, 2007) and Arkansas has one (1994).
- Florida and Kentucky advanced to the Final Four and Tennessee made it to the Sweet 16. Kentucky made its 16th trip to the Final Four while Florida made its fifth appearance.
- Kentucky's John Calipari is 43-14 (.754) and Florida's Billy Donovan is 35-12 (.745) in NCAA Tournament games.
- This is the first time since 2006 (Florida and LSU) that the SEC has had two teams in the Final Four. It is the fourth time that two SEC teams advanced to the Final Four (1994, 1996, 2006).
- Florida, Kentucky and Tennessee advanced to the Sweet 16 of the NCAA Tournament. It is the most SEC teams in the Sweet 16 since 2007 when three teams (UF, UT, VU) advanced to the Regional Semifinals. It is the sixth time in the last nine years that multiple SEC teams have reached the Sweet 16.
- Every SEC team making a postseason appearance in 2014 won at least one game.
- The SEC has had at least one team advance to the Sweet 16 in 24 of the last 25 years. Eleven of the SEC's 12 members have advanced to the Sweet 16 since 1996.

Kentucky won its eighth NCAA Championship in 2012 with a 67-59 win over Kansas.

**Florida won back-to-back NCAA titles in 2006 and 2007**

- Three active SEC coaches are the all-time winningest coach at their institution - UF's Billy Donovan, UM's Andy Kennedy and VU's Kevin Stallings.
- Every team in the SEC has made at least one NCAA Tournament appearance in the last 11 editions of the NCAA Tournament.
- The SEC has won at least 65 percent of its non-conference games since the league expanded to 12 teams in 1991-92.
- Over the last seven NBA Drafts, 48 SEC players have heard their names called. Twenty-two of those were selected in the first round and two were the No. 1 overall pick.
- Kentucky is the all-time NCAA leader in wins with 2,111 and the Wildcats' 111 NCAA Tournament victories are the most in tournament history. UK's 52 NCAA Tournament appearances are the most in the nation.
- The SEC is 53-27 (66.3 percent) in the second (formerly the first) round of the NCAA Tournament over the last 16 tournaments (since 1999). In 1999 the SEC won each of its six first round games, becoming the first conference to have six teams win their first round games in the same season.

# THE SOUTHEASTERN CONFERENCE

## "THE STANDARD OF EXCELLENCE"

The Southeastern Conference, with its storied 81-year history of athletic achievements and academic excellence, has built perhaps the greatest tradition of intercollegiate competition of any league in the country since its inception in 1933.

The 2013-14 academic year was another season to remember for the SEC as conference teams captured seven national titles and six national runner-up finishes. The SEC has won consecutive national championships in equestrian, men's golf, gymnastics and women's swimming and diving. Since 1990, the SEC has won 163 team national championships for an average of more than six per year. Florida's second consecutive gymnastics national title was the fourth straight for the league and 198th overall. The Georgia equestrian team brought home the national title marking the 13th consecutive year that a team currently in the SEC captured the title. Alabama won its second consecutive national championship in the sport of men's golf. Georgia's women's swimming team captured its sixth national title and second in a row. The Florida softball team prevailed in an all SEC final to win its first championship and second for the league. Texas A&M won the league's 18th championship in women's outdoor track & field. Vanderbilt won the baseball title, the league's fourth in the last six years.

Overall, the SEC finished in the top two in nine of its 21 sponsored sports and in the top five in 13 of the 21 sports. Ten SEC teams participated in football postseason bowls with Auburn participating in the BCS Championship. Three men's basketball teams were invited to the NCAA Tournament and eight women's basketball teams were also invited to the NCAA Tournament. The SEC had 10 teams advance to postseason play in baseball with Ole Miss and Vanderbilt advancing to the College World Series. With 178 teams advancing to NCAA postseason competition, the SEC continued to solidify its place as the nation's premier conference.

In addition to the seven team championships, 71 SEC student-athletes garnered individual national championships, while 555 individuals were awarded with First-Team All-America Honors. Student-athletes around the league continued to excel in the classroom as well with more than 3,100 earning recognition on the SEC Academic Honor Roll.

On the national all-sport level, all 14 SEC schools placed in the top 55 of the NACDA

Director's Cup rankings. Florida led the league with a second-place finish. Texas A&M placed 10th while Kentucky was 11th; Georgia finished 16th, Alabama 17th, LSU 24th, Arkansas 28th, Auburn 34th, South Carolina 35th, Tennessee 40th, Vanderbilt 45th, Missouri 46th, Mississippi State 52nd and Ole Miss 54th.

# SECU ACADEMIC INITIATIVE

## SECU

*The Academic Initiative of the SEC*

Using its SECU academic initiative, the Southeastern Conference sponsors, supports and promotes collaborative higher education programs and activities involving administrators, faculty and students at its member universities. SECU is led by the president or chancellor of each SEC university and is managed by the chief academic officer.

#### **The goals of the SECU academic initiative include:**

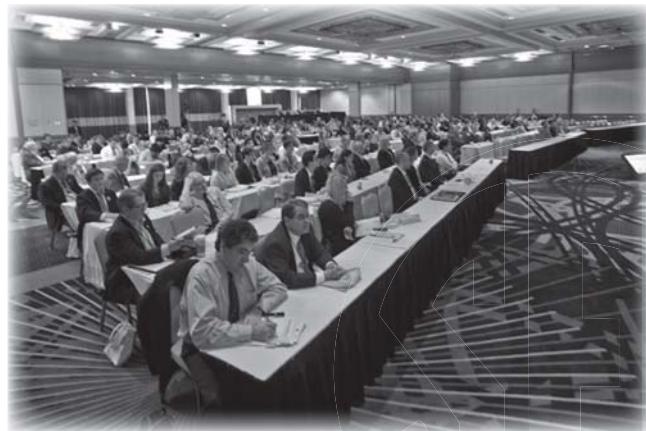

- Advancing the merit and reputation of SEC universities outside of the traditional SEC region;
- Highlighting the endeavors and achievements of SEC faculty and universities;
- Identifying and preparing future leaders for high-level service in academia;
- Increasing the amount and type of education abroad opportunities available to SEC students; and
- Providing opportunities for collaboration among SEC university personnel.

#### **The current programs of the SECU academic initiative include:**

- The SEC Academic Leadership Development Program seeks to identify, prepare and advance academic leaders for roles within SEC institutions and beyond. It has two components, a university-level program and two, three-day, SEC-wide workshops held on specified campuses for all participants.
- The SEC Faculty Achievement and Professor of the Year Awards recognize faculty with outstanding records in research and scholarship. There is one winner per campus and one overall winner for the Conference.
- The SEC Faculty Travel Grant Program is intended to enhance collaboration that stimulates scholarly initiatives between SEC

universities. The program offers faculty from each SEC university the opportunity to travel to other SEC universities to develop grant proposals and conduct research.

- The SEC College Tour occurs each spring, and administrators from all SEC universities participate in events intended to introduce SEC universities to students, parents and high school counselors from outside of the southeast region.
- The SEC Symposium is an academic conference-type event intended to address a scholarly issue in an area of strength represented by all SEC universities. Held in Atlanta, Georgia, this marquee event puts on display the research and innovation of SEC institutions for an audience of academicians, government officials, grant funding agents and other stakeholders.
- The SEC Cooperative Education Abroad Agreement provides opportunities for students from all SEC universities to access international programs offered at other SEC universities. And as part of a renewable agreement, Italian engineering students from the Politecnico di Torino (PdT) have the opportunity to enroll at SEC universities each fall, and engineering SEC students may study there the following spring.
- The SEC MBA Case Competition is an opportunity for SEC business schools to showcase their students' skills at solving simulated, real-world problems that cover the spectrum of business disciplines. The competition is held on one SEC campus and teams of four MBA students compete against other SEC teams, the best receiving various awards and recognition.
- The SEC Academic Collaboration Grant Program is intended to expand student-focused collaboration among SEC universities. The grant is awarded annually to one SEC institution to support joint activities involving all other SEC universities. Examples of collaborative activities include intra-conference competitions, graduate student recruiting fairs, undergraduate research initiatives, etc.

# SEC NETWORK

The Southeastern Conference and ESPN signed a 20-year agreement through 2034 to create and operate a multiplatform network which launched August 14, 2014. The new network and its accompanying digital platform will carry SEC content 24/7 including more than 1,000 events in its first year making every SEC basketball game available nationwide.

SEC Network enjoyed the most successful launch of a new cable network in all of cable history and is already in more than 65 million homes.

"The SEC Network will provide an unparalleled fan experience of top quality SEC content presented across the television network and its accompanying digital platforms," stated SEC Commissioner Mike Slive. "We will increase exposure of SEC athletics programs at all 14 member institutions, as we showcase the incredible student-athletes in our league. The agreement for a network streamlines and completes an overall media rights package that will continue the SEC's leadership for the foreseeable future."

"The SEC is unmatched in its success on the field and its popularity with fans nationwide," ESPN President John Skipper added. "The new network's top-quality SEC matchups across a range of sports will serve all sports enthusiasts including the most passionate, die-hard SEC fans."

Men's basketball games tipoff on SEC Network Friday, Nov. 14, with a double-header of two teams that competed in the 2014 NCAA Final Four: Florida will play William & Mary at 6 p.m., followed by Grand Canyon at Kentucky at 8 p.m. It will mark two of 118 men's games scheduled for television.

Throughout the season, SEC Network's weekly game coverage will be highlighted

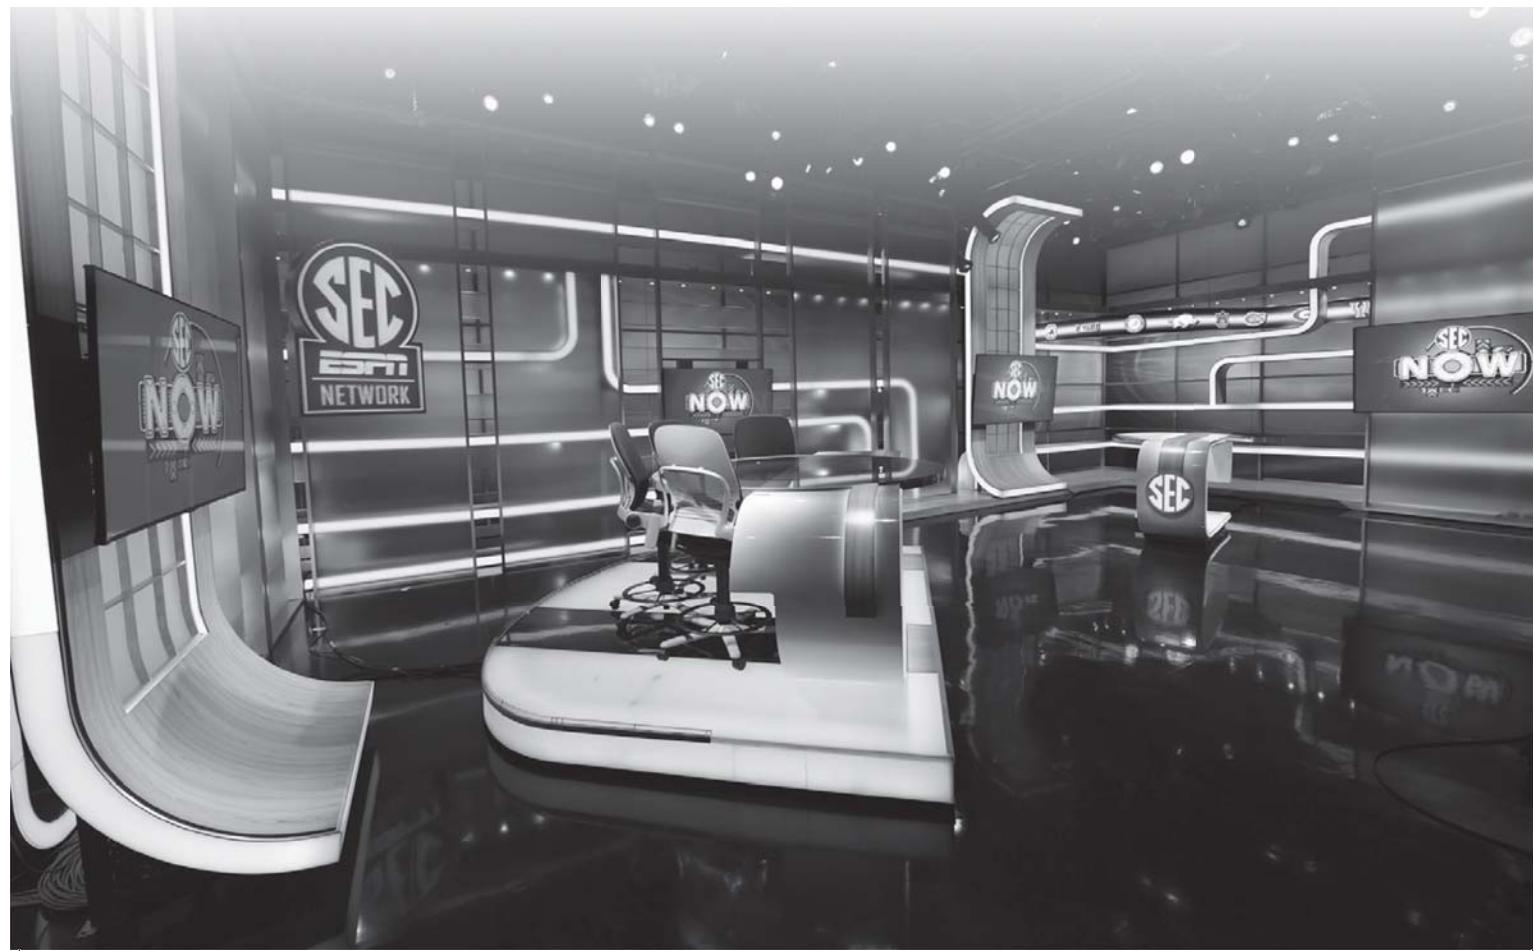

by a doubleheader of men's basketball on Tuesdays and Wednesdays, a women's doubleheader every Thursday and a Women's Game of the Week on Mondays.

In total, SEC Network will televise 188 games between men's and women's basketball, in addition to carrying more than 100 games as digitally exclusive SEC Network + events available on WatchESPN and SEC-Network.com.

Following the regular-season, SEC Network will exclusively air the first rounds through the quarterfinals of both the men's and women's SEC tournaments. It marks the first time the entire tournament will be televised nationally.

The historic expansion of event coverage will be surrounded by in-depth commentary and analysis in studio shows, daily news and information, original content such as SEC Storied and more.

*SEC Now*, the SEC Network's weeknight news and information show, airs every Monday through Friday on the SEC Network. The

weeknight airings will be televised from the SEC Network studio set in Charlotte, N.C.

SEC Now features SEC Network hosts Peter Burns, Dari Nowkhah or Maria Taylor and network analysts, discussing all the SEC news of the day.

"The best thing about college sports is the passion of the fans, and top to bottom, there is no conference that matches the SEC in that category," said Nowkhah.

ESPN Films launched the Storied documentary series in September 2011, present-

ing fans the opportunity to explore the rich athletic history of the SEC. From extraordinary athletes and coaches to defining games and moments, the Storied series features films from the SEC's recent and more distant past.

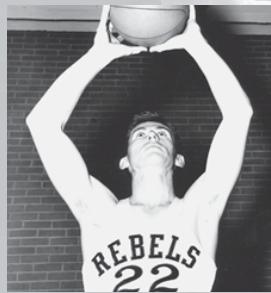

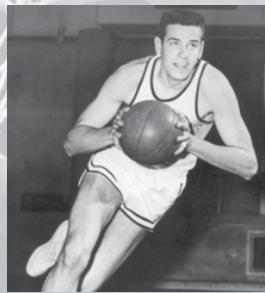

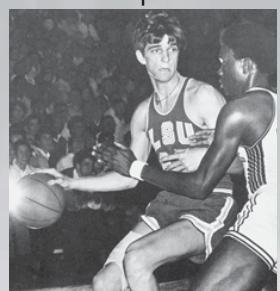

Included in the SEC Storied series are:

- *Miracle 3* - chronicles the dramatic events that ensued after a tornado hit downtown Atlanta as the SEC Men's Basketball Tournament was being played at the Georgia Dome.

- *Going Big* - chronicles former basketball player Sam Bowie's trying career, which was plagued by injuries in college and the NBA and overshadowed by his draft placement.

- *40 Minutes of Hell* - explores the rise, fall and re-birth of legendary Arkansas coach Nolan Richardson and a time when the state of Arkansas was at the epicenter of American culture.

# SEC COMMISSIONER MIKE SLIVE

## SEC MISSION STATEMENT

The SEC's mission statement reflects the priorities of the league. "The purpose of the Southeastern Conference is to assist its member institutions in the maintenance of programs of intercollegiate athletics which are compatible with the highest standards of education and competitive sports."

**A**s the seventh commissioner of the Southeastern Conference, Mike Slive has overseen perhaps the greatest era of success since the league was founded in 1933 while helping shape the landscape of college sports as a national leader in intercollegiate athletics.

Named to the post on July 2, 2002, the SEC has enjoyed unprecedented championship success under Slive's leadership. He led the adoption of a new and effective league-wide NCAA compliance initiative, engineered landmark television contracts including the launch of a conference network, and guided the conference through expansion, welcoming two new institutions.

The hallmark of this golden age of the SEC remains a remarkable seven consecutive Bowl Championship Series national titles in football. In all, the SEC has won 67 national championships in 15 of its 21 sponsored sports during Slive's tenure as SEC Commissioner.

His impact has been felt far beyond the footprint of the SEC. The founding commissioner of two conferences, he was also the founder of a law firm which assisted NCAA institutions in compliance matters, a Director of Athletics and a member of numerous leadership committees during the course of his career. More recently, Slive has helped craft the new College Football Playoff and is a leader in the historic effort to reorganize the NCAA for the purpose of creating a governance structure that provides maximum opportunities for student-athletes.

As the SEC enters the fifth year of landmark broadcast agreements with CBS and ESPN, the league will launch the SEC Network in August 2014, a national network that will bring more than 1000 events into the homes and to the mobile devices of college sports fans across the country. These agreements make the league the most widely distributed conference on television in the nation and also secure the financial health of the SEC and its member institutions for years to come.

Since Slive's arrival at the SEC in 2002, he has developed initiatives designed to maintain and improve the SEC's preeminent position in intercollegiate athletics, both on and off the fields of play.

These include:

- The SEC Task Force on Compliance and Enforcement which developed policies and procedures to assist league schools in NCAA and SEC matters. The task force issued its first report at the 2004 SEC Spring Meetings.
- SEC University (SECU), the conference's academic initiative. SECU was created in 2005 to increase academic cooperation across the league by linking the resources of the conference's member institutions.
- The SEC Minority Coaches Database, an annual compilation of names and biographical information of every minority head and assistant football coach on the Division I level which is distributed to every SEC school and every conference in Division I.
- An SEC Sportsmanship initiative consisting of policies and procedures designed to foster sportsmanship and prevent inappropriate fan behavior.

Since joining the SEC, Slive has served as coordinator of the Bowl Championship Series (2006-08) and served as chair of the NCAA Division I Men's Basketball Committee (2008-09). In 2002-03, Slive served on the Commission of Athletics Opportunity, established by the United States Secretary of Education to review the workings of Title IX. Slive served as chair of the first NCAA Infractions Appeals Committee and was chair of the National Letter of Intent Steering Committee. He served as president of the Collegiate Commissioners Association (CCA) from 2001-03, was also on the NCAA Management Council from 1997-2004 and is the former chair of the Board of Directors of NCAA Football USA.

Slive previously was the first commissioner of Conference USA from 1995-2002 and was the first commissioner of the Great Midwest Conference upon its founding in 1991.

A native of Utica, N.Y., Slive graduated from Dartmouth College with a Bachelor of Arts degree in 1962. He earned a Juris Doctor from the University of Virginia Law School in 1965 and an LLM from the Georgetown University Law Center in 1966.

Slive and his wife of 46 years, Liz, have a daughter, Anna; son-in-law, Judd Harwood; and granddaughter, Abigail who is two years old.

# CORPORATE SPONSOR PROGRAM

The Southeastern Conference Official Sponsor program began in 1988 with three companies dedicated to intercollegiate athletics and higher education.

Now supported by many of the nation's top corporations, this program has evolved into the most successful of its kind.

Each member of the SEC Official Sponsor team shows its commitment to the future of intercollegiate athletics with contributions to SEC Youth Clinics, SEC Scholarship Programs and SEC Academic Enhancement Programs.

The corporations also conduct consumer promotions designed to increase sales and brand awareness. These promotions also increase public awareness of the member institutions of the SEC, which

in turn supports increased ticket sales and high television and radio ratings.

In addition to the broad spectrum of benefits provided by these contributions, each SEC institution is a direct beneficiary of the program. SEC Official Sponsors include Allstate Insurance, AT&T, Belk, Gatorade, Regions Bank and Sunkist Soda.

## PROGRAM MISSION

The mission of the corporate sponsor program is:

1. To develop marketing and promotional activities that benefit the SEC, its member institutions and the participating corporations;

2. To emphasize the positive role of athletics in our society; and
3. To provide funding for youth clinics, championship events and academic enhancement programs.

## SEC OFFICIAL SPONSORS

## SEC LICENSING PROGRAM

The Southeastern Conference markets its registered marks (Southeastern Conference, SEC, SEC Seal and SEC logos) through a licensing program with the Collegiate Licensing Company. The SEC began its licensing program in 1988 to protect the use of its name and insignias and to ensure that its member institutions benefit from the use and sale of items bearing its name and/or logos.

The program also ensures that manufacturers and retailers market only the highest-quality merchandise using the conference name and logos. The SEC has joined a significant number of colleges and universities throughout the country to bring about consistency in the marketplace for officially-licensed collegiate products.

# SEC TOURNAMENT

**Nashville's Bridgestone Arena**

The 2015 Southeastern Conference Men's Basketball Tournament returns to Bridgestone Arena in Nashville. It will be the fifth time that the arena has served as the host of the SEC Tournament, having also hosted in 2001, 2006, 2010 and 2013. Also the home of the NHL's Nashville Predators, Bridgestone Arena has the distinction of being one of the busiest venues in the United States over the past decade and a half, hosting more than 18 million guests during that time. Seating capacity is approximately 19,395 for basketball games.

The winner of the 13-game tournament receives the SEC's automatic bid to the NCAA Tournament. The tournament seeds are determined by the 18-game conference schedule during the regular season. Teams are seeded 1-14 based on their regular season conference finish.

Atlanta served as host of the inaugural SEC Tournament played following the 1932-33 season and did so again after the 1933-34 season. The event was held every year through 1952, with the exception of 1935. After a 26-year layoff (1953-78), the tournament was renewed in 1979. The 2012

tournament will be the 52nd in league history and the 33rd since the renewal.

The SEC has shown extraordinary balance in the tournament, evidenced by the fact that a different school won the first seven titles after the renewal. The event has helped set the stage for SEC teams in the NCAA Tournament, as 22 of the tournament champions since the tournament resumed in 1979 have advanced to at least the Sweet 16. Three of the last 17 SEC Tournament champions have gone on to win the national championship. Since the renewal in 1979, the SEC Tournament Champion has failed to win at least one NCAA Tournament game only four times.

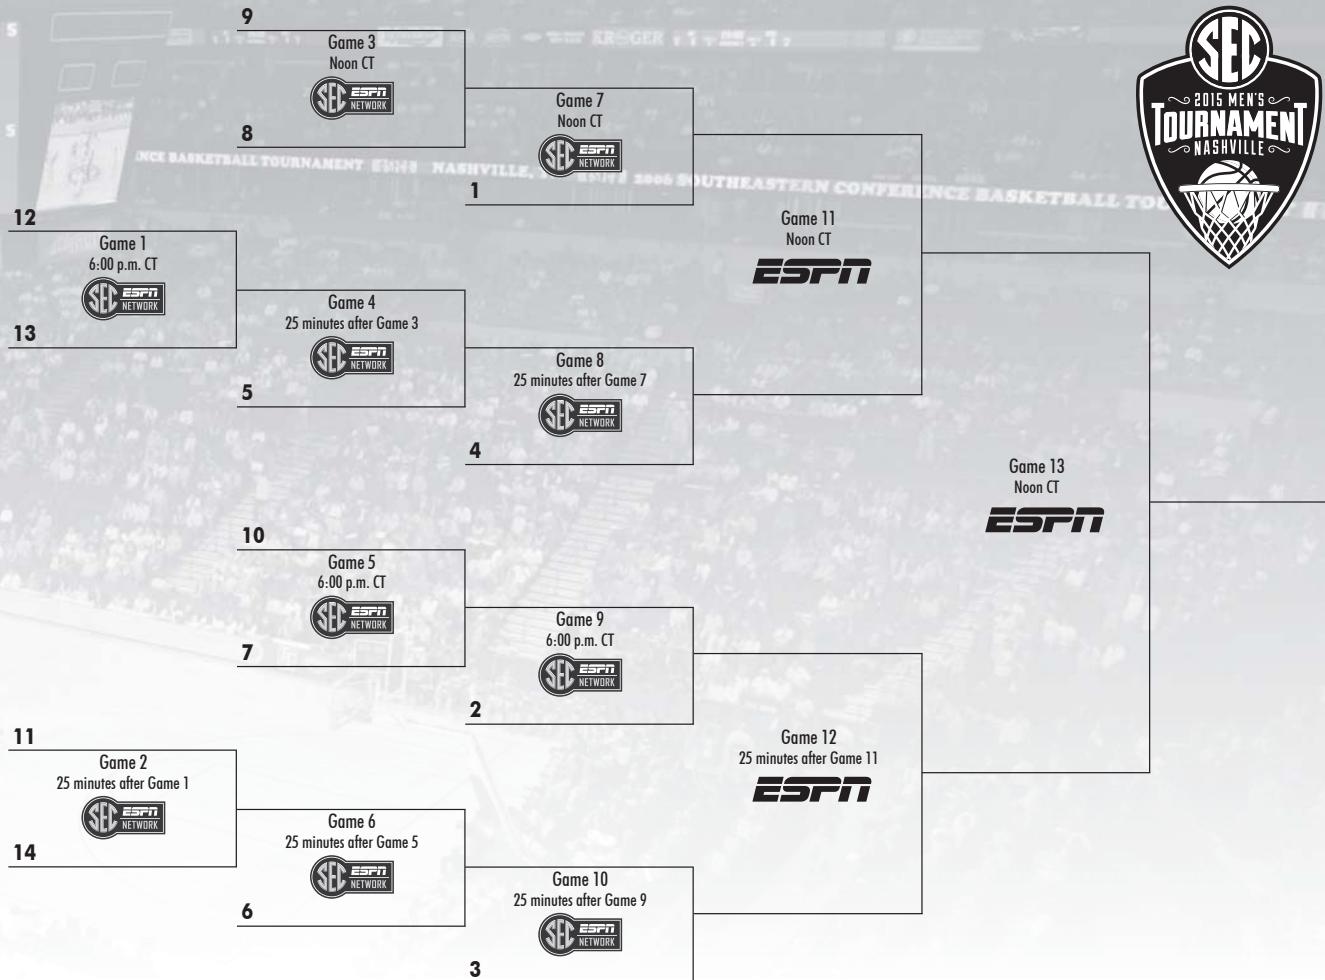

Kentucky leads the league with 27 SEC Tournament titles. Alabama is second with six, while Tennessee and Florida are tied for third with four. Mississippi State has three championship trophies while Georgia, Ole Miss and Vanderbilt have two. Arkansas, Auburn, LSU and former league member Georgia Tech have each won one SEC Tournament championship.

## SEC TOURNAMENT TIE-BREAKER PROCEDURES

Teams will be seeded No. 1 through No. 14 in the SEC Men's Basketball Tournament bracket based upon the final regular season Conference standings. Teams that finished No. 1 through No. 4 in the final regular season standings shall receive first- and second-round byes and teams that finish No. 5 through No. 10 will receive first-round byes in the SEC Men's Basketball Tournament.

**1. Two-Team Tie:** The following procedure will be used in the following order until the tie is broken:

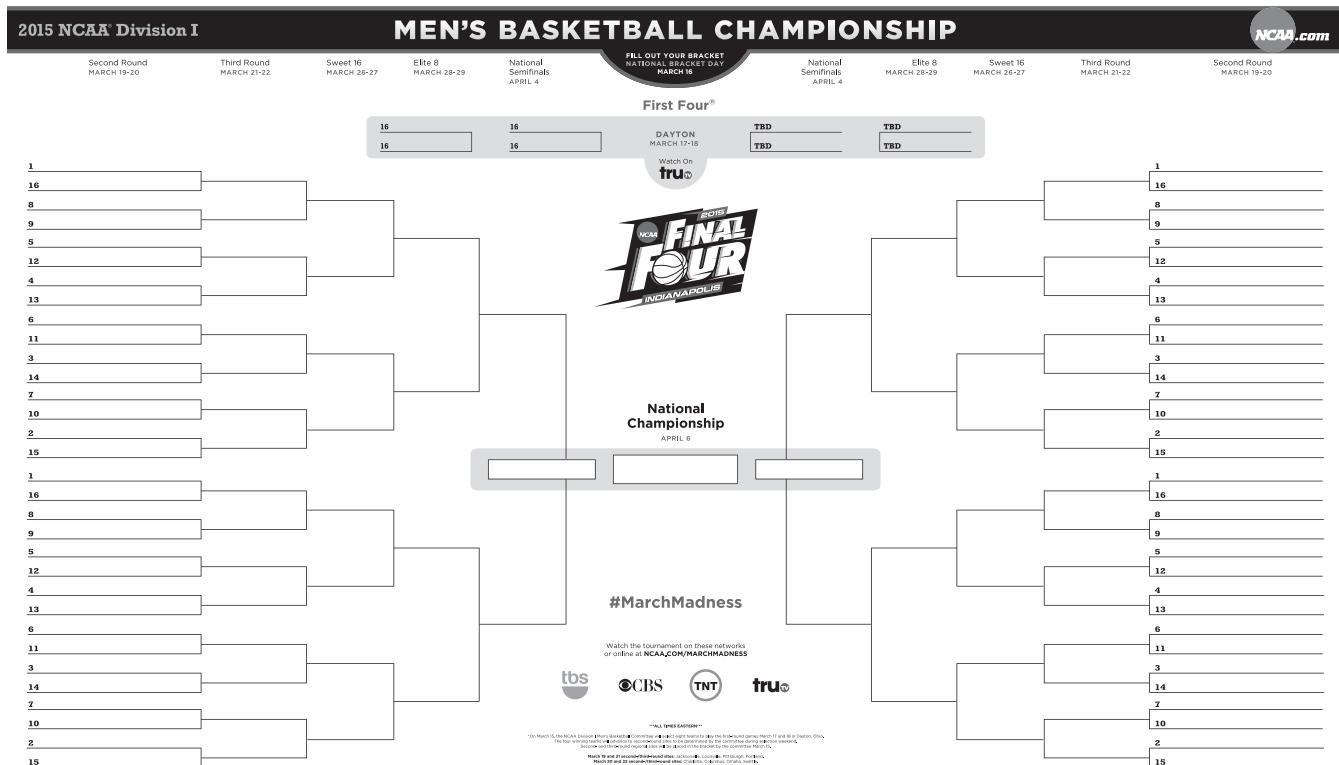

- A) Won-lost results of head-to-head competition between the two teams.
- B) Won-lost record of the two teams versus the No. 1 seed (and proceeding through the No. 14 seed, if necessary).
- C) Coin flip by the Commissioner.

**2. Three-Team Tie (or more):** Won-lost record of the two teams versus the No. 1 seed (and proceeding through the No. 14 seed, if necessary).

- A) Best winning percentage of games played among the tied teams (Example: Team A is 3-1, Team B is 2-2 and Team C is 1-3 – Team A would be seeded highest, Team B second-highest and Team C lowest of the three).
- B) Best winning percentage of the tied teams versus the No. 1 seed (and proceeding through the No. 14 seed, if necessary).
- C) If two teams remain, coin flip by the Commissioner.
- D) If three or more teams remain, draw by the Commissioner.

For the purpose of seeding, if an institution is precluded from participating in the tournament, such institution will automatically be seeded last. The No. 11 seed will then receive a bye. However, for the purpose of breaking ties, that team will remain where it finished in the regular-season standings BEFORE being seeded last.

## 2014 SEC TEAM NOTES

### ALABAMA

Trevor Releford finished his career with 1,873 points, which places him fourth on the school's all-time scoring list and is the career leader in total steals (263), career steals per game average (2.0) and career games played (134). He also is the only player in program history to record more than 1,000 points, 300 assists (395) and 200 steals.

### ARKANSAS

Arkansas' 22 wins was its most since 2007-08. The Razorbacks scored 80.1 points per game, good for the best average since 1997-98. Hit a three-pointer in all 34 games, extending streak to 838 games.

### AUBURN

With 1,190 career points, Chris Denson is now 23rd on the Auburn career points list after passing Charles Barkley (1,183) in his final game. Either junior guard KT Harrell or Denson led Auburn in scoring in 28 of the 30 games.

### FLORIDA

UF made its fifth all-time Final Four appearance and the fourth under head coach Billy Donovan (1994, 2000, 2006 and 2007). The Gators have reached at least the Elite Eight in each of the past four seasons, while no other team in the country has even made the Sweet 16 all of the past four years.

Scottie Wilbekin

### GEORGIA

Georgia reached the postseason for the 21st time in program history. It was their 12th appearance in the NIT and its first since 2007. Georgia won 20 games for the 12th time in program history and its second in the last 12 years.

### KENTUCKY

Kentucky fell 54-60 to UConn in the NCAA Tournament finals. It was UK's second appearance in the national title game in the last three years and the school's third Final Four appearance in four years. Freshman Julius Randle was named a United States Basketball Writers Association Freshman All-America selection.

### LSU

The Tigers won 20 games and 39 in Jones' first two years, the most by any coach in their first two years at LSU. LSU advanced to postseason play for the first time since 2009, getting to the second round of the NIT. The Tigers won a road game at San Francisco before losing to eventual finalist SMU.

### OLE MISS

Marshall Henderson finished his Ole Miss career with a 3-pointer in an SEC record 66-straight games and ranks third on the Rebel career list with 267 3-pointers.

### MISSISSIPPI STATE

Craig Sword scored a career-high 33 points at LSU on Feb. 19, to become the first MSU player to reach 30 since Ravern Johnson totaled 33 against Troy on Nov. 26, 2010.

### MISSOURI

Mizzou's 2013-14 campaign came to a close with a loss to Southern Miss in the second round of the NIT. Mizzou has won at least 23 games each year since 2009. Jabari Brown reached double-digit scoring in 34-of-35 games on the season. Mizzou has had at least one player score 20 (or more) points in 27-of-35 games this season.

### SOUTH CAROLINA

Brenton Williams finished the season 120-for-129 from the free throw line for an SEC single-season record 93.0 percent. Williams holds the South Carolina record for consecutive free throws made with 50. Sindarius Thornwell lead SEC freshman in league games in scoring (15.8) and assists (4.0).

### TENNESSEE

The Vols made their 20th all-time appearance in the NCAA Tournament, advancing to the Sweet 16 (Regional Semifinals) for the seventh time in school history. After a touching display of grace and compassion at the 2014 NCAA Tournament in March, Tennessee was one of four groups to receive the annual SEC Sportsmanship Award.

### TEXAS A&M

Alex Caruso dished 170 assists for the year, a figure that ranks him sixth all-time in program history for a single season. Additionally, he now has 282 assists for his A&M career, 13th most in program history.

### VANDERBILT

The Commodores played the majority of the season with seven scholarship players and ten overall on the roster. Dai-Jon Parker played the full 40 minutes eight times in league play, with Rod Odom and Kyle Fuller doing it five times apiece. Odom finished the season with a team-leading 13.6 points per game and made three or more threes in a game on 14 occasions in 2013-14.

NOTE: From 1933-50 the SEC Champion was determined by a tournament, except for 1935. Since 1951, when the round-robin schedule was introduced, the title has been decided by a winning percentage on the conference schedule. From 1951-64 the round-robin consisted of 14 games. In 1965 and 1966 it was expanded to 16 games. From 1967-91 the round-robin schedule was 18 games. In 1992 the SEC split into an Eastern and Western Division, but continued to recognize an SEC Champion based on a winning percentage over the new 16-game conference schedule. The league also began awarding division championships. In 1979 the tournament was renewed with the winner receiving the SEC's automatic bid to the NCAA Tournament.
