SEC BOWL AGREEMENTS

The Southeastern Conference has agreements with nine postseason bowls and a new process for the assignment of SEC member schools to bowl games, beginning with the 2014 season and extending for six years.

The new SEC bowl process coincides with the beginning of the new College Football Playoff that follows the 2014 college football season. The SEC will also participate in the Allstate Sugar Bowl and the Capital One Orange Bowl (in selected years).

Under the new SEC bowl system, the Buffalo Wild Wings Citrus Bowl in Orlando (vs. Big Ten/ACC), a longtime SEC bowl, will have the first selection of available SEC teams after any conference schools have qualified for the College Football Playoff, the Allstate Sugar Bowl or the Capital One Orange Bowl.

Following the Buffalo Wild Wings Citrus Bowl, there will be a pool of six bowls comprised of renewals with the Outback Bowl in Tampa (vs. Big Ten), Franklin American Mortgage Music City Bowl in Nashville (vs. ACC/Big Ten), TaxSlayer Bowl in Jacksonville (vs. ACC/Big Ten) and AutoZone Liberty Bowl in Memphis (vs. Big 12), as well as new agreements with the Advocare V100 Texas Bowl in Houston (vs. Big 12) and Belk Bowl in Charlotte (vs. ACC).

In consultation with SEC member institutions, as well as these six bowls, the conference will make the assignments for the bowl games in this newly created pool system.

The SEC has also renewed its relationship with both the Birmingham Bowl (vs. American) and the Duck Commander Independence Bowl in Shreveport (vs. ACC). The Birmingham Bowl will have the first selection of available teams following the pool of six bowls. The Duck Commander Independence Bowl will have the next selection of available teams following the Birmingham Bowl.

2014 SEC FOOTBALL VIDEO REPLAY

THE OBJECTIVE

To allow for specific types of officiating calls to be immediately reviewed during all games hosted by SEC teams.

THE COACHES' CHALLENGE

The head coach may challenge the ruling of any reviewable play. He retains a challenge if his initial challenge is successful and thus results in a reversal by the replay official. The head coach will then have a single challenge that he may use anytime during the game if his team has not used all its timeouts. Thus a team may have a total of two challenges in the game, but only if the first results in a reversal of the on-field ruling. A head coach may not challenge an on-field ruling if all of the team's timeouts have been used for that half or extra period.

THE SOURCE

All reviewable video comes direct from either the television network broadcasting the game or other TV production facilities that meet established conference standards. The Southeastern Conference has used instant replay since 2005.

THE PLAYS

Scoring Plays

Reviewable plays involving a potential score include:

a. A potential touchdown or safety.

[Exception: Safety by penalty for fouls that are not specifically reviewable with the exception of the location of the passer when an intentional grounding foul results in a safety.]

b. Field goal attempts if and only if the ball is ruled (a) below or above the crossbar or (b) inside or outside the uprights when it is lower than the top of the uprights. If the ball is higher than the top of the uprights as it crosses the end line, the play may not be reviewed.

Passes

Reviewable plays involving passes include:

a. Pass ruled complete, incomplete or intercepted anywhere in the field of play or an end zone.

b. Forward pass touched by a player or an official.

c. Forward pass or forward handing when a ball carrier is or has been beyond the neutral zone.

d. A forward pass or forward handing after a change of team possession.

e. Pass ruled forward or backward when thrown from behind the neutral zone.

1. If the pass is ruled forward and is incomplete, the play is reviewable only if there is clear recovery of a loose ball in the immediate continuing action after the loose ball or if the ball is out of bounds. If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.

2. If the replay official reverses an incomplete forward pass ruling and the ball is recovered, it belongs to the recovering team at the spot of the recovery and any advance is nullified.

2014 SEC Football

Dead Ball and Loose Ball

Reviewable plays involving potential dead balls and loose balls include:

- a. Loose ball by a potential passer ruled a fumble.
- b. Loose ball by a passer ruled incomplete forward pass when there is clear recovery in the immediate continuing action after the loose ball.
 1. If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.
 2. If the replay official rules fumble, the ball belongs to the recovering team at the spot of the recovery and any advance is nullified.
- c. Live ball not ruled dead in possession of a ball carrier.
- d. Loose ball ruled dead, or live ball ruled dead in possession of a ball carrier when the clear recovery of a loose ball occurs in the immediate continuing action.
 1. If the ball is ruled dead and the replay official does not have indisputable video evidence as to which team recovers, the dead-ball ruling stands.
 2. If the replay official rules that the ball was not dead, it belongs to the recovering team at the spot of the recovery and any advance is nullified.
- e. Ball carrier's forward progress with respect to a first down.
- f. Catch or recovery of a fumble by a Team A player other than the fumbler before any change of possession during fourth down or a try.
- g. Ball carrier in or out of bounds. If a ball carrier is ruled out of bounds, the play is not reviewable, except as in Rules 12-3-1-a and 12-3-3-d.
- h. Catch, recovery or touching of a loose ball by a player potentially touching or having touched a sideline or end line or in the field of play.
- i. A loose ball touching on or beyond a sideline, goal line, or end line, touching a pylon, or breaking the plane of a goal line.

Kicks

Reviewable plays involving kicks include:

- a. Touching of a kick.
- b. Player beyond the neutral zone when kicking the ball.
- c. Kicking team player advancing a ball after a potential muffed kick/fumble by the receiving team.
- d. Scrimmage kick crossing the neutral zone.

Miscellaneous

Situations that may be addressed by the replay official:

- a. The number of players on the field for either team during a live ball.
- b. Clock adjustment and status when a ruling is reviewed.
- c. Clock adjustment at the end of any quarter. If at the end of any quarter the game clock expires, either during a down in which it should be stopped by rule when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:
 1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;
 2. In the second and fourth quarters only, the team in possession when the ball became dead would next put the ball in play from scrimmage (not the try);
 3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and
 4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.
- d. Correcting the number of a down.
 1. This includes the result of a penalty enforcement that includes an automatic first down or loss of down.
 2. The correction may be made at any time within that series of downs or before the ball is legally put in play after that series.
- e. Any person who is not a player interfering with live-ball action occurring in the field of play (Rule 9-2-3).
- f. The player disqualification portion and the penalty for targeting fouls under 9-1-3 and 9-1-4. Forcible contact to the head or neck area of the crown of the helmet are reviewable. Note that if the disqualification is reversed and the only foul is Targeting, the 15 yard penalty will not be enforced.

Limitations on Reviewable Plays

No other plays or officiating decisions are reviewable. However, the replay official may correct egregious errors, including those involving the game clock, whether or not a play is reviewable. This excludes fouls that are not specifically reviewable (Reviewable fouls: Rules 12-3-2-c and d, 12-3-4-b and 12-3-5-a).

THE PROCESS

Each SEC football stadium has a secured replay booth equipped with the HD Instant Replay system provided by DVSPORT. Three individuals work in the booth for the duration of the game: 1. Replay Official, 2. Communicator, 3. Technician. The Replay Official and the Communicator are selected and assigned by the Conference Office.

A live HD video feed is sent directly to the replay booth from the TV truck. The Technician watches the feed on an input monitor while recording it into the DVSPORT Replay System. The Technician also marks the beginning of each play while the Communicator marks all incoming replays.

Each play and subsequent replay then appears on a touch screen in front of the Replay Technician. As the Technician and the Communicator mark the incoming video, each view will appear as a small picture on the computer touch screen. At any time, the Replay Technician can touch the thumbnail and immediately send that play or replay to the Replay Official.

With the Communicator's assistance, the Replay Official can quickly jump between replays while playing back the video. All replay video navigation is done via a jog shuttle remote controlled by the Replay Official. All video is viewed on an HD monitor that sits in front of the Replay Official. The touch screen is only used to select the replays and to log specific play data in the event a call is overturned.

While all plays are reviewed between the whistle and the beginning of the next play, the Replay Official can stop play on the field by using a pager system. Six of the seven on-field officials wear pagers. If play is stopped the Referee announces on the stadium PA microphone that play has been stopped so the previous play can be reviewed. The Referee then proceeds to the sideline headset, which provides direct communication to the Replay Official in the booth. Once the play has been reviewed, the Replay Official notifies the Referee, who then announces the decision on the stadium PA system.

RECENT ADDITIONS

* Monitors may be used to view a live telecast or webcast in the football coaching booth. The home team is responsible for assuring identical television capability in the coaches' booths of both teams. This capability may not include replay equipment or recorders.

* If at the end of a half the game clock expires, either during a down in which it should be stopped by rule when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:

1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;
2. The team in possession when the ball became dead would next put the ball in play from scrimmage;
3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and
4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.

THE EQUIPMENT

Each SEC member institution uses the HD Replay System developed by DVSPORT. The replay systems are maintained by the home institution with technical support from DVSPORT.

During the last eight years (2006-13), Southeastern Conference football has experienced success that is unparalleled in its football history and in the history of college football. During this tenure, the SEC's achievements have been demonstrated by:

- Triumphs in BCS bowl games, including the BCS National Championship Game
- Non-conference success in regular season and bowl games
- Defeating highly-ranked non-conference teams
- Success in the polls and rankings
- Individual awards and All-America Teams
- Academic and Community Service Standouts
- Continued accomplishments of former SEC student-athletes in the NFL

SEC IN THE BCS ERA

• The SEC has won seven of the last eight national championships, nine of the 16 BCS National Championships, two runner-up finishes and 23 overall national titles (AP, BCS, FWAA, coaches poll). The SEC appeared in 10 of the 16 BCS Championship Games, winning nine.

• Four different SEC schools have won the BCS National Championship since 2006 (Auburn, 2010; Alabama, 2009, 2011, 2012; Florida, 2006 and 2008; LSU, 2007). Tennessee (1998) and LSU (2004) have also won the BCS crown. Auburn also appeared in the 2013 BCS Championship Game. A team from the SEC Western Division has advanced to five consecutive national championship games. The Big 12 (Texas and Oklahoma) and the ACC (Miami and Florida State) have each had two schools win titles since 1998.

• Since 2006, more than half of the slots in the BCS National Championship Game have been taken by SEC teams (10 of 18). The Big Ten and the Big 12 have two each, while the ACC and Pac-10 each have one.

• An SEC team has led or tied for the lead at the end of 27 of the last 32 quarters of BCS National Championship Game play.

• Since 2006, an SEC team has been ranked first in the weekly BCS standings in 36 of the 65 weeks, with four different teams holding the top spot. Florida was first for seven weeks, Alabama for 16 weeks, Auburn for three and LSU for 10 weeks, including six of the nine polls this season. The Big Ten has held the top spot for 15 weeks (all Ohio State), the Big 12 for six weeks (Texas and Oklahoma twice, Missouri and Kansas State once) and the Pac-10 four weeks (all Oregon). The ACC (Florida State) held the top spot in the final poll in 2013.

• The SEC has had more teams ranked in the BCS standings for the most times than any other conference since 2006. The league has had 13 of its 14 teams ranked at one time or another since 2006. The SEC breakdown: LSU (62), Alabama (52), Florida (41), Auburn (38), South Carolina (38), Georgia (35), Arkansas (23), Texas A&M (17), Tennessee (14), Mississippi State (12), Missouri (9), Kentucky (4) and Ole Miss (4). Vanderbilt is the only team to not appear in the BCS rankings during this time, however, the Commodores finished ranked in the Top 25 in both 2012 and 2013 after bowl games with 9-4 records. The BCS does not produce a poll following bowl games.

• Since 2006, the SEC has posted a 10-6 record in BCS bowl games, more wins than any other conference. Here are the BCS bowl records of all conferences since 2006:

SEC	10-6	.625
Pac-12	7-4	.636
AAC	5-3	.625
Big 12	5-7	.417
Big Ten	5-9	.357
ACC	4-6	.400
Mountain West	2-1	.667
WAC	2-1	.667
MAC	0-1	.000
Independents	0-2	.000

• Three of the top nine defensive performances in BCS history have been registered by SEC teams, more than any other conference. Alabama's shutout of LSU in the 2012 BCS National Championship Game was the first shutout in BCS history. Georgia defeated Hawaii, 41-10, in the 2008 Sugar Bowl, and Florida defeated Syracuse, 31-10, in the 1999 Orange Bowl - both are tied for 7th in lowest point total allowed in a BCS game.

• Alabama's 28-point victory over Notre Dame in the 2013 Discover BCS National Championship is the second-largest in the BCS era. (Southern Cal defeated Oklahoma by 36 in the 2005 BCS Championship Game for the top spot, however, that victory was later vacated.)

• During the recent seven-year winning streak, the SEC's average margin of victory in BCS National Championship Games is 17 points, which includes a three point victory over Oregon in 2011, the only game during the streak decided by single digits.

SEC IN OVERALL BOWL GAMES

• Since 2006, the SEC has accrued more bowl wins (49) and appearances (83) than any other conference. The conference's .671 bowl winning percentage is first among FBS leagues during that time.

SEC	49-24	.671
American	28-15	.651
Mountain West	24-16	.600
Sun Belt	11-8	.579
Pac-12	26-19	.578
Big 12	32-30	.516
Conference USA	22-23	.489
Independents	8-9	.471
ACC	28-39	.418
Big Ten	21-40	.344
MAC	10-28	.263

• In the 2013-14 bowl season, the SEC had the most wins (7) and had the second highest win percentage (7-3, .700), first among conferences that had three-or-more teams in bowl games. The seven victories tied the SEC's own record for most bowl wins in history by a single conference.

• In January bowl games, the SEC is 31-15 (.674) against non-conference competition. Since 2008, the league is 25-11 (.694) against non-conference foes in January bowl games.

SEC vs. OTHER CONFERENCES

• Since 2006, the SEC has posted the highest non-conference winning percentage (regular season & bowls) than any other conference. The league has a 387-86 record, an 81.8 winning percentage. The SEC has won no less than 43 non-conference games (regular season & bowls) during the last eight seasons (2006-2013). This season, the SEC was 54-12 (.818), the highest percentage among FBS conferences.

• Teams from the SEC have posted 48 wins in the last seven years against non-conference Top 25 teams (at time game was played), an average of six wins per season. Ten of the 14 SEC teams have at least one win against a non-conference Top 25 team in the last seven years with LSU (9), Georgia (8), Alabama (7), Florida (5), South Carolina (7) Auburn (3) and Texas A&M (2) leading the way. SEC teams have beaten teams ranked 1-25 since 2006 with the exception of No. 6.

SEC CHAMPIONSHIP GAME

SEC DIVISIONAL TIE-BREAKER

In the event of a tie for the division championship, the following procedures will be used to break all ties to determine the SEC Football Championship Game representative. All Conference versus Conference Games (both division and non-division) will be counted in the Conference Standings.

1. **Two-Team Tie.** In the event two teams are tied for a division title, the following procedure will be used in the following order:

- A. Head-to-head competition between the two tied teams;
- B. Records of the tied teams within the division;
- C. Head-to-head competition against the team within the division with the best overall (divisional and non-divisional) Conference record, and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- D. Overall record against non-divisional teams;
- E. Combined record against all common non-divisional teams;
- F. Record against the common non-divisional team with the best overall Conference record (divisional or non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division;
- G. Best cumulative Conference winning percentage of non-divisional opponents;

Example: Tied Teams Non-Divisional Opponents Cumulative Record

Western 1 Eastern Opponents: 14-2
 Western 2 Eastern Opponents: 12-4
 (Western 1 would be the representative)

H. Coin flip of the tied teams.

2. **Three-Team Tie (or more).** If three teams (or more) are tied for a division title, the following procedure will be used in the following order: (Note: If one of the procedures results in one team being eliminated and two remaining, the two-team tiebreaker procedure as stated in No. 1 above will be used):

- A. Combined head-to-head record among the tied teams;
- B. Record of the tied teams within the division;
- C. Head-to-head competition against the team within the division with the best overall Conference record (divisional and non-divisional) and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- D. Overall Conference record against non-divisional teams;
- E. Combined record against all common non-divisional teams;
- F. Record against the common non-divisional team with the best overall Conference record (divisional and non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division; and
- G. Best cumulative Conference winning percentage of non-divisional opponents

(Note: If two teams' non-divisional opponents have the same cumulative record, then the two-team tiebreaker procedures apply. If four teams are tied, and three teams' non-divisional opponents have the same cumulative record, the three-team tiebreaker procedures will be used beginning with 2.A.);

Example: Tied Teams Non-Divisional Opponents Cumulative Record

Western 1 Eastern Opponents: 14-2
 Western 2 Eastern Opponents: 12-4
 Western 3 Eastern Opponents: 8-8
 (Western 1 would be the representative)

H. Coin flip of the tied teams with the team with the odd result being the representative (Example: If there are two teams with tails and one team with heads, the team with heads is the representative).

2015 SEC CHAMPIONSHIP GAME • DECEMBER 5 • ATLANTA, GA.

THIS IS THE SOUTHEASTERN CONFERENCE

• Since its formation in 1933, the SEC has directed and organized interscholastic athletic competitions, conducted tournaments and prescribed eligibility rules for student-athletes. The Conference also facilitates and assists its member institutions in maintaining intercollegiate athletic programs compatible with the highest standards of education and competitive sports.

• The Southeastern Conference crowns champions in 21 sports - 12 women's sports and nine men's sports. They include baseball, men's and women's basketball, men's and women's cross country, equestrian, football, men's and women's golf, gymnastics, soccer, softball, men's and women's swimming and diving, men's and women's tennis, men's and women's indoor and outdoor track and field, and volleyball.

• In the fall of 2012, the University of Missouri and Texas A&M University became the 13th and 14th members of the Southeastern Conference. It marked the first expansion for the SEC since 1991 and the second-ever increase for the league since its founding in 1933.

• The SEC's mission statement reflects the priorities of the league. "The purpose of the Southeastern Conference is to assist its member institutions in the maintenance of programs of intercollegiate athletics which are compatible with the highest standards of education and competitive sports."

• The Southeastern Conference has developed a database of minority football coaches in NCAA Football Bowl Subdivision and the NCAA Football Championship Subdivision since 2002. The 2012 database contained the names of 527 head and assistant football coaches from all 124 NCAA Football Bowl Subdivision universities and 73 NCAA Football Championship Subdivision institutions. The SEC begins the 2014 football season with two minority head football coaches - Derek Mason (Vanderbilt) and Kevin Sumlin (Texas A&M).

ACADEMIC ACHIEVEMENTS

• The Southeastern Conference had 46 Capital One Academic All-Americans in 2013-14. The league had 17 student-athletes earn first-team honors. The Capital One Academic All-America Teams are voted on by the College Sports Information Directors of America (CoSIDA). The 46 student-athletes represent 11 of the SEC 14 schools while seven schools had at least one person on the first-team. Since 2003, the SEC has had 232 student-athletes earn first-team Capital One Academic All-American status.

• The 17 SEC student-athletes who earned Capital One Academic All-America first-team status in 2013-14 were: Florida women's swimmer Elizabeth Beisel; LSU men's track athlete Joseph Caraway; Alabama women's tennis player Mary Daines; Florida men's swimmer Brad deBorde; Alabama softball player Molly Fichtner; Alabama softball player Kaila Hunt; Alabama gymnast Kim Jacob; Auburn volleyball player Camila Jersonsky; Alabama softball player Haylie McCleney; Alabama women's golfer Stephanie Meadow; Georgia football player Aaron Murray; Tennessee softball player Ellen Renfro; Kentucky men's soccer player Tyler Riggs; Georgia women's swimmer Laura Ryan; Tennessee softball player Madison Shipman; Alabama men's golfer Cory Whitsett; and Alabama men's golfer Bobby Wyatt

• The SEC had two of its student-athletes earn Capital One Academic All-American of the Year in their respective sports - Alabama gymnast Kim Jacob (women's at-large) and Tennessee softball player Ellen Renfro.

• The Southeastern Conference had 21 of its student-athletes earn NCAA Postgraduate Scholarships in 2013-14. The scholarships are awarded to student-athletes who excel academically and athletically and who are at least in their final year of intercollegiate athletic competition. The SEC NCAA Postgraduate Scholarship recipients are: Elizabeth Beisel, Florida (Women's Swimming & Diving); Caroline Brown, Tennessee (Women's Soccer); Brad deBorde, Florida (Men's Swimming & Diving); Mary Daines, Alabama (Women's Tennis); Sarah DeMeo, Alabama (Gymnastics); Andrew Gemmell, Georgia (Men's Swimming & Diving); Lindsey Gendron, Tennessee (Women's Swimming & Diving); Emily Holsopple, Kentucky (Rifle); Kim Jacob, Alabama (Gymnastics); Spencer Kerns, Auburn (Men's Swimming & Diving); TJ Leon, Auburn (Men's Swimming & Diving); Stephanie Meadow, Alabama (Women's Golf); Diandra Milliner, Alabama (Gymnastics); Chloe Phillips, Mississippi State (Women's Track & Field); Daniil Proskura, Alabama (Men's Tennis); Ellen Renfro, Tennessee (Softball); Tyler Riggs, Kentucky (Men's Soccer); Stephanie Rucci, Auburn (Equestrian); Laura Ryan, Georgia (Women's Swimming & Diving); Shannon Vreeland, Georgia (Women's Swimming & Diving); Cory Whitsett, Alabama (Men's Golf).

• The SEC also had five of its student-athletes - South Carolina track & field athlete Radiance Basden; Missouri track & field athlete Sierra Gant; Missouri tennis player Jamie Mera; Missouri track & field athlete Lana Mims and Arkansas gymnast Jamie Pisani - earn NCAA Ethnic Minority and Women's Enhancement Scholarships.

• The SEC had two student-athletes awarded the NCAA Today's Top 10 - the only conference with multiple winners. The SEC's recipients were Raven Chavanne, Tennessee (softball) and Barrett Jones, Alabama (football). The award recognizes 10 current student-athletes who will have completed their athletics eligibility for their successes on the fields and courts, in the classroom and in the community.

• The SEC also had seven student-athletes earn the NCAA Elite 89 award, which is given to the student-athlete with the highest cumulative GPA at the finals site for each of the NCAA championships. The 2013-14 SEC recipients were: Sam Malone, Kentucky (men's basketball); Stephanie Meadow, Alabama (women's golf); Lauren Beers, Alabama (gymnastics); Ty Stewart, Georgia (men's swimming & diving); Chantal Van Landeghem, Georgia (women's swimming & diving); Emily Zabor, Alabama (women's tennis); and Andrew Pisechko, Arkansas (men's indoor track & field).

• The SEC has had eight student-athletes win the William V. Campbell Trophy given by the National Football Foundation. Since the inaugural award in 1990, the SEC has had more recipients than any other conference. The award, nicknamed the "Academic Heisman" goes to college football's top scholar-athlete. In 2012, Alabama's Barrett Jones was the SEC's eighth recipient of the trophy. In 2009, Florida's Tim Tebow won the honor. LSU's Rudy Niswanger won the honor in 2005, Tennessee's Michael Munoz claimed the award in 2004, Matt Stinchcomb of Georgia in 1998, Tennessee's Peyton Manning in 1997, Florida's Danny Wuerffel in 1996 and Brad Culpepper of Florida in 1991 was the league's first recipient.

• More than 2,400 student-athletes were named to the SEC Academic Honor Roll in 2013-14. Members of the SEC Academic Honor Roll must have a 3.0 grade point average for either the previous academic year or his/her academic career at the SEC institution. The number represents almost half of the student-athletes that competed in the SEC last year.

FOR THE STUDENT-ATHLETE

• Alabama golfer Cory Whitsett and Georgia swimmer Shannon Vreeland were named recipients of the 2013-14 H. Boyd McWhorter Southeastern Conference Scholar-Athletes of the Year Awards. The McWhorter Scholar-Athlete Award is the highest honor a student-athlete can receive in the SEC. Each McWhorter Scholar-Athlete Award recipient receives a \$15,000 postgraduate scholarship, while 26 other finalists for the award receive a \$7,500 post-graduate scholarship.

• Florida basketball player Patric Young and Missouri gymnast Mackenzie McGill were named recipients of the 2013-14 Brad Davis SEC Community Service Post-Graduate Scholarship. Each Community Service Leader of the Year receives a \$10,000 post-graduate scholarship while 26 other finalists for the award receive a \$5,000 post-graduate scholarship.

• The SEC was the first conference in the nation to assemble a Student-Athlete Advisory Committee. Two representatives from each of the SEC member schools are selected to serve on the committee which meets twice a year to discuss issues of concern to the student-athlete.

COMPLIANCE AND EDUCATION

• The 2004 SEC Task Force Committee on Compliance and Enforcement's report of recommendations represents an important step in establishing a new standard of compliance excellence within the Southeastern Conference. Among the recommendations included in this report is how institutions will handle reports of allegations, strengthening the relationship between the league's institutions and the conference office, developing new orientation programs and establishing an annual review of compliance issues.

• The SEC conducts a New Coaches Orientation Program three times a year, which supplements institutional orientation programs and enhance the professional development of coaches. Topics of discussion range from the role of the SEC and NCAA to the role of athletics in higher education.

SPORTSMANSHIP

• The SEC has implemented sportsmanship policies meant to strengthen the league's commitment to these principles. The league also developed a sportsmanship statement for its institutions to follow. It states:

"Coaches and student-athletes of a member institution, as well as individuals employed by or associated with that institution, including alumni, fans, patrons and boosters, shall conduct themselves with honesty and good sportsmanship. Their behavior shall at all times reflect the high standards of honor and dignity that characterize participation in the collegiate setting.

"For intercollegiate athletics to promote the character development of participants, to enhance the integrity of higher education and to promote civility in society, coaches, student-athletes and all others associated with these athletics programs and events should adhere to such fundamental values as respect, fairness, civility, honesty and responsibility. These values should be manifested not only in athletics participation but also in the broad spectrum of activities affecting the

THIS IS THE SOUTHEASTERN CONFERENCE

athletics program.

"It is the responsibility of each member institution to establish policies for sportsmanship and ethical conduct in intercollegiate athletics consistent with the educational mission and goals of the institution. Furthermore, member institutions are responsible for educating on a continuing basis all constituencies about these policies."

• The SEC has an annual Sportsmanship Award that will be awarded to one male and one female student-athlete. Voted on by the league's athletics directors, the award honors student-athletes who, through their actions in the competitive arena of intercollegiate athletics, have demonstrated one or more of the ideals of sportsmanship, including fairness, civility, honesty, unselfishness, respect and responsibility. The recipients of the 2013-14 award were the University of Missouri Football Team; the Tennessee Men's Basketball Team; the University of Georgia Equestrian Team; and the SEC Women's Golf Coaches

IN THE COMMUNITY

• The SEC and its member institutions have partnered with the 11-state Special Olympics organizations in the SEC region. The relationship is featured on public service announcements aired on SEC telecasts, and Special Olympics participate in the Dr Pepper SEC FanFare, held in conjunction with the SEC Football and Basketball Championships.

• The SEC and its corporate sponsors host youth clinics each year in conjunction with several conference events, including the football championship game, the men's basketball tournament, the baseball tournament and the soccer tournament. These clinics provide children from host cities the opportunity to receive instruction from SEC and other area coaches.

• The SEC selects a Community Service Team in each of its 21 sports. The Community Service Team features a representative from each institution who has shown a commitment to community service.

SEC NATIONAL CHAMPIONSHIPS HISTORY

• The Southeastern Conference won seven national championships in 2013-14: Baseball (Vanderbilt); Equestrian (Georgia); Men's Golf (Alabama); Gymnastics (Florida); Softball (Florida); Women's Swimming & Diving (Georgia); and Women's Outdoor Track & Field (Texas A&M).

The SEC also had a national runner-up in six sports, including: Men's Basketball (Kentucky); Equestrian (South Carolina); Football (Auburn); Softball (Alabama); Men's Indoor Track & Field (Arkansas); and Men's Outdoor Track & Field (Florida).

• The SEC became the first conference in history to win the national football championship (Florida), the national women's basketball championship (Tennessee) and the national men's basketball championship (Florida) in the same year (2006-07 academic year).

• In its history, the SEC has won 211 national championships, 120 men's and 90 women's titles. Since 2000, the SEC has won 94 national crowns, including 48 men's titles and 46 women's titles.

• In the "big three" men's sports – football, basketball and baseball, the SEC has won 14 national championships during the last eight academic years. The league has won seven of the last eight football national championships.

• Since 2006, the SEC has had a national champion in 17 of its 21 sponsored sports – football, men's basketball, baseball, men's indoor track & field, men's outdoor track & field, women's indoor track & field, women's outdoor track & field, women's swimming & diving, gymnastics, women's tennis, men's tennis, men's swimming and diving, equestrian, men's golf, women's golf, softball and women's basketball.

FOR THE FANS

• For the 33rd consecutive season, the SEC recorded the largest total football attendance of any conference in the country. The league has led in average attendance during the last 16 consecutive seasons. More than 7.5 million fans attended SEC football games in 2013 while stadiums were filled to 96.2 percent of capacity.

• The SEC had nearly 2.5 million fans attend its home basketball games during the 2013-14 season. In 246 home contests, SEC teams averaged 10,283 fans per game. Kentucky was second nationally in attendance, averaging 22,964 fans per contest.

• Year after year, the SEC is the leader in college baseball attendance. In 2014, for the fourth consecutive year, the SEC's institutions drew more than 2 million fans, with a nation-leading attendance total of 2.25 million fans. The SEC averaged nearly 5,000 fans per game (4,965) in 2014. The SEC and its member schools own virtually all regular season, conference tournament, NCAA Regional and Super Regional attendance records.

SECU - COMMITMENT TO THE UNIVERSITY ACADEMIC MISSION

• Using its SECU academic initiative, the Southeastern Conference sponsors, supports and promotes collaborative higher education programs and activities involving administrators, faculty and students at its member universities. SECU is led by the president or chancellor of each SEC university and is managed by the chief academic officer. The goals of the SECU initiative include highlighting the endeavors and achievements of SEC faculty and universities; advancing the merit and reputation of SEC universities outside of the traditional SEC region; identifying and preparing future leaders for high-level service in academia; increasing the amount and type of education abroad opportunities available to SEC students; and providing opportunities for collaboration among SEC university personnel.

• The SEC Academic Leadership Development Program seeks to identify, prepare and advance academic leaders for roles within SEC institutions and beyond. It has two components, a university-level program and two, three-day, SEC-wide workshops held on specified campuses for all participants.

• The SEC Faculty Achievement and Professor of the Year Awards recognize faculty with outstanding records in research and scholarship. There is one winner per campus and one overall winner for the Conference.

• The SEC Faculty Travel Grant Program is intended to enhance collaboration that stimulates scholarly initiatives between SEC universities. The program offers faculty from each SEC university the opportunity to travel to other SEC universities to develop grant proposals and conduct research.

• The SEC College Tour occurs each spring, and administrators from all SEC universities participate in events intended to introduce SEC universities to students, parents and high school counselors from outside of the southeast region.

• The SEC Symposium is an academic conference-type event intended to address a scholarly issue in an area of strength represented by all SEC universities. Held in Atlanta, Georgia, this marquee event puts on display the research and innovation of SEC institutions for an audience of academicians, government officials, grant funding agents and other stakeholders.

• The SEC Cooperative Education Abroad Agreement provides opportunities for students from all SEC universities to access international programs offered at other SEC universities. And as part of a renewable agreement, Italian engineering students from the Politecnico di Torino (PdT) have the opportunity to enroll at SEC universities each fall, and engineering SEC students may study there the following spring.

• The SEC MBA Case Competition is an opportunity for SEC business schools to showcase their students' skills at solving simulated, real-world problems that cover the spectrum of business disciplines. The competition is held on one SEC campus and teams of four MBA students compete against other SEC teams, the best receiving various awards and recognition.

• The SEC Academic Collaboration Grant Program is intended to expand student-focused collaboration among SEC universities. The grant is awarded annually to one SEC institution to support joint activities involving all other SEC universities. Examples of collaborative activities include intra-conference competitions, graduate student recruiting fairs, undergraduate research initiatives, etc.

COLLEGE FOOTBALL PLAYOFF

f CFBPLAYOFF

@CFBPLAYOFF

Beginning with the 2014-15 season, college football will enter a new four-team playoff era. The format is simple: the best four teams, two semifinals played in bowl games and a championship game played in a different city each year. It's the best of all worlds and the biggest innovation in the sport in decades.

Every Game Counts

The new playoff preserves the excitement and significance of college football's unique regular season where every game counts.

The Best Four Teams

The selection committee will choose the four teams for the playoff based on body of work, strength of schedule, head-head results, comparison of results against common opponents, championships won and other factors.

Best of All Worlds

The new postseason structure creates an exciting four-team playoff that preserves the best regular season in sports and protects America's rich bowl tradition. It goes just the right distance and respects the academic calendar while limiting the number of games played by student-athletes.

A New Year's Spectacular

Fans will enjoy back-to-back triple headers. Two semifinals and four other premier bowl games will be played on New Year's Eve and New Year's Day. Those holidays will belong to college football. Semifinal games will rotate among six different bowls, extending the experience to more fans.

Championship Monday

The championship game will be on Monday night every year.

Site Selection

The Management Committee will select cities to host the National Championship Game. A city can host a bowl game and the championship game in the same year. A city cannot, however, host a semifinal and championship game in the same year.

Universal Access

Every FBS team will have equal access to the playoff based on its performance. No team will qualify automatically.

More Revenue

The popularity of the new format will increase revenue for all conferences and independent institutions.

ACC

BIG

XII

FBS
INDEPENDENTS

Conferences Manage the Event

The FBS conferences will manage the College Football Playoff. All 10 conferences are members of the new entity--CFP Administration, LLC. University presidents and chancellors from all 10 conferences and Notre Dame form the Board of Managers and will govern the administrative operations, with commissioners (the Management Committee) and managing the event with guidance from an advisory group of athletics directors. A small staff in the playoff's office in Irving, Texas, will carry out the detailed responsibilities.

Selection Committee

A talented group of high-integrity individuals with experience as coaches, student-athletes, collegiate administrators and journalists, along with sitting athletics directors, comprise the selection committee. The group will meet in person several times each year.

Selection Committee Responsibilities

- Select the top four teams for the playoff, rank them and assign them to semifinal sites.
- Rank the next group of teams to play in other New Year's bowls if berths are available.
- Select the highest-ranked champion from the five conferences without New Year's bowl contracts.
- Assign teams to New Year's bowls
 - Create competitive matchups
 - Attempt to avoid rematches of regular-season games and repeat appearances
 - Consider geography

Participants in the Orange, Rose and Sugar Bowls

Both participants in these three bowls are contracted outside the playoff arrangement (Big Ten and Pac-12 to Rose Bowl; SEC and Big 12 to Sugar Bowl; ACC to Orange Bowl against a contracted opponent.) If a conference champion qualifies for the playoff, then the bowl will choose a replacement from that conference. When those bowls host the semifinals and their contracted conference champions do not qualify, then the displaced champion(s) will play in the other New Year's bowls.

Participants in the New Year's Bowls (Fiesta, Cotton, Atlanta)

- Displaced conference champions and the top-ranked champion from a non-contract conference
- Highest-ranked available teams will fill any other berths
