# SEC HIGHLIGHTS

The Southeastern Conference, with its storied 81-year history of athletic achievements and academic excellence, has built perhaps the greatest tradition of intercollegiate competition in baseball of any league in the country since its inception in 1933.

The SEC posted another tremendous season in 2014 as the conference had a NCAA-record 10 teams receive bids for NCAA postseason play, with Vanderbilt and Ole Miss advancing to the College World Series. A SEC squad has now appeared in the College World Series 29 of the last 30 years. Vanderbilt won the national championship, marking the 10th time since 2000 a SEC team played for the national championship in Omaha and seventh in a row. LSU won the SEC tournament title 2-0 over Florida on national television in front of over 10,000 fans. Florida won the SEC regular-season title with a 21-9 conference record, while Ole Miss won the Western Division with a 19-11 record.

The Southeastern Conference boasts 13 former National Players of the Year (Kentucky's AJ Reed won in 2014), 12 Baseball America Coach of the Year and 11 Collegiate Baseball Coach of the Year honors. Also, 166 student-athletes have been named first-team All-American, five of which came in 2014.

Two SEC players were taken in the first round of the 2014 Major League Baseball Amateur Draft, held in June in New York City. LSU's Aaron Nola was selected seventh overall by the Philadelphia Phillies. Vanderbilt's Tyler Beede was chosen 14<sup>th</sup> by the San Francisco Giants. With those two selections this year, the SEC has now had a first round selection in each year since 1991 and 98 total in the first round during that time.

The SEC drew a record of more than 2.3 million fans to its on-campus ballparks in 2014, the eighth year in a row to draw more than 1.6 million. Ten SEC teams drew in excess of 100,000 fans to their parks in 2014. The SEC averaged nearly 5,000 fans per game in 2014, the eighth straight year to exceed the 4,000 mark.

The SEC Baseball Tournament drew more than 120,000 fans in 2014, better than 7,000 per game. The event has become the Birmingham metro's highest attended sporting event annually, second in the state only to NASCAR races at Talladega. Birmingham Magazine recently named it the top sporting event annually in the Birmingham area. The SEC Championship Game was broadcast nationally on ESPN2, with the semifinals airing nation-wide on ESPNNews.

## NOTES

- The SEC has sent 50 teams to the College World Series since 1990. That was accomplished despite no SEC teams making the field in 1992. LSU has been to Omaha 13 times, Florida eight times, South Carolina six times, Georgia and Mississippi State five times, while Alabama, Arkansas and Tennessee have been three times each. Auburn and Vanderbilt have been twice.
- SEC teams have won 10 of the last 25 national championships, with LSU winning six (1991, 1993, 1996, 1997, 2000, 2009), South Carolina winning two (2010, 2011), Vanderbilt taking home the title in 2014 and Georgia claiming the 1990 title. The SEC has finished runner up seven times in that span, 1997, 2002, 2005, 2008, 2011, 2012 and 2013.
- SEC teams are 105-89 since 1990 in Omaha, a 54.1 winning percentage. Not counting games against each other, the SEC has posted an 80-64 record in the College World Series since 1990, a 55.6 winning percentage.
- The SEC has played 49 games in the "Final Four" of the College World Series since 1990, an average of over 1.5 per year. Only five times, 1992, 1994, 2003, 2006 and 2007 has the SEC failed to get a team to the "Final Four" of the CWS.
- The SEC has averaged over eight games played per year in the College World Series since 1990. In 2004, 12 of the 15 games played in Omaha involved a SEC team. In 1997, the SEC had a team in 13 of the 14 games played in the CWS. Since 1990, an SEC team has played in 169 of the 360 games in the College World Series, an amazing 47 percent of games. SEC teams played in 11 of the 16 in 2014.
- The SEC has sent 11 of its 14 schools to the College World Series since 1990 - Alabama, Arkansas, Auburn, Florida, Georgia, LSU, Ole Miss, Mississippi State, South Carolina, Tennessee and Vanderbilt. Texas A&M also advanced three times since 1990 prior to joining SEC.
- Since 1990, 172 SEC squads have been invited to the NCAA Tournament, an average of better than seven per season. The SEC set yet another NCAA record in 2010 with 10 teams earning postseason berths. The SEC also had a NCAA-record five teams earn regional host sites in 2004 and 2006.

- The SEC has had an NCAA-high 11 different teams compete in the 68-year history of the College World Series. In those appearances, the conference has registered a 127-127 record, a .500 winning percentage.
- Since 1990, 32 SEC squads have posted 50+ wins, while 123 have won 40+ games in a season.
- The SEC posted a 288-102 record against non-conference foes in 2014, a 73.8 winning percentage.
- SEC teams have also been strong in the polls. Since 1990, 121 conference teams have appeared in the final ESPN/USA Today Coaches poll.

# 2015 SEC Inclement Weather Policy

1. If a game is suspended/postponed on Day One or Day Two, the game shall be completed from the point of interruption on the following day prior to the regularly scheduled game. In the event the regularly scheduled game is televised, the suspended/postponed game may be rescheduled, in consultation with the conference office, prior to, or following, the regularly scheduled game, whichever allows the best opportunity to complete such game without interruption.
2. For games televised on ESPN, ESPN2 or ESPNU – If a game is suspended/postponed on Day One or Day Two, and the regularly scheduled Day Two/ Day Three game is televised by ESPN, ESPN2 or ESPNU, the regularly scheduled televised Day Two/Day Three game must start at its published start time. If a suspended/postponed game is resumed/started prior to the start of the regularly scheduled televised game, that game must be stopped after the completion of a full inning one hour prior to the start of the scheduled televised game and resumed following the completion of the regularly scheduled televised game. Length of Games and Sunday Departure Policies are presented below.

For games televised on the SEC Network - If a game is suspended/postponed on Day One or Day Two, and the regularly scheduled Day Two/ Day Three game is televised by the SEC Network, best efforts should be made to start the regularly scheduled televised game on the SEC Network at its published start time. A suspended/postponed game may be resumed/started prior to the start of a regularly scheduled televised game, and completed without interruption, if such game begins/resumes at a time which provides the regularly scheduled televised game a reasonable chance of starting at its published time. If a resumed/rescheduled game begins on the SEC Network and runs into a regularly scheduled televised game time, the resumed/rescheduled game should be completed without interruption. Depending on the circumstance, the resumed/rescheduled game or the regularly scheduled game may begin/end on the SEC Network Alternate Channel or on SEC Network+. Length of Games and Sunday Departure Policies are presented below.

3. Length of Games
  - A. All games played on Friday and Saturday should be scheduled for nine innings. If a suspended game is resumed on Sunday, the regularly scheduled game shall be seven innings.
  - B. If weather prevents playing both the Friday and Saturday games, or if the Saturday game does not begin because of rain, there shall be two seven-inning games on Sunday. If a Friday game is suspended and no games are played on Saturday, the suspended game shall be resumed on Sunday, followed by a seven-inning game.
  - C. If a suspended game is unable to be completed because of inclement weather and has reached official game status (five innings or more per NCAA Rule 5.8), it shall be declared a game.
  - D. Once a suspended game is resumed, the game shall be complete if one team has a lead of 10 or more runs after seven innings of play (NCAA Rule 5.8).
4. Restart Times
  - A. In the event of rain on Friday or Saturday, no game may start after 10:00 p.m. local time or resume after midnight local time.
  - B. In the event of a rain-delay prior to the beginning of play on Sunday, the game must begin at least two hours and thirty minutes prior to the visiting team's scheduled departure time from the field, but no later than 4:00 p.m. local time to avoid a rain out of the game. (See Departure Time of this section.)
  - C. If the game begins and is delayed (Sunday game), it must resume by 6:00 p.m. local time to avoid a rain out of the game.
5. Travel Considerations
  - A. In all instances, departure time takes priority. A team may not stay over until Monday to begin or complete a game or series.
  - B. In the event the visiting team is not scheduled to leave the host city until Monday and there are no prior travel limitations for the game's umpires that would dictate departure to enact these deadlines, with Conference approval, it would be permissible to waive the 4:00 p.m. deadline for the start of a game and a 6:00 p.m. deadline for the resumption of the game.
6. Authority to Play Doubleheaders
  - A. If weather forecasts on Friday or Saturday morning call for a high occurrence of inclement weather on Sunday, the home team with approval of the visiting team may request permission from the Conference office to play a doubleheader on Saturday.
  - B. Approval of a prospective Saturday doubleheader would be given no earlier than Saturday morning and shall be limited to circumstances where there is a high likelihood that weather will not permit a game to be played on the final day of the series. This does not apply for possible inclement weather on Friday or Saturday of a weekend series.
7. Authority to Rule on Game Stoppage

The umpire-in-chief has sole authority to suspend, postpone, or cancel the game if conditions become unfit for play.
8. Lightning Strikes
  - A. Each member institution shall be responsible for having the capability to determine when lightning strikes are within specified distances from the competition site. When lightning is detected within 10 miles of the competition site, home team game management shall utilize the public address system to inform those in attendance that inclement weather including lightning is within 10 miles and that should patrons vacate the facility for safe shelter, they will be allowed to re-enter with a ticket stub. When lightning is detected within eight miles of the competition site, the competition shall be suspended.
  - B. Competition may be resumed after 30 minutes of no detected lightning strikes within an eight mile radius.
  - C. A 10 minute warm-up period may be granted following this 30-minute suspension.

# THE SOUTHEASTERN CONFERENCE

## "THE STANDARD OF EXCELLENCE"

The Southeastern Conference, with its storied 81-year history of athletic achievements and academic excellence, has built perhaps the greatest tradition of intercollegiate competition of any league in the country since its inception in 1933.

The 2013-14 academic year was another season to remember for the SEC as conference teams captured seven national titles and six national runner-up finishes. The SEC has won consecutive national championships in equestrian, men's golf, gymnastics and women's swimming and diving. Since 1990, the SEC has won 163 team national championships for an average of more than six per year.

Florida's second consecutive gymnastics national title was the fourth straight for the league and 198th overall. The Georgia equestrian team brought home the national title marking the 13th consecutive year that a team currently in the SEC captured the title. Alabama won its second consecutive national championship in the sport of men's golf. Georgia's women's swimming team captured its sixth national title and second in a row. The Florida softball team prevailed in an all SEC final to win its first championship and second for the league. Texas A&M won the league's 18th championship in women's outdoor track & field. Vanderbilt won the baseball title, the league's fourth in the last six years.

Overall, the SEC finished in the top two in nine of its 21 sponsored sports and in the top five in 13 of the 21 sports. Ten SEC teams participated in football postseason bowls with Auburn participating in the BCS Championship. Three men's basketball teams were invited to the NCAA Tournament and eight women's basketball teams were also invited to the NCAA Tournament. The SEC had 10 teams advance to postseason play in baseball with Ole Miss and Vanderbilt advancing to the College World Series. With 178 teams advancing to NCAA postseason competition, the SEC continued to solidify its place as the nation's premier conference.

In addition to the seven team championships, 71 SEC student-athletes garnered individual national championships, while 555 individuals were awarded with First-Team All-America Honors. Student-athletes around the league continued to excel in the classroom as well with more than 3,100 earning recognition on the SEC Academic Honor Roll.

On the national all-sport level, all 14 SEC schools placed in the top 55 of the NACDA Director's Cup rankings. Florida led the league with a second-place finish. Texas A&M placed 10th while Kentucky was 11th; Georgia finished 16th, Alabama 17th, LSU 24th, Arkansas 28th, Auburn 34th, South Carolina 35th, Tennessee 40th, Vanderbilt 45th, Missouri 46th, Mississippi State 52nd and Ole Miss 54th.

# SECU ACADEMIC INITIATIVE

**SECU**  
*The Academic Initiative of the SEC*

Using its SECU academic initiative, the Southeastern Conference sponsors, supports and promotes collaborative higher education programs and activities involving administrators, faculty and students at its member universities. SECU is led by the president or chancellor of each SEC university and is managed by the chief academic officer.

## The goals of the SECU academic initiative include:

- Advancing the merit and reputation of SEC universities outside of the traditional SEC region;
- Highlighting the endeavors and achievements of SEC faculty and universities;
- Identifying and preparing future leaders for high-level service in academia;
- Increasing the amount and type of education abroad opportunities available to SEC students; and
- Providing opportunities for collaboration among SEC university personnel.

## The current programs of the SECU academic initiative include:

- The SEC Academic Leadership Development Program seeks to identify, prepare and advance academic leaders for roles within SEC institutions and beyond. It has two components, a university-level program and two, three-day, SEC-wide workshops held on specified campuses for all participants.
- The SEC Faculty Achievement and Professor of the Year Awards recognize faculty with outstanding records in research and scholarship. There is one winner per campus and one overall winner for the Conference.
- The SEC Faculty Travel Grant Program is intended to enhance collaboration that stimulates scholarly initiatives

between SEC universities. The program offers faculty from each SEC university the opportunity to travel to other SEC universities to develop grant proposals and conduct research.

- The SEC College Tour occurs each spring, and administrators from all SEC universities participate in events intended to introduce SEC universities to students, parents and high school counselors from outside of the southeast region.
- The SEC Symposium is an academic conference-type event intended to address a scholarly issue in an area of strength represented by all SEC universities. Held in Atlanta, Georgia, this marquee event puts on display the research and innovation of SEC institutions for an audience of academicians, government officials, grant funding agents and other stakeholders.
- The SEC Cooperative Education Abroad Agreement provides opportunities for students from all SEC universities to access international programs offered at other SEC universities. And as part of a renewable agreement, Italian engineering students from the Politecnico di Torino (PdT) have the opportunity to enroll at SEC universities each fall, and engineering SEC students may study there the following spring.
- The SEC MBA Case Competition is an opportunity for SEC business schools to showcase their students' skills at solving simulated, real-world problems that cover the spectrum of business disciplines. The competition is held on one SEC campus and teams of four MBA students compete against other SEC teams, the best receiving various awards and recognition.
- The SEC Academic Collaboration Grant Program is intended to expand student-focused collaboration among SEC universities. The grant is awarded annually to one SEC institution to support joint activities involving all other SEC universities. Examples of collaborative activities include intra-conference competitions, graduate student recruiting fairs, undergraduate research initiatives, etc.

# SEC HEADQUARTERS

Almost 33 years after moving to Birmingham from Jackson, Miss., the SEC moved into its current headquarters on October 15, 1991.

The building is now named for Roy F. Kramer, the SEC's sixth commissioner who retired in July 2002. During his tenure as the league's commissioner, the SEC won 85 national championships and distributed more than \$654 million in revenue back to its member institutions.

The 30,000 square-foot building was provided by the city of Birmingham. It was designed to house the SEC staff and accommodate the needs of the various committees, coaches and administrative groups that meet on a regular basis.

From its headquarters, the SEC office certifies the eligibility of all student-athletes, manages championship events, enhances academic opportu-

nities for student-athletes, monitors NCAA and SEC compliance, coordinates officiating assignments, negotiates television contracts, distributes conference revenue, cultivates corporate sponsorships and coordinates media and public relations efforts.

In 2005, a state-of-the-art video command center was built inside the headquarters and named for the late Brad Davis, the SEC Associate Commissioner who was responsible for its development. Davis passed away on March 2, 2006.

The building also features a rotunda that highlights school banners, championship pedestals and two galleries displaying the member institutions.

The SEC Office underwent a vast renovation in the fall of 2012, and an upgrade to the Davis Command Center was completed for the fall of 2014.

# SEC COMMISSIONER MIKE SLIVE

## SEC MISSION STATEMENT

*The SEC's mission statement reflects the priorities of the league. "The purpose of the Southeastern Conference is to assist its member institutions in the maintenance of programs of intercollegiate athletics which are compatible with the highest standards of education and competitive sports."*

As the seventh commissioner of the Southeastern Conference, Mike Slive has overseen perhaps the greatest era of success since the league was founded in 1933 while helping shape the landscape of college sports as a national leader in intercollegiate athletics.

Named to the post on July 2, 2002, the SEC has enjoyed unprecedented championship success under Slive's leadership. He led the adoption of a new and effective league-wide NCAA compliance initiative, engineered landmark television contracts including the launch of a conference network, and guided the conference through expansion, welcoming two new institutions.

The hallmark of this golden age of the SEC remains a remarkable seven consecutive Bowl Championship Series national titles in football. In all, the SEC has won 75 national championships in 17 of its 21 sponsored sports during Slive's tenure as SEC Commissioner.

His impact has been felt far beyond the footprint of the SEC. The founding commissioner of two conferences, he was also the founder of a law firm which assisted NCAA institutions in compliance matters, a Director of Athletics and a member of numerous leadership committees during the course of his career. More recently, Slive has helped craft the new College Football Playoff and is a leader in the historic effort to reorganize the NCAA for the purpose of creating a governance structure that provides maximum opportunities for student-athletes.

With the SEC in the fifth year of landmark broadcast agreements with CBS and ESPN, the league launched the SEC Network in August 2014, a national network bringing more than 1000 events into the homes and to the mobile devices of college sports fans across the country. These agreements make the league the most widely distributed conference on television in the nation and also secure the financial health of the SEC and its member institutions for years to come.

Since Slive's arrival at the SEC in 2002, he has developed initiatives designed to maintain and improve the SEC's preeminent position in intercollegiate athletics, both on and off the fields of play. These include:

- The SEC Task Force on Compliance and Enforcement which developed policies

and procedures to assist league schools in NCAA and SEC matters. The task force issued its first report at the 2004 SEC Spring Meetings.

- SEC University (SECU), the conference's academic initiative. SECU was created in 2005 to increase academic cooperation across the league by linking the resources of the conference's member institutions.
- The SEC Minority Coaches Database, an annual compilation of names and biographical information of every minority head and assistant football coach on the Division I level which is distributed to every SEC school and every conference in Division I.
- An SEC Sportsmanship initiative consisting of policies and procedures designed to foster sportsmanship and prevent inappropriate fan behavior.

Since joining the SEC, Slive has served as coordinator of the Bowl Championship Series (2006-08) and served as chair of the NCAA Division I Men's Basketball Committee (2008-09). In 2002-03, Slive served on the Commission of Athletics Opportunity, established by the United States Secretary of Education to review the workings of Title IX.

Slive served as chair of the first NCAA Infractions Appeals Committee and was chair of the National Letter of Intent Steering Committee. He served as president of the Collegiate Commissioners Association (CCA) from 2001-03, was also on the NCAA Management Council from 1997-2004 and is the former chair of the Board of Directors of NCAA Football USA.

Slive previously was the first commissioner of Conference USA from 1995-2002 and was the first commissioner of the Great Midwest Conference upon its founding in 1991.

A native of Utica, N.Y., Slive graduated from Dartmouth College with a Bachelor of Arts degree in 1962. He earned a Juris Doctor from the University of Virginia Law School in 1965 and an LLM from the Georgetown University Law Center in 1966.

Slive and his wife of 46 years, Liz, have a daughter, Anna; son-in-law, Judd Harwood; and granddaughter, Abigail who is two years old.

# OFFICIAL SPONSOR PROGRAM

The Southeastern Conference Official Sponsor program began in 1988 with three companies dedicated to intercollegiate athletics and higher education.

Now supported by many of the nation's top corporations, this program has evolved into the most successful of its kind.

Each member of the SEC Official Sponsor team shows its commitment to the future of intercollegiate athletics with contributions to SEC Youth Clinics, SEC Scholarship Programs and SEC Academic Enhancement Programs.

The corporations also conduct consumer promotions designed to increase sales and brand awareness. These promotions also increase public

awareness of the member institutions of the SEC, which in turn supports increased ticket sales and high television and radio ratings.

In addition to the broad spectrum of benefits provided by these contributions, each SEC institution is a direct beneficiary of the program. SEC Official Sponsors include Allstate Insurance, AT&T, Belk, Dr Pepper Gatorade and Regions Bank.

## PROGRAM MISSION

The mission of the corporate sponsor program is:

1. To develop marketing and promotional activities that benefit the SEC, its member institutions and the participating corporations;

2. To emphasize the positive role of athletics in our society; and
3. To provide funding for youth clinics, championship events and academic enhancement programs.

## SEC OFFICIAL SPONSORS

## SEC LICENSING PROGRAM

The Southeastern Conference markets its registered marks (Southeastern Conference, SEC, SEC Seal and SEC logos) through a licensing program with the Collegiate Licensing Company. The SEC began its licensing program in 1988 to protect the use of its name and insignias and to ensure that its member institutions benefit from the use and sale of items bearing its name and/or logos.

The program also ensures that manufacturers and retailers market only the highest-quality merchandise using the conference name and logos. The SEC has joined a significant number of colleges and universities throughout the country to bring about consistency in the marketplace for officially-licensed collegiate products.

# SEC TELEVISION AGREEMENTS

The Southeastern Conference and ESPN have signed a 20-year agreement through 2034 to create and operate a multiplatform network which launched August 14, 2014. The new network and its accompanying digital platform carry SEC content 24/7 including more than 1,000 events in its first year.

The network will televise 45 SEC football games, more than 100 men's basketball games, 60 women's basketball games, 75 baseball games, and events from across the SEC's 21 sports annually.

Programming also includes in-depth commentary and analysis in studio shows, daily news and information, original content such as SEC Storied, spring football games, and more.

The SEC Network will swing into its inaugural baseball season with 80 games slated to air on the network dedicated to Southeastern Conference sports, as part of the more than 100 planned across ESPN television networks (ESPN, ESPN2, ESPN2

or SEC Network). The new network will quadruple SEC baseball's coverage over last year's nationally televised schedule.

In addition to those games, more than 350 matchups will be digitally exclusive SEC Network + events available on SECNetwork.com and WatchESPN. In total, more than 450 SEC baseball games will be available to fans this season.

The schedule is highlighted with at least 12 television appearances of the 2014 College World Series Champions, Vanderbilt, and a special night of Bases Loaded Coverage on Friday, May 15, whipping around between games the weekend prior to the SEC Baseball Tournament.

The SEC Network and ESPN2 will conclude the regular season with comprehensive coverage of the SEC Baseball Tournament, marking the first time the entire tournament has aired on national television.
