Senior Defensive Back Jonathan Jones

On Defensive Goals For The Fall

“My goal for this fall is not to give up any completions....and that includes more interceptions...that’s a big part of it....our first job is to make sure they don’t complete the ball and I definitely want to improve on that and not take a step backwards.”

On Coach Muschamp’s Impact For Auburn Defense

“Effort....that’s the biggest thing Coach Muschamp wants from us is effort and he is going to expect that at every practice and every day so he definitely brings effort and energy.”

“In his defense, he likes to bring pressure and that leaves us in a lot of 1-on-1 situations and so you have to be able to play 1-on-1 ball a lot... in Coach Muschamp’s defense there’s not a lot of safety help, so he needs corners that he can depend on each down to be alone.”

On His Ability To Be Successful On Defense

“I would say it comes from patience, Coach has taught me to just be patient... a lot of guys will panic when a deep ball is in the air and the guys who don’t panic are the ones who make the plays, so it’s about being patient and not panicking.”
