

2015 SEC Football Media Days Missouri Player Quotes Wednesday, July 15, 2015

Senior Defensive Back Kenya Dennis

On Coach Barry Odom

“(Coach) Odom is very smart. He loves to be around the game. He’s a lot more aggressive. We should be the same. I don’t see us missing a beat with him coming in. I only see us getting more aggressive. Our schemes and everything should stay the same. He’s done a good job, coming in and getting us ready to play every day. I really look forward to playing for his defense this year.”

On Transitioning from Junior College to the SEC

“It wasn’t easy for me. At Mizzou, they have a lot of people to help you. I got help from different people, certain coaches. Just learning the game more was good. I had to find other ways to get my edge and my point as far as watching film and stuff like that. It was a big transition for me, but like I said, Missouri had a lot people who were willing to step in and help so that was one of the main reasons I was able to come in and make such a good transition.”

On The Secondary Being the Strength of the Defense This Year

“Yes. I can see that happening. We have a lot more experience than we usually have back there. We have chemistry. We’ve played together a lot. We’ve seen a lot of reps together in practice. I feel like that’s something the defensive line can look to and lean on.”
