

## 2015 SEC Football Media Days Arkansas Player Quotes Wednesday, July 15, 2015

### **Senior Wide Receiver Keon Hatcher**

#### *On Quarterback Brandon Allen's improvement*

"Most definitely, I have always thought of Brandon as a playmaker and how Coach B runs his offensive and his structure of how he wants to do things which is why he is always called a game manager. With this new offensive coordinator coach I feel like we are going to open it up a little bit more and Brandon is going to show more of what he has done."

#### *On the Texas Bowl experience*

"It was great you know. Since I have been here, it was my first bowl game to be able to go down there to Houston and to play Texas, old rivalry between the two schools. It was great especially to come out with a victory. It just felt good to be able to get a bowl game under my belt and our belt. I just can't wait for the 2015 season so we can get another one."

#### *On the Alabama Game and Coach B "we're close" speech*

"We had the Alabama game and the Texas A&M game, it just seemed like we couldn't finish for some reason. We just didn't know what to do in the fourth quarter. Coach B kept telling us we're close, we're close for a breakthrough, we are almost there. We believed in him and we kept going to work each and every week as if we were going to win the next game. After that bye week we handled our business and came out and made it happen."
