Senior Nose Guard Melvin Lewis

On the new Commonwealth Stadium....

"I'm kind of on the same side as Coach Stoops. I just can't wait to see it. We're very excited about it. We really can't wait until we're able to play in there on September 5 against Louisiana-Lafayette."

On the 5-1 start and ending the season on a 6-game losing streak...

"It was tough but we have put that behind us. We have been working very hard this spring, winter, and summer. Hopefully it will all pay off."

On the community service that he does on a regular basis....

"It's very important to me. When I go back home, I like to go talk to different groups. Guys that are in similar situations that I was in growing up. I just want to help them realize that they have a choice. Get them to take steps forward in the right direction."

On Jacob Hyde moving over to fullback and how he is doing in that position....

"Yeah I have gotten to go up against Jacob a lot in practice. Me and Jacob are real close. He is out there taking a lot of shots. It's good to see him out there having fun and laughing."
