

2015 SEC Football Media Days Ole Miss Player Quotes Thursday, July 16, 2015

Senior Defensive Back Mike Hilton

On Winning Chucky Mullins Courage Award

“Chucky Mullins is a guy that most know got paralyzed from a hit...they give this award to guys who show courage, so he means a lot to Ole Miss football. It’s a lot of responsibility and we have to do things outside the normal, like community service and talking to kids. I really embrace it and I’m blessed that the coaches decided on me for the award.”

Last Year’s Success Affecting This Year’s Confidence

“We know what success tastes like coming out 7-0, but we’re ready to take that next step and hopefully get to the SEC Championship and National Championship. We just have to make sure we play every game like it’s our last and hopefully we stay injury-free. I feel like that (the injuries) sunk us a little, but with the guys we have this year and the depth we have this year, we can do something special.”

On Peach Bowl Outcome

“It stuck around for awhile. We have actually been using it this summer for motivation. We have to go out there and finish games stronger than that, but it stuck around for a little bit.”

Impact of The Offensive Line Injuries on the Secondary Back-up

“We need guys to constantly rotate and be fresh on the offensive line. We feel like with Laremy Tunsil, he’s going to be the leader and keep the guys going. We have guys that are well-prepared and ready to step up.”
