Senior Offensive Tackle Vadal Alexander

On the move to Right Tackle

"It's been fantastic. I'm really enjoying the challenge at playing back at tackle. It's really natural for me. It should be fun."

On young players on the offensive line

"Extremely talented, apart from me, Ethan (Pocic), and Jerald (Hawkins), the returning starters, we have a lot of young talented guys like Will Clapp, Joshua Boutte, Garrett Brumfield. A lot of big recruited guys and they're really coming along in the offense. (It) Should be interesting who gets the job."

On filling La'el Collins role on the offensive line

"Well I played with La'el for two straight years. Great player, fantastic player, even better person. So replacing him will be difficult but we have a lot of experience on the line with me, Jerald (Hawkins), and Ethan (Pocic), so we should be just fine. We have a lot of talent, a lot of guys who are willing to work and do great things. So I think we'll be ok."

On what Ethan Pocic means to the offensive line and what he can do to help who wins the starting quarterback job

"Ethan (Pocic) is a very intelligent man. He's about 6'7". He's very strong and he's very smart. Ethan's the type of guy who you want to be in your foxhole, who you want to be in your battles with you. He can help everybody he's around. I look forward to playing with him. Whichever quarterback is behind him is going to love him because he is a great player; Point blank."
