COLLEGE FOOTBALL COMPUTER COMPOSITE (CFCC) RANKING

(Five of the computer rankings that contributed to the Bowl Championship Series have reunited for a composite ranking that takes the human element out of college football team evaluation.

Richard Billingsley, Wes Colley, Ken Massey, Jeff Sagarin and Peter Wolfe have combined the metrics that helped forge 16 years of championship matchups. Those include such factors as wins and losses, strength of schedule, home-field advantage, recency of game and, in some cases, margin of victory to give an objective rating of all 128 FBS teams.)

THIS IS SEC FOOTBALL

- The SEC sent a NCAA-record 12 teams to bowl games in 2014.
- SEC tied its own NCAA single-season record for bowl wins by a conference in 2014 with seven. The SEC led the nation in bowl victories last postseason, while second among the Power Five conferences in bowl winning percentage in the first year of the College Football Playoff era.
- The SEC also won seven postseason bowl games in 2007 and 2013. The SEC is 56-30 (.651) in bowl games since 2006, winning six or more bowl games each year but 2010, when the league finished 5-5. The SEC has sent no less than eight teams to post-season bowls in each of the last nine seasons.
- For the first time league history, SEC sent an entire division (SEC West) to postseason bowl games in 2014.
- All 14 SEC teams were either ranked or received votes at some point during the 2014 season.
- The SEC reached a new milestone in The Associated Press college football poll last season, becoming the first league to place four teams in the top five — all from the Western Division.
- Mississippi State became the quickest team in the history of college football to go from unranked to No. 1 after defeating Top-10 teams in three consecutive games, the first time (and fifth overall) that has been done in college football since Auburn in 1983.
- Six of the highest rated games on television last season were SEC games.
- The SEC on CBS was the highest rated television package for the 6th year in a row in 2014.
- SEC stadiums were filled to nearly 100.00 capacity on average last season, up slightly from the previous season despite a downward trend nationally. Nearly 50% of all games played last season involving SEC teams (including non-conference), were sold out. Unlike the national trend, the SEC has enjoyed an increase in football attendance for two straight years now, despite all games now being televised nationally.
- The SEC West had a combined 28-0 non-conference record in 2014. The SEC East was a perfect 5-0 in bowl games.

2015 SEC FOOTBALL VIDEO REPLAY

THE OBJECTIVE

To allow for specific types of officiating calls to be immediately reviewed during all games hosted by SEC teams.

THE COACHES' CHALLENGE

The head coach may challenge the ruling of any reviewable play. He retains a challenge if his initial challenge is successful and thus results in a reversal by the replay official. The head coach will then have a single challenge that he may use anytime during the game if his team has not used all its timeouts. Thus a team may have a total of two challenges in the game, but only if the first results in a reversal of the on-field ruling. A head coach may not challenge an on-field ruling if all of the team's timeouts have been used for that half or extra period.

THE SOURCE

All reviewable video comes direct from either the television network broadcasting the game or other TV production facilities that meet established conference standards. The Southeastern Conference has used instant replay since 2005.

THE PLAYS

Scoring Plays

Reviewable plays involving a potential score include:

- A potential touchdown or safety. [Exception: Safety by penalty for fouls that are not specifically reviewable with the exception of the location of the passer when an intentional grounding foul results in a safety.]
- Field goal attempts if and only if the ball is ruled (a) below or above the crossbar or (b) inside or outside the uprights when it is lower than the top of the uprights. If the ball is higher than the top of the uprights as it crosses the end line, the play may not be reviewed.

Passes

Reviewable plays involving passes include:

- Pass ruled complete, incomplete or intercepted anywhere in the field of play or an end zone.
- Forward pass touched by a player (eligible or ineligible) or an official.
- Forward pass or forward handing when a ball carrier is or has been beyond the neutral zone.
- A forward pass or forward handing after a change of team possession.
- Pass ruled forward or backward when thrown from behind the neutral zone.
 - If the pass is ruled forward and is incomplete, the play is reviewable only if the ball goes out of bounds or if there is clear recovery of a loose ball in the immediate continuing action after the loose ball or if the ball is out of bounds. If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.
 - If the replay official reverses an incomplete forward pass ruling and the ball is recovered, it belongs to the recovering team at the spot of the recovery and any advance is nullified.

2015 SEC Football

Dead Ball and Loose Ball

Reviewable plays involving potential dead balls and loose balls include:

- a. Loose ball by a potential passer ruled a fumble.
- b. Loose ball by a passer ruled incomplete forward pass when there is clear recovery in the immediate continuing action after the loose ball.
 1. If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.
 2. If the replay official rules fumble, the ball belongs to the recovering team at the spot of the recovery and any advance is nullified.
- c. Live ball not ruled dead in possession of a ball carrier.
- d. Loose ball ruled dead, or live ball ruled dead in possession of a ball carrier when the clear recovery of a loose ball occurs in the immediate continuing action.
 1. If the ball is ruled dead and the replay official does not have indisputable video evidence as to which team recovers, the dead-ball ruling stands.
 2. If the replay official rules that the ball was not dead, it belongs to the recovering team at the spot of the recovery and any advance is nullified.
- e. Ball carrier's forward progress, spot of fumble, or spot of out of bounds backward pass, with respect to a first down.
- f. Catch or recovery of a fumble by a Team A player other than the fumbler before any change of possession during fourth down or a try.
- g. Ball carrier in or out of bounds. If a ball carrier is ruled out of bounds, the play is not reviewable, except as in Rules 12-3-1-a and 12-3-3-d.
- h. Catch, recovery or touching of a loose ball by a player in bounds or out of bounds.
- i. A loose ball touching on or beyond a sideline, goal line, or end line, touching a pylon, or breaking the plane of a goal line.
- j. Catch or recovery of a loose ball in the field of play or an end zone.
- K. Forward fumble that goes out of bounds with respect to a first down.

Kicks

Reviewable plays involving kicks include:

- a. Touching of a kick.
- b. Player beyond the neutral zone when kicking the ball.
- c. Kicking team player advancing a ball after a potential muffed kick/fumble by the receiving team.
- d. Scrimmage kick crossing the neutral zone.
- e. Blocking by Team A players before they are eligible to touch the ball on an on-side kick.

Miscellaneous

Situations that may be addressed by the replay official:

- a. The number of players on the field for either team during a live ball.
- b. Clock adjustment and status when a ruling is reviewed.
- c. Clock adjustment at the end of any quarter. If at the end of any quarter the game clock expires, either during a down in which it should be stopped by rule when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:
 1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;
 2. In the second and fourth quarters only, the team in possession when the ball became dead would next put the ball in play from scrimmage (not the try);
 3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and
 4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.
- d. Correcting the number of a down.
 1. This includes the result of a penalty enforcement that includes an automatic first down or loss of down.
 2. The correction may be made at any time within that series of downs or before the ball is legally put in play after that series.
- e. Any person who is not a player interfering with live-ball action occurring in the field of play (Rule 9-2-3).
- f. The player disqualification foul and the penalty for targeting fouls under 9-1-3 and 9-1-4. Forcible contact to the head or neck area of the crown of the helmet are reviewable. Note that if the disqualification is reversed and the only foul is Targeting, the 15 yard penalty will not be enforced.

Limitations on Reviewable Plays

No other plays or officiating decisions are reviewable. However, the replay official may correct egregious errors, including those involving the game clock, whether or not a play is reviewable. This excludes fouls that are not specifically reviewable (Reviewable fouls: Rules 12-3-2-c and d, 12-3-4-b and -e and 12-3-5-a).

THE PROCESS

Each SEC football stadium has a secured replay booth equipped with the HD Instant Replay system provided by DVSPORT. Three individuals work in the booth for the duration of the game: 1. Replay Official, 2. Communicator, 3. Technician. The Replay Official and the Communicator are selected and assigned by the Conference Office.

A live HD video feed is sent directly to the replay booth from the TV truck. The Technician watches the feed on an input monitor while recording it into the DVSPORT Replay System. The Technician also marks the beginning of each play while the Communicator marks all incoming replays.

Each play and subsequent replay then appears on a touch screen in front of the Replay Technician. As the Technician and the Communicator mark the incoming video, each view will appear as a small picture on the computer touch screen. At any time, the Replay Technician can touch the thumbnail and immediately send that play or replay to the Replay Official.

With the Communicator's assistance, the Replay Official can quickly jump between replays while playing back the video. All replay video navigation is done via a jog shuttle remote controlled by the Replay Official. All video is viewed on an HD monitor that sits in front of the Replay Official. The touch screen is only used to select the replays and to log specific play data in the event a call is overturned.

While all plays are reviewed between the whistle and the beginning of the next play, the Replay Official can stop play on the field by using a pager system. Seven of the eight on-field officials wear pagers. If play is stopped the Referee announces on the stadium PA microphone that play has been stopped so the previous play can be reviewed. The Referee then proceeds to the sideline headset, which provides direct communication to the Replay Official in the booth. Once the play has been reviewed, the Replay Official notifies the Referee, who then announces the decision on the stadium PA system.

RECENT ADDITIONS

* Monitors may be used to view a live telecast or webcast in the football coaching booth. The home team is responsible for assuring identical television capability in the coaches' booths of both teams. This capability may not include replay equipment or recorders.

* If at the end of a half the game clock expires, either during a down in which it should be stopped by rule when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:

1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;
2. The team in possession when the ball became dead would next put the ball in play from scrimmage;
3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and
4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.

THE EQUIPMENT

Each SEC member institution uses the HD Replay System developed by DVSPORT. The replay systems are maintained by the home institution with technical support from DVSPORT.

SEC FOOTBALL BOWL AGREEMENTS

The Southeastern Conference has agreements with nine postseason bowls and a new process for the assignment of SEC member schools to bowl games that began with the 2014 season and extending for six years.

The new SEC bowl process coincided with the beginning of the new College Football Playoff that followed the 2014 college football season. The SEC also participates in the Allstate Sugar Bowl and the Capital One Orange Bowl (in selected years).

Under the new SEC bowl system, the Buffalo Wild Wings Citrus Bowl in Orlando (vs. Big Ten), a longtime SEC bowl, will have the first selection of available SEC teams after any conference schools have qualified for the College Football Playoff, the Allstate Sugar Bowl or the Capital One Orange Bowl.

Following the Buffalo Wild Wings Citrus Bowl, there will be a pool of six bowls comprised of renewals with the Outback Bowl in Tampa (vs. Big Ten), Franklin American Mortgage Music City Bowl in Nashville (vs. ACC/Big Ten), TaxSlayer Bowl in Jacksonville (vs. ACC/Big Ten) and AutoZone Liberty Bowl in Memphis (vs. Big 12), as well as new agreements with the Advocate V100 Texas Bowl in Houston (vs. Big 12) and Belk Bowl in Charlotte (vs. ACC).

In consultation with SEC member institutions, as well as these six bowls, the conference will make the assignments for the bowl games in this newly created pool system.

The SEC also renewed its relationship with both the Birmingham Bowl (vs. American) and the Independence Bowl in Shreveport (vs. ACC). The Birmingham Bowl will have the first selection of available teams following the pool of six bowls. The Independence Bowl will have the next selection of available teams following the Birmingham Bowl.

2015 SEC Bowl Selection Process

CFP BOWLS (Cotton (Semifinal), Orange (Semifinal), Fiesta, Sugar, Peach, Rose, CFP National Championship)

Contract Bowls: Sugar (SEC vs. Big 12 when Sugar is not a semifinal game)
 Rose (Pac 12 vs. Big Ten when Rose is not a semifinal game)
 Orange (ACC vs. highest ranked SEC/Big Ten non-champion or Notre
 Dame when Orange is not a semifinal game; Semifinal in 2015)

Access Bowls: Cotton (Semifinal in 2015)
 Fiesta
 Peach

1) Which SEC Team qualifies for the College Football Playoff?

The winner of the SEC Championship Game (December 5, 2015) automatically qualifies for a spot in the Sugar Bowl if that team is not selected to participate in the four-team playoff. If the SEC Champion is selected to participate in the four-team playoff then the next highest ranked SEC team in the CFP Selection Committee Rankings will represent the SEC in the Sugar Bowl. The top four teams in the CFP Standings will play in the semifinals (Orange and Cotton) with the winners advancing to the CFP National Championship Game in Glendale, Ariz. (Monday, January 11).

2) How can additional SEC teams be selected for the CFP?

Additional SEC teams may be selected for one of the CFP access bowls (other than Cotton Bowl) based on its ranking in the final CFP Selection Committee rankings. There is no limit on the number of teams from any one conference that can be selected to participate in the CFP bowls.

3) How can a SEC Team be selected to participate in the Orange Bowl?

The Orange Bowl is a semifinal game in 2015 and teams will be selected by the CFP Selection Committee. When the Orange Bowl is not a semifinal game and a SEC team is the highest ranked team among the non-champions of the SEC and Big Ten and ranked higher than Notre Dame (See Mississippi State in 2014) then that team will participate in the Orange Bowl. There are eight years in which the Orange Bowl is not a semifinal game and the SEC is guaranteed three of the eight years, the Big Ten is guaranteed three of the eight years and the remaining two years can be filled by Notre Dame, the SEC or the Big Ten based on CFP Selection Committee rankings. To be clear, the SEC Champion can never participate in the Orange Bowl unless it is a semifinal game.

2015 SEC Football

SEC FOOTBALL BOWL AGREEMENTS

4) How does the CFP selection process work in 2015?

The CFP Selection Committee ranks the top 25 teams and selects the four teams to participate in the semifinal games (Cotton and Orange). Then, after the contract bowls (Sugar and Rose) are filled based on conference agreements, the Committee will assign teams to fill the remaining access bowls (Fiesta and Peach). Each conference champion from the contract bowls (ACC, Big Ten, Big 12, SEC & Pac 12) has a guaranteed spot in its contracted bowl or in an access bowl (Fiesta or Peach) if the contracted bowl is a semifinal game and the conference champion is not selected to participate in a semifinal game. The highest ranked champion from the Mountain West, American, Conference USA, Sun Belt or MAC is guaranteed a spot in a CFP bowl and the remaining spots are filled based on the rankings of teams after the contract bowls have been filled.

- Continued accomplishments of former SEC student-athletes in the NFL and NFL Draft

SEC IN THE CFP/BCS ERA (Since 1998)

• The SEC has won seven of the last nine national championships, nine of the 17 BCS-era National Championships, two runner-up finishes and 23 overall national titles (AP, BCS, FWAA, coaches poll). The SEC appeared in 10 of the 16 BCS Championship Games, winning nine.

• Four different SEC schools have won the National Championship since 2006 (Auburn, 2010; Alabama, 2009, 2011, 2012; Florida, 2006 and 2008; LSU, 2007). Tennessee (1998) and LSU (2003) have also won the former BCS crown. Auburn also appeared in the 2013 BCS Championship Game. A team from the SEC Western Division had advanced to five consecutive national championship games prior to last season, when Alabama lost in the semifinals. The Big 12 (Texas and Oklahoma) and the ACC (Miami and Florida State) have each had two schools win titles since 1998.

• Since 2006, half of the slots in the National Championship Game have been taken by SEC teams (10 of 20). The Big Ten has three and the Big 12 has two, while the ACC and Pac-10 each have one.

• A SEC team has led or tied for the lead at the end of 27 of the last 36 quarters of National Championship Game play.

• The SEC had seven teams ranked in the final CFP Poll of the 2014 season. The SEC has held the No. 1 spot in every CFP Poll released.

• Since 2006, an SEC team has been ranked first in the weekly BCS standings in 36 of the 65 weeks, and every week of the CFP Poll era, with five different teams holding the top spot, including four from the SEC West. Florida was first for seven weeks, Alabama for 19 weeks, Mississippi State for four, Auburn for three and LSU for 10 weeks. The Big Ten has held the top spot for 15 weeks (all Ohio State), the Big 12 for six weeks (Texas and Oklahoma twice, Missouri and Kansas State once) and the Pac-10 four weeks (all Oregon).

• The SEC has had more teams ranked in the BCS/CFP standings for the most times than any other conference since 2006. The league has had 13 of its 14 teams ranked at one time or another since 2006. Vanderbilt is the only team to not appear in the BCS/CFP rankings during this time, however, the Commodores finished ranked in the Top 25 in both 2012 and 2013 after bowl games with 9-4 records. The BCS/CFP does not produce a poll following bowl games.

• Since 2006, the SEC has posted 10 wins BCS - now New Year's Six/Access bowls - more wins than any other conference. Here are the BCS/CFP bowl records of all conferences since 2006:

• Three of the top 10 defensive performances in CFP/BCS history have been registered by SEC teams, more than any other conference. Alabama's shutout of LSU in the 2012 BCS National Championship Game was the first shutout in CFP/BCS history. Georgia defeated Hawaii, 41-10, in the 2008 Sugar Bowl, and Florida defeated Syracuse, 31-10, in the 1999 Orange Bowl - both are tied for 8th in low-

est point total allowed in a CFP/BCS game.

• Alabama's 28-point victory over Notre Dame in the 2013 Discover BCS National Championship is the second-largest in the CFP/BCS Championship Game era. (Southern Cal defeated Oklahoma by 36 in the 2005 BCS Championship Game for the top spot, however, that victory was later vacated.)

• During the recent seven-year winning streak, the SEC's average margin of victory in National Championship Games was 17 points, which includes a three point victory over Oregon in 2011, the only game during the streak decided by single digits.

SEC SCHOOLS TO HONOR MIKE SLIVE WITH PROSTATE CANCER AWARENESS GAMES

BIRMINGHAM, Alabama (August 24, 2015) - The Southeastern Conference will help raise awareness of prostate cancer prevention and honor former commissioner Mike Slive, who battled the disease during his athletics administration career, with Prostate Cancer Awareness Games on each of the 14 league campuses during the month of September.

The 14 Athletics Directors of the SEC voted unanimously in May at the SEC Spring Meetings to recognize Slive by dedicating a game on each campus to prostate cancer awareness during which the home team will wear a commemorative helmet sticker in addition to other awareness activities determined by each school.

"The Athletics Directors saw this as an opportunity to recognize Mike Slive in a meaningful way while also bringing attention to an important topic that affects one in seven men in America during a lifetime," said SEC Commissioner Greg Sankey. "While honoring our former commissioner for his great service to the SEC, we can also raise awareness and influence prevention of this disease."

Prostate cancer is the second leading cause of cancer death in American men. Although the disease is serious, most men diagnosed with prostate cancer can successfully fight the disease with early detection. Men over the age of 50 are highly encouraged to get regular prostate cancer screenings.

Slive was originally diagnosed with prostate cancer in the late 1990s. He served as commissioner of the SEC from 2002 until his retirement in 2015. During that time, he oversaw one of the greatest eras of success in league history while helping shape the landscape of college sports as a national leader in intercollegiate athletics.

In October 2014, Slive announced he was stepping down after 13 years and was dealing with a recurrence of his prostate cancer. After surgery, radiation and chemotherapy, Slive is enjoying a summer respite free from cancer treatment. He remains under the watchful eyes of his doctor.

In addition to wearing helmet stickers, some schools will conduct various other activities around their designated Prostate Cancer Awareness Games, some of which will include video board announcements, prostate cancer screenings, recognition of prostate cancer survivors, game program ads and stories, production of public service announcements and social media outreach.

Slive will attend several of the Prostate Cancer Awareness Games during the month of September.

SEC CHAMPIONSHIP GAME TO BE HELD AT NEW MERCEDES-BENZ STADIUM THROUGH 2026

Ten-year agreement keeps event in Atlanta beginning in 2017

For Immediate Release: September 8, 2015

ATLANTA -- The Southeastern Conference, along with AMB Sports & Entertainment (AMBSE) and the Georgia World Congress Center Authority (GWCCA), today at the College Football Hall of Fame announced an agreement to host the SEC Championship Game at Mercedes-Benz Stadium in Atlanta through 2026. The new agreement allows the SEC the option of adding up to two successive five-year extensions.

The Georgia Dome has hosted the SEC Championship Game for 21 years beginning in 1994, with capacity crowds in the last 19 consecutive years. By the end of the new agreement, including options, the Championship will have been played in Atlanta a total of 43 years. Mercedes-Benz Stadium is set to open in 2017, with 2016 set to be the final SEC Championship Game held in the Georgia Dome.

"Atlanta has served as an outstanding host for the SEC Football Championship Game for more than two decades and has been the perfect venue for one of the premier events in college sports," said SEC Commissioner Greg Sankey. "We look forward to continuing a very positive relationship with Mercedes-Benz Stadium and the Georgia World Congress Center as the home of our football championship."

The SEC Football Championship joins a growing list of events that will be hosted in Mercedes-Benz Stadium. The NCAA Men's Final Four will play in the stadium in 2020, and the stadium will host the annual Celebration Bowl, a championship game for the Mid-Eastern and Southwestern conferences of the Historically Black Colleges and Universities beginning in 2017. Atlanta is currently bidding on the 2018 National College Football Playoff Championship Game, which will be awarded later this year, and is a finalist for the 2019 or 2020 NFL Super Bowl. Selections for the Super Bowl games will be announced in May 2016.

"We are tremendously excited to continue the SEC legacy in Atlanta in the years to come," said Atlanta Falcons and Atlanta United Owner Arthur Blank. "The SEC Football Championship Game is a premier sporting event and is representative of the marquee events we will host at Mercedes-Benz Stadium. We look forward to working with the SEC toward their goal of producing national championship winners."

As reported by the GWCCA, the economic impact of the SEC Football Championship Game to the State of Georgia since 1999 is estimated at more than one billion dollars.

"The announcement made today is a reaffirmation of the strong relationship the Georgia World Congress Center Authority team has with the Southeastern Conference," said GWCCA Executive Director Frank Poe. "The Authority, through the Georgia Dome, has been a proud partner in the growth and development of the nation's premier collegiate football championship. We look forward to continuing that relationship as the SEC plays its final championship game in the Georgia Dome and moves into Mercedes Benz Stadium."

The press conference announcing the new 10-year agreement between Mercedes-Benz Stadium and the SEC was also attended by Atlanta Mayor Kasim Reed.

Currently under construction in downtown Atlanta, Mercedes-Benz Stadium will be a world-class, multi-purpose venue representing the latest in design, features and amenities. The stadium is on track to achieve LEED (Leadership in Energy & Environmental Design) certification at the highest level from the U.S. Green Building Council and will contribute to a thriving downtown tourist and entertainment district.

"The City of Atlanta is proud to be the home of the SEC Championship for the next ten years," said Mayor Reed. "Atlanta is the premier city for these prestigious events because we have a verifiable track record of success. With this announcement, Atlanta will remain where fans from across the Southeast come to experience our world-class hospitality."

SEC CHAMPIONSHIP GAME

SEC DIVISIONAL TIE-BREAKER

In the event of a tie for the division championship, the following procedures will be used to break all ties to determine the SEC Football Championship Game representative. All Conference versus Conference Games (both division and non-division) will be counted in the Conference Standings.

1. **Two-Team Tie.** In the event two teams are tied for a division title, the following procedure will be used in the following order:

- Head-to-head competition between the two tied teams;
 - Records of the tied teams within the division;
 - Head-to-head competition against the team within the division with the best overall (divisional and non-divisional) Conference record, and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
 - Overall record against non-divisional teams;
 - Combined record against all common non-divisional teams;
 - Record against the common non-divisional team with the best overall Conference record (divisional or non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division;
 - Best cumulative Conference winning percentage of non-divisional opponents;
- and

Example: Tied Teams Non-Divisional Opponents Cumulative Record

Western 1 Eastern Opponents: 14-2

Western 2 Eastern Opponents: 12-4

(Western 1 would be the representative)

H. Coin flip of the tied teams.

2. **Three-Team Tie (or more).** If three teams (or more) are tied for a division title, the following procedure will be used in the following order: (Note: If one of the procedures results in one team being eliminated and two remaining, the two-team tiebreaker procedure as stated in No. 1 above will be used):

- Combined head-to-head record among the tied teams;
- Record of the tied teams within the division;
- Head-to-head competition against the team within the division with the best overall Conference record (divisional and non-divisional) and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- Overall Conference record against non-divisional teams;
- Combined record against all common non-divisional teams;
- Record against the common non-divisional team with the best overall Conference record (divisional and non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division; and
- Best cumulative Conference winning percentage of non-divisional opponents

(Note: If two teams' non-divisional opponents have the same cumulative record, then the two-team tiebreaker procedures apply. If four teams are tied, and three teams' non-divisional opponents have the same cumulative record, the three-team tiebreaker procedures will be used beginning with 2.A.);

Example: Tied Teams Non-Divisional Opponents Cumulative Record

Western 1 Eastern Opponents: 14-2

Western 2 Eastern Opponents: 12-4

Western 3 Eastern Opponents: 8-8

(Western 1 would be the representative)

H. Coin flip of the tied teams with the team with the odd result being the representative (Example: If there are two teams with tails and one team with heads, the team with heads is the representative).

COMPLIANCE AND EDUCATION

- The 2004 SEC Task Force Committee on Compliance and Enforcement's report of recommendations represents an important step in establishing a new standard of compliance excellence within the Southeastern Conference. Among the recommendations included in this report is how institutions will handle reports of allegations, strengthening the relationship between the league's institutions and the conference office, developing new orientation programs and establishing an annual review of compliance issues.

- The SEC conducts a New Coaches Orientation Program three times a year, which supplements institutional orientation programs and enhance the professional development of coaches. Topics of discussion range from the role of the SEC and NCAA to the role of athletics in higher education.

SPORTSMANSHIP

- The SEC has implemented sportsmanship policies meant to strengthen the league's commitment to these principles. The league also developed a sportsmanship statement for its institutions to follow. It states:

"Coaches and student-athletes of a member institution, as well as individuals employed by or associated with that institution, including alumni, fans, patrons and boosters, shall conduct themselves with honesty and good sportsmanship. Their behavior shall at all times reflect the high standards of honor and dignity that characterize participation in the collegiate setting.

"For intercollegiate athletics to promote the character development of participants, to enhance the integrity of higher education and to promote civility in society, coaches, student-athletes and all others associated with these athletics programs and events should adhere to such fundamental values as respect, fairness, civility, honesty and responsibility. These values should be manifested not only in athletics participation but also in the broad spectrum of activities affecting the athletics program.

"It is the responsibility of each member institution to establish policies for sportsmanship and ethical conduct in intercollegiate athletics consistent with the educational mission and goals of the institution. Furthermore, member institutions are responsible for educating on a continuing basis all constituencies about these policies."

THIS IS THE SOUTHEASTERN CONFERENCE

SECU - COMMITMENT TO THE UNIVERSITY ACADEMIC MISSION

• Using its SECU academic initiative, the Southeastern Conference sponsors, supports and promotes collaborative higher education programs and activities involving administrators, faculty and students at its member universities. SECU is led by the president or chancellor of each SEC university and is managed by the chief academic officer (i.e., provost).

• The goals of the SECU initiative include highlighting the endeavors and achievements of SEC faculty and universities; advancing the merit and reputation of SEC universities outside of the traditional SEC region; identifying and preparing future leaders for high-level service in academia; increasing the amount and type of education abroad opportunities available to SEC students; and providing opportunities for collaboration among SEC university personnel.

• The SEC Academic Collaboration Award is intended to expand student-focused collaboration among SEC universities. It is awarded annually to one SEC institution to support joint activities involving all other SEC universities.

• The SEC Academic Leadership Development Program seeks to identify, prepare and advance academic leaders for roles within SEC institutions and beyond. It has two components, a university-level program and two, three-day, SEC-wide workshops held on specified campuses for all participants.

• The SEC College Tour occurs twice annually, once in the fall and once in the spring, and administrators from all SEC universities participate in events intended to introduce SEC universities to students, parents and high school counselors from outside of the southeast region.

• The SEC Faculty Achievement and Professor of the Year Awards recognize faculty with outstanding records in research and scholarship. There is one winner per campus and one overall winner for the SEC.

• The SEC Faculty Travel Program is intended to enhance collaboration that stimulates scholarly initiatives between SEC universities. The program offers faculty from each SEC university the opportunity to travel to other SEC universities to develop grant proposals and conduct research.

• The SEC MBA Case Competition is held on one SEC campus and features teams of four SEC students who compete to showcase their skills at solving simulated, real-world problems that cover the spectrum of business disciplines.

• The SEC Symposium is an academic conference-type event intended to address a scholarly issue in an area of strength represented by all SEC universities. Held in Atlanta, Georgia, this marquee event puts on display the research and innovation of SEC institutions for an audience of academicians, government officials and other stakeholders.

• The Conference's international/education abroad focus includes the SEC Cooperative Education Abroad Agreement, which provides opportunities for students from all SEC universities to access international programs offered at other SEC universities; the Dr Pepper Education Abroad Awards, which provide scholarship-type funding from longtime SEC corporate sponsor Dr Pepper to under-represented study abroad students; and the engineering exchange program, which enables Italian engineering students from the Politecnico di Torino (PdT) to enroll at SEC universities each fall, and SEC students to study there the following spring.

COLLEGE FOOTBALL PLAYOFF

The College Football Playoff (CFP), named 2015 Sports Event of the Year by the SportsBusiness Journal, is a big success. Fans, including many who are new to the sport, enjoy it. The first College Football Playoff semifinals and national championship game were the three most-viewed programs in cable television history.

Every Game Counts

The playoff preserves the excitement and significance of college football's unique regular season where every game counts.

Four Teams

The selection committee ranks the teams based on championships won, strength of schedule, head-to-head results, comparison of results against common opponents and other factors.

Two Days

New Year's Eve and New Year's Day belong to college football, with two semifinal games and four other top bowl games continuing a wonderful tradition.

One Goal

The two teams winning the playoff semifinals compete for the national championship. That game is in a different city each year, always on a Monday night.

Universal Access

Every FBS team has equal access to the College Football Playoff based on its performance. No team automatically qualifies.

More Revenue

The format increases revenue for all conferences and independent institutions.

Governance

University presidents and chancellors from all 10 FBS conferences and Notre Dame serve on the CFP Board of Managers and govern the administrative operations, with commissioners (the Management Committee) managing the event. A small staff in the playoff office in Irving, Texas, carries out the detailed responsibilities.

Selection Committee

A talented group of high-integrity individuals with experience as coaches, student-athletes, college administrators and journalists, along with sitting athletics directors, comprise the selection committee. Members of the committee are: Jeff Long (chair), Barry Alvarez, Mike Gould, Pat Haden, Kirby Hocutt, Tom Jernstedt, Bobby Johnson, Tom Osborne, Dan Radakovich, Condoleezza Rice, Mike Tranchese, Steve Wieberg and Tyrone Willingham.

COLLEGE FOOTBALL PLAYOFF

Selection Committee Responsibilities

- Rank the top 25 teams and assign the top four to semifinals sites.
- Assign teams to New Year's bowls.
 - Create competitive matchups.
 - Attempt to avoid rematches of regular-season games and repeat appearances in specific bowls.
 - Consider geography.

Participants in the New Year's Bowls

Both participants in the Orange, Rose and Sugar Bowls are contracted outside the playoff arrangement (Big Ten and Pac-12 to Rose Bowl; SEC and Big 12 to Sugar Bowl; ACC to Orange Bowl against the highest ranked available team from the SEC, Big Ten and Notre Dame). If a conference champion qualifies for the playoff, then the bowl will choose a replacement from that conference. When those bowls host the semifinals and their contracted conference champions do not qualify, then the displaced champion(s) will play in one of the other New Year's bowls.

When not hosting semifinals, the Cotton, Fiesta and Peach Bowls will welcome displaced conference champions and the top-ranked champion from a non-contract conference. The highest-ranked available teams will fill any other berths. The selection committee will make the pairings.
