Tournament Notes

Following today's 89-77 victory, South Carolina has won eight-consecutive games in the SEC Tournament dating back to 2013. This is the seventh game in that span that the Gamecocks have won by double digits.

Carolina moves on to the finals of the tournament for the third-consecutive season, and will be looking to win a third straight title Sunday.

This is the second largest point total for the Gamecocks at the SEC Tournament. South Carolina scored 93 against Kentucky in the semifinals last season.

Kentucky guard Makayla Epps tied her career-best at the SEC Tournament, accounting for 31 points. That is the third-best mark by a Wildcat at the event in school history.
