MISSOURI COACH STEVE BIESER

Opening statement . . .

"It was tough for us to get anything going consistently offensively. We had that one inning where we punched a couple of runs across the boards. Our pitchers battled, and our defense was right there with it. It was a really tight ballgame tonight, and we just couldn't find enough opportunities to score some runs. We had a plan against their starter, and we weren't executing early. In the inning that we did, we were able to scratch a few runs across and knock him out, but then their bullpen came in and did an outstanding job."
