THE SOUTHEASTERN CONFERENCE

A BLOCKBUSTER DEAL

While the pandemic had a devastating effect on the finances of college athletics programs across the country, the SEC ensured that there is a light at the end of the tunnel for the future of the Conference. In 2020, the SEC finalized a milestone 10-year agreement that grants ABC and ESPN exclusive broadcast rights to premier SEC football and basketball events beginning in 2024-25 and continuing through 2033-34.

The landmark deal, which represents a significant expansion of the conference's current partnership with ESPN, will establish ABC as the new broadcast network home for Saturday afternoon SEC football games, as well as selected Saturday primetime football games and the annual SEC Football Championship Game. In addition, approximately eight incremental marquee men's basketball games will be featured across ABC or ESPN.

"This is a significant day for the Southeastern Conference and for the future of our member institutions. Our agreement with ESPN will greatly enhance our ability to support our student-athletes in the years ahead and to further enrich the game day experience for SEC fans around the world," said SEC Commissioner Greg Sankey on December 10. "The broadcast industry's intense and widespread interest in securing the SEC's First Tier rights is a direct reflection of the sustained excellence achieved by our 14 member schools, and we are thrilled to have been able to maximize our current position of strength to benefit our student-athletes, the fans who go to our games and home viewers."

The SEC's First Tier rights agreement will place all SEC media rights under The Walt Disney Company umbrella, giving the SEC exposure on ABC, ESPN, ESPN2, ESPNU, ESPN+, SEC Network and SEC Network+.

Under terms of the pact more than 1,950 SEC games will be carried each year across the conference's 21 sports on ESPN networks and SEC Network. What's more, ABC will air an SEC-controlled football game each week beginning in 2024, including a regular late-afternoon kickoff. In addition, ESPN will have the ability to feature marquee SEC games on ABC's "Saturday Night Football" for the first time. The SEC Football Championship will also air on ABC in each season.

NOT A SHORT-TERM CONVERSATION. COMMITMENT TO DIVERSITY, EQUITY, AND INCLUSION

The SEC has long understood the tremendous cultural influence that the conference has in its region of the country.

In a public statement, the SEC threatened to withhold prestigious championship events from the state of Mississippi until it removed imagery of the Confederate Battle Flag from the Mississippi state flag. "It is past time for change to be made to the flag for the state of Mississippi," Commissioner Greg Sankey said. "Our students deserve an opportunity to learn and compete in environments that are inclusive and welcoming to all. In the event there is no change, there will be consideration to precluding Southeastern Conference championship events from being conducted in the state of Mississippi until the state flag is changed."

The next day, the NCAA followed the SEC's declaration with a similar edict, threatening to withhold NCAA events unless there was change to the flag.

The Mississippi Legislature swiftly voted to change its flag and its new magnolia-centered replacement was chosen by The Commission to Redesign the Mississippi State Flag. It was approved by state referendum on November 3, 2020.

The league went further to ensure that meaningful changes to any symbol or practice or policy – written or not – that hold back historically underrepresented individuals will keep coming.

In an interview, Sankey said, "It's not a short-term conversation. We're not going to walk away from these conversations. We have to use these as learning moments. They

have to be moments of change for all of us. The change we lead must be real and must realize that all are created equal, which in our case must echo across our stadiums, our arenas, our campuses, our communities, our states and our nation."

SEC PROGRAMMING ON RACIAL EQUITY AND SOCIAL JUSTICE

The Conference has teamed with the SEC Network to keep the topic top-of-mind. The Network continues to feature interviews, TV specials, and regular series with impactful content such as:

Beyond the Whiteboard
A Conversation with Black Head Women's Basketball Coaches

The Historic Change that United Mississippi Rivals
A Look at the Creation of the New Flag

Black History Always
30-second vignettes on Significant Black SEC Historical Figures

Voices for Change Series
Featuring SEC Student-Athletes
SEC Council on Racial Equity and Social Justice
The Southeastern Conference moved quickly to formally launch The Council on Racial Equity and Social Justice.

The league-wide council includes more than 60 athletes who are in the SEC's existing student-athlete engagement program, plus administrative leaders from each campus and head coaches from each sport. The Council has focused on five key areas:

Increasing access and representation for underrepresented minorities
Providing enhanced support for underrepresented minorities
Improving education on racial and social issues for all stakeholders
Deepening commitments to local communities
Raising awareness of racial inequity and social injustice

OTHER INITIATIVES:

SEC Voter Education and Participation Program
On September 3, 2020, the SEC announced its first ever voter and civic engagement effort. Through the SEC Voter Education and Participation Program, all 14 member universities committed to support non-partisan engagement of SEC student-athletes, coaches and staff in the November 2020 general election and in future local, state and federal elections. "Voting is an important way to fulfill one's civic duty in America," Sankey said. "The SEC Voter Education and Participation Program focuses on creating an opportunity for our universities to help our student-athletes, coaches and staff understand and participate in the election process."

College Football Playoff Foundation Extra Yard for Teachers
The SEC earmarked funds it traditionally receives from the College Football Playoff Foundation's Extra Yard for Teachers program specifically to go to low resource schools in SEC communities.

SEC Student-Athlete Enhancement Grant
The SEC added racial equity, social justice and diversity and inclusion to the list of permissible types of programs funded by the conference's student-athlete enhancement grant facilitated through applicable campus units.

TOGETHER It Just Means More Public Service Announcements
In conjunction with the opening weekend of football games, the SEC launched a series of television public service announcements with the "TOGETHER, It Just Means More" message. The initial announcement was 60 seconds long and aired during every football game played on the September 26, 2020, opening day. Later, the SEC launched four 30-second announcements that featured all sponsored sports and universities.

THE SOUTHEASTERN CONFERENCE

STUDENT-ATHLETE DEVELOPMENT AND ACHIEVEMENT IN 2020-21

Virtual Career Tour

For the fifth consecutive year, but this time with a different twist, the SEC conducted its successful Student-Athlete Career Tour. The pandemic could not stop this important student-athlete engagement initiative as it was conducted in a virtual format, hosting 68 student-athletes from all 14 SEC universities.

The program allows graduating student-athletes to connect with human resource recruiters in various careers and submit resumes for entry-level jobs and internships. The students also learn about interview preparation, and ways to build effective business relationships through authenticity, curiosity, and social media best practices. This year, the group met with executives at several corporations in the Atlanta area including Cox Communications, The Atlanta Hawks, and Chick-fil-A.

NCAA Woman of the Year – Kentucky’s Asia Seidt

Kentucky swimming standout Asia Seidt was chosen as the 2020 NCAA Woman of the Year from more than 600 candidates with the announcement during a live virtual award show in November.

The prestigious honor marks UK Athletics’ first NCAA Woman of the Year ever. Seidt earned more All-America honors, NCAA Championship podium finishes, Southeastern Conference Championship medals and All-SEC First Team selections than any UK swimmer or diver, man or woman, who has come before her. Meanwhile, she maintained a 4.0 cumulative grade-point average and earned a Bachelor of Science degree in kinesiology with the highest honors.

Finalists were selected from a group of 30 Woman of the Year honorees which included 10 honorees from each NCAA division and represented a range of sports.

SEC COMMISSIONER

Greg Sankey Commissioner Southeastern Conference

Greg Sankey became the eighth Commissioner of the Southeastern Conference on June 1, 2015 and has worked diligently to build upon the SEC's recognized success, strong foundations and rich traditions. Sankey has effectively introduced change and advancement for the conference while respecting the institutional traditions that make the SEC unique. With an understanding of the highly competitive environment of college sports, he has fostered the collaborative culture of the SEC that sets the conference apart and supports its continuing success. Sankey brings a big picture approach to his position through continuing

focus on a vision that positions the SEC to leverage its athletics success and popularity for a greater overall cultural and economic impact on the region, the nation and the world. During his first major address as Commissioner, he introduced his concept of "Scholars. Champions. Leaders." to describe the ultimate potential of the SEC. "Educating scholars and supporting champions provides the platform for developing leaders who will influence the world," Sankey said in his opening remarks at SEC Football Media Days in 2015.

Leadership in a Challenging Year

Sankey's leadership through the COVID-19 pandemic served the SEC well as the league prepared for a return to action in the fall of 2020. Sankey fostered a culture of extreme collaboration among the leaders of the Conference in order to allow the SEC's 14 schools to move together in lockstep through difficult and unprecedented decisions.

While the pandemic had a devastating effect on the finances of college athletics programs across the country, Sankey kept focus on the long-term financial vitality of the SEC. In 2020, Sankey and his team finalized a milestone 10-year agreement with the Walt Disney Company that grants ABC and ESPN exclusive broadcast rights to premier SEC football and basketball events beginning in 2024-25 and continuing through 2033-34.

Perhaps the most significant pledge on which Sankey has continued to make good is his commitment to providing equal opportunities to historically underrepresented individuals. Sankey understands the tremendous cultural influence the SEC has in its region and he has leveraged that influence on a multitude of cultural and societal frontiers, including focusing attention on the need to once and for all remove Confederate imagery from the state flag of Mississippi.

The 2020-21 athletic year proved to be a successful one for the SEC as Conference schools won nine national championships and placed a nation-leading nine schools among the top 30 in the annual Learfield Directors' Cup Standings. The year culminated with an all-SEC final at the College World Series, the seventh time during Sankey's tenure that two SEC schools met to determine a sport's national title.

Advocating for Student-Athlete Opportunity

Now in his seventh year as Commissioner of the SEC, Sankey has established himself as an advocate for the student-athlete, creating a framework to provide young people in the Conference with challenging leadership opportunities and expanded resources to succeed at the highest levels of academic and competitive success. New student-athlete focused initiatives under Sankey's leadership include:

- Creation of a leadership position in the SEC office for Student-Athlete Engagement, a role focused on offering student-athletes the opportunity to participate in Conference leadership.
- Introduction of Student-Athlete Leadership Councils for Football, Men's Basketball and Women's Basketball which provide student-athletes with enhanced opportunities to engage with campus leaders and Conference office staff.
- Introduction of a Student-Athlete Career Tour which provides groups of student-athletes with opportunities to engage in career exploration with high level corporations and businesses in major metropolitan areas.
- Expansion of the student-athlete role at the annual SEC Spring Meetings when student-athlete leaders participate in a robust agenda of interaction with administrators and coaches to provide their perspectives to Conference leaders.

Advancing The Conference

Sankey has been intentional and diligent in addressing issues critical to college athletics, with an emphasis on integrity, ethics and sportsmanship:

- Appointed a Working Group on Student-Athlete Conduct to develop recommendations for updated Conference policies governing conduct expectations for student-athletes. As a result, the SEC adopted a serious misconduct policy governing transfers that has served as a model for similar policies subsequently adopted by other conferences and, and later expanded the policy to include all

incoming prospective student-athletes.

- Amended an SEC Bylaw to now require a university president or chancellor to consult directly with the SEC Commissioner before hiring someone "who has engaged in unethical conduct as defined under NCAA Bylaws or who has participated in activity that resulted, or may result, in a Level I, Level II, or major infraction."
- Created the SEC Council on Racial Equity and Social Justice, a league-wide body consisting of a diverse group of student-athletes, administrators, coaches and SEC staff. The Council identifies resources, outlines strategies and assists with implementation of efforts that, when taken together, promotes racial equity and social justice, while also fostering diversity, helping overcome racism and pursuing non-discrimination in intercollegiate athletics.

Sankey has focused resources on the development of Conference officiating with a series of measures blending technology with effective leadership to create greater accuracy and consistency for officiating in all sports, including:

- Hiring new coordinators of officials in the sports of football, men's basketball, women's basketball and softball.
- Working with the NCAA to gain approval for a collaborative instant replay process in the sports of football, men's basketball and baseball.
- Collaborating with the American Athletic and ASUN conferences to create a men's basketball officiating consortium, later adding the Sun Belt Conference and Southwestern Athletic Conference.
- Engaging in a consulting agreement with Bob Delaney, an accomplished former NBA official and executive with extensive experience in leadership training, to assume the role of Special Advisor for Officiating Development and Performance.
- Commissioning Deloitte's Advisory practice to conduct a comprehensive analysis to identify best practices and program standards for the SEC Football Officiating Program.

Another priority under Sankey's leadership is growing exposure for the Conference and effectively publicizing success stories of the SEC. Strategies pursued to achieve this objective include:

- Ongoing collaboration with the SEC Network to create unique exposure opportunities for Conference universities, teams and student-athletes, including behind-the-scenes programming, expanding live championship coverage for Olympic Sports and other unique programming.
- Engagement with a national marketing agency to develop a comprehensive branding campaign. The theme – "It Just Means More" – communicates the history, legacy and overall positive impact the SEC has on its region, the nation and the world.
- Introduction of the SEC Graduate Patch, a logo placed on the uniforms of every sport displayed by SEC student-athletes who have earned their undergraduate degree and are continuing their participation in intercollegiate athletics.

A Career in College Athletics

On March 12, 2015, the Presidents and Chancellors of the SEC announced Greg Sankey would succeed Mike Slive as Commissioner of the SEC.

Sankey, 57, first joined the SEC staff in 2002 as Associate Commissioner for Governance, Enforcement and Compliance and later added supervision of the league's championships staff to his responsibilities. He was elevated to Executive Associate Commissioner and Chief Operating Officer for the league office in 2012, becoming responsible for the day-to-day operation of the SEC Office.

Before moving to the SEC, Sankey served as Commissioner of the Southland Conference for nearly seven years. He joined the Southland Conference staff in 1992 where he served as both assistant and associate commissioner before he was named its commissioner in 1996 at the age of 31.

Prior to his term at the Southland Conference, he was Director of Compliance and Academic Services at Northwestern State University in Natchitoches, LA, as well as coach of the Demon's golf teams. Before his tenure at Northwestern State, he was the Director of Intramural Sports at Utica College in upstate New York.

A native of Auburn, NY, Sankey earned his master's degree from Syracuse University and his undergraduate degree from the State University of New York College at Cortland. Sankey and his wife, Cathy, reside in Birmingham, AL, and have two adult daughters, Hannah (and her husband, Ron) and Moriah.

SOUTHEASTERN CONFERENCE

Official Sponsor Program

The Southeastern Conference Official Sponsor program began in 1988 with three companies dedicated to intercollegiate athletics and higher education. Now supported by many of the nation's top corporations, this program has evolved into the most successful of its kind.

Each member of the SEC Official Sponsor team shows its commitment to the future of intercollegiate athletics with contributions to SEC Youth Clinics, SEC Scholarship Programs, SEC Academic Enhancement Programs, Championship Grants, FanFare and Legends Programs.

The corporations also conduct consumer promotions designed to increase sales and brand awareness. These promotions also increase public awareness of the member institutions of the SEC, which in turn supports increased ticket sales and high television and radio ratings.

In addition to the broad spectrum of benefits provided by these contributions, each SEC institution is a direct beneficiary of the program. SEC Official Sponsors are: Academy Sports + Outdoors, ABac, Allstate Insurance, Dr Pepper, Farm Rich, Gatorade, Johnsonville, Mercedes-Benz, Regions Bank, T-Mobile and Velveeta.

Program Mission

The mission of the corporate sponsor program is:

1. To develop marketing and promotional activities that benefit the SEC, its member institutions and the participating corporations;
2. To emphasize the positive role of athletics in our society; and
3. To provide funding for youth clinics, championship events and academic enhancement programs.

SEC Licensing Program

The Southeastern Conference markets its registered marks (Southeastern Conference, SEC, SEC Seal and SEC logos) through a licensing program with the Collegiate Licensing Company. The SEC began its licensing program in 1988 to protect the use of its name and insignias and to ensure that its member institutions benefit from the use and sale of items bearing its name and/or logos.

The program also ensures that manufacturers and retailers market only the highest-quality merchandise using the conference name and logos. The SEC has joined a significant number of colleges and universities throughout the country to bring about consistency in the marketplace for officially-licensed collegiate products.

2022 SEC INCLEMENT WEATHER POLICY

FOR FRIDAY THROUGH SUNDAY SERIES

1. If a game is suspended/postponed on Friday or Saturday, the game shall be completed from the point of interruption on the following day prior to the regularly scheduled game. In the event the regularly scheduled game is televised, the suspended/postponed game may be rescheduled, in consultation with the conference office, prior to, or following, the regularly scheduled game, whichever allows the best opportunity to complete such game without interruption.
2. Televised Games Affected by Weather
 - A. For games televised on ESPN, ESPN2 or ESPNU
 - (1) If a game is suspended/postponed on Friday, and the regularly scheduled Saturday game is televised by ESPN, ESPN2 or ESPNU, the regularly scheduled televised Saturday game must start at its published start time. If a suspended/postponed game is resumed/started prior to the start of the regularly scheduled televised game on Saturday, that game must be stopped after the completion of a full inning one hour prior to the start of the scheduled televised game and resumed following the completion of the regularly scheduled televised game.
 - (2) If a game is suspended/postponed on Saturday, and the regularly scheduled Sunday game is televised by ESPN, ESPN2 or ESPNU, the regularly scheduled televised Sunday game must start at its published start time. If a suspended/postponed game is resumed/started prior to the start of the Sunday regularly scheduled televised game, that game must be stopped after the completion of a full inning one hour prior to the start of the scheduled televised game and resumed following the completion of the regularly scheduled televised game.
 - B. For games televised on the SEC Network
 - (1) If a game is suspended/postponed on Friday, and the regularly scheduled Saturday game is televised by the SEC Network, best efforts should be made to start the regularly scheduled televised Saturday game on the SEC Network at its published start time. (The suspended/postponed game should be scheduled at a time which provides the regularly scheduled televised game a reasonable chance of starting at its published time.) If a resumed/rescheduled game runs into a regularly scheduled televised SEC Network game time, the resumed/rescheduled game should be completed without interruption.
 - (2) If a game is suspended/postponed on Saturday, and the regularly scheduled Sunday game is televised by the SEC Network, best efforts should be made to start the regularly scheduled televised Sunday game on the SEC Network at its published start time. (The suspended/postponed game should be scheduled at a time which provides the regularly scheduled televised game a reasonable chance of starting at its published time.) If a resumed/rescheduled game runs into a regularly scheduled televised SEC Network game time, the resumed/rescheduled game should be completed without interruption.
 - (3) Depending on the circumstance, any resumed/rescheduled game or any regularly scheduled game may begin/end on the SEC Network Alternate Channel or on SEC Network+.
3. Length of Games
 - A. All games played on Friday and Saturday should be scheduled for nine innings. If a suspended game is resumed on Sunday, the regularly scheduled game shall be seven innings.
 - B. If weather prevents playing both the Friday and Saturday games, or if the Saturday game does not begin because of rain, there shall be two seven-inning games on Sunday. If a Friday game is suspended and no games are played on Saturday, the suspended game shall be resumed on Sunday, followed by a seven-inning game.
 - C. If a suspended game is unable to be completed because of inclement weather and has reached official game status (five innings or more per NCAA Rule 5.8), it shall be declared a game.
 - D. Once a suspended game is resumed, the game shall be complete if one team has a lead of 10 or more runs after seven innings of play (NCAA Rule 5.8).
4. Restart Times
 - A. In the event of rain on Friday or Saturday, no game may start after 10:00 p.m. local time or resume after midnight local time.
 - B. In the event of a rain-delay prior to the beginning of play on Sunday, the game must begin at least two hours and thirty minutes prior to the visiting team's scheduled departure time from the field, but no later than 5:00 p.m. local time to avoid a rain out of the game. (See Departure Time of this section.)
 - C. If the game begins and is delayed (Sunday game), it must resume by 7:00 p.m. local time to avoid a rain out of the game.
5. Travel Considerations
 - A. In all instances, departure time takes priority. A team may not stay over until Monday to begin or complete a game or series.
 - B. In the event the visiting team is not scheduled to leave the host city until Monday and there are no prior travel limitations for the game's umpires that would dictate departure to enact these deadlines, with Conference approval, it would be permissible to waive the 5:00 p.m. deadline for the start of a game and a 7:00 p.m. deadline for the resumption of the game.
6. Authority to Play Doubleheaders
 - A. If weather forecasts on Friday or Saturday morning call for a high occurrence of inclement weather on Sunday, the home team with approval of the visiting team may request permission from the Conference office to play a doubleheader on Saturday.
 - B. Approval of a prospective Saturday doubleheader shall be limited to circumstances where there is a high likelihood that weather will not permit a game to be played on the final day of the series. This does not apply for possible inclement weather on Friday or Saturday of a weekend series.
 - B. Approval of a Friday doubleheader may be granted by the Commissioner's office if there is a chance of rain of 80 percent or higher according to weather.gov for both Saturday and Sunday as of no earlier than 5 p.m. local time on Thursday and it is agreed upon by both head coaches. (This is not applicable to Thursday through Saturday series.)

2022 SEC TOURNAMENT

The Southeastern Conference Baseball Tournament returns to the Hoover Metropolitan Complex in the south-Birmingham city of Hoover, Ala., May 24-29.

The 2022 SEC Baseball Tournament will continue to feature 12 teams and will remain set to begin on Tuesday, May 24. Seeds 5-12 will meet in a single elimination format on the opening day of the tournament, followed by traditional double-elimination play Wednesday-Friday. The tournament will return to single elimination play on Saturday. A total of 17 games will be played throughout the tournament.

The 12 teams are seeded 1-12 with the two divisional champions and top four seeds guaranteed opening-round byes, with the possibility of earning another later in the bracket. The tournament field will include the top teams from the SEC's Eastern and Western Divisions plus 10 at-large bids seeded 3-12 based on conference winning percentage.

In 2021, Arkansas defeated Tennessee in the championship game to give the Razorbacks their first SEC Tournament title.

The Hoover Met formerly served as home of the Double-A Birmingham Barons (Chicago White Sox) of the Southern League. The stadium also has served as host of the NCAA Men's Soccer Final Four, as well as home to the nationally renowned Hoover Buccaneer high school football program.

Located eight miles south of Birmingham, the Hoover Met seats 10,800 for baseball, but can accommodate over 16,000 when the patio, banquet and side grassy areas are used. The stadium also houses 12 suites and state-of-the-art dressing and training rooms. Wireless internet access was added in 2004, concourse and signage renovation was done in 2005 and a second-level pressbox expansion, new stadium seating and an exterior facelift in 2007 completed a \$6 million renovation project. A new HD video scoreboard was added in 2008, while the SEC introduced the nation to a 'pitch clock' in 2010. A new sound systems and concourse amenities such as refurbished restrooms big screen HDTVs at concessions stands were added in 2012.

The Finley Center, a 155,000 square foot entertainment facility, opened in 2017 as part of the first phase of an \$80 million Hoover Metropolitan Complex that also includes outdoor fields and event space.

- B. If two-teams are divisional opponents:

- C. If two teams are not divisional opponents:
 - (1) Won-lost record of the two teams versus the No. 1 seed using common opponents only (and proceeding through the No. 12 seed, if necessary).
 - (2) Coin flip by the Commissioner

The following procedure will be used in the following order until the tie is broken: (Note: If the three tied teams have three different records against each other, they shall be seeded in best-percentage order.) Otherwise, once the tie has been reduced to two teams, the two-team tiebreaker procedure will be used.

- A. If all three teams are common opponents: Total won-lost percentage of games played among the tied teams.
- B. Won-lost percentage of the tied teams versus the No. 1 seed and proceeding through the No. 12 seed, if necessary, using common opponents only.

Game 11

The championship game featuring LSU and Mississippi State was called due to lightning and rain with one out in the bottom of the fourth inning with LSU leading 6-0. LSU and Mississippi State were declared tournament co-champions by SEC Commissioner Roy Kramer. The league did not submit an automatic qualifier to the NCAA Tournament. However both schools, as well as Georgia, were selected as at-large qualifiers.

NATIONAL PLAYERS OF THE YEAR

Dave Magadan - 1983, Alabama

Alabama's David Magadan was named the sixth recipient of the Golden Spikes Award for his banner season in 1983, one in which he led the Crimson Tide to a second place finish nationally. Magadan, who hit .439 for his Alabama career, hit an amazing .525 his last year, which included a phenomenal 10 for 11 series in the SEC Tournament. For the season, Magadan was 114 for 217, including 31 doubles, just one of many SEC records then owned by the Tampa, Fla., native. Magadan was also voted "Player of the Year" by Baseball America making him the first SEC player ever to be named the nation's best.

Will Clark - 1985, Mississippi State

Mississippi State's Will Clark was the eighth winner of the Golden Spikes Award after a stellar career under Coach Ron Polk and a banner 1985 collegiate season. Clark batted .420 while slugging SEC-leading totals of 25 homers, 77 RBI and 158 total bases in leading the Bulldogs to a tie for third place with Arkansas in the '85 NCAA College World Series. Mississippi State finished the season with a 50-15 mark, then the most overall wins ever by an SEC team. Clark then signed as the second player chosen in the '85 Major League Baseball Draft by the San Francisco Giants.

Derek Lilliquist - 1987, Georgia

Georgia's Derek Lilliquist, pitcher for the SEC regular season champion and College World Series participant Bulldogs, was named the national Pitcher of the Year by Baseball America in 1987. He was also chosen an All-America by the American Baseball Coaches Association, The Sporting News and Baseball America. In 1987, Lilliquist posted a 14-3 record with an earned run average of 2.24. The Winter Park, Fla. native, also belted 19 home runs and 63 runs batted as a designated hitter during his junior season in 1987.

Ben McDonald - 1989, LSU

LSU pitcher Ben McDonald was the 12th winner of the prestigious Golden Spikes Award in 1989 after leading his team to its second College World Series appearance in his three-year career. In 1989, McDonald notched a 14-4 record and a 3.49 ERA while setting the SEC mark for strikeouts with 202. He also recorded four saves in leading LSU to an 18-9 second place SEC showing and a 55-17 overall mark. The squad earned a fourth place finish in the CWS. McDonald was tabbed a consensus All-America and the recipient of the Collegiate Baseball/ESPN Pitcher of the Year Award.

Lloyd Peever - 1992, LSU

LSU's Lloyd Peever, pitcher for the SEC Champion Tigers, was the winner of the Collegiate Baseball Player of the Year Award in 1992. Peever was also a first-team All-America selection by the American Baseball Coaches Association and Baseball America. Peever recorded a perfect 14-0 record in 1992 with an earned run average of 1.978. He led the SEC in wins and was second in ERA. In 104.2 innings, he allowed just 67 hits and 20 walks. Peever, a junior from Stonewall, Okla., turned pro following the 1992 season and was a fourth-round draft selection of the Rockies.

Todd Helton - 1995, Tennessee

Tennessee's Todd Helton, standout first baseman and pitcher for the SEC Champion Volunteers, was the winner of the Mizuno/Collegiate Baseball, Baseball America and the Baseball Weekly/USA Today Player of the Year awards. He was also the recipient of the Dick Howser Player of the Year Award. Helton batted .407 with a league-high 105 hits, 20 home runs, 92 runs batted in, 86 runs scored, 27 doubles and a .775 slugging percentage. On the mound, he was equally as impressive. In 1984 the Southeastern Conference developed the Academic Baseball Honor Roll. The new format was adopted to recognize those athletes who had a 3.0 grade point average (either cumulative or during the past year), and had 24 semester or 26 quarter hours countable toward a degree. Prior to the 1996-97 season, the SEC dropped the requirement of earning a letter for that season.
