

## Vanderbilt

### Ezra Manjon & Tyrin Lawrence

#### **Ezra Manjon**

*How different is it this year at Vanderbilt compared to last year?*

*"It has been good honestly. I did this (media days) at Davis a lot. It is a blessing to do all of this. Talk to the media on behalf of the team. To just represent Vanderbilt here so it has been good."*

*Sharing the backdoor with Tyrin will it help to get the ground running?*

*"I think it is going to be big. The pieces around Tyrin and I are really good this year. We have a really great group of guys. Really Invested. Really talented. We are going to hit the ground running this year."*

#### **Tyrin Lawrence**

*Through a wild offseason, went to the portal then came back, talk about the rollercoaster ride that it was and how you ended back up at Vandy.*

*"Jumping in the portal I experienced a lot of things, I was able to hear from a lot of different teams but ultimately, at the end of the day I found where I thought was my best fit which is here at Vandy with a good situation going on."*

*You were a guy who kind of took their game to a new level in the last year, you hit that shot against Tennessee, you were leading the team in scoring. From kind of a supporting guy to a more of a star and an alpha dog talk about that and what that taught you going forward.*

*"Going from a supporting cast player to a star like you said, just a lot of hard work and confidence. Believing I can do it, going out and doing it every night, I'm looking forward to doing it again this year."*
