### Matthew Murrell & Allen Flanigan

#### **Matthew Murrell**

*What did you try to do to get better this summer?*

"Nothing too crazy. Just reps and consistently doing the right thing over and over again. That is when you improve."

*Any newcomers stand out to you?*

"I feel like we have some great guys that transferred in. Austin Nunez, Brandon Murray, all those guys. I feel like they are great for the program. Of course, Allen Flanigan. Someone who I am really proud of lately is TJ Caldwell. I feel like he is really making that freshman to sophomore jump and I feel like he is going to be really good for us this year."

#### **Allen Flanigan**

*How it's been to continue to play with his father:*

"It has been great for me. Getting closer to my father through the years. Him being there with me and going through what I go through. See the things I do and help me."

*How the team will turn around this year with all the transfers and newcomers:*

"It is definitely going to be a sight to see this year in Oxford. We feel very confident in ourselves to get the job done. Coach Beard believes in us too."

*Why was it important to Flanigan to find a new home:*

"I felt that I spent four years at Auburn and graduated there. I was an Auburn man, that is my alma mater. I felt like for my last season in college to try something new. You never know what road leads you in life. I just wanted a new home."
