INTRODUCTION

Competition between Conference members during the regular season, as well as in Conference post-season championships and tournaments, is one of the fundamental purposes of the Southeastern Conference. The commitment to Conference competition dates back to 1894 when ten universities organized as members of the Southeastern Intercollegiate Athletic Association. Although the number of member institutions and sports has varied since the turn of the century, the basic principles of equitable competition and achievement of common competitive goals have remained as cornerstones of the Southeastern Conference.

The Commissioner's Regulations governing Conference competition, championships and tournaments are written as a guide for all SEC competition between its members and are considered the standard source of information on policies and procedures for the conduct of Conference competition. These Regulations are divided into two parts: 1) general administrative policies and procedures that apply to all SEC competition generally, and 2) specific regulations for each sport.

These regulations are intended for use in conjunction with current SEC Bylaws. If a policy appears in the SEC Bylaws, it is not reproduced in the Commissioner's Regulations; however, the specific reference to that policy is cited in the regulations under the appropriate topic heading.

These regulations are approved by the appropriate Southeastern Conference governing bodies and reviewed each year.

Access to Competition Area. In all sports, institutions shall limit access to the competition area to participating student-athletes, coaches, officials, support personnel, and properly-credentialed or authorized individuals at all times. For the safety of participants and spectators alike, at no time before, during or after a contest may spectators enter the competition area. It is the responsibility of each member institution to implement procedures to ensure compliance with this policy.

Institutional penalties against individuals who improperly enter the competition area must include, but are not-limited to, expulsion from the facility, arrest for trespassing, and the loss of future ticket privileges. In addition to these penalties, violators who are students must be subject to institutional student disciplinary measures.

Each institution shall publicize this policy, as well as the penalties associated with violations, through appropriate means, such as ticket back statements, public address announcements, video/matrix announcements, facility signage, and other means available. In addition, each head coach shall publicly discourage spectators from entering the playing area at any time.

Penalties for Institutional Violations. For the safety of participants and spectators alike, the Commissioner may (in his or her sole discretion) impose the following penalties: 1st offense: an institutional fine of \$50,000; 2nd offense: an institutional fine of up to \$100,000; 3rd or subsequent offense: an institutional fine of up to \$250,000. The Commissioner may also impose additional penalties as he or she deems appropriate.

Amendments. The Commissioner's Regulations may be amended in the following manner: *[Revised: 7/25/17]*

Those regulations that are a part of the SEC Bylaws may only be amended by vote of the Presidents and Chancellors at a regular or called meeting of the Conference.

Those regulations that are not part of the SEC Bylaws, but may have philosophical, financial, and/or competition format implications may be amended by a majority vote of the Athletics Directors or, for items relating to men's and women's Olympic sports and women's basketball that do not have a significant financial impact, by a majority vote of the Senior Woman Administrators. The Athletics Directors may request review of any formal action taken by the Senior Woman Administrators at any future meeting.

Amendments may be proposed by the Commissioner, coaches groups, Senior Woman Administrators, and Athletics Directors. Proposals from coaches of men's and women's Olympic sports and women's basketball will be sent directly to the Senior Woman Administrators, unless the proposal has a significant financial impact in which case it will be sent to the Senior Woman Administrators first, then to the Athletics Directors with a report of action taken by the Senior Woman Administrators. Proposals from coaches of all other sports will be forwarded directly to the Athletics Directors.

Those regulations that are editorial in nature or do not have ramifications as noted above may be amended by a majority vote of the coaches of that sport.

Prior to any revision in Regular Season Competition/Scheduling policies or the adoption of any proposal that may have an academic impact, the Faculty Athletics Representatives group must review the proposal during its next regularly scheduled meeting.

Artificial Noisemakers and Sound Systems (Team). **[SEC Bylaw 30.22.1.5(d)]** Except as otherwise provided in SEC Bylaw 30.22.1.5 and the Commissioner's Regulations of each sport, artificial noisemakers, and sound systems brought to competition sites by participating teams and team personnel are restricted to the locker and training room areas only.

Availability of Alcoholic Beverages at Athletic Events.

Each institution is permitted to determine the permissibility of selling alcoholic beverages in athletics venues and shall establish a policy governing the sale and distribution of alcoholic beverages in its athletics facilities. *[Adopted: 5/31/19, effective 8/1/19]*

Institutions that offer alcohol sales in public areas must incorporate Conference-wide alcohol management expectations, which include:

1. Alcoholic beverages are to be sold and dispensed only at designated stationary locations;
2. Alcoholic beverages may not be sold by vendors within the seating areas;
3. Identification check is required at every point of sale to prevent sales to minors;
4. Alcoholic beverage sales are limited to beer and wine only (no hard liquor or mixed drinks may be sold in

public seating areas);

5. Limits must be established on the number of drinks purchased at one time by an individual;
6. Alcohol must be dispensed into cups;
7. Safe server training and additional training for staff to handle high risk situations is required; and
8. Designated stop times for sale and/or distribution of alcohol must be enforced as follows:
 - A. Football (end of 3rd quarter);
 - B. Basketball (Men's—Second half 12-minute TV timeout; Women's—End of 3rd quarter);
 - C. Baseball (end of the top of 7th inning);
 - D. Softball (end of the top of the 5th inning); and
 - E. Other Sports (At a designated time, no later than when 75% of the event's regulation length competition is scheduled to be completed).

Each year, the Conference membership shall review this policy to determine institutional compliance with established expectations and evaluate fan conduct and alcohol-related incidents for the purpose of determining the need to revise the Conference's alcohol policy.

Implementation of these management expectations does not include suites, clubs or private leased areas.

Each institution shall establish a policy for the admission of outside food and beverage into its facilities.

As with all areas of the stadium, maintaining the safety of patrons and participants and maintaining an atmosphere suitable for families is of utmost importance.

Advertising displays mentioning or promoting alcoholic beverage shall not be permitted in any playing facility with the exception of common point-of-sale signage.

Awards. The Conference sponsors an awards program for each sport, as well as programs for each championship and tournament. General guidelines for the voting processes are outlined below: (See Supplement A of this section for a complete list of sport-specific awards)

1. **Guidelines.** These guidelines are in place to ensure fair treatment of all student-athletes and coaches, and are to be followed in all voting processes. All votes are submitted on behalf of the institution and thus, if a coach does not follow procedure the Athletics Director or his/her designee will replace that coach's vote. Deadlines set by the SEC office must be adhered to in both the nomination process, as well as the final ballot. It is understood that all nominations and ballots are the responsibility of the institution. If the coach misses a specific deadline set by the SEC office, such forms become the responsibility of the athletics director or his/her designee. Institutions that miss nomination and/or voting deadlines set by the SEC office are subject to dismissal of that institution's forms.
 - A. Coaches may not vote for themselves or their student-athletes for awards determined by a vote of the head coaches.
 - B. A ballot must be completely filled out to be counted.
 - C. A coach must vote for post-season awards.
 - D. Only nominated student-athletes may receive votes for post-season awards. In all cases, a coach may only nominate his/her own student-athletes.
 - E. An institution may nominate more than one student-athlete for an individual award, including Scholar-Athlete, Freshman, and Athlete of the Year.
 - F. On a coach's ballot, his/her vote for Player of the Year must be listed among his/her All-SEC votes.
 - G. On a coach's ballot, his/her vote for Freshman of the Year must be listed among his/her All-Freshman votes.
2. **Roy F. Kramer Athlete of the Year Awards.** [SEC Bylaw 30.22.1.4a]
3. **H. Boyd McWhorter Scholar-Athlete of the Year Awards.** [SEC Bylaw 30.22.1.4b]

5. **Michael L Slive Distinguished Service Award.** [SEC Bylaw 30.22.1.4d]
6. **SEC Sportsmanship Awards.** Each institution may nominate one male and one female student-athlete for consideration based on criteria provided by the SEC office. The Athletics Directors will select one male and one female recipient from those nominated at the SEC Spring Meeting.

7. **SEC Academic Honor Roll.** The following criteria will be used to determine recipients of the SEC Academic Honor Roll award:
- A. Any student-athlete who participates in a Southeastern Conference championship sport or a student-athlete who participates in a sport listed on his/her institution's NCAA Sports Sponsorship Form is eligible for nomination to the Academic Honor Roll.
 - B. The following criteria will be followed:
 - (1) A student-athlete must have a grade point average of 3.00 or above for either the preceding academic year (two semesters or three quarters) or have a cumulative grade point average of 3.00 or above at the nominating institution.
 - (2) If a student-athlete attends summer school, his/her grade point average during the summer academic term must be included in the calculation used to determine eligibility for the Academic Honor Roll.
 - (3) Student-athletes eligible for the Honor Roll include those receiving an athletics scholarship, recipients of an athletics award (i.e., letter winner), and non-scholarship student-athletes who have been on a varsity team for two seasons.
 - (4) Prior to being nominated, a student-athlete must have successfully completed 24 semester or 36 quarter hours of non-remedial academic credit toward a baccalaureate degree at the nominating institution.
 - (5) The student-athlete must have been a member of a varsity team for the sport's entire NCAA Championship segment.
 - (6) The SEC Academic Honor Roll shall be compiled and released following each sport's championship event, as follows:
 - a. Cross Country, football, volleyball, soccer – Honor Roll recipients shall be announced by the Conference office during the first week of February, based on the student-athletes' preceding fall, summer, and spring terms. [*Revised: 11/18/15*]
 - b. Basketball, equestrian, gymnastics, swimming and diving – Honor Roll recipients shall be announced by the Conference office during the third week of April, based on the student-athletes' preceding fall, summer, and spring terms.

8. **Scholar-Athlete of the Year.** The recipient in each sport will be determined by vote of the head coaches. Coaches will vote during the All-SEC process for their particular sport. Each vote is worth one point. The criteria for nominating a student-athlete for the Scholar-Athlete of the Year are as follows:
- A. Nominee must be a starter or important reserve with legitimate athletic credentials.
 - B. Nominee must have participated in at least 50 percent of team's games for the nominating year.

14. **Athletes of the Week.** The Conference Communications staff will select an "Athlete of the Week" from nominations submitted by the sports information offices of the member institutions.
15. **Freshmen of the Week.** The Conference office will select a "Freshman of the Week" from nominations submitted to the Conference office by the sports information directors of the member institutions.
16. **Community Service Teams.** Each institution selects one student-athlete per sport sponsored by the Conference. Selection is based on community service performed by the student-athlete. The cross country, indoor track and outdoor track "Community Service Team" will be selected during the outdoor track season.

Bands, Banners, Cheerleaders and Mascots. Specific policies regarding bands, banners, cheerleaders, and mascots are addressed in the SEC Bylaws or Commissioner's Regulations for each sport.

Coaches Committees and Meetings. [SEC Bylaw 21.8 and 21.9]

Championship Manuals. For on-campus championships, the host institution shall provide appropriate information packets to each participating institution as specified in the Commissioner's Regulations for each sport. The Conference championship staff shall provide appropriate information packets to each participating institution for neutral-site championships.

Championship Sites. The SEC Executive Committee must approve all championship or tournament sites, unless otherwise specified in the Commissioner's Regulations for each sport. Such sites may be proposed by the Commissioner, coaches groups, Senior Woman Administrators, or Athletics Directors. Site proposals from coaches must be reviewed by the Senior Woman Administrators and/or Athletics Directors prior to submission to the SEC Executive Committee. Exceptions to this policy are specified in the Commissioner's Regulations for each sport.

Crowd Control and Game Management. The Presidents and Chancellors of the Southeastern Conference member institutions are committed to excellent crowd control at all athletic events. They have passed several resolutions stating their aims and objectives for promoting mutual trust and friendly relations between Conference members and other institutions by emphasizing the need for spectator and student-athlete sportsmanship at athletic contests.

The Athletics Director of the host institution shall assure that crowd control and game management are exercised in the best interests of safety and fair play for the participants, as well as for spectators. The Athletics Director shall designate a full-time staff person (or persons) to serve as game management director; however, ultimate responsibility remains with the Athletics Director. The home institution shall supply the visiting coach and game officials with the name and location of the individual responsible for game management and crowd control.

The Athletics Directors of each institution are expected to communicate with their student-athletes, coaches and fans to encourage enthusiastic support within the confines of good sportsmanship. Host institutions must provide adequate security and ushers, preferably in uniform, for effective crowd management. Attention should be given to seating arrangements that will alleviate crowd-control problems. In addition, evacuation and emergency plans should be in place and reviewed on a regular basis.

Divisional Scheduling. [SEC Bylaw 17.1.9e]

Eligibility. [SEC Bylaws 14.10.1 and 30.22.1.3b] The SEC office will supply an eligibility list for review prior to the start of a Conference championship or tournament.

Equal Access to Locker Rooms. Equal access must be given to all media representatives, regardless of gender, at any time interviews with coaches and/or student-athletes are conducted, including after competition. Equal access is defined as access to coaches and/or student-athletes at the exact same time and at the exact same place. Bringing players to a separate area for reporters of the opposite gender is not considered equal access. The exact method of ensuring equal access shall be determined by the institution.

Financial Responsibilities. [SEC Bylaw 31.20, 31.21, 31.22, and 31.23] The method of distributing net receipts is specified in the SEC Bylaws. Host institutions shall file a financial report with the SEC office not later than 60 days after the event.

Interrupted Game Procedures. All personnel, including Athletics Directors, game management personnel, game officials, coaches, players, and Conference office staff, shall use their best effort to ensure each Conference contest is played to its conclusion. The Conference recognizes, however, emergencies may arise that make a contest's completion impossible or inadvisable. Such circumstances may include, but are not limited to, severe inclement weather, natural or man-made disasters, power failures and spectator interference.

Contests should be delayed, relocated, suspended, canceled, postponed or terminated (see definitions below) when circumstances exist such that commencement or continuation of play would pose a threat to the safety of game participants. The following procedures shall apply to any sport which does not have sport-specific Inclement Weather or Interrupted Game Procedures.

1. **Definitions.**

- A. **Delay** - To delay a contest is to delay the start of a contest until a later time on the same date.
- B. **Relocate** - To relocate a contest is to change the location of the competition.
- C. **Suspend** - To suspend a contest is to temporarily halt play for a short duration after the contest begins.
- D. **Cancel** - To cancel a contest is to nullify it either before or after it begins and to make no provision for rescheduling it or for including its score or other performance statistics in Conference records.
- E. **Postpone** - To postpone a contest is to (a) defer its starting time to a later date, or to (b) suspend it after play has begun and make provision to resume it at a later date with all scores and other performance statistics up to the point of postponement added to those achieved in the resumed portion of the contest.
- F. **Terminate** - To terminate a contest is to end it short of a full-designated duration of play, officially record it as a completed contest, and make no provision to resume it at a later date.

2. **Authority.** Authority to delay or relocate a contest is vested with the home institution's Athletics Director or designated senior level administrator. Authority to suspend a contest is vested with the officials. Authority to cancel, postpone or terminate a contest is vested *only* with the Commissioner or his/her designee.

3. **Guidelines.**

- A. The home institution's Athletics Director or designated senior level administrator shall have the authority to determine whether a contest should, prior to its start, be temporarily delayed until a later time on the same date. Once a contest has started, the decision to suspend play is the responsibility of the game officials.
- B. If extenuating circumstances occur that necessitate the relocation of the contest site within the same city, the home institution's Athletics Director or designated senior level administrator shall have the authority to determine whether and where the contest should be relocated. The decision should be made in consultation with the visiting team. The alternate site must be in full compliance with all NCAA playing rules and regulations governing that particular sport.
- C. If a contest is postponed prior to its start for any reason, the two participating institutions, in consultation with the Commissioner or his/her designee, shall attempt to reschedule the game at a later time or date. If the contest cannot be rescheduled, the Commissioner shall cancel the contest.
- D. If a contest is suspended for any reason after play has begun, the contest must be resumed as soon as conditions are deemed safe by the officials in consultation with the home team game management personnel.
- E. A suspended contest may not be resumed after midnight local time, or two hours following the point of suspension, whichever is later.
- F. If a contest is suspended after play has begun and cannot resume before midnight local time, the two institutions, in consultation with the Commissioner, shall attempt to declare the game postponed, and resume it at a later date.
- G. In the event a contest cannot be resumed at a later date, the following will apply:
 - (1) If the contest is suspended prior to the completion of one half of play (halftime), the Commissioner shall declare the contest *canceled*.
 - (2) If the contest is suspended after the completion of one half of play (halftime), the Commissioner shall declare the contest *terminated*.

In the event a contest is delayed or suspended and it does not appear play will be resumed on that date, the Athletics Directors (or designated representatives) of both participating institutions, game management personnel and the Conference office representative (if available) shall meet with the game officials in the officials' dressing room, or another suitable location nearby. The Conference office representative shall communicate with the Commissioner, who has the sole authority to declare a game canceled, postponed or terminated. If the Conference office representative is not on site, the home institution's Athletics Director or designated senior level administrator shall contact the appropriate Conference staff liaison. The home team

game management, in consultation with the Conference office representative, is responsible for disseminating information regarding such a decision to the teams, media and general public.

Lightning Policy. Each member institution must have the capability of determining when lightning strikes are within specified distances of the competition site for all outdoor events.

When lightning is detected within 15 miles of the competition site, the home institution shall notify the head referee-umpire.

When lightning is detected within a minimum of 10 miles from the competition site, home team management shall utilize the public address system to inform those in attendance that inclement weather including lightning is within 10 (or more) miles and that should patrons vacate the facility for safe shelter, they will be allowed to re-enter with a ticket stub.

When lightning is detected within eight (8) miles of the competition site, competition shall be suspended. Competition may be resumed after 30 minutes of no detected lightning strikes within an eight mile radius. A 10 minute warm-up period may be granted following this 30 minute suspension.

In cases of severe weather being detected prior to the start of competition: A maximum of 10 minutes may be used, at the discretion of the home institution, for the marching band, national anthem and introductions, immediately following the 30 minute time period of no detected lightning strikes.

Lodging. It is the responsibility of the host to ensure that adequate housing is available to all participating institutions. Each institution is responsible (unless otherwise noted in the Commissioner's Regulations or championship/tournament manual) for finalizing its own lodging arrangements.

Marketing/Sponsorship Policies. Any agreements and contracts that result in corporate sponsorship of a Conference championship or tournament must be approved by the Commissioner. This does not preclude a host from obtaining nominal sponsorship and trade-outs from local businesses that are interested in supporting the event. The Commissioner has the right of final approval of all commercial sponsorship, exhibitors and merchandisers at a Conference championship or tournament.

Medical Policies. Adequate medical personnel must be present or on call at all sessions of the event (practice and competition). The host is responsible for obtaining the necessary medical staff and supplies. Additional policies may be specified in the Commissioner's Regulations for each sport.

New Coaches Orientation. Upon initial employment at an SEC member institution, each head or assistant coach shall attend a New Coaches Orientation conducted at the SEC office. Attendance at a New Coaches Orientation session should occur as soon as possible following employment of a coach, but is required to occur not later than October following employment of each coach. A coach who fails to attend a New Coaches Orientation session within the prescribed time frame may not participate in any off-campus recruiting activities until the coach attends a New Coaches Orientation session. New Coaches Orientation sessions shall be conducted in May, July and October. A coach who discontinues employment within the SEC shall be required to attend New Coaches Orientation if four calendar years lapse between dates of employment at an SEC member institution.

Officials. [SEC Bylaw 30.20] Officials and officiating fees/travel expenses for all Conference tournaments and championships shall be approved by the Commissioner. Unless otherwise approved and noted in the Commissioner's Regulations, the expenses and fees shall be the responsibility of the host.

Penalties for Violations of Specified NCAA Bylaws. The Conference has established the following minimum penalties for violations of specified NCAA Bylaws. The institution shall apply the minimum penalty upon discovery of the violation and shall report the violations to the Conference in a timely manner. The minimum penalty may be increased at the Commissioner's discretion. In the event that a minimum penalty cannot be fully applied prior to the involved prospective student-athlete's written commitment to the institution, the Commissioner shall impose such other penalties to address the competitive or recruiting advantage gained by the institution (*e.g.*, prohibiting the issuance of a financial aid agreement, restrictions on recruiting activities, etc.).

Prior to application of the minimum penalty, the involved institution may request relief from the minimum penalty if the institution establishes that: 1) the violation was clearly attributable to extenuating circumstances; and 2) the violation did not produce a recruiting or competitive advantage. If an institution that commits a violation seeks relief from the minimum penalty and there is a reasonable basis for consideration of the relief request, the penalty is stayed pending the Commissioner's determination. [Revised: 12/13/16]

Impermissible activity by noncoaching staff member (NCAA Bylaw 11.7.1.1 and 11.7.6) The involved institutional staff member shall be prohibited from attending all countable and required athletically related activities involving student-athletes (e.g. practice, competition, and team meetings involving student-athletes) for a seven-day period following discovery of the violation.

Further telephone calls and electronic correspondence between any institutional staff member and the prospective student-athlete involved in the violation shall be prohibited for the next 30 days following the first date for permissible phone calls. If a coach or coaching staff telephones a prospective student-athlete twice within a period where it is otherwise permissible to call once, the coaching staff is prohibited from making or receiving calls and sending electronic correspondence to the involved prospective student-athlete for a two week period.

In sports that do not permit off-campus contact prior to the prospect's senior year, the institution shall be permitted to have no more than one additional off-campus contact with the involved prospect.

Playing Conditions. [SEC Bylaw 30.22.1.5] Policies regarding playing conditions are addressed in the Commissioner's Regulations for each sport.

Playing Rules. [SEC Bylaw 17.30]

Post-Game Interviews. Following each contest of a Conference tournament or championship, participating institutions shall make coaches and student-athletes available for interviews. These interviews are designed to provide the media with championship or tournament information required for thorough coverage of the event and to limit the demands placed upon coaches and student-athletes. The sports information department of the host institution (unless otherwise designated) shall coordinate and supervise post-game interviews. Interview policies for specific sports are contained in the Commissioner's Regulations for those sports. Also refer to Equal Access to Locker Rooms, as noted above.

Practice and Number of Contests. [See Supplement D of the General Administration section]

Professional Competition. [SEC Bylaws 30.22.1.6]

Programs and Promotional Materials. The Conference shall provide a complete program for the baseball, men's and women's basketball, football, gymnastics, soccer, and softball championships. For other tournaments and championships, host institutions shall produce an informational supplement to be provided to fans.

Results and Statistics. Host institutions shall: (1) record the official results and statistics of all conference and non-conference contests; (2) forward a copy of such official results and statistics to the Conference office immediately following the conclusion of the contest; and (3) forward a copy of such official results and statistics to each participating institution in a timely manner.

Scheduling. Scheduling of Conference competition takes precedence over scheduling of non-conference competition in all sports.

Sponsored Sports. [SEC Bylaw 30.22.1] [See Supplement B of the General Administration section]

Sports Committees. [SEC Bylaw 21.9]

Sportsmanship. Consistent with SEC Bylaw 10.5, all individuals employed by or associated with a member institution, including institutional staff members, student-athletes, boosters, and fans, are expected to conduct themselves with honesty, integrity, and good sportsmanship, and shall therefore exhibit respect and courtesy towards opposing student-athletes, coaches, and game officials. In addition, all individuals shall also adhere to the following principles of good sportsmanship: [Revised: 8/7/18]

- A. **Public Comments.** All individuals shall make every attempt to promote the Conference and its members in a positive manner.
- B. **Media Access.** All individuals shall make every effort to promote a cooperative environment with the media by providing reasonable access to interview student-athletes and staff.
- C. **Student Conduct.** Each institution shall ensure that all students involved in athletics activities, including student-athletes, band members, cheerleaders, mascots, and general students attending as fans, are informed of the appropriate standards of behavior and good sportsmanship.
- D. **Promoting Sportsmanship.** Each institution shall aggressively address the issue of sportsmanship through various forms (e.g., video spots, public address announcements, radio spots, television spots and print ads in game day programs).

- E. **Throwing Items onto the Playing Surface.** Each institution shall adopt a policy prohibiting fans from throwing items onto the playing surface. Such policy must specify (without limitation) that violators who are clearly identified will be ejected from the playing facility.

It is the responsibility of each member institution to establish policies for sportsmanship and ethical conduct in intercollegiate athletics consistent with the educational mission and goals of the institution. Furthermore, member institutions are responsible for educating all constituencies about these policies on a continuing basis.

Squad Sizes. [See Supplement D of the General Administration section]

Television, Radio and Media Services. All television and radio agreements for Conference championships and tournaments must be approved by the Commissioner. The media services associated with the event generally are the responsibility of the sports information department of the host institution, although it is understood that sports information personnel from participating institutions shall assist as needed. Specific policies for each sport are described in the Commissioner's Regulations or championship and tournament manuals.

Tickets. A host institution shall provide the visiting team (at its request) with up to 50 complimentary admissions for any regular-season competitive event for which the host institution charges admission. (Additional information is provided in the Commissioner's Regulations for each sport.)

Tobacco-Related Products. The use of tobacco-related products by players, coaches, support personnel (i.e., managers and trainers), game personnel (officials, chain crews and table crews) and staff in all sports during practice, Conference competition and Conference championships and tournaments (including banquets, press conferences, post-game interviews, and at all stadiums, arena facilities and competition grounds) is prohibited. This prohibition is applicable to all activities at the athletic competition and practice, including press box areas and locker rooms.

Uniforms and Apparel. The uniforms and apparel of all participants in Conference tournaments and championships must conform to appropriate standards of safety and good taste. All student-athletes shall wear uniforms that identify their institution by school name or school colors. This policy applies to regular-season and post-season play. All student-athletes shall conform to NCAA regulations governing the appearance of commercial identification on uniforms, equipment and apparel. Failure to adhere to this policy may result in ineligibility to continue participation in the sport.

The host institution shall confirm practice times for the visiting team at least five (5) days prior to the match. The host institution shall accommodate a one-hour match day pass & serve on the competition court with lighting at competition level prior to the start of the 99-minute pre-match protocol. The visiting team may provide one spotter for the purpose of improving the accuracy of data collection during the match. After each SEC match, the visiting coach should receive a copy of the official score sheet. The home stats crew must send a completed NCAA statistics form to each SEC institution and the Conference office on the first working day following the match. Score sheets and libero tracking sheets in triplicate will be provided by the Conference office. If possible, stat monitors will be provided near both team benches.

Strobe Lights. NCAA parameters for strobe lights will be used. The host institution sports information contact must inform the visiting team if strobe lights will be used during the match. The visiting team coach has the right to refuse the strobe lights being used.

Uniforms. For all Conference matches, the home team must wear the light uniforms and the visiting team must wear contrasting dark uniforms. Coaches will confer before arrival to confirm that light/dark is contrasting.

Video Exchange. The SEC operates with an open exchange policy. Therefore, all schools must provide video of all matches to the other SEC programs. All teams shall use VolleyMetrics video sharing software as the primary means for transferring video of matches with the following guidelines: [Revised: 3/9/16, 7/24/17]

1. All Volleyball programs shall purchase a VolleyMetrics video sharing subscription, which will guarantee access to the SEC open video exchange throughout the season;
2. VolleyMetrics will guarantee that each institution will have the possibility to install a camera in their facility. VolleyMetrics cameras will upload video for any home match automatically to the VolleyMetrics portal. Institutions that have a VolleyMetrics camera are still required to record a backup video on their own camera;
3. The video of each match is required to be uploaded to the corresponding match slot on the VolleyMetrics portal. The away team has no responsibility for uploading matches when playing at a participating team's facility, but when a neutral match is played, both teams share responsibility for uploading the video. [Revised: 7/24/17]
 - A. The video of each match must be uploaded to the corresponding match slot by 11:59 p.m. Pacific Time on the day the match is played. Failure to adhere to the upload timeline will result in an institution being locked out of accessing any other matches (except the institution's own matches) until the match is

- uploaded.
- B. Copies of each match scoresheet and final box score shall be uploaded to the corresponding match slot with the same deadline as video uploads. Failure to adhere to the upload timeline will result in an institution being locked out of accessing any other matches (except the institution's own matches) until the match is uploaded. Scoresheets and box score should be uploaded in picture or PDF format and as a single file. If the institution is using the VolleyMetrics computerized scoresheet system, the upload will happen automatically and the host school should simply verify the upload happened properly.
 - C. SEC Programs will have access to each other's folders and participating non-conference programs within the VolleyMetrics Video Sharing program which will enable them to select and download any match they choose for the purpose of match preparation.
 - D. Due to these posting requirements, there will be no need for formal tape requests; video of all matches played by a school in a participating conference must be available to other teams in participating conferences through VolleyMetrics. Schools that are part of a participating conference will have access to each other's matches on the VolleyMetrics Portal, which will enable them to select and download any match they choose for the purpose of match preparation. Each week's matches will become available to other inter-conference exchange teams at 2 p.m. Pacific Time on Sunday.
4. All matches shall be filmed from a central position behind the end line. It is preferred that only the competition court and the head referee be in the frame. *[Revised: 7/24/17]*
 - A. Cameras shall be elevated so that the far end line is visible through the net.
 - B. All four corners of the court, the top of the antennae, and a few feet behind the near end line must be visible.
 - C. The camera should be positioned so that jersey numbers are legible; jerseys shall be a contrasting color.
 - D. The video should be High Definition quality (at least 720p at 1280 x 720).
 - E. The video should include sound.
 - F. The home team must be on the near side in the 1st set. The camera must remain in the same position and not switch sides as the teams change sides.
 - G. The camera should not be turned off at any time during the match, so that no video is omitted (i.e. video between rallies or sets).
 - H. If a facility does not provide a location to produce the required angle for video, the home team must provide the visiting team a feed in the home team's permanent camera.
 5. It is permissible to exchange non-VolleyMetrics scout files (.dvw) between conference teams if it is agreed upon by both institutions.

Video Boards/Replays. Institutions are not limited in the use of replays (including number of replays shown), except when a stoppage occurs for an official review. In no circumstances will the in-arena video system be used to embarrass, humiliate, or disgrace an official, visiting team member or visiting team coach, incite the crowd, or distract a participant or coach. Each school must designate a full-time staff member with a high-degree of accountability to be responsible for determining what video appears on the in-arena video board.

Procedure for stoppage for an official review:

When a stoppage occurs for an official review in a televised game, the in-arena video board operator must use the unaltered television network program feed as the exclusive video source for replays of the play under review. When a stoppage occurs for an official review in a non-televised game, the in-arena video board operator must use the unaltered in-arena feed as the exclusive video source for replays of the play under review. No replays from any other video source may be shown on the in-arena video board during stoppage for an official review. No live coverage of any coach, student-athlete, or fan reaction may be shown from the program feed during the review. Replays of plays under review are permitted only during actual stoppage of play for the official review.
