INTRODUCTION

Competition between Conference members during the regular season, as well as in Conference post-season championships and tournaments, is one of the fundamental purposes of the Southeastern Conference. The commitment to Conference competition dates back to 1894 when ten universities organized as members of the Southeastern Intercollegiate Athletic Association. Although the number of member institutions and sports has varied since the turn of the century, the basic principles of equitable competition and achievement of common competitive goals have remained as cornerstones of the Southeastern Conference.

The Commissioner's Regulations governing Conference competition, championships and tournaments are written as a guide for all SEC competition between its members and are considered the standard source of information on policies and procedures for the conduct of Conference competition. These Regulations are divided into two parts: 1) general administrative policies and procedures that apply to all SEC competition generally, and 2) specific regulations for each sport.

These regulations are intended for use in conjunction with current SEC Bylaws. If a policy appears in the SEC Bylaws, it is not reproduced in the Commissioner's Regulations; however, the specific reference to that policy is cited in the regulations under the appropriate topic heading.

These regulations are approved by the appropriate Southeastern Conference governing bodies and reviewed each year.

Access to Competition Area. In all sports, institutions shall limit access to the competition area to participating student-athletes, coaches, officials, support personnel, and properly-credentialed or authorized individuals at all times. For the safety of participants and spectators alike, at no time before, during or after a contest may spectators enter the competition area. It is the responsibility of each member institution to implement procedures to ensure compliance with this policy.

Institutional penalties against individuals who improperly enter the competition area must include, but are not-limited to, expulsion from the facility, arrest for trespassing, and the loss of future ticket privileges. In addition to these penalties, violators who are students must be subject to institutional student disciplinary measures.

Each institution shall publicize this policy, as well as the penalties associated with violations, through appropriate means, such as ticket back statements, public address announcements, video/matrix announcements, facility signage, and other means available. In addition, each head coach shall publicly discourage spectators from entering the playing area at any time.

Penalties for Institutional Violations. For the safety of participants and spectators alike, the Commissioner may (in his or her sole discretion) impose the following penalties: 1st offense: an institutional fine of \$50,000; 2nd offense: an institutional fine of up to \$100,000; 3rd or subsequent offense: an institutional fine of up to \$250,000. The Commissioner may also impose additional penalties as he or she deems appropriate.

Amendments. The Commissioner's Regulations may be amended in the following manner: *[Revised: 7/25/17]*

Those regulations that are a part of the SEC Bylaws may only be amended by vote of the Presidents and Chancellors at a regular or called meeting of the Conference.

Those regulations that are not part of the SEC Bylaws, but may have philosophical, financial, and/or competition format implications may be amended by a majority vote of the Athletics Directors or, for items relating to men's and women's Olympic sports and women's basketball that do not have a significant financial impact, by a majority vote of the Senior Woman Administrators. The Athletics Directors may request review of any formal action taken by the Senior Woman Administrators at any future meeting.

Amendments may be proposed by the Commissioner, coaches groups, Senior Woman Administrators, and Athletics Directors. Proposals from coaches of men's and women's Olympic sports and women's basketball will be sent directly to the Senior Woman Administrators, unless the proposal has a significant financial impact in which case it will be sent to the Senior Woman Administrators first, then to the Athletics Directors with a report of action taken by the Senior Woman Administrators. Proposals from coaches of all other sports will be forwarded directly to the Athletics Directors.

Those regulations that are editorial in nature or do not have ramifications as noted above may be amended by a majority vote of the coaches of that sport.

Prior to any revision in Regular Season Competition/Scheduling policies or the adoption of any proposal that may have an academic impact, the Faculty Athletics Representatives group must review the proposal during its next regularly scheduled meeting.

Artificial Noisemakers and Sound Systems (Team). **[SEC Bylaw 30.22.1.5(d)]** Except as otherwise provided in SEC Bylaw 30.22.1.5 and the Commissioner's Regulations of each sport, artificial noisemakers, and sound systems brought to competition sites by participating teams and team personnel are restricted to the locker and training room areas only.

Availability of Alcoholic Beverages at Athletic Events.

Each institution is permitted to determine the permissibility of selling alcoholic beverages in athletics venues and shall establish a policy governing the sale and distribution of alcoholic beverages in its athletics facilities. *[Adopted: 5/31/19, effective 8/1/19]*

Institutions that offer alcohol sales in public areas must incorporate Conference-wide alcohol management expectations, which include:

1. Alcoholic beverages are to be sold and dispensed only at designated stationary locations;
2. Alcoholic beverages may not be sold by vendors within the seating areas;
3. Identification check is required at every point of sale to prevent sales to minors;
4. Alcoholic beverage sales are limited to beer and wine only (no hard liquor or mixed drinks may be sold in

- public seating areas);
5. Limits must be established on the number of drinks purchased at one time by an individual;
 6. Alcohol must be dispensed into cups;
 7. Safe server training and additional training for staff to handle high risk situations is required; and
 8. Designated stop times for sale and/or distribution of alcohol must be enforced as follows:
 - A. Football (end of 3rd quarter);
 - B. Basketball (Men's—Second half 12-minute TV timeout; Women's—End of 3rd quarter);
 - C. Baseball (end of the top of 7th inning);
 - D. Softball (end of the top of the 5th inning); and
 - E. Other Sports (At a designated time, no later than when 75% of the event's regulation length competition is scheduled to be completed).

Each year, the Conference membership shall review this policy to determine institutional compliance with established expectations and evaluate fan conduct and alcohol-related incidents for the purpose of determining the need to revise the Conference's alcohol policy.

Implementation of these management expectations does not include suites, clubs or private leased areas.

Each institution shall establish a policy for the admission of outside food and beverage into its facilities.

As with all areas of the stadium, maintaining the safety of patrons and participants and maintaining an atmosphere suitable for families is of utmost importance.

Advertising displays mentioning or promoting alcoholic beverage shall not be permitted in any playing facility with the exception of common point-of-sale signage.

Awards. The Conference sponsors an awards program for each sport, as well as programs for each championship and tournament. General guidelines for the voting processes are outlined below: (See Supplement A of this section for a complete list of sport-specific awards)

1. **Guidelines.** These guidelines are in place to ensure fair treatment of all student-athletes and coaches, and are to be followed in all voting processes. All votes are submitted on behalf of the institution and thus, if a coach does not follow procedure the Athletics Director or his/her designee will replace that coach's vote. Deadlines set by the SEC office must be adhered to in both the nomination process, as well as the final ballot. It is understood that all nominations and ballots are the responsibility of the institution. If the coach misses a specific deadline set by the SEC office, such forms become the responsibility of the athletics director or his/her designee. Institutions that miss nomination and/or voting deadlines set by the SEC office are subject to dismissal of that institution's forms.
 - A. Coaches may not vote for themselves or their student-athletes for awards determined by a vote of the head coaches.
 - B. A ballot must be completely filled out to be counted.
 - C. A coach must vote for post-season awards.
 - D. Only nominated student-athletes may receive votes for post-season awards. In all cases, a coach may only nominate his/her own student-athletes.
 - E. An institution may nominate more than one student-athlete for an individual award, including Scholar-Athlete, Freshman, and Athlete of the Year.
 - F. On a coach's ballot, his/her vote for Player of the Year must be listed among his/her All-SEC votes.
 - G. On a coach's ballot, his/her vote for Freshman of the Year must be listed among his/her All-Freshman votes.
2. **Roy F. Kramer Athlete of the Year Awards.** [SEC Bylaw 30.22.1.4a]
3. **H. Boyd McWhorter Scholar-Athlete of the Year Awards.** [SEC Bylaw 30.22.1.4b]

5. **Michael L Slive Distinguished Service Award.** [SEC Bylaw 30.22.1.4d]
6. **SEC Sportsmanship Awards.** Each institution may nominate one male and one female student-athlete for consideration based on criteria provided by the SEC office. The Athletics Directors will select one male and one female recipient from those nominated at the SEC Spring Meeting.

7. **SEC Academic Honor Roll.** The following criteria will be used to determine recipients of the SEC Academic Honor Roll award:
- A. Any student-athlete who participates in a Southeastern Conference championship sport or a student-athlete who participates in a sport listed on his/her institution's NCAA Sports Sponsorship Form is eligible for nomination to the Academic Honor Roll.
 - B. The following criteria will be followed:

 - (2) If a student-athlete attends summer school, his/her grade point average during the summer academic term must be included in the calculation used to determine eligibility for the Academic Honor Roll.
 - (3) Student-athletes eligible for the Honor Roll include those receiving an athletics scholarship, recipients of an athletics award (i.e., letter winner), and non-scholarship student-athletes who have been on a varsity team for two seasons.
 - (4) Prior to being nominated, a student-athlete must have successfully completed 24 semester or 36 quarter hours of non-remedial academic credit toward a baccalaureate degree at the nominating institution.

 - a. Cross Country, football, volleyball, soccer – Honor Roll recipients shall be announced by the Conference office during the first week of February, based on the student-athletes' preceding fall, summer, and spring terms. *[Revised: 11/18/15]*
 - b. Basketball, equestrian, gymnastics, swimming and diving – Honor Roll recipients shall be announced by the Conference office during the third week of April, based on the student-athletes' preceding fall, summer, and spring terms.

8. **Scholar-Athlete of the Year.** The recipient in each sport will be determined by vote of the head coaches. Coaches will vote during the All-SEC process for their particular sport. Each vote is worth one point. The criteria for nominating a student-athlete for the Scholar-Athlete of the Year are as follows:
- A. Nominee must be a starter or important reserve with legitimate athletic credentials.
 - B. Nominee must have participated in at least 50 percent of team's games for the nominating year.

14. **Athletes of the Week.** The Conference Communications staff will select an "Athlete of the Week" from nominations submitted by the sports information offices of the member institutions.
15. **Freshmen of the Week.** The Conference office will select a "Freshman of the Week" from nominations submitted to the Conference office by the sports information directors of the member institutions.
16. **Community Service Teams.** Each institution selects one student-athlete per sport sponsored by the Conference. Selection is based on community service performed by the student-athlete. The cross country, indoor track and outdoor track "Community Service Team" will be selected during the outdoor track season.

Bands, Banners, Cheerleaders and Mascots. Specific policies regarding bands, banners, cheerleaders, and mascots are addressed in the SEC Bylaws or Commissioner's Regulations for each sport.

Coaches Committees and Meetings. [SEC Bylaw 21.8 and 21.9]

Championship Manuals. For on-campus championships, the host institution shall provide appropriate information packets to each participating institution as specified in the Commissioner's Regulations for each sport. The Conference championship staff shall provide appropriate information packets to each participating institution for neutral-site championships.

Championship Sites. The SEC Executive Committee must approve all championship or tournament sites, unless otherwise specified in the Commissioner's Regulations for each sport. Such sites may be proposed by the Commissioner, coaches groups, Senior Woman Administrators, or Athletics Directors. Site proposals from coaches must be reviewed by the Senior Woman Administrators and/or Athletics Directors prior to submission to the SEC Executive Committee. Exceptions to this policy are specified in the Commissioner's Regulations for each sport.

Crowd Control and Game Management. The Presidents and Chancellors of the Southeastern Conference member institutions are committed to excellent crowd control at all athletic events. They have passed several resolutions stating their aims and objectives for promoting mutual trust and friendly relations between Conference members and other institutions by emphasizing the need for spectator and student-athlete sportsmanship at athletic contests.

The Athletics Director of the host institution shall assure that crowd control and game management are exercised in the best interests of safety and fair play for the participants, as well as for spectators. The Athletics Director shall designate a full-time staff person (or persons) to serve as game management director; however, ultimate responsibility remains with the Athletics Director. The home institution shall supply the visiting coach and game officials with the name and location of the individual responsible for game management and crowd control.

The Athletics Directors of each institution are expected to communicate with their student-athletes, coaches and fans to encourage enthusiastic support within the confines of good sportsmanship. Host institutions must provide adequate security and ushers, preferably in uniform, for effective crowd management. Attention should be given to seating arrangements that will alleviate crowd-control problems. In addition, evacuation and emergency plans should be in place and reviewed on a regular basis.

Divisional Scheduling. [SEC Bylaw 17.1.9e]

Eligibility. [SEC Bylaws 14.10.1 and 30.22.1.3b] The SEC office will supply an eligibility list for review prior to the start of a Conference championship or tournament.

Equal Access to Locker Rooms. Equal access must be given to all media representatives, regardless of gender, at any time interviews with coaches and/or student-athletes are conducted, including after competition. Equal access is defined as access to coaches and/or student-athletes at the exact same time and at the exact same place. Bringing players to a separate area for reporters of the opposite gender is not considered equal access. The exact method of ensuring equal access shall be determined by the institution.

Financial Responsibilities. [SEC Bylaw 31.20, 31.21, 31.22, and 31.23] The method of distributing net receipts is specified in the SEC Bylaws. Host institutions shall file a financial report with the SEC office not later than 60 days after the event.

Interrupted Game Procedures. All personnel, including Athletics Directors, game management personnel, game officials, coaches, players, and Conference office staff, shall use their best effort to ensure each Conference contest is played to its conclusion. The Conference recognizes, however, emergencies may arise that make a contest's completion impossible or inadvisable. Such circumstances may include, but are not limited to, severe inclement weather, natural or man-made disasters, power failures and spectator interference.

Contests should be delayed, relocated, suspended, canceled, postponed or terminated (see definitions below) when circumstances exist such that commencement or continuation of play would pose a threat to the safety of game participants. The following procedures shall apply to any sport which does not have sport-specific Inclement Weather or Interrupted Game Procedures.

1. **Definitions.**

- A. **Delay** - To delay a contest is to delay the start of a contest until a later time on the same date.
- B. **Relocate** - To relocate a contest is to change the location of the competition.
- C. **Suspend** - To suspend a contest is to temporarily halt play for a short duration after the contest begins.
- D. **Cancel** - To cancel a contest is to nullify it either before or after it begins and to make no provision for rescheduling it or for including its score or other performance statistics in Conference records.
- E. **Postpone** - To postpone a contest is to (a) defer its starting time to a later date, or to (b) suspend it after play has begun and make provision to resume it at a later date with all scores and other performance statistics up to the point of postponement added to those achieved in the resumed portion of the contest.
- F. **Terminate** - To terminate a contest is to end it short of a full-designated duration of play, officially record it as a completed contest, and make no provision to resume it at a later date.

2. **Authority.** Authority to delay or relocate a contest is vested with the home institution's Athletics Director or designated senior level administrator. Authority to suspend a contest is vested with the officials. Authority to cancel, postpone or terminate a contest is vested *only* with the Commissioner or his/her designee.

3. **Guidelines.**

- A. The home institution's Athletics Director or designated senior level administrator shall have the authority to determine whether a contest should, prior to its start, be temporarily delayed until a later time on the same date. Once a contest has started, the decision to suspend play is the responsibility of the game officials.
- B. If extenuating circumstances occur that necessitate the relocation of the contest site within the same city, the home institution's Athletics Director or designated senior level administrator shall have the authority to determine whether and where the contest should be relocated. The decision should be made in consultation with the visiting team. The alternate site must be in full compliance with all NCAA playing rules and regulations governing that particular sport.
- C. If a contest is postponed prior to its start for any reason, the two participating institutions, in consultation with the Commissioner or his/her designee, shall attempt to reschedule the game at a later time or date. If the contest cannot be rescheduled, the Commissioner shall cancel the contest.
- D. If a contest is suspended for any reason after play has begun, the contest must be resumed as soon as conditions are deemed safe by the officials in consultation with the home team game management personnel.
- E. A suspended contest may not be resumed after midnight local time, or two hours following the point of suspension, whichever is later.
- F. If a contest is suspended after play has begun and cannot resume before midnight local time, the two institutions, in consultation with the Commissioner, shall attempt to declare the game postponed, and resume it at a later date.
- G. In the event a contest cannot be resumed at a later date, the following will apply:
 - (1) If the contest is suspended prior to the completion of one half of play (halftime), the Commissioner shall declare the contest ***canceled***.
 - (2) If the contest is suspended after the completion of one half of play (halftime), the Commissioner shall declare the contest ***terminated***.

In the event a contest is delayed or suspended and it does not appear play will be resumed on that date, the Athletics Directors (or designated representatives) of both participating institutions, game management personnel and the Conference office representative (if available) shall meet with the game officials in the officials' dressing room, or another suitable location nearby. The Conference office representative shall communicate with the Commissioner, who has the sole authority to declare a game canceled, postponed or terminated. If the Conference office representative is not on site, the home institution's Athletics Director or designated senior level administrator shall contact the appropriate Conference staff liaison. The home team

game management, in consultation with the Conference office representative, is responsible for disseminating information regarding such a decision to the teams, media and general public.

Lightning Policy. Each member institution must have the capability of determining when lightning strikes are within specified distances of the competition site for all outdoor events.

When lightning is detected within 15 miles of the competition site, the home institution shall notify the head referee-umpire.

When lightning is detected within a minimum of 10 miles from the competition site, home team management shall utilize the public address system to inform those in attendance that inclement weather including lightning is within 10 (or more) miles and that should patrons vacate the facility for safe shelter, they will be allowed to re-enter with a ticket stub.

When lightning is detected within eight (8) miles of the competition site, competition shall be suspended. Competition may be resumed after 30 minutes of no detected lightning strikes within an eight mile radius. A 10 minute warm-up period may be granted following this 30 minute suspension.

In cases of severe weather being detected prior to the start of competition: A maximum of 10 minutes may be used, at the discretion of the home institution, for the marching band, national anthem and introductions, immediately following the 30 minute time period of no detected lightning strikes.

Lodging. It is the responsibility of the host to ensure that adequate housing is available to all participating institutions. Each institution is responsible (unless otherwise noted in the Commissioner's Regulations or championship/tournament manual) for finalizing its own lodging arrangements.

Marketing/Sponsorship Policies. Any agreements and contracts that result in corporate sponsorship of a Conference championship or tournament must be approved by the Commissioner. This does not preclude a host from obtaining nominal sponsorship and trade-outs from local businesses that are interested in supporting the event. The Commissioner has the right of final approval of all commercial sponsorship, exhibitors and merchandisers at a Conference championship or tournament.

Medical Policies. Adequate medical personnel must be present or on call at all sessions of the event (practice and competition). The host is responsible for obtaining the necessary medical staff and supplies. Additional policies may be specified in the Commissioner's Regulations for each sport.

New Coaches Orientation. Upon initial employment at an SEC member institution, each head or assistant coach shall attend a New Coaches Orientation conducted at the SEC office. Attendance at a New Coaches Orientation session should occur as soon as possible following employment of a coach, but is required to occur not later than October following employment of each coach. A coach who fails to attend a New Coaches Orientation session within the prescribed time frame may not participate in any off-campus recruiting activities until the coach attends a New Coaches Orientation session. New Coaches Orientation sessions shall be conducted in May, July and October. A coach who discontinues employment within the SEC shall be required to attend New Coaches Orientation if four calendar years lapse between dates of employment at an SEC member institution.

Officials. [SEC Bylaw 30.20] Officials and officiating fees/travel expenses for all Conference tournaments and championships shall be approved by the Commissioner. Unless otherwise approved and noted in the Commissioner's Regulations, the expenses and fees shall be the responsibility of the host.

Penalties for Violations of Specified NCAA Bylaws. The Conference has established the following minimum penalties for violations of specified NCAA Bylaws. The institution shall apply the minimum penalty upon discovery of the violation and shall report the violations to the Conference in a timely manner. The minimum penalty may be increased at the Commissioner's discretion. In the event that a minimum penalty cannot be fully applied prior to the involved prospective student-athlete's written commitment to the institution, the Commissioner shall impose such other penalties to address the competitive or recruiting advantage gained by the institution (*e.g.*, prohibiting the issuance of a financial aid agreement, restrictions on recruiting activities, etc.).

Prior to application of the minimum penalty, the involved institution may request relief from the minimum penalty if the institution establishes that: 1) the violation was clearly attributable to extenuating circumstances; and 2) the violation did not produce a recruiting or competitive advantage. If an institution that commits a violation seeks relief from the minimum penalty and there is a reasonable basis for consideration of the relief request, the penalty is stayed pending the Commissioner's determination. [Revised: 12/13/16]

Impermissible activity by noncoaching staff member (NCAA Bylaw 11.7.1.1 and 11.7.6) The involved institutional staff member shall be prohibited from attending all countable and required athletically related activities involving student-athletes (e.g. practice, competition, and team meetings involving student-athletes) for a seven-day period following discovery of the violation.

Further telephone calls and electronic correspondence between any institutional staff member and the prospective student-athlete involved in the violation shall be prohibited for the next 30 days following the first date for permissible phone calls. If a coach or coaching staff telephones a prospective student-athlete twice within a period where it is otherwise permissible to call once, the coaching staff is prohibited from making or receiving calls and sending electronic correspondence to the involved prospective student-athlete for a two week period.

Playing Rules. [SEC Bylaw 17.30]

Post-Game Interviews. Following each contest of a Conference tournament or championship, participating institutions shall make coaches and student-athletes available for interviews. These interviews are designed to provide the media with championship or tournament information required for thorough coverage of the event and to limit the demands placed upon coaches and student-athletes. The sports information department of the host institution (unless otherwise designated) shall coordinate and supervise post-game interviews. Interview policies for specific sports are contained in the Commissioner's Regulations for those sports. Also refer to Equal Access to Locker Rooms, as noted above.

Practice and Number of Contests. [See Supplement D of the General Administration section]

Professional Competition. [SEC Bylaws 30.22.1.6]

Programs and Promotional Materials. The Conference shall provide a complete program for the baseball, men's and women's basketball, football, gymnastics, soccer, and softball championships. For other tournaments and championships, host institutions shall produce an informational supplement to be provided to fans.

Results and Statistics. Host institutions shall: (1) record the official results and statistics of all conference and non-conference contests; (2) forward a copy of such official results and statistics to the Conference office immediately following the conclusion of the contest; and (3) forward a copy of such official results and statistics to each participating institution in a timely manner.

Scheduling. Scheduling of Conference competition takes precedence over scheduling of non-conference competition in all sports.

Sponsored Sports. [SEC Bylaw 30.22.1] [See Supplement B of the General Administration section]

Sports Committees. [SEC Bylaw 21.9]

Sportsmanship. Consistent with SEC Bylaw 10.5, all individuals employed by or associated with a member institution, including institutional staff members, student-athletes, boosters, and fans, are expected to conduct themselves with honesty, integrity, and good sportsmanship, and shall therefore exhibit respect and courtesy towards opposing student-athletes, coaches, and game officials. In addition, all individuals shall also adhere to the following principles of good sportsmanship: [Revised: 8/7/18]

- A. **Public Comments.** All individuals shall make every attempt to promote the Conference and its members in a positive manner.
- B. **Media Access.** All individuals shall make every effort to promote a cooperative environment with the media by providing reasonable access to interview student-athletes and staff.
- C. **Student Conduct.** Each institution shall ensure that all students involved in athletics activities, including student-athletes, band members, cheerleaders, mascots, and general students attending as fans, are informed of the appropriate standards of behavior and good sportsmanship.
- D. **Promoting Sportsmanship.** Each institution shall aggressively address the issue of sportsmanship through various forms (e.g., video spots, public address announcements, radio spots, television spots and print ads in game day programs).

- E. **Throwing Items onto the Playing Surface.** Each institution shall adopt a policy prohibiting fans from throwing items onto the playing surface. Such policy must specify (without limitation) that violators who are clearly identified will be ejected from the playing facility.

It is the responsibility of each member institution to establish policies for sportsmanship and ethical conduct in intercollegiate athletics consistent with the educational mission and goals of the institution. Furthermore, member institutions are responsible for educating all constituencies about these policies on a continuing basis.

Squad Sizes. [See Supplement D of the General Administration section]

Television, Radio and Media Services. All television and radio agreements for Conference championships and tournaments must be approved by the Commissioner. The media services associated with the event generally are the responsibility of the sports information department of the host institution, although it is understood that sports information personnel from participating institutions shall assist as needed. Specific policies for each sport are described in the Commissioner's Regulations or championship and tournament manuals.

Tickets. A host institution shall provide the visiting team (at its request) with up to 50 complimentary admissions for any regular-season competitive event for which the host institution charges admission. (Additional information is provided in the Commissioner's Regulations for each sport.)

Tobacco-Related Products. The use of tobacco-related products by players, coaches, support personnel (i.e., managers and trainers), game personnel (officials, chain crews and table crews) and staff in all sports during practice, Conference competition and Conference championships and tournaments (including banquets, press conferences, post-game interviews, and at all stadiums, arena facilities and competition grounds) is prohibited. This prohibition is applicable to all activities at the athletic competition and practice, including press box areas and locker rooms.

Uniforms and Apparel. The uniforms and apparel of all participants in Conference tournaments and championships must conform to appropriate standards of safety and good taste. All student-athletes shall wear uniforms that identify their institution by school name or school colors. This policy applies to regular-season and post-season play. All student-athletes shall conform to NCAA regulations governing the appearance of commercial identification on uniforms, equipment and apparel. Failure to adhere to this policy may result in ineligibility to continue participation in the sport.

Subsequent years will be as follows: Missouri (2022) and South Carolina (2023). A chart listing the complete rotation will be maintained by the Conference office. Coaches may not serve as chair during their first year as an SEC coach.

Conference Championship. The Conference champions (men and women) will be determined by a meet of all member institutions sponsoring a team. The championship shall be conducted under the guidelines outlined in these Commissioner's Regulations.

Officials. Each official is entitled to a maximum of two complimentary tickets to the competition. Officials shall contact the ticket offices directly. The deadline for ticket requests is ten days prior to the competition.

CONFERENCE CHAMPIONSHIPS

Administrative Meeting. Coaches from each institution competing in the Conference championships shall attend a mandatory meeting prior to the start of the championships to review policies and procedures.

Appeals. Appeals will be considered in accordance with NCAA rules. Appeals may be lodged only for errors in entries, scratches, recording of data, scoring and non-judgment errors in the application of rules. Films or videotape will not be used in the appeals process, except for the relay take-offs (see the Video Replay section of the regulations). Appeal forms may be obtained from the referee. The written statement made on the appeal form must be submitted to the referee no later than 15 minutes after the finish of the final heat/round of that event in which the appeal is applicable. The meet committee will act upon all appeals. The decision of the committee is final. (NCAA Rule 8.4.9)

Awards Ceremony. An awards ceremony will be conducted immediately after the championship heat of each event (finalist for the diving event will be announced before the swimming award presentations where applicable). The top three finishers will go directly to the awards stand after they complete their event and before they begin their warm-down. The host institution may use dignitaries to present awards for the relays only. For individual events, a member of the coaching staff from the top finisher will present awards. Individuals must wear team sweat suits during the presentation of awards. The winners must be in team warm-ups and will not be allowed to bring towels or other items to the award stand. Hats cannot be worn, unless they are a part of the official team warm-up. Media personnel will not be allowed to interview student athletes before the award ceremony. All winners must participate in the award ceremony unless they have been given an exception by the meet committee.

Banners. Only one team banner may be placed in each team's seating area.

Dates and Sites. The SEC Championships shall be held Tuesday through Saturday four weeks prior to the NCAA Women's Championships. The 2021 Championships will be conducted at the University of Missouri. See [Supplement C](#) in General Administration for Future Championship Dates and Sites.

If another institution acquires facilities that meet the minimum hosting specifications set forth in these Commissioner's Regulations, such institution may be entered the hosting rotation.

Entries for Diving. Divemeets.com will be utilized for the diving portion of the meet and divers should register at divemeets.com prior to the meet. Diving entries must be submitted with the swimming entries and must list the participant's name and the event(s) the diver will be diving.

Entries for Swimming. Entries must be submitted using the Hy-Tek file. The entry deadline for events is Noon Central Time the Monday preceding the week of the championship. For swimming entries, only the best time achieved during the school year may be submitted on the entry form (actual or aggregate, whichever is faster). Failure to enter an event properly will be reviewed by the meet committee. A "no time" entry may be submitted only if the event has NOT been contested or an aggregate relay time cannot be submitted.

Format. The championships will be a common-site, men's and women's event, with each meet scored separately. In swimming, each institution may enter one relay team per relay event. For preliminaries and finals, all eight lanes will be used per NCAA rule 5.1.5. During finals there shall be three heats of 8 swimmers each swum in the following order C-B-A. In diving, only the top 8 divers from preliminaries will advance to the finals. Places 9 through 24 will be determined based upon the results of the preliminaries.

Heats. [NCAA Rule 5.1.5.] When eight lanes are available, all eight lanes should be used in preliminary heats and finals. When seeding the swimmers, intentionally leaving empty lanes between them is not permitted.

Host Institution Responsibilities. The responsibilities of the host institution's tournament director and sports information contact are listed in the On-Campus Hosting Manual that is produced by the Conference staff and is under separate cover.

Manual. A championships manual, outlining the policies and procedures for the event, as well as information specific to the event, will be distributed by the host to each institution no later than four weeks prior to the championships.

Meet Committee. The coaches committee shall serve as the meet committee and shall supervise the conduct of the championships, including appeals. A committee member who is directly involved in an appeal shall remove himself/herself from the committee, and the next coach in the committee rotation order shall substitute. The committee may defer any issue to the SEC staff liaison at the championship, whose decision shall be final.

The diving coaches will have a separate diving meet committee to handle the technical aspects of the diving events;

however, when a situation arises that is outside the technical realm (e.g., conduct, behavior, etc.), the matter will come directly to the swim meet committee. The diving meet committee members will be from the same schools as the swim meet committee.

Minimum Hosting Specifications. The championships may only be hosted by a member institution with a facility that meets the following criteria:

- Minimum of 1,000 spectator seats

The assignment of judges shall be as follows:

1. Turns: Four judges at the turn end, two at the start end, plus the referee and starter;
2. Strokes: One on each side of the pool, plus the referee and starter;
3. Timers: Two on each lane; and
4. Relay Take-offs: Head timer in each lane; two additional officials, plus the referee and starter will serve as dual confirmation officials (two lanes per official).

A panel of seven non-affiliated judges and the diving referee will be assigned to score the diving events. These judges will be selected by the diving coaches in consultation with the diving referee. The diving referee shall be selected by the coaches.

Order of Events. The order of events for trials and finals will be determined at the annual spring head coaches meeting each year. Swimming events will begin with women followed by men, while diving will alternate each year with men first in odd years and women in even to be consistent with the zone diving rotation. [*Revised: 6/3/16*]

Player Pass Gate Admissions. Complimentary admissions will be provided only through a pass list for individuals designated by the student-athlete. "Hard tickets" may not be issued. The individual using the complimentary admission must present identification to the person supervising the use of the pass list at the admission gate. The individual then will be provided a ticket stub or other identification of a specified reserved seat or seating area or treated as a general-admission ticket holder.

Pool Safety Manager. The host institution shall appoint a pool safety manager to monitor and designate lanes in the warm up / warm down pool (lane 1 or 8 for sprint and lane 2 or 7 for pace). Monitoring will begin an hour before each session and run through its completion.

Psych Sheets, Heat Sheets and Results. The host shall compile a psych sheet for each championship and make it available to all coaches at check-in. The host also shall compile heat sheets for all preliminary and finals sessions, as well as results of each day's competition. A complete set of results shall be forwarded to each institution in a timely manner. Three sets of results shall be forwarded to the Conference office.

Relays. Relays will be contested as timed finals in the evening, but a time trial may be contested in the morning, if requested. If a relay is contested in the morning, that swim will constitute a time-standard trial for purposes of qualifying for NCAA championships, inasmuch as the morning option is not a preliminary event. A school may enter only one team in the time-standard trial. Relay time trials do not count toward the maximum number of events a

swimmer may enter. A team's seed time cannot be changed by a timed-trial.

Scoring. The NCAA 24-place scoring system shall be used. A comparable scoreboard for both the men's and women's championships must be visible and updated frequently.

Scratches. Scratches may be made only by the coach (or official team representative) by depositing scratch cards in the designated scratch box. A scratch verification form will be provided and must be used. All entries not scratched will become official entries. The scratch box for all swimming events shall open two hours prior to the start of the swimming finals each evening and close one hour prior to the start of the swimming finals. Only the SEC staff liaison will have access to the scratch box (i.e., sign the scratch receipts, remove the scratches from the box at the deadline, check the scratches and turn them over to the computer operator for entry into the computer).

Seeding. All swimming events will be seeded according to short-course standards. When seeding the swimmers or relays, intentionally leaving empty lanes between them is not permitted. In addition, the heats for the 1,650 freestyle will be seeded according to actual 1,650-yard times and will be swum slowest to fastest with the heats alternating between men and women. The 1,650 will begin at a time in the afternoon that will ensure the next to last heats will finish by 5:00 p.m.

Spectator Seating. The order of selection for the spectator seating will rotate in reverse order as the team seating. The drawing for spectator seating for the championships will be done during a conference call of all head coaches during the fall semester. Each institution will receive an equal number of spectator seating. Each institution will receive two blocks of seating, one for swimming and a corresponding one for diving. These blocks should rotate by session during the course of the championship. The order for spectator seating, which shall rotate up annually (e.g. last to first) for the 2020 championships is as follows: Florida, Auburn, South Carolina, Missouri, Texas A&M, Tennessee, Arkansas/Vanderbilt, Georgia, LSU, Alabama, and Kentucky.

Squad Size. Only 22 student-athletes will be allowed to participate but all travel-eligible student-athletes will be permitted to receive expenses to attend the SEC Championship event. Non-participating student-athletes will not be permitted to access the competition area immediately prior to and during any of their team's Championship contests and will not be eligible for Championship participation awards. [Revised: 5/23/19, 7/10/20]

Team Seating. The drawing for team seating will take place during the coaches meeting in conjunction with the championships. Each institution will receive an equal number of seats. Men's and women's teams will sit together according to the school. The locations for team seating will rotate by session during the course of the championship. The order for team seating, which shall rotate down annually (e.g. first to last) for the 2020 championships is as follows: Kentucky, Alabama, LSU, Georgia, Arkansas/Vanderbilt, Tennessee, Texas A&M, Missouri, South Carolina, and Auburn, and Florida.

Athletes should stay in their team section during competition events. No team member shall be allowed behind the blocks during a race.

Tickets. The host institution may decide whether to charge for ticketed admission. If an institution chooses to charge for admission, ticket prices shall be set by the host institution, but must be approved by the Conference liaison. In addition, if admission is charged, the host institution should make prior contact with each participating school to determine the form of payment and staffing for the player/guest gate. Institutions are not required to purchase a set amount of tickets. The host institution is encouraged to create a general admission seating section.

Time Trials. Time Trials will be held daily after each session (preliminaries and finals).

Touch Pads and Electronic Take-Off Pads. NCAA rule 4.14.6. Relay Judging Platforms (RJP's) will be utilized for the Conference Championship.

Uniforms. See General Administration section of Commissioner's Regulations.

Video Replay. Video replay may be used to dispute disqualifications declared by the relay judging platforms. The host institution should assure that cameras are placed in an adequate position to display the take-off platforms for all lanes. Procedures for disputing a disqualification will be reviewed with the coaches and the head referee during the pre-championship meeting. Any video replay must take place after the final heat of an event.

Warm-Up. One hour before the start of each session, lanes for specific types of warm-up will be designated.
