INTRODUCTION

Competition between Conference members during the regular season, as well as in Conference post-season championships and tournaments, is one of the fundamental purposes of the Southeastern Conference. The commitment to Conference competition dates back to 1894 when ten universities organized as members of the Southeastern Intercollegiate Athletic Association. Although the number of member institutions and sports has varied since the turn of the century, the basic principles of equitable competition and achievement of common competitive goals have remained as cornerstones of the Southeastern Conference.

The Commissioner's Regulations governing Conference competition, championships and tournaments are written as a guide for all Conference competition between its members and are considered the standard source of information on policies and procedures for the conduct of Conference competition. These Regulations are divided into two parts: 1) general administrative policies and procedures that apply to all Conference competition generally, and 2) specific regulations for each sport.

These regulations are intended for use in conjunction with current SEC Bylaws. If a policy appears in the SEC Bylaws, it is not reproduced in the Commissioner's Regulations; however, the specific reference to that policy may be cited in the regulations under the appropriate topic heading.

These regulations are approved by the appropriate Conference governing bodies and reviewed each year.

Access to Competition Area. In all sports, institutions shall limit access to the competition area to participating student-athletes, coaches, officials, support personnel, and properly credentialed or authorized individuals at all times. For the safety of participants and spectators alike, at no time before, during, or after a contest may spectators enter the competition area. Each member institution must provide security and uniformed law enforcement presence around each team and game officials before, during, and after the event to prevent contact with spectators. The area where teams and officials are dropped off and their path to/from team areas must be secure and not accessible to the public. In the event of a field or court rush, the use of uniformed law enforcement personnel and equipment (e.g., - rope, barricade, expandable tunnels) to secure a clear path off the playing surface for the visiting team and all team personnel (e.g. equipment managers), is required. If a field/court rush ensues, the visiting team shall forgo the post-game handshake line and immediately move inside the barricade and get to their locker room as soon as possible. Each institution shall be responsible for implementing procedures to ensure compliance with this policy. Institutional penalties against individuals improperly entering the competition area may include expulsion from the facility, arrest for trespassing, loss of future ticket privileges, or other measures deemed appropriate by institutional law enforcement and administration. Violators who are students must also be subject to institutional student disciplinary measures. [Revised: 6/2/23]

Communications Plan. Each institution shall develop a communications plan for encouraging spectators to refrain from entering the competition area. This plan shall include proactive educational messaging from coaches, student-athletes and other athletic department representatives explaining the Conference policy restricting access to the competition area. The plan shall also include additional means for publicizing the policy, including associated penalties for violations, through means such as ticket-back statements, public address announcements, video/matrix announcements, facility signage, etc. Prior to August 1 each year, each institution shall provide the Conference office with its communication plan as well as its field/court rush plan.

Penalties for Institutional Violations. For the safety of participants and spectators alike, the Commissioner shall impose the following fines, which shall be paid directly to the opposing institution, for any field or court rush that occurs when the visiting team and/or game officials are still on the playing surface. An institution may adopt a policy allowing spectators to access the competition area once all visiting team personnel and game officials have safely exited the field and thereby avoid application of these penalties. The Commissioner may (in his or her sole discretion) impose additional penalties as he/she deems appropriate.

1. 1st Offense: \$100,000
2. 2nd Offense: \$250,000
3. 3rd and each Subsequent Offense: \$500,000

Amendments. The Commissioner's Regulations may be amended in the following manner: [Revised: 7/25/17]

1. Regulations that are a part of the SEC Bylaws may only be amended by vote of the Presidents and Chancellors at a regular or called meeting of the Conference.
2. Regulations that are not part of the SEC Bylaws, but may have philosophical, financial, and/or competition format implications may be amended by a majority vote of the Athletics Directors or, for items relating to men's and women's Olympic sports and women's basketball that do not have a significant financial impact, by a majority vote of the Senior Woman Administrators. The Athletics Directors may request review of any formal action taken by the Senior Woman Administrators at any future meeting.
3. Amendments may be proposed by the Commissioner, coaches groups, Senior Woman Administrators, and Athletics Directors. Proposals from coaches of men's and women's Olympic sports and women's basketball will be sent directly to the Senior Woman Administrators, unless the proposal has a significant financial impact in which case it will be sent to the Senior Woman Administrators first, then to the Athletics Directors with a report of action taken by the Senior Woman Administrators. Proposals from coaches of all other sports will be forwarded directly to the Athletics Directors.
4. Regulations that are editorial in nature or do not have ramifications as noted above may be amended by a majority vote of the coaches of that sport.
5. Prior to any revision in Regular Season Competition/Scheduling policies or the adoption of any proposal that may have an academic impact, the Faculty Athletics Representatives group must review the proposal during its next regularly scheduled meeting.

Artificial Noisemakers and Sound Systems (Team). Except as otherwise provided in SEC Bylaw 30.22.1.5 and the Commissioner's Regulations of each sport, artificial noisemakers, and sound systems brought to competition sites by participating teams and team personnel are restricted to the locker and training room areas only. See also, SEC Bylaw 30.22.1.5(d)

Availability of Alcoholic Beverages at Athletic Events. Each institution is permitted to determine the permissibility of selling alcoholic beverages in athletics venues and shall establish a policy governing the sale and distribution of alcoholic beverages in its athletics facilities. Institutions that offer alcohol sales in public areas must incorporate Conference-wide alcohol management expectations, which include: *[Adopted: 5/31/19, effective 8/1/19, Revised 5/3/23]*

1. Alcoholic beverages are to be sold and dispensed only at designated stationary locations;
2. Alcoholic beverages may not be sold by vendors within the seating areas;
3. Identification check is required at every point of sale to prevent sales to minors;
4. Limits must be established on the number of drinks purchased at one time by an individual;
5. Alcohol may be dispensed in cans or plastic bottles but must be opened prior to being served (seller must retain cap). If cans or plastic bottles are used as projectiles or otherwise cause game management issues, the institution is subject to an immediate fine and suspension of the alcohol sales privilege; *[Revised: 6/11/20]*
6. Safe server training and additional training for staff to handle high risk situations is required; and
7. Designated stop times for sale and/or distribution of alcohol must be enforced as follows:
 - A. Football (end of 3rd quarter);
 - B. Basketball (Men's—Second half 12-minute TV timeout; Women's—End of 3rd quarter);
 - C. Baseball (end of the top of 7th inning);
 - D. Softball (end of the top of the 5th inning); and
 - E. Other Sports (At a designated time, no later than when 75% of the event's regulation length competition is scheduled to be completed).

Each year, the Conference membership shall review this policy to determine institutional compliance with established expectations and evaluate fan conduct and alcohol-related incidents for the purpose of determining the need to revise the Conference's alcohol policy. Implementation of these management expectations does not include suites, clubs, or private leased areas. Each institution shall establish a policy for the admission of outside food and beverage into its facilities. As with all areas of the stadium, maintaining the safety of patrons and participants and maintaining an atmosphere suitable for families is of utmost importance.

Awards. The Conference sponsors an awards program for each sport, as well as programs for each championship and tournament. General guidelines for the voting processes are outlined below: (See Supplement A of this section for a complete list of sport-specific awards)

1. **Guidelines** These guidelines are in place to ensure fair treatment of all student-athletes and coaches and are to be followed in all voting processes. All votes are submitted on behalf of the institution and thus, if a coach does not follow procedure, the Athletics Director or his/her designee will replace that coach's vote. Deadlines set by the Conference office must be adhered to in both the nomination process, as well as the final ballot. It is understood that all nominations and ballots are the responsibility of the institution. If the coach misses a specific deadline set by the Conference office, such forms become the responsibility of the athletics director or his/her designee. Institutions that miss nomination and/or voting deadlines set by the Conference office are subject to dismissal of that institution's forms.
 - A. Coaches may not vote for themselves or their student-athletes for awards determined by a vote of the head coaches.
 - B. A ballot must be completely filled out to be counted.
 - C. A coach must vote for post-season awards.
 - D. Only nominated student-athletes may receive votes for post-season awards. In all cases, a coach may only nominate his/her own student-athletes.
 - E. An institution may nominate more than one student-athlete for an individual award, including Scholar-Athlete, Freshman, and Athlete of the Year.
 - F. On a coach's ballot, his/her vote for Player of the Year must be listed among his/her All-SEC votes.
 - G. On a coach's ballot, his/her vote for Freshman of the Year must be listed among his/her All-Freshman

votes.

2. **Roy F. Kramer Athlete of the Year Awards.** [SEC Bylaw 30.22.1.4a]
3. **H. Boyd McWhorter Scholar-Athlete of the Year Awards.** [SEC Bylaw 30.22.1.4b]

 - B. The following criteria will be followed:
 - (1) A student-athlete must have a grade point average of 3.00 or above for either the preceding academic year (two semesters or three quarters) or have a cumulative grade point average of 3.00 or above at the nominating institution.
 - (2) If a student-athlete attends summer school, his/her grade point average during the summer academic term must be included in the calculation used to determine eligibility for the Academic Honor Roll.
 - (3) Student-athletes eligible for the Honor Roll include those receiving an athletics scholarship, recipients of an athletics award (i.e., letter winner), and non-scholarship student-athletes who have been on a varsity team for two seasons.
 - (4) Prior to being nominated, a student-athlete must have successfully completed 24 semester or 36 quarter hours of non-remedial academic credit toward a baccalaureate degree at the nominating institution.

8. **Scholar-Athlete of the Year.** The recipient in each sport will be determined by vote of the head coaches. Coaches will vote during the All-SEC process for their sport. Each vote is worth one point. The criteria for nominating a student-athlete for the Scholar-Athlete of the Year are as follows:
 - A. Nominee must be a starter or important reserve with legitimate athletic credentials.
 - B. Nominee must have participated in at least 50 percent of team's games for the nominating year.
 - C. Nominee must have at least a 3.2 cumulative grade point average for his or her collegiate career. A nominee in graduate school must have a cumulative grade point average of at least 3.2 both as an undergraduate and as a graduate student.

- D. Nominee must have reached sophomore athletic and academic standing at the participating institution (True freshmen, redshirt freshmen and ineligible athletic transfers are not eligible.).

- 14. **Athletes of the Week.** The Conference will select an "Athlete of the Week" from nominations submitted to the Conference office by the sports information office from each member institution.
- 15. **Freshmen of the Week.** The Conference will select a "Freshman of the Week" from nominations submitted to the Conference office by the sports information office from each member institution.
- 16. **Community Service Teams.** Each institution selects one student-athlete per sport sponsored by the Conference. Selection is based on community service performed by the student-athlete. The cross country, indoor track and outdoor track "Community Service Team" will be selected during the outdoor track season.

Bands, Banners, Cheerleaders and Mascots. Specific policies regarding bands, banners, cheerleaders, and mascots are addressed in the SEC Bylaws or Commissioner's Regulations for each sport.

Coaches Committees and Meetings. [SEC Bylaw 21.8 and 21.9]

Championship Manuals. For on-campus championships, the host institution shall provide appropriate information packets to each participating institution as specified in the Commissioner's Regulations for each sport. The Conference championship staff shall provide appropriate information packets to each participating institution for neutral-site championships.

Championship Sites. The Executive Committee must approve all championship or tournament sites, unless otherwise specified in the Commissioner's Regulations for each sport. Such sites may be proposed by the Commissioner, coaches' groups, Senior Woman Administrators, or Athletics Directors. Site proposals from coaches must be reviewed by the Senior Woman Administrators and/or Athletics Directors prior to submission to the Executive Committee. Exceptions to this policy are specified in the Commissioner's Regulations for each sport.

Crowd Control and Game Management. The Presidents and Chancellors of the Conference are committed to excellent crowd control at all athletic events. They have passed several resolutions stating their aims and objectives for promoting mutual trust and friendly relations between Conference members and other institutions by emphasizing the need for spectator and student-athlete sportsmanship at athletic contests. The Athletics Director of the host institution shall assure that crowd control and game management are exercised in the best interests of safety and fair play for the participants, as well as for spectators. The Athletics Director shall designate a full-time staff person (or persons) to serve as game management director; however, ultimate responsibility remains with the Athletics Director. The home institution shall supply the visiting coach and game officials with the name and location of the individual responsible for game management and crowd control. The Athletics Directors of each institution are expected to communicate with their student-athletes, coaches, and fans to encourage enthusiastic support within the confines of good sportsmanship. Host institutions must provide adequate security and ushers, preferably in uniform, for effective crowd management. Attention should be given to seating arrangements that will alleviate crowd-control problems. In addition, evacuation and emergency plans should be in place and reviewed on a regular basis.

Competition Area Lighting. Competition facility light shows fall into the following two categories: 1) full facility light coloring in which the game lights are dimmed and/or change colors, or, 2) game lighting remains at competition level while lights perform movement, including chase and flickering effects. In order to ensure the safety of participants and the opportunity for instruction by coaches during breaks in competition, the following guidelines regarding lighting effects shall apply: [Adopted: 1/4/23]

1. Lights must remain on and at competition level over the competition surface from the start of the competition until teams have safely exited the competition area following the conclusion of competition.
2. White and color lighting movements may be performed (but lights shall not be dimmed or consist of color-only effects) at certain approved breaks in competition (e.g. halftime, media timeouts, between rotations,

between innings, etc.).

3. For any lighting effect, lights must return to normal game lighting fifteen seconds (0:15) prior to the end of the timeout or break.

Equal Access to Locker Rooms. Equal access must be given to all media representatives, regardless of gender, at any time interviews with coaches and/or student-athletes are conducted, including after competition. Equal access is defined as access to coaches and/or student-athletes at the exact same time and at the exact same place. Bringing players to a separate area for reporters of the opposite gender is not considered equal access. The exact method of ensuring equal access shall be determined by the institution.

Financial Responsibilities. The method of distributing net receipts is specified in the SEC Bylaws. Host institutions shall file a financial report with the Conference office not later than 60 days after the event. See also, SEC Bylaw 31.

Forfeit Policy. A team that is unable to compete in a regular season Conference contest due to the unavailability of participants (e.g. COVID-19, injuries, etc.), shall be deemed to have forfeit the contest and will be assigned a loss in the respective Conference standings. An opposing team that is ready to play shall be credited with a win, and both teams will be deemed to have completed the contest in the standings. If both (or multiple) teams are unable to compete due to the unavailability of participants (e.g. COVID-19, injuries, etc.), all unavailable teams shall be deemed to have forfeit and shall be assigned a loss and be considered to have played in the standings. The Commissioner may declare any contest as a "no contest" if extraordinary circumstances warrant at his/her discretion. Tie-breaker procedures specific to each sport shall apply in determining Conference champions, division champions, and/or seeding in Conference championship events. [Adopted: 8/17/22]

Interrupted Game Procedures. All personnel, including Athletics Directors, game management personnel, game officials, coaches, players, and Conference office staff, shall use their best effort to ensure each Conference contest is played to its conclusion. The Conference recognizes, however, emergencies may arise that make a contest's completion impossible or inadvisable. Such circumstances may include, but are not limited to, severe inclement weather, natural or man-made disasters, power failures and spectator interference. Contests should be delayed, relocated, suspended, canceled, postponed or terminated (see definitions below) when circumstances exist such that commencement or continuation of play would pose a threat to the safety of game participants. The following procedures shall apply to any sport which does not have sport-specific Inclement Weather or Interrupted Game Procedures.

1. **Definitions.**

- A. **Delay** - To delay a contest is to delay the start of a contest until a later time on the same date.
- B. **Relocate** - To relocate a contest is to change the location of the competition.
- C. **Suspend** - To suspend a contest is to temporarily halt play for a short duration after the contest begins.
- D. **Cancel** - To cancel a contest is to nullify it either before or after it begins and to make no provision for rescheduling it or for including its score or other performance statistics in Conference records.
- E. **Postpone** - To postpone a contest is to (a) defer its starting time to a later date, or to (b) suspend it after play has begun and make provision to resume it at a later date with all scores and other performance statistics up to the point of postponement added to those achieved in the resumed portion of the contest.
- F. **Terminate** - To terminate a contest is to end it short of a full-designated duration of play, officially record it as a completed contest, and make no provision to resume it at a later date.

2. **Authority.** Authority to delay or relocate a contest is vested with the home institution's Athletics Director or designated senior level administrator. Authority to suspend a contest is vested with the officials. Authority to cancel, postpone or terminate a contest is vested *only* with the Commissioner or his/her designee.

3. **Guidelines.**

- A. The home institution's Athletics Director or designated senior level administrator shall have the authority to determine whether a contest should, prior to its start, be temporarily delayed until a later time on the same date. Once a contest has started, the decision to suspend play is the responsibility of the game officials.
- B. If extenuating circumstances occur that necessitate the relocation of the contest site within the same city, the home institution's Athletics Director or designated senior level administrator shall have the authority to determine whether and where the contest should be relocated. The decision should be made in consultation with the visiting team. The alternate site must be in full compliance with all NCAA playing

rules and regulations governing that particular sport.

- C. If a contest is postponed prior to its start for any reason, the two participating institutions, in consultation with the Commissioner or his/her designee, shall attempt to reschedule the game at a later time or date. If the contest cannot be rescheduled, the Commissioner shall cancel the contest.
- D. If a contest is suspended for any reason after play has begun, the contest must be resumed as soon as conditions are deemed safe by the officials in consultation with the home team game management personnel.
- E. A suspended contest may not be resumed after midnight local time, or two hours following the point of suspension, whichever is later.
- F. If a contest is suspended after play has begun and cannot resume before midnight local time, the two institutions, in consultation with the Commissioner, shall attempt to declare the game postponed, and resume it at a later date.
- G. In the event a contest cannot be resumed at a later date, the following will apply:
 - (1) If the contest is suspended prior to the completion of one half of play (halftime), the Commissioner shall declare the contest *canceled*.
 - (2) If the contest is suspended after the completion of one half of play (halftime), the Commissioner shall declare the contest *terminated*.

In the event a contest is delayed or suspended and it does not appear play will be resumed on that date, the Athletics Directors (or designated representatives) of both participating institutions, game management personnel and the Conference office representative (if available) shall meet with the game officials in the officials' dressing room, or another suitable location nearby. The Conference office representative shall communicate with the Commissioner, who has the sole authority to declare a game canceled, postponed or terminated. If the Conference office representative is not on site, the home institution's Athletics Director or designated senior level administrator shall contact the appropriate Conference administrator. The home team game management, in consultation with the Conference office representative, is responsible for disseminating information regarding such a decision to the teams, media and general public.

Lightning Policy.

1. Each member institution must have the capability of determining when lightning strikes are within specified distances of the competition site for all outdoor events.
2. When lightning is detected within 15 miles of the competition site, the home institution shall notify the head referee-umpire.
3. When lightning is detected within a minimum of 10 miles from the competition site, home team management shall utilize the public address system to inform those in attendance that inclement weather including lightning is within 10 (or more) miles and that should patrons vacate the facility for safe shelter, they will be allowed to re-enter with a ticket stub.
4. When lightning is detected within eight (8) miles of the competition site, competition shall be suspended. Competition may be resumed after 30 minutes of no detected lightning strikes within an eight-mile radius. A 10-minute warm-up period may be granted following this 30-minute suspension.
5. In cases of severe weather being detected prior to the start of competition: A maximum of 10 minutes may be used, at the discretion of the home institution, for the marching band, national anthem and introductions, immediately following the 30-minute time period of no detected lightning strikes.

Lodging. It is the responsibility of the host to ensure that adequate housing is available to all participating institutions. Each institution is responsible (unless otherwise noted in the Commissioner's Regulations or championship/tournament manual) for finalizing its own lodging arrangements.

Marketing/Sponsorship Policies. Any agreements and contracts that result in corporate sponsorship of a Conference championship or tournament must be approved by the Commissioner. This does not preclude a host from obtaining nominal sponsorship and trade-outs from local businesses that are interested in supporting the event. The Commissioner has the right of final approval of all commercial sponsorship, exhibitors and merchandisers at a Conference championship or tournament.

Medical Policies. Adequate medical personnel must be present or on call at all sessions of the event (practice and

competition). The host is responsible for obtaining the necessary medical staff and supplies. Additional policies may be specified in the Commissioner's Regulations for each sport.

Minimum Penalties for Violations of Specified NCAA Bylaws. The Conference has established minimum penalties for violations of specified NCAA Bylaws. *See, Supplement E. [Revised: 12/13/16, Revised 6/2/23]*

New Coaches Orientation. Upon initial employment at a Conference institution, all new staff members who are involved in on or off-campus recruiting activities should be provided an educational video produced by the Conference office as an introduction to the Conference and its rules and regulations. Each institution is free to deliver the material in the manner it deems most efficient and effective (e.g. forwarding directly to each new staff member upon hire, showing in-person to a group of new staff hires, etc.), and the content may be used to satisfy the Conference rules education requirement outlined in SEC Bylaw 13.1. *[Revised: 1/16/23]*

Officials. Officials and officiating fees/travel expenses for all Conference tournaments and championships shall be approved by the Commissioner. Unless otherwise approved and noted in the Commissioner's Regulations, the expenses and fees shall be the responsibility of the host. *See also, SEC Bylaw 30.20.*

Playing Conditions. Policies regarding playing conditions are addressed in the Commissioner's Regulations for each sport. *See also, SEC Bylaw 30.22.1.5.*

Post-Game Interviews. Following each contest of a Conference tournament or championship, participating institutions shall make coaches and student-athletes available for interviews. These interviews are designed to provide the media with championship or tournament information required for thorough coverage of the event and to limit the demands placed upon coaches and student-athletes. The sports information department of the host institution (unless otherwise designated) shall coordinate and supervise post-game interviews. Interview policies for specific sports are contained in the Commissioner's Regulations for those sports. Also refer to Equal Access to Locker Rooms, as noted above.

Programs and Promotional Materials. The Conference shall provide a complete program for the baseball, men's and women's basketball, football, gymnastics, soccer, and softball championships. For other tournaments and championships, host institutions shall produce an informational supplement to be provided to fans.

Results and Statistics. Host institutions shall: (1) record the official results and statistics of all conference and non-conference contests; (2) forward a copy of such official results and statistics to the Conference office immediately following the conclusion of the contest; and (3) forward a copy of such official results and statistics to each participating institution in a timely manner.

Scheduling. Scheduling of Conference competition takes precedence over scheduling of non-conference competition in all sports.

Sportsmanship. Consistent with SEC Bylaw 10.5, all individuals employed by or associated with a member institution, including institutional staff members, student-athletes, boosters, and fans, are expected to conduct themselves with honesty, integrity, and good sportsmanship, and shall therefore exhibit respect and courtesy towards opposing student-athletes, coaches, and game officials. It is the responsibility of each member institution to establish policies for sportsmanship and ethical conduct in intercollegiate athletics consistent with the educational mission and goals of the institution. Furthermore, member institutions are responsible for educating all constituencies about these policies on a continuing basis. In addition, all individuals shall also adhere to the following principles of good sportsmanship: *[Revised: 8/7/18]*

1. **Public Comments.** All individuals shall make every attempt to promote the Conference and its members in a positive manner.
2. **Media Access.** All individuals shall make every effort to promote a cooperative environment with the media by providing reasonable access to interview student-athletes and staff.
3. **Student Conduct.** Each institution shall ensure that all students involved in athletics activities, including student-athletes, band members, cheerleaders, mascots, and general students attending as fans, are informed of the appropriate standards of behavior and good sportsmanship.
4. **Promoting Sportsmanship.** Each institution shall aggressively address the issue of sportsmanship through various forms (e.g., video spots, public address announcements, radio spots, television spots and print ads in game day programs).

5. **Throwing Items onto the Playing Surface.** Each institution shall adopt a policy prohibiting fans from throwing items onto the playing surface. Such policy must specify (without limitation) that violators who are clearly identified will be ejected from the playing facility.

Television, Radio and Media Services. All television and radio agreements for Conference championships and tournaments must be approved by the Commissioner. The media services associated with the event generally are the responsibility of the sports information department of the host institution, although it is understood that sports information personnel from participating institutions shall assist as needed. Specific policies for each sport are described in the Commissioner's Regulations or championship and tournament manuals.

Tickets. A host institution shall provide the visiting team (at its request) with up to 50 complimentary admissions for any regular-season competitive event for which the host institution charges admission. (Additional information is provided in the Commissioner's Regulations for each sport.)

Tobacco-Related Products. The use of tobacco-related products by players, coaches, support personnel (i.e., managers and trainers), game personnel (officials, chain crews and table crews) and staff in all sports during practice, Conference competition and Conference championships and tournaments (including banquets, press conferences, post-game interviews, and at all stadiums, arena facilities and competition grounds) is prohibited. This prohibition is applicable to all activities at the athletic competition and practice, including press box areas and locker rooms.

Uniforms and Apparel. The uniforms and apparel of all participants in Conference tournaments and championships must conform to appropriate standards of safety and good taste. All student-athletes shall wear uniforms that identify their institution by school name or school colors. This policy applies to regular-season and post-season play. All student-athletes shall conform to NCAA regulations governing the appearance of commercial identification on uniforms, equipment and apparel. Failure to adhere to this policy may result in ineligibility to continue participation in the sport.

Format. The championship will consist of 54-holes of stroke play, followed by match play amongst the top eight finishing teams in stroke play as detailed below:

- Day 1 - 18 holes of stroke play
- Day 2 - 18 holes of stroke play
- Day 3 - 18 holes of stroke play
- Day 4 - Four morning matches | Two afternoon matches
- Day 5 - Championship match

The individual medalist and runner-up will be awarded based on stroke-play competition. The team championship will be awarded to the match-play winner. [Revised: 12/15/15; Revised: 6/3/16; Revised: 12/12/17; Revised: 8/7/18]

Format for Match Play.

1. For match play, the top eight teams will be placed into a bracket with the No. 1 seed playing the No. 8 seed, the No. 2 seed playing the No. 7 seed, the No. 3 seed playing the No. 6 seed and the No. 4 seed playing the No. 5 seed in match play. A total of five points will be available with one point being awarded for each individual match. A stipulated round will be extended to as many holes as necessary to determine a match winner. Winning teams will advance to the semifinals and subsequently the finals. The first team to win three points within the team match will advance, or in the case of the final match be declared the Conference champion. Once a team has won three individual matches, any remaining individual matches will be halted at that point with the individual match recorded as it currently stood. Match play lineups will be determined using the same method employed at the Presidents Cup matches.
2. The higher-seeded team (as determined through the 54-hole stroke-play portion), "Team 1", will have the first choice of putting a player on the board for Match #1. The opposing team, "Team 2", will then name its player for Match #1.
3. Team 2 will then name its player for Match #2, and Team 1 will name its player for Match #2. The process will continue in an "S" curve until the players for all five matches are named. However, Team 1 may defer in the selection process and permit Team 2 to begin the overall selection process.
4. Pairings for the quarterfinals will be determined following the completion of the 54-hole stroke-play competition and the crowning of the individual champion and runner-up. Pairings for the team semifinals and finals will be determined following the completion of the previous match play round.
5. Ties for pairing positions will be broken according to the non-sudden-death tiebreaking procedures outlined below.
6. The Rules committee will do everything possible to complete 54 holes of stroke play and each match of the championship. However, the committee reserves the right to modify pairings for weather. See "Inclement Weather" below.

Golf Carts. Golf carts will be provided to members of the rules committee and selected tournament staff.

1. **Players.** In accordance with USGA Rules of Golf, golf carts are not permitted during competition, but are permitted during the practice round.
2. **Coaches.** One cart will be provided to each institution and only a member of the coaching staff may drive the cart. Coaches may transport anyone they desire, except players engaged in competition.
3. **Spectators.** Golf carts are not permitted for spectators. Exceptions may be made for special needs. In this case, a head coach must submit the name of the spectator for whom a golf cart is requested to the tournament director at least seven days in advance of the tournament. The tournament director will then send a Golf Cart Request Form to be completed by such spectator. Fulfillment of these requests will be at the discretion of the Conference Sport Administrator, provided carts are available.

Inclement Weather: The championship may be shortened due to inclement weather as no provision is made for extending the championship to a sixth day. The Rules Committee, in consultation with the Tournament Director and Coaches Committee, will determine whether a round should be cancelled or resumed and determine pairings as appropriate for the cancelled or resumed rounds. [Revised: 12/12/17]

1. A minimum of 36 holes of stroke play competition must be completed in order to name an individual and team champion. If 36 holes are not completed, the Conference Champion shall be the #1 seed (based on the final regular season Golfstat rankings).
2. A Minimum of 54 holes of stroke play must be completed in order for match play to begin.
3. If weather dictates that the match portion of the tournament cannot begin as scheduled, the Rules Committee, in consultation with the Coaches Committee, may shorten the match play portion of the tournament to four team rather than eight.
4. If weather dictates that the match play portion of the tournament is unable to be played, the Conference Champion shall be the team with the lowest team score of the rounds that all teams have completed in the stroke play portion of the tournament.

5. If only one round of match play is completed, the Conference Champion shall be the team (of the four remaining teams) with the lowest composite team score from the 54-hole stroke play portion of the event. In the event of a tie, the Non-Sudden Death Playoff Procedures shall be used.
6. If two rounds of match play are completed, the final two teams remaining in match play will be declared co-Champions. The team with the highest seed (based on the final regular season Golfstat rankings) will be the Conference's NCAA Automatic Qualifier.

Manual. The Conference (or host institution if conducted on-campus) shall distribute a championship manual, outlining the policies and procedures for the championship, as well as information specific to a tournament site, to each institution no later than two weeks prior to the championship.

Media Services. It will be the responsibility of the Conference Communications Office to provide the following services during the championship:

1. Prepare and distribute advance publicity for the conference championship;
2. Provide information to local, regional and national media during the championship;
3. Supervise and coordinate media interviews and the media work area;

Pairings. Pairings for the practice round, first round will be determined by the final regular season Golfstat rankings. For the second and third round, teams will be paired according to score. All teams shall begin on the first or tenth tee.

1. **Team Ties.** Team ties will be broken using the NCAA Championship tie-breaking procedures for all rounds of play as follows (except for determining the eighth spot for match play, in which case a playoff will commence following 54 holes of stroke play):
 1. Cumulative total of the non-counting scores,
 2. Highest cumulative individual total,
 3. Second-highest cumulative individual total,
 4. Third-highest cumulative individual total,
 5. Fourth-highest cumulative individual total,
 6. Fifth-highest cumulative individual total,
 7. Tournament Committee decision.
2. **Individual Ties.** Individual ties will be broken as follows:
 1. Most recent score,
 2. Original first round seeding.

Portable Electronic Devices. The use of portable electronic devices (iPods, etc...) with earphones or the like are prohibited on the competition course during any round of the Championship, including the practice round. Violation of this policy will result in the following penalties: (First Offense) player receives a warning; (Second Offense) two-stroke penalty assessed during the opening round of the championship; (Third Offense) disqualification from championship.

Practice Rounds.

1. Each team may play one 18-hole practice round at the site of the championship on the day prior to the event. Teams are limited to six players during the practice round. [Revised: 12/12/17; Revised: 8/7/18]
2. All other team play (defined as five or more players or any player with a coach) at the site of the championship is prohibited: All other individual play at the site of the championship is prohibited, except as follows: 1) Student-athletes who are members of the championship site course may play at any time, 2) Student-athletes may participate in official professional or established amateur events (e.g. Jones Cup, Southern Amateur). [Revised: 8/7/18; Revised: 12/7/22]
3. Student-athletes are not permitted to use the practice facilities (defined as inside the gates of the club) at the site of the championship from April 1 until the day of the designated practice round, except as permitted in

Sites. The site of the championship each year will be determined by a vote of the coaches with approval of the Athletics Directors. In the event the championship returns to campus sites, the following rotation will be followed: 1) Ole Miss, 2) South Carolina, 3) Arkansas, 4) Mississippi State, 5) LSU, 6) Florida, 7) Tennessee, 8) Vanderbilt, 9) Alabama, 10) Auburn, 11) Georgia, 12) Kentucky, 13) Missouri, 14) Texas A&M

Starting Times. Starting tee times will be determined prior to the event with 10-minute intervals between each group. A split tee start will be utilized for the stroke play portion of the competition and the quarterfinals and semi-finals of match play. The Rules Committee, in consultation with the Tournament Director and Coaches Committee, will determine whether there will be changes to starting times. Seeding for the practice round and first round will be determined by the final regular season Golfstat rankings.

Squad Size. Only 6 student-athletes will be allowed to participate in Conference Championship competition. Eligible non-participating student-athletes may travel, dress, and engage in all pre and post-competition activities, but will not be eligible for Championship participation awards from the Conference. [Revised: 7/10/20, 6/3/22]

Ties. Following 54 holes of stroke play competition, the top eight teams will advance for match play competition. The individual champion and individual runner-up will be determined following 54 holes of stroke play. Ties will be broken to determine the eight teams advancing to match play as well as first place for the individual champion based on the playoff scenarios outlined below. The Rules Committee, in consultation with the Tournament Director, Coaches Committee and the Golf Club, will determine the schedule and holes for playoffs. [Revised: 3/13/19]

1. **Individual:** All players tied for the individual championship will draw numbers to determine the order of teeing off. Only first place will be determined. If weather and/or daylight does not allow for an individual playoff, the tied participants will be deemed co-champions. The Rules Committee, in consultation with the Tournament Director, Coaches Committee and the Golf Club, will determine the schedule and holes for such playoff. **If a player is involved in a playoff for both the individual title as well as team, the team playoff will take precedent.* [Revised: 3/13/19]
2. **Team Competition:** Team ties for the eighth position following 54 holes of stroke play shall be broken by a sudden-death playoff counting the aggregate scoring (all five player scores counting) on each hole. Play shall continue with new scoring on each successive hole until a winner is determined. The Rules Committee, in consultation with the Tournament Director, Coaches Committee and Golf Club, will determine the holes for play. If a playoff involves more than two teams, a shotgun format shall be used. Once the shotgun sudden-death format is started, that format shall be used until a winner is determined. [Revised: 3/13/19]

- A. **Sudden Death Playoff Procedures.** Teams will draw for positions. For a two-team playoff, the winner of the draw shall have the option of the A or B positions set forth below. For a playoff involving more than two teams, the teams shall assume the drawn letter position (A, B, C, etc.) set forth below. Players will play the numbered position they held at the start of the tournament. The format in pairings for a playoff of six teams or more shall be consistent with the foregoing format as determined by the coaches' committee.

Therefore, coaches should only transport players over distances previously walked where a player is required to backtrack on the course to comply with the rules.

Uniforms. The uniforms and apparel of all participants in conference tournaments and championships must conform to appropriate standards of safety and good taste. All student-athletes shall conform to NCAA regulations (NCAA Bylaw 12.5.4) governing the appearance of commercial identification on uniforms, equipment and apparel. Failure to adhere to this policy may result in ineligibility to continue participation. Participants must wear uniforms of the same color identifying the institution they represent during competition and practice.
