As Southeastern Conference women's soccer starts its 29th season in 2021, the conference has firmly established itself as one of the premier conferences in soccer.

While the sport has grown exponentially across the nation, the Southeastern part of the country has been a leader.

The SEC had five teams selected to participate in the 2020-21 NCAA Tournament. Three of those teams earned national seeds.

Over the last 10 years, the SEC has earned 68 NCAA Tournament bids – an average of nearly seven per year – with all 14 member institutions making at least one appearance during that span. Eight different SEC teams have advanced to the Round of 16 since 2013 and the league has placed teams in the NCAA quarterfinals in each of the last seven seasons.

Arkansas and Texas A&M tied for the 2020 SEC Championship with 7-1-0 league records. Vanderbilt earned its first SEC Tournament championship since 1994 and its third overall with a 3-1 win over Arkansas in Orange Beach, Ala.

The SEC's balance has been shown in league play as five different teams – Arkansas, Florida, South Carolina, Texas A&M and Vanderbilt – have won SEC regular season titles in the last 10 seasons. Also, six different teams – Auburn, Florida, LSU, South Carolina, Texas A&M and Vanderbilt – have won SEC Tournament championships since 2011.

In 2020, Arkansas' Anna Podojil was named the SEC Forward of the Year. Texas A&M's Addie McCain was named SEC Midfielder of the Year while Jimena Lopez and Karlina Sample shared SEC Defender of the Year honors. Ole Miss' Ashley Orkus was named SEC Goalkeeper of the Year. Arkansas' Colby Hale and Texas A&M's G Guerrieri were named SEC Co-Coach of the Year and the Aggie's' Barbara Olivieri was Freshman of the Year. Ole Miss' Chanel Thomas and South Carolina's Lauren Chang were SEC Co-Scholar-Athletes of the Year.

Nine SEC players earned All-America honors from the United Soccer Coaches, including first team selections Lopez and Podojil. McCain earned second team honors while Orkus, Sample, South Carolina's Anna Patten, Ole Miss' Channing Foster, Arkansas' Parker Goins and Vanderbilt's Haley Hopkins were third team picks.

SEC's players have garnered 60 All-America awards from the United Soccer Coaches since 2011. SEC players have earned 14 first team All-America honors during that time and three have earned multiple first team honors (South Carolina's Sabrina D'Angelo in 2013 and 2014; South Carolina's Savannah McCaskill in 2016 and 2017; and South Carolina's Fisk in 2018 and 2019).

Chang was a 2020 Second Team CoSIDA Academic All-America while Thomas and Georgia's Caroline Chipman were third team selections. Lopez was named the United Soccer Coaches First Team Scholar All-America. Six SEC players earned CoSIDA Academic All-District honors this past season.

SEC fans have taken notice of the conference's rise nationally. The SEC has had at least five teams rank in the Top 25 nationally in attendance in eight of the last nine years (not counting the COVID affected 2020 campaign). South Carolina and Texas A&M have both ranked in the Top Five in each of the last six years with the Aggies leading the nation with an average of 2,652 fans per game in 2018.

The incremental growth, combined with increasing exposure on the national and regional scene, has SEC women's soccer looking to blossom to new heights in the year 2020 and beyond.

In 2020, the SEC boasted ...

- Three members of Tokyo Olympics gold medal winning team
- Two MAC Hermann Semifinalists
- Three CoSIDA Academic All-America
- Six CoSIDA Academic All-District picks
- 13 programs earning United Soccer Coaches' College Team Academic Awards
- Nine United Soccer Coaches' All-Americans, including two first team selections
- 27 student-athletes on the United Soccer Coaches' All-Region teams
- Five teams advancing to the NCAA Championships
- At least one team in the NCAA Quarterfinals for the seventh consecutive year
- Eight different schools have made Round of 16 appearances over the last eight years

SEC TOURNAMENT

ORANGE BEACH, ALABAMA

There shall be a single-elimination tournament of the top ten teams played at the conclusion of the SEC regular-season schedule. The tournament champion shall be the SEC representative to the NCAA championship.

The top ten teams with the highest point total, regardless of divisions, will participate in the tournament, with the two division champions serving as the top two seeds. The following point system is utilized to determine regular season standings and seeding for the tournament: a win counts as three points, a tie as one, and a loss as zero points. If a game(s) is cancelled, neither team will receive a point and the standings will be determined by average points per game. The tournament shall be played in a Sunday-Tuesday-Thursday-Sunday format with Monday, Wednesday, Friday, and Saturday designated as off/practice days.

Tie-Breaker Procedures

The tournament will be seeded 1-10 based on the point system implemented to determine regular season standings. The two division champions shall be the top two seeds. If teams are tied, the following procedures, in order as follows, will be used to break the tie:

1. **Two-Team Tie:** The following procedure will be used in the following order until the tie is broken:

- Head-to-head competition between the tied teams.
- Points earned versus common opponents.
- Goal differential versus common opponents.
- Goals scored versus common opponents.
- Won-Lost record of the two teams versus highest seeded common opponent and proceeding through the No. 14 seed, if necessary.
- Goal differential versus highest seeded common opponent and proceeding through the No. 14 seed, if necessary.
- Goals scored versus highest seeded common opponent and proceeding through the No. 14 seed, if necessary.
- Coin flip by the Commissioner.

2. **Three-Team Tie (or more):** The following procedure will be used until the tie is broken. If at any time this tie breaker results in only two remaining tied teams, then the two-team tiebreaker will be used beginning with Subsection A in that procedure and continuing from that point:

- If all teams have played one another, then most points earned in those matches only.
- If all teams have not played, but one team has defeated all teams in the tie break, then that team breaks the tie and shall be placed highest. Remaining teams will continue with the tie break procedure.
- If all teams have not played one another and a team does not have all wins over the tied teams, then use Subsection B in the two-team tie break procedures and continue through the two team tie-break procedures until ties between all teams are broken (except Subsection H will read "if three or more teams are still tied, the Commissioner will conduct a draw").

Note: From 1993-99, the winner of the SEC Tournament was declared SEC Champion and beginning with 1995 received the SEC's NCAA automatic selection. The SEC went to a divisional format in soccer in 1995 and began awarding divisional champions. From 2000-03, the SEC Champion was determined by the team with the best winning percentage after the regular-season conference matches. Starting in 2004, the SEC Champion was determined by the team with the most points after the regular-season conference matches. Teams are awarded (3) points for a win, (1) point for a tie and (0) points for a loss in SEC matches.
