# THE SOUTHEASTERN CONFERENCE

## The SEC

• Since its formation in 1933, the SEC has directed and organized interscholastic athletic competitions, conducted tournaments and prescribed eligibility rules for student-athletes. The Conference also facilitates and assists its member institutions in maintaining intercollegiate athletic programs compatible with the highest standards of education and competitive sports.

• The Southeastern Conference crowns champions in 21 sports - 12 women's sports and nine men's sports. They include baseball, men's and women's basketball, men's and women's cross country, equestrian, football, men's and women's golf, gymnastics, soccer, softball, men's and women's swimming and diving, men's and women's tennis, men's and women's indoor and outdoor track and field, and volleyball.

• In the fall of 2012, the University of Missouri and Texas A&M University became the 13th and 14th members of the Southeastern Conference. It marked the first expansion for the SEC since 1991 and the second-ever increase for the league since its founding in 1933.

• The SEC's mission statement reflects the priorities of the league. "The purpose of the Southeastern Conference is to assist its member institutions in the maintenance of programs of intercollegiate athletics which are compatible with the highest standards of education and competitive sports."

## ACADEMIC ACHIEVEMENTS

• The Southeastern Conference had 42 Google Cloud Academic All-Americans in 2017-18. The league had 16 student-athletes earn first-team honors. In total, the league has had 1,220 Academic All-Americans. The Academic All-America Teams are voted on by the College Sports Information Directors of America (CoSIDA). # THE SOUTHEASTERN CONFERENCE

## SPORTSMANSHIP

• The SEC has implemented sportsmanship policies meant to strengthen the league's commitment to these principles. The league also developed a sportsmanship statement for its institutions to follow. It states:

"Coaches and student-athletes of a member institution, as well as individuals employed by or associated with that institution, including alumni, fans, patrons and boosters, shall conduct themselves with honesty and good sportsmanship. Their behavior shall at all times reflect the high standards of honor and dignity that characterize participation in the collegiate setting.

"For intercollegiate athletics to promote the character development of participants, to enhance the integrity of higher education and to promote civility in society, coaches, student-athletes and all others associated with these athletics programs and events should adhere to such fundamental values as respect, fairness, civility, honesty and responsibility. These values should be manifested not only in athletics participation but also in the broad spectrum of activities affecting the athletics program.

"It is the responsibility of each member institution to establish policies for sportsmanship and ethical conduct in intercollegiate athletics consistent with the educational mission and goals of the institution. Furthermore, member institutions are responsible for educating on a continuing basis all constituencies about these policies."

• The SEC has an annual Sportsmanship Award that will be awarded to one male and one female student-athlete. Voted on by the league's athletics directors, the award honors student-athletes who, through their actions in the competitive arena of intercollegiate athletics, have demonstrated one or more of the ideals of sportsmanship, including fairness, civility, honesty, unselfishness, respect and responsibility. The recipients of the 2017-18 award were Jake Bentley of the South Carolina football team and the collective group of the softball teams of the SEC.

## IN THE COMMUNITY

• The SEC and its member institutions have partnered with the 11-state Special Olympics organizations in the SEC region. The relationship is featured on public service announcements aired on SEC telecasts, and Special Olympics participate in the Dr Pepper SEC FanFare, held in conjunction with the SEC Football and Basketball Championships.

• The SEC and its corporate sponsors host youth clinics each year in conjunction with several conference events, including the football championship game, the men's basketball tournament, the baseball tournament and the soccer tournament. These clinics provide children from host cities the opportunity to receive instruction from SEC and other area coaches.

## ACADEMIC RELATIONS - COMMITMENT TO THE UNIVERSITY ACADEMIC MISSION

• The Southeastern Conference supports and promotes collaborative higher education programs and activities involving administrators, faculty and students at its member universities. These academic relations efforts are led by the Conference's presidents and Chancellors.

• The SEC aims to highlight the endeavors and achievements of its faculty and universities; advance the merit and reputation of SEC universities outside of the traditional SEC region; identify and prepare future leaders for high-level service in academia; increase the amount and type of education abroad opportunities available to SEC students; and support collaboration between SEC faculty and administrators.

• The SEC Academic Leadership Development Program seeks to identify, prepare and advance academic leaders for roles within SEC institutions and beyond. It has three components, a university-level program, two, three-day, SEC-wide workshops held on specified campuses for all participants, and a competitive fellowship designed to provide administrative growth opportunities for former participants.

• The SEC College Tour occurs twice annually, once in the fall and once in the spring. Enrollment administrators from all SEC universities participate in events intended to introduce SEC universities to students, parents and high school counselors from outside of the southeast region.

• The SEC education abroad focus includes a cooperative agreement that gives SEC students access to international programs offered at other SEC universities and an engineering exchange agreement with the Politecnico di Torino in Italy.

• The SEC Faculty Achievement and Professor of the Year Awards recognize faculty with outstanding records in teaching and scholarship. There is one winner per campus and one overall winner for the SEC.

• The SEC Faculty Travel Program is intended to enhance collaboration that stimulates scholarly initiatives between SEC universities. The program offers faculty from each SEC university the opportunity to travel to other universities to develop grant proposals, conduct research and deliver artistic performances.

• The SEC MBA Case Competition is an opportunity for SEC business schools to showcase their students' skills at solving simulated, real-world problems that cover the spectrum of business disciplines. The competition is held on one SEC campus and teams of four MBA students compete against other SEC teams, the best receiving various awards and recognition.

## Greg Sankey Commissioner Southeastern Conference

Greg Sankey became the eighth Commissioner of the Southeastern Conference on June 1, 2015, and immediately embarked on a journey to build upon the SEC's recognized success, strong foundations and rich traditions. Sankey has moved the conference forward while respecting the institutional traditions that make the SEC unique. With an understanding of the highly competitive environment of college sports, he has fostered the collaborative culture of the SEC that sets the conference apart and supports its continuing success.

Based upon the conference-wide success and growth, the SEC was the only college conference named a finalist for the Sports Business Journal's League of the Year Award in 2017-18, a nomination shared with the National Basketball Association (NBA), Major League Baseball (MLB), Ladies' Professional Golf Association (LPGA), National Hockey League (NHL) and Major League Soccer (MLS).

Sankey brings a big picture approach to his position through continuing focus on a vision that positions the SEC to leverage its athletics success and popularity for a greater overall cultural and economic impact on the region, the nation and the world.

During his first major address as Commissioner, he introduced his concept of "Scholars. Champions. Leaders." to describe the ultimate potential of the SEC. "Educating scholars and supporting champions provides the platform for developing leaders who will influence the world," Sankey said in his opening remarks at SEC Football Media Days in 2015.

### Advocating for Student-Athlete Opportunity

Now in his fourth year at the helm of the SEC, Sankey has established himself as an advocate for the student-athlete, creating a framework to provide young people in the Conference with new leadership opportunities and resources to succeed at the highest levels of academic achievement and competitive success. New student-athlete focused initiatives under Sankey's leadership include:

- Creation of a new position in the SEC office for a Director of Student-Athlete Engagement, a role focused on offering student-athletes the opportunity to participate in Conference leadership and prepare for life after their intercollegiate athletics participation concludes. (August 2015)
- Introduction of Student-Athlete Leadership Councils for Football, Men's Basketball and Women's Basketball which, in addition to the Conference's longstanding Student-Athlete Advisory Committee, provide student-athletes with additional opportunities to engage with campus leaders and Conference office staff. (May 2016)
- Introduction of a Student-Athlete Career Tour during SEC Football Championship Week in Atlanta, which annually provides a group of student-athletes with opportunities to engage in career exploration with high level corporations and businesses. (December 2016 and 2017)
- Expansion of the student-athlete role at the annual SEC Spring Meetings when student-athletes participate in a robust agenda of interaction with administrators and coaches to provide their perspectives to Conference leaders. (May 2017 and 2018)
- Increased funding for the SEC H. Boyd McWhorter Post-Graduate Scholarship, established in 1986 to honor outstanding student-athletes in the SEC for their accomplishments in athletics and academics. The value of the post-graduate scholarships increased to \$20,000 each for the two winners and \$10,000 each for the 26 finalists. (December 2017)

### Advancing The Conference

Upon assuming the role of Commissioner, Sankey moved swiftly to address issues critical to college athletics, with an emphasis on integrity, ethics and sportsmanship:

- Appointed a Working Group on Student-Athlete Conduct consisting of campus leaders to develop recommendations for updated Conference policies governing conduct expectations for student-athletes. As a result:
  - The SEC adopted a serious misconduct policy governing transfers that has served as a model for similar policies subsequently adopted by other conferences and institutions. (June 2016, expanded definition June 2017)
  - The SEC expanded its serious misconduct policy to include all incoming prospective student-athletes. (June 2018)
- Appointed a Working Group on Compliance, Enforcement and Governance, designed to review and update principles which form the foundation of the Conference membership's commitment to SEC and NCAA rules compliance.
- Amended an SEC Bylaw to now require a university president or chancellor to consult directly with the SEC Commissioner before hiring someone "who has engaged in unethical conduct as defined under NCAA Bylaws or who has participated in activity that resulted, or may result, in a Level I, Level II, or major infraction." (June 2017)

Sankey prioritized the enhancement of Conference championship events to meet the goal of providing student-athletes with life-long memories and exceptional experiences for fans, which has included:

- An agreement with Atlanta's new Mercedes Benz Stadium to serve as the long-term home for the SEC Football Championship Game. (September 2015)
  - An agreement with the City of Hoover, AL, to continue as host of the SEC Baseball Tournament after the city committed to construction of a \$70 million baseball campus to enhance the baseball tournament experience for student-athletes and fans. (June 2016)
  - Engagement with a security consulting firm to review and develop consistent and effective security plans for SEC Championship events. (August 2016)
  - A three-year agreement with Greenville, SC, to provide a multi-year home for the SEC Women's Basketball Tournament at Bon Secours Wellness Arena. (May 2018)
- Sankey has focused resources on the development of Conference officiating with a series of measures blending technology with effective leadership to create greater accuracy and consistency for officiating in all sports, including:
- Hiring new coordinators of officials in the sports of men's basketball, women's basketball and softball.
  - Working with the NCAA to gain approval for a collaborative instant replay process in the sport of football, which was implemented successfully beginning with the Fall 2016 season. (May 2016)
  - Collaborating with the American Athletic and Atlantic Sun conferences to create a men's basketball officiating consortium, later adding the Sun Belt Conference. (July 2016 and May 2017)
  - Securing NCAA approval to implement a collaborative instant replay process in the sport of men's basketball beginning with the 2017-18 season. (May 2017)
  - Implementing an NCAA-approved experimental process for expanding the number of permissible plays evaluated through instant replay in the sport of baseball for the 2018 season. (August 2017)
- Another priority under Sankey's leadership is growing exposure for the Conference and effectively publicizing success stories of the SEC. Strategies pursued to achieve this objective include:
- Engagement with The Richards Group, a highly successful national marketing agency, to develop a comprehensive branding campaign to positively feature the SEC, its student-athletes, alumni, leaders and fans. The theme of the campaign – "It Just Means More" – communicates the history, legacy and overall positive impact the SEC has on its region, the nation and the world.
  - Introduction of the SEC Graduate Patch, a logo placed on the uniforms of every sport displayed by SEC student-athletes who have earned their undergraduate degree and are continuing their participation in intercollegiate athletics.
  - Collaboration with the SEC Network to create unique exposure opportunities for Conference universities, teams and student-athletes, including behind-the-scenes programming, expanding live championship coverage for Olympic Sports, covering all spring football games and adding unique coverage of halftime band performances in football.
  - An agreement with SiriusXM to create the first college branded satellite radio channel, SiriusXM SEC Radio, an exclusive 24/7 audio channel dedicated to SEC sports. The new channel delivers fans and alumni across the country in-depth and comprehensive access to SEC-focused sports talk and news, plus an extensive schedule of SEC games. (November 2017)
  - Move of SEC Football Media Days to a new market, taking the signature event to the College Football Hall of Fame in Atlanta while adding a fan event in Centennial Olympic Park to expand the kickoff week to five days of activities. It marked the first time SEC Media Days was held outside the Birmingham, Alabama, area since 1985.

### A Career In College Athletics

On March 12, 2015, the Presidents and Chancellors of the SEC announced Greg Sankey would succeed Mike Slive as Commissioner of the SEC.

Sankey, 54, first joined the SEC staff in 2002 as Associate Commissioner for Governance, Enforcement and Compliance and later added supervision of the league's championships staff to his responsibilities. He was elevated to Executive Associate Commissioner and Chief Operating Officer for the league office in 2012, becoming responsible for the day-to-day operation of the SEC Office.

Sankey has been active within the NCAA committee structure, including his current service on the Enforcement/Infractions Working Group created to address recommendations from the independent Commission on College Basketball. He has also served on the Division I Legislative Council, Committee on Academic Performance and the NCAA Committee on Infractions.

Before moving to the SEC, Sankey served as Commissioner of the Southland Conference for nearly seven years. He joined the Southland Conference staff in 1992 where he served as both assistant and associate commissioner before he was named its Commissioner in 1996 at the age of 31.

Prior to his term at the Southland Conference, he was Director of Compliance and Academic Services at Northwestern State University in Natchitoches, LA. While at Northwestern State, Sankey also coached the Demons' golf teams for two years, earning the Golf Coaches Association of America District VI Coach of the Year award in 1991. Before his tenure at Northwestern State, he was the Director of Intramural Sports at Utica College in upstate New York.

A native of Auburn, NY, Sankey earned his master's degree from Syracuse University and his undergraduate degree from the State University of New York College at Cortland. Sankey and his wife, Cathy, reside in Birmingham, AL, and have two adult daughters, Hannah and Moriah.

# SOUTHEASTERN CONFERENCE

## Official Sponsor Program

The Southeastern Conference Official Sponsor program began in 1988 with three companies dedicated to intercollegiate athletics and higher education. Now supported by many of the nation's top corporations, this program has evolved into the most successful of its kind.

Each member of the SEC Official Sponsor team shows its commitment to the future of intercollegiate athletics with contributions to SEC Youth Clinics, SEC Scholarship Programs, SEC Academic Enhancement Programs, Championship Grants, FanFare and Legends Programs.

The corporations also conduct consumer promotions designed to increase sales and brand awareness. These promotions also increase public awareness of the member institutions of the SEC, which in turn supports increased ticket sales and high television and radio ratings.

In addition to the broad spectrum of benefits provided by these contributions, each SEC institution is a direct beneficiary of the program. SEC Official Sponsors include Allstate Insurance, AT&T, Belk, Gatorade, Holiday Inn Express, Johnsonville, Mercedes-Benz, Pilot/Flying-J, Regions Bank and Sunkist Soda.

## Program Mission

The mission of the corporate sponsor program is:

1. To develop marketing and promotional activities that benefit the SEC, its member institutions and the participating corporations;
2. To emphasize the positive role of athletics in our society; and
3. To provide funding for youth clinics, championship events and academic enhancement programs.

## SEC Licensing Program

The Southeastern Conference markets its registered marks (Southeastern Conference, SEC, SEC Seal and SEC logos) through a licensing program with the Collegiate Licensing Company. The SEC began its licensing program in 1988 to protect the use of its name and insignias and to ensure that its member institutions benefit from the use and sale of items bearing its name and/or logos.

The program also ensures that manufacturers and retailers market only the highest-quality merchandise using the conference name and logos. The SEC has joined a significant number of colleges and universities throughout the country to bring about consistency in the marketplace for officially-licensed collegiate products.
