# THE SOUTHEASTERN CONFERENCE

## IT JUST MEANS MORE

Scholars. Champions. Leaders. These are the pillars of the Southeastern Conference, and together they represent the vision for an 86-year-old intercollegiate athletic conference that continues to experience unparalleled success. Ranging from record-breaking accomplishments by student-athletes and administrators to significant growth in media, sponsorship, and branding, the SEC continues to prove on every front why it is SEC and to None.

The Conference continues to deliver record financial distributions to its member universities, which makes it possible for the Conference to support scholars through and beyond graduation, win championships in every sponsored varsity sport, and ultimately prepare young people to change the world.

The SEC's leadership believes strongly that intercollegiate athletic conferences have an obligation to aid in Student-Athlete Development and Achievement, both academically and athletically. As such, the SEC was the first conference to establish a Student-Athlete Career Tour designed to prepare students for professions after graduation, and this year the Conference again welcomed 28 students to Atlanta for a multi-day series of meetings and development. And the SEC has integrated its student-athlete leadership councils into its annual meetings to provide its young people a greater voice in their own collegiate experience.

The SEC continues to strengthen its relationships in Media and Sponsorship. The SECESPN Network is now available on every major cable provider and every nationwide, multi-channel subscription streaming service in the marketplace. The SEC Network also reaches 140 countries outside the U.S.

The SEC is a place where Innovation and Leadership are expected and pursued. However, the pursuit extends beyond championship rings and trophies to include officiating, administration, and other initiatives. For example, on the heels of its football and men's basketball collaborative replay success, this year the SEC became the first collegiate conference to introduce centralized video review in baseball.

The SEC has also amplified its position relative to Branding and Celebration efforts. As SECU was renamed "SEC Academic Relations," it heightened its focus on programs and activities designed to highlight the teaching, research and service accomplished on SEC campuses. The Conference also executed Year Four of the "It Just Means More" branding campaign, continuing its presence on radio, TV and online while saturating national championship cities with digital outdoor exposure.

The SEC's Athletic Achievements have historically been—and continue to be—unprecedented. The SEC continues to win national championships in multiple sports, including six national championship matchups since March 2017 that exclusively featured SEC teams (Women's Final Four, College World Series, College Football Playoff Championship and three times in Equestrian).

## STUDENT-ATHLETE DEVELOPMENT AND ACHIEVEMENT IN 2018-19

### Student-Athlete Career Tour

A total of 28 current and former Southeastern Conference student-athletes participated in the third SEC Career Tour in Atlanta in November 2018. The group visited the headquarters and met with executives and talent acquisition staff at several corporations including UPS, Children's Healthcare of Atlanta, The Home Depot and the Atlanta Hawks organization.

### SEC Student-Athletes and Community Service

SEC student-athletes conducted more than 50,000 hours of combined community service work during the 2018-19 academic year. Each year the SEC awards a \$5,000 scholarship to a male and female nominee from each school for the Brad Davis SEC Community Service Award, and \$10,000 goes to the two student-athletes selected each year as the Brad Davis SEC Community Service Leaders of the Year. In 2018-19, Auburn

University equestrian athlete Megan Rauh and University of Florida track & field athlete Sam Ahrenholz were named winners of the prestigious award.

### SEC in the NCAA's 2019 Today's Top 10

Three SEC student-athletes were among the 10 student-athletes from across the country named as recipients of the NCAA's 2019 Today's Top 10 Award. Alabama swimmer Lucas Kaliszak, Florida gymnast Alex McMurtry and Georgia track and field athlete Keturah Orji earned the award that recognizes former student-athletes for their successes in competition, in the classroom and in the community. Recipients completed their athletics eligibility during the 2017-18 academic year and were recognized at the NCAA Honors Celebration in January 2019 in Orlando, Florida.

### NCAA Woman of the Year – Georgia's Keturah Orji

Georgia track and field legend Keturah Orji was named the 2018 NCAA Woman of the Year at an awards dinner in Indianapolis, Ind., in October 2018. Orji becomes the first winner from Georgia's track and field program and the fourth winner overall from the University of Georgia. All finalists - including three from each NCAA division - demonstrated excellence in academics, athletics, community service and leadership throughout their collegiate careers. Finalists were selected from a group of 30 Woman of the Year honorees which included 10 honorees from each NCAA division and represented a variety of sports. Schools nominated a record 581 college athletes for the award.

### SEC Among Honda Award Winners

Three of the 12 Honda Sport Award recipients named in June 2018 were SEC student-athletes. South Carolina basketball player A'ja Wilson, Ole Miss tennis player Arianne Hartono and Florida volleyball player Rhamat Alhassan were honored at the 42nd annual Collegiate Women Sports Awards in late June 2018 in Los Angeles. The Collegiate Women's Sports Awards honor the nation's top NCAA women athletes for superior athletic skills, leadership, academic excellence and participation in community service. Since commencing its sponsorship in 1986, Honda has provided more than \$3 million in institutional grants to the universities of the award winners and nominees to support women's athletics programs.

### SEC in the NFL Draft

The SEC led the nation's conferences in NFL Draft picks for the 13th consecutive year in 2019 with 64 selections, an NFL Draft record for any conference. For the eighth time in the last nine years, the SEC led the nation in First Round NFL Draft selections with nine. During the last 13 NFL Drafts, the SEC has a nation-leading 120 players taken in the opening round, an average of over nine per season. The SEC now has an impressive 96 First Round NFL Draft selections so far this decade.

## MEDIA + SPONSORSHIP IN 2018-19

### SEC Tabs Evolution Media/CAA TV Group as Media Advisors

The SEC appointed leading sports media advisory firm Evolution Media/Creative Artists Agency (CAA) as its exclusive media advisors in 2018. Under its long-term agreement, Evolution and CAA's television division will work collaboratively to advise the SEC on the evolving media marketplace and assist the conference in its future media rights negotiations.

Evolution Media's clients have included the International Olympic Committee, WWE, the National Hockey League, Major League Soccer, PGA of America, PGA TOUR, Riot Games, Top Rank Boxing, the Los Angeles Dodgers, the Arizona Diamondbacks, and the Boston Celtics, among other leading teams and associations. Evolution has advised on more than \$38 billion in media rights transactions since 2008.

Creative Artists Agency (CAA) represents many of the most successful and innovative professionals working in sports, film, television, music, video games, theatre, commercial endorsements, and digital content, and provides a range of strategic marketing and consulting services to corporate clients.

# THE SOUTHEASTERN CONFERENCE

## **SEC Viewership Continues Growth**

The SEC participated in the three highest rated college football games in 2018, including the CFP Championship Game that generated a 13.8 rating with 25.28 million viewers. Among highest rated TV games in 2018, the SEC participated in five of the top 10 games, eight of the top 15 games and 10 of the top 20 games. The SEC on CBS in 2018 produced the five most-viewed games of the regular season and the SEC Football Championship saw its highest rating since 2007. In fact, the SEC Football Championship Game posted a higher rating than both CFP Semifinal games.

Meanwhile, the SEC Network remains one of the most vibrant sports networks in all of television. The SEC Network is available on every major cable and satellite provider in the United States, every nationwide multichannel subscription streaming service and is available in 140 countries outside the US. Important SEC notes to know:

- Over 250 students across the 14 campuses were involved in production of SEC Network events in 2018-19.
- More than 70 SEC marching band halftime performances were streamed live on the ESPN App in 2018.
- The SEC Network featured new episodes of “SEC Homecoming” including interviews with former Augusta national Golf Club Chairman Billy Payne, singer and songwriter Darius Rucker and Lockheed Martin president and CEO Marylin Hewson.

## **INNOVATION + LEADERSHIP IN 2018-19**

### **Football Timeout Clock**

The SEC revolutionized the football fan experience in Fall 2018 with the implementation of a visible television timeout countdown clock on the field at all 14 SEC football venues. The onfield display allows fans, game officials and both teams to view the remaining time during each television commercial stoppage from anywhere in the stadium.

The display is operated by the TV timeout coordinator, or ‘Red Hat,’ on the field during television commercial breaks and is turned off during routine game action. The time shown on the TV timeout countdown clock is the official time remaining in a timeout. The SEC worked with Victory Game Clocks to develop the TV timeout countdown clock for the 2018 football season.

The SEC TV timeout countdown clock was also utilized at the SEC Championship Game on December 1, in Atlanta, Ga., at Mercedes-Benz Stadium and then was adopted for use during the College Football Playoff Semifinals and Championship Game.

### **Baseball Centralized Replay**

The SEC began use of a Centralized Video Review process for Conference baseball games in 2019, becoming the first conference to use a centralized process as permitted by NCAA rules. A Replay Official in the SEC Video Center, located in the Conference Office, reviews plays in SEC vs. SEC games and renders decisions that are communicated to the on-site umpire crew. The process is consistent with the system used by Major League Baseball.

Baseball is the third sport in which the SEC has implemented a collaborative or centralized replay system. The SEC successfully implemented a collaborative replay process in the sport of football in 2016, and the Conference secured NCAA approval to implement a collaborative instant replay process in men’s basketball the following year.

### **SEC Football Media Days Presented by Regions Bank Goes to Atlanta**

For the first time since SEC Football Media Days was created in 1985, the popular midsummer media extravaganza was held outside of the Birmingham area. The College Football Hall of Fame in Atlanta served as the primary host venue for SEC Football Media Days in July 2018 with the neighboring Omni Atlanta Hotel at CNN Center serving as site for many of the Media Days functions as well.

## **SEC Holds First Football Summerfest Presented by Regions Bank**

The inaugural SEC Football Kickoff Summerfest presented by Regions Bank was held in Atlanta’s Centennial Olympic Park in July 2018. The first-of-its-kind free fan event was held in conjunction with the SEC’s annual Football Media Days at the nearby College Football Hall of Fame and Omni Atlanta Hotel at CNN Center.

Fans attending SEC Summerfest had an opportunity to engage with fellow SEC fans in a family-friendly game day environment that included live music, food trucks, interactives and much more. SEC Summerfest was anchored by the SEC Network’s traveling road show, SEC Nation, which broadcast live from the event.

## **Media Participation in Spring Football Game Officiating**

The SEC invited media members to participate as game officials during Georgia’s April 2019 Spring Football Game and engaged with the SEC Network to provide behind-the-scenes information and experiences to educate the public on SEC football officiating procedures. In addition to ESPN talent, participants included media representatives from the Associated Press, Sports Illustrated, CBSsports.com and USA Today.

## **Leaders in Attendance**

- SEC Football has led the nation in football attendance for 21 consecutive seasons and enjoys nearly a 10 thousand per game and 1.1 million overall edge over its next closest conference peer.
- The SEC Championship Game saw its second-highest attendance in history in 2018 and most since 1993.
- SEC Baseball has led the nation in attendance 23 years in a row. Total attendance in 2018 surpassed 2.2 million and no other conference reached the 1 million mark.
- SEC Women’s Basketball has led the nation in attendance four years in a row.

## **BRANDING + CELEBRATION**

### **SEC Expands Academic Initiative**

The SEC announced it was expanding the scope and changing the name of its 13-year-old academic initiative to better leverage the success of its intercollegiate athletics programs in support of the broad mission of each of its 14 member universities.

Formerly known as SECU, SEC Academic Relations focuses on presenting programs and activities designed to highlight the teaching, research and service accomplishments of SEC students, faculty and staff, including related successes within the Conference’s intercollegiate athletics programs.

### **“It Just Means More” Campaign and Associated Branding**

When the SEC kicked off its comprehensive “It Just Means More” marketing campaign, it set out to show the other side of the SEC: one of history, legacy, and an overall positive impact on our people, our communities, our state, and our nation. In addition to a series of television and radio spots, print advertisements, and a social media strategy, this year the SEC continued to expand the reach of its “It Just Means More” campaign through the utilization of outdoor digital signage in cities hosting significant events. Locations included the San Jose area for the CFP Championship Game; Louisville, Kansas City, Washington, DC, and Chicago for men’s and women’s basketball Sweet Sixteen games, and Minneapolis for the Men’s Final Four.

### **SEC Celebrates Academic Achievement with Graduate Patch**

A total of 156 football student-athletes wore the SEC Graduate Patch in 2018 post-season football bowl games and 21 SEC basketball student-athletes wore the mark in national post-season tournaments following the 2019 hoops season. In all, more than 350 student-athletes wore the patch in all sports in 2018-19.

The SEC introduced the patch in 2016 for student-athletes in all sports who have graduated but have not exhausted their eligibility. The SEC logo patch on their uniforms is replaced with a special patch highlighting the word “Graduate” underneath the conference logo. The patch is similar in design for all conference schools, but it is school-specific in color.

# SEC COMMISSIONER

## Greg Sankey Commissioner Southeastern Conference

Greg Sankey became the eighth Commissioner of the Southeastern Conference on June 1, 2015, and immediately embarked on a journey to build upon the SEC's recognized success, strong foundations and rich traditions.

Sankey has successfully introduced change and advancement for the conference while respecting the institutional traditions that make the SEC unique. With an understanding of the highly competitive environment of college sports, he has fostered the collaborative culture of the SEC that sets the conference

apart and supports its continuing success.

Sankey brings a big picture approach to his position through continuing focus on a vision that positions the SEC to leverage its athletics success and popularity for a greater overall cultural and economic impact on the region, the nation and the world.

Based upon conference-wide success and growth, the SEC was the only college conference named a finalist for the Sports Business Journal's League of the Year Award in 2017-18, a nomination shared with the National Basketball Association (NBA), Major League Baseball (MLB), Ladies' Professional Golf Association (LPGA), National Hockey League (NHL) and Major League Soccer (MLS).

During his first major address as Commissioner, he introduced his concept of "Scholars. Champions. Leaders." to describe the ultimate potential of the SEC. "Educating scholars and supporting champions provides the platform for developing leaders who will influence the world," Sankey said in his opening remarks at SEC Football Media Days in 2015.

### ADVOCATING FOR STUDENT-ATHLETE OPPORTUNITY

Now in his fifth year as Commissioner of the SEC, Sankey has established himself as an advocate for the student-athlete, creating a framework to provide young people in the Conference with challenging leadership opportunities and expanded resources to succeed at the highest levels of academic and competitive success. New student-athlete focused initiatives under Sankey's leadership include:

- Creation of a new position in the SEC office for a Director of Student-Athlete Engagement, a role focused on offering student-athletes the opportunity to participate in Conference leadership and prepare for life after their intercollegiate athletics participation concludes. (August 2015)
- Introduction of Student-Athlete Leadership Councils for Football, Men's Basketball and Women's Basketball which, in addition to the Conference's longstanding Student-Athlete Advisory Committee, provide student-athletes with enhanced opportunities to engage with campus leaders and Conference office staff. (May 2016)
- Introduction of a Student-Athlete Career Tour during SEC Football Championship Week in Atlanta, which annually provides a group of student-athletes with opportunities to engage in career exploration with high level corporations and businesses. (December 2016, 2017, 2018)
- Expansion of the student-athlete role at the annual SEC Spring Meetings when student-athlete leaders participate in a robust agenda of interaction with administrators and coaches to provide their perspectives to Conference leaders. (May 2017, 2018, 2019)

The value of the post-graduate scholarships increased to \$20,000 each for the two winners and \$10,000 each for the 26 finalists. (December 2017)

### ADVANCING THE CONFERENCE

Sankey has been intentional and diligent in addressing issues critical to college athletics, with an emphasis on integrity, ethics and sportsmanship:

- Appointed a Working Group on Student-Athlete Conduct to develop recommendations for updated Conference policies governing conduct expectations for student-athletes. As a result, the SEC adopted a serious misconduct policy governing transfers that has served as a model for similar policies subsequently adopted by other conferences and institutions (June 2016, expanded definition June 2017), and later expanded the policy to include all incoming prospective student-athletes. (June 2018)
- Appointed a Working Group on Compliance, Enforcement and Governance, designed to review and update principles which form the foundation of the Conference membership's commitment to SEC and NCAA rules compliance.
- Amended a SEC Bylaw to now require a university president or chancellor to consult directly with the SEC Commissioner before hiring someone "who has engaged in unethical conduct as defined under NCAA Bylaws or who has participated in activity that resulted, or may result, in a Level I, Level II, or major infraction." (June 2017)
- Appointed a Task Force on Sports Gambling to identify issues and solutions with the goal of working with other leaders in sports, both on the collegiate and professional level, as well as governmental leaders, to educate student-athletes on issues related to sports wagering and ensure the integrity of athletics events. (July 2018)

Sankey prioritized the enhancement of Conference championship events to meet the goal of providing student-athletes with life-long memories and exceptional experiences for fans, which has included:

- An agreement with Atlanta's new Mercedes Benz Stadium to serve as the long-term home for the SEC Football Championship Game. (September 2015)
- An agreement with the City of Hoover, AL, to continue as host of the SEC Baseball Tournament after the city committed to construction of a \$70 million baseball campus to enhance the baseball tournament experience for student-athletes and fans. (June 2016)
- Engagement with a security consulting firm to review and develop consistent and effective security plans for SEC Championship events. (August 2016)
- A three-year agreement with Greenville, SC, to provide a multi-year home for the SEC Women's Basketball Tournament at Bon Secours Wellness Arena. (May 2018)

Sankey has focused resources on the development of Conference officiating with a series of measures blending technology with effective leadership to create greater accuracy and consistency for officiating in all sports, including:

- Hiring new coordinators of officials in the sports of men's basketball, women's basketball and softball.
- Working with the NCAA to gain approval for a collaborative instant replay process in the sport of football, which was implemented successfully beginning with the Fall 2016 season. (May 2016)
- Collaborating with the American Athletic and Atlantic Sun conferences to create a men's basketball officiating consortium, later adding the Sun Belt Conference. (July 2016, May 2017)
- Securing NCAA approval to implement a collaborative instant replay process in the sport of men's basketball beginning with the 2017-18 season. (May 2017)
- Working with the NCAA to expand the number of permissible plays evaluated through video replay in the sport of baseball for the 2018 season (August 2017), and implementing the first centralized replay system in the sport the following year. (March 2019)
- Engaging in a consulting agreement with Bob Delaney, an accomplished former NBA official and executive with extensive experience in leadership training, to assume the role of Special Advisor for Officiating Development and Performance. (August 2019)
- Commissioning Deloitte's Advisory practice to conduct a comprehensive analysis to identify best practices and program standards for the SEC Football Officiating Program. (January 2019)

Another priority under Sankey's leadership is growing exposure for the Conference and effectively publicizing success stories of the SEC. Strategies pursued to achieve this objective include:

- Engagement with The Richards Group, a renowned national marketing agency, to develop a comprehensive branding campaign. The theme – "It Just Means More" – communicates the history, legacy and overall positive impact the SEC has on its region, the nation and the world. (January 2016)
- Introduction of the SEC Graduate Patch, a logo placed on the uniforms of every sport displayed by SEC student-athletes who have earned their undergraduate degree and are continuing their participation in intercollegiate athletics. (October 2016)
- Ongoing collaboration with the SEC Network to create unique exposure opportunities for Conference universities, teams and student-athletes, including behind-the-scenes programming, expanding live championship coverage for Olympic Sports and other unique programming.
- An agreement with SiriusXM to create the first college branded satellite radio channel, SiriusXM SEC Radio, an exclusive 24/7 audio channel dedicated to SEC sports. (November 2017)
- Move of SEC Football Media Days to a new market, taking the signature event to the College Football Hall of Fame in Atlanta while adding a fan event in Centennial Olympic Park to expand the kickoff week to five days of activities. (July 2018)

### A CAREER IN COLLEGE ATHLETICS

On March 12, 2015, the Presidents and Chancellors of the SEC announced Greg Sankey would succeed Mike Slive as Commissioner of the SEC.

Sankey, 55, first joined the SEC staff in 2002 as Associate Commissioner for Governance, Enforcement and Compliance and later added supervision of the league's championships staff to his responsibilities. He was elevated to Executive Associate Commissioner and Chief Operating Officer for the league office in 2012, becoming responsible for the day-to-day operation of the SEC Office.

Sankey has been active within the NCAA committee structure. He has served on the Division I Legislative Council, the Committee on Academic Performance and the NCAA Committee on Infractions, and most recently served on the Enforcement/Infractions Working Group created to address recommendations from the independent Commission on College Basketball.

Before moving to the SEC, Sankey served as Commissioner of the Southland Conference for nearly seven years. He joined the Southland Conference staff in 1992 where he served as both assistant and associate commissioner before he was named its Commissioner in 1996 at the age of 31.

Prior to his term at the Southland Conference, he was Director of Compliance and Academic Services at Northwestern State University in Natchitoches, LA. While at Northwestern State, Sankey also coached the Demons' golf team for two years, earning the Golf Coaches Association of America District VI Coach of the Year award in 1991. Before his tenure at Northwestern State, he was the Director of Intramural Sports at Ulica College in upstate New York.

A native of Auburn, NY, Sankey earned his master's degree from Syracuse University and his undergraduate degree from the State University of New York College at Cortland. Sankey and his wife, Cathy, reside in Birmingham, AL, and have two adult daughters, Hannah and Moriah.

# SEC CORPORATE SPONSORS

## Official Sponsor Program

The Southeastern Conference Official Sponsor program began in 1988 with three companies dedicated to intercollegiate athletics and higher education. Now supported by many of the nation's top corporations, this program has evolved into the most successful of its kind.

Each member of the SEC Official Sponsor team shows its commitment to the future of intercollegiate athletics with contributions to SEC Youth Clinics, SEC Scholarship Programs, SEC Academic Enhancement Programs, Championship Grants, FanFare and Legends Programs.

The corporations also conduct consumer promotions designed to increase sales and brand awareness. These promotions also increase public awareness of the member institutions of the SEC, which in turn supports increased ticket sales and high television and radio ratings.

In addition to the broad spectrum of benefits provided by these contributions, each SEC institution is a direct beneficiary of the program. SEC Official Sponsors include Academy Sports + Outdoors, Aflac, Allstate Insurance, AT&T, Belk, Dr Pepper, Johnsonville, Mercedes-Benz, Regions Bank and Velveeta.

## Program Mission

The mission of the corporate sponsor program is:

1. To develop marketing and promotional activities that benefit the SEC, its member institutions and the participating corporations;
2. To emphasize the positive role of athletics in our society; and
3. To provide funding for youth clinics, championship events and academic enhancement programs.

## SEC Licensing Program

The Southeastern Conference markets its registered marks (Southeastern Conference, SEC, SEC Seal and SEC logos) through a licensing program with the Collegiate Licensing Company. The SEC began its licensing program in 1988 to protect the use of its name and insignias and to ensure that its member institutions benefit from the use and sale of items bearing its name and/or logos.

The program also ensures that manufacturers and retailers market only the highest-quality merchandise using the conference name and logos. The SEC has joined a significant number of colleges and universities throughout the country to bring about consistency in the marketplace for officially-licensed collegiate products.
