THE SOUTHEASTERN CONFERENCE

IT JUST MEANS MORE

Scholars. Champions. Leaders. These are the pillars of the Southeastern Conference, and together they represent the vision for an 87-year-old intercollegiate athletic conference that continues to experience unparalleled success. Ranging from record-breaking accomplishments by student-athletes and administrators to significant growth in media, sponsorship, and branding, the SEC continues to prove on every front why it is SECond to None.

The Conference continues to deliver record financial distributions to its member universities, which makes it possible for the Conference to support scholars through and beyond graduation, win championships in every sponsored varsity sport, and ultimately prepare young people to change the world.

The SEC's leadership believes strongly that intercollegiate athletic conferences have an obligation to aid in Student-Athlete Development and Achievement, both academically and athletically. As such, the SEC was the first conference to establish a Student-Athlete Career Tour designed to prepare students for professions after graduation, and this year the Conference again welcomed 28 students to Atlanta for a multi-day series of meetings and development. And the SEC has integrated its student-athlete leadership councils into its annual meetings to provide its young people a greater voice in their own collegiate experience.

The SEC continues to strengthen its relationships in Media and Sponsorship. The SEC Network is now available on every major cable provider and every nationwide, multi-channel subscription streaming service in the marketplace. The SEC Network also reaches 140 countries outside the U.S.

The SEC is a place where Innovation and Leadership are expected and pursued. However, the pursuit extends beyond championship rings and trophies to include officiating, administration, and other initiatives. For example, on the heels of its football and men's basketball collaborative replay success, this year the SEC became the first collegiate conference to introduce centralized video review in baseball.

The SEC has also amplified its position relative to Branding and Celebration efforts. As SECU was renamed "SEC Academic Relations," it heightened its focus on programs and activities designed to highlight the teaching, research and service accomplished on SEC campuses. The Conference also executed Year Four of the "It Just Means More" branding campaign, continuing its presence on radio, TV and online while saturating national championship cities with digital outdoor exposure.

The SEC's Athletic Achievements have historically been—and continue to be—unprecedented. The SEC continues to win national championships in multiple sports, including six national championship match-ups since March 2017 that exclusively featured SEC teams (Women's Final Four, College World Series, College Football Playoff Championship and three times in Equestrian).

STUDENT-ATHLETE DEVELOPMENT AND ACHIEVEMENT IN 2019-20

Student-Athlete Career Tour

A total of 28 current and former Southeastern Conference student-athletes participated in the third SEC Career Tour in Atlanta in November 2019. The group visited the headquarters and met with executives and talent acquisition staff at several corporations including Cox Communications, NCR Corporation, Winning Edge Leadership Academy, The Home Depot and UPS.

SEC Student-Athletes and Community Service

Each year the SEC awards a \$5,000 scholarship to a male and female nominee from each school for the Brad Davis SEC Community Service Award, and \$10,000 goes to the two student-athletes selected each year as the Brad Davis SEC Community Service Leaders of the Year. In 2019-20, Texas A&M University equestrian athlete Ann Elizabeth Tebow and Vanderbilt University football athlete Cody Markel were named winners of the prestigious award.

SEC in the NCAA's 2020 Today's Top 10

Kristin Quah of Vanderbilt University was among the 10 student-athletes from across the country named as recipient of the NCAA's 2020 Today's Top 10 Award, which recognizes former student-athletes for their successes in competition, in the classroom and in the community. Recipients completed their athletics eligibility during the 2018-19 academic year and were recognized at

the NCAA Honors Celebration in January 2020 in Anaheim, Calif.

SEC Among Honda Award Winners

Two of the 12 Honda Sport Award recipients named in June 2019 were SEC student-athletes: Florida track & field athlete Yanis David and Arkansas golfer Maria Fassi. The Collegiate Women's Sports Awards honor the nation's top NCAA women athletes for superior athletic skills, leadership, academic excellence and participation in community service. Since commencing its sponsorship in 1986, Honda has provided more than \$3 million in institutional grants to the universities of the award winners and nominees to support women's athletics programs.

MEDIA + SPONSORSHIP IN 2019-20

SEC Viewership Continues Growth

The SEC Network remains one of the most vibrant sports networks in all of television. The SEC Network is available on every major cable and satellite provider in the United States, every nationwide multichannel subscription streaming service and is available in 140 countries outside the US. Important SEC notes to know:

- Over 250 students across the 14 campuses were involved in production of SEC Network events in 2019-20
- More than 70 SEC marching band halftime performances were streamed live on the ESPN App in 2018
- The SEC Network featured new episodes of "SEC Homecoming" including interviews with former Augusta national Golf Club Chairman Billy Payne, singer and songwriter Darius Rucker and Lockheed Martin president and CEO Marylin Hewson.

BRANDING + CELEBRATION

SEC Academic Initiative

Through its academic relations program, the SEC supports programs and activities designed to highlight the teaching, research and service accomplishments of SEC students, faculty and staff, including related successes within the Conference's intercollegiate athletics programs.

Its goals include:

- Advancing the academic reputation of SEC universities beyond the traditional SEC region
- Highlighting the endeavors and achievements of SEC faculty, students and administrators
- Identifying and preparing future leaders for high-level service in academia
- Increasing the amount and type of education abroad opportunities available to SEC students
- Supporting collaboration between SEC faculty and administrators

Current SEC academic initiatives include:

The SEC Academic Leadership Development Program seeks to identify, prepare and advance academic leaders for roles within SEC institutions and beyond. It has three components, a university-level development program; two SEC-wide three-day workshops held on specified campuses for all program participants; and a competitive fellowship for former participants.

The SEC College Tour occurs twice annually, once in the fall and once in the spring. Enrollment administrators from all SEC universities participate in events intended to introduce SEC universities to students, parents and high school counselors from outside of the southeast region.

The SEC education abroad focus includes a cooperative agreement that gives SEC students access to international programs offered at other SEC universities and an engineering exchange agreement with the Politecnico di Torino in Italy.

The SEC Faculty Achievement and Professor of the Year Awards recognize faculty with outstanding records in research and teaching. There is one winner per campus and one overall winner for the SEC.

The SEC Faculty Travel Program is intended to enhance collaboration that stimulates scholarly initiatives between SEC universities. The program offers faculty from each SEC university the opportunity to travel to other SEC universities to develop grant proposals, conduct research and deliver artistic performances.

THE SOUTHEASTERN CONFERENCE

The SEC MBA Case Competition is an opportunity for SEC business schools to showcase their students' skills at solving simulated, real-world problems that cover the spectrum of business disciplines. The competition is held on one SEC campus and teams of four MBA students compete against other SEC teams, the best receiving various awards and recognition.

The SEC Student Pitch Competition provides a showcase for young entrepreneurs as it pits teams of SEC students against one another in an idea pitch competition. Students present their innovative business ideas to a panel of SEC alums to determine those most worthy of a funding investment. The top teams receive various awards and recognition.

"It Just Means More" Campaign and Associated Branding

When the SEC kicked off its comprehensive "It Just Means More" marketing campaign, it set out to show the other side of the SEC: one of history, legacy, and an overall positive impact on our people, our communities, our state, and our nation. In addition to a series of television and radio spots, print advertisements, and a social media strategy, this year the SEC continued to expand the reach of its "It Just Means More" campaign through the utilization of outdoor digital signage in cities hosting significant events.

SEC Celebrates Academic Achievement with Graduate Patch

A total of 64 SEC volleyball student-athletes wore the mark during the regular season. In all, more than 350 student-athletes wore the patch in all sports in 2019-20.

The SEC introduced the patch in 2016 for student-athletes in all sports who have graduated but have not exhausted their eligibility. The SEC logo patch on their uniforms is replaced with a special patch highlighting the word "Graduate" underneath the conference logo. The patch is similar in design for all conference schools, but it is school-specific in color.

MEDICAL TASK FORCE GUIDES SEC PREPARATION

A task force comprised of medical professionals representing the 14 universities of the Southeastern Conference has guiding the SEC as it prepares for membership decisions related to the return of athletics activities, including team gatherings, practices, conditioning and competition.

The SEC's Return to Activity and Medical Guidance Task Force began meeting by video conference in April 2020 and updates from these meetings are provided to SEC Presidents and Chancellors and Athletics Directors at regular intervals. Any policy changes related to return to athletics activity will be approved by the Conference membership.

The task force is responsible for identifying recommended protocols and best practices for guiding the safe return to in-person on-campus meetings, individual workouts, out-of-season activities and skill instruction, and practice activities for student-athletes and coaches; identifying the desired amount of practice and training time required to safely acclimate student-athletes into competition; and identifying opportunities for a return to competition, including considerations for student-athletes, administrators, support staff, officials and fans.

The SEC has previously enacted proactive measures to mitigate the impact of the virus and protect the health and safety of student-athletes, administrators, officials and fans. To date, actions of the Conference include the cancellation of all athletic contests, including conference and non-conference competition, and SEC Championship events for the remainder of the 2020 spring season. The SEC has also suspended all in-person athletics activities, voluntary or required, including practices, individual and team workouts through at least May 31 (subject to adjustment based upon public health information), and has ceased operation of camps and coaches clinics through at least July 31.

Members of the SEC's Return to Activity and Medical Guidance Task Force are: Dr. Jimmy Robinson, University of Alabama-Head Team Physician and Medical Director; Dr. Chris Arnold, University of Arkansas, Orthopedic Surgeon/Team Physician; Dr. Mike Goodlett, Auburn University, Chief Medical Officer/Team Physician; Dr. Jay Clugston, University of Florida, Team Physician; Ron Courson, University of Georgia, Senior Associate Athletics Director/Sports Medicine; Jim Madaleno, University of Kentucky, Executive Associate Athletics Director/Sports Medicine and Performance; Dr. Catherine O'Neal, LSUHSC Assistant Professor of Medicine, Infectious Diseases; Dr. Marshall Crowther, University of Mississippi, Medical Director/Sports Medicine Physician; Dr. Cliff

Story, Mississippi State University, Director of University Health Services; Dr. Stevan Whitt, University of Missouri, Associate Professor of Medicine, Divisions of Pulmonary and Critical Care Medicine and Infectious Diseases; Senior Associate Dean for Clinical Affairs, University of Missouri School of Medicine, Chief Clinical Officer; Dr. Zoë Foster, University of South Carolina, Program Director, Primary Care Sports Medicine Fellowship; Dr. Chris Klenck, University of Tennessee, Head Team Physician; Dr. Shawn Gibbs, Texas A&M University, Dean of School of Public Health; Dr. Warne Fitch, Vanderbilt University, Associate Professor of Emergency Medicine, Associate Professor of Orthopedics.

SEC COUNCIL ON RACIAL EQUITY AND SOCIAL JUSTICE

In August 2020, the Southeastern Conference announced creation of the SEC Council on Racial Equity and Social Justice, a league-wide body consisting of a diverse group of student-athletes, administrators, coaches and SEC staff.

The Council will identify resources, outline strategies and assist with implementation of efforts that, when taken together, will promote racial equity and social justice, while also fostering diversity, helping overcome racism and pursuing non-discrimination in intercollegiate athletics.

"An important movement has been ignited around the equitable treatment of all underrepresented minorities, and the SEC is determined to be a leader in the pursuit of meaningful and lasting change," said SEC Commissioner Greg Sankey. "With the Council as our guide, we will develop an action agenda built on the foundation that all are created equal and ensure this truth echoes across our stadiums, our arenas, our campuses, our communities, our states and our nation."

Members of the Council include individuals from within the Conference's existing student-athlete engagement program - a multi-faceted effort involving more than 60 student leaders in football, men's basketball, women's basketball and all other SEC sponsored sports. Racial equity and social justice will be required discussions during all student-athlete leadership and advisory council meetings, while those groups' chairs, vice chairs and/or other identified leaders will participate in Council meetings.

In addition, the Council will include administrative leaders from each campus and head coaches from each SEC sport (see full list below), who will regularly meet with SEC student-athletes to better understand and respond to their questions and concerns.

"Today's youth are our leaders and change agents of tomorrow, and by listening, asking and seeking their insights and counsel, we have begun the shared journey toward racial equality," said Sankey.

Alongside student-athletes, the SEC gathered perspectives from a range of stakeholders across its 14 campuses, including presidents and chancellors, directors of athletics, senior woman administrators, faculty athletics representatives, various sport head coaches, mental health professionals and the SEC staff.

Those discussions helped create a framework for the Council, which will provide ongoing guidance to the SEC office and updates to Conference leaders at regular intervals. The Council will initially focus on the following five strategic areas:

- Increasing Access and Representation for Underrepresented Minorities
- Providing Enhanced Support for Underrepresented Minorities
- Improving Education on Racial and Social Issues for All Stakeholders
- Deepening Commitments to Local Communities
- Raising Awareness of Racial Inequity and Social Injustice

Among other efforts, the Council will be tasked with identifying resources related to racial equity and social justice for educational and professional development programs for athletics department staff, coaches and student-athletes; outlining support mechanisms for underrepresented minorities within the athletics department; and identifying opportunities for the SEC to bolster ongoing university and athletics department diversity, equity and inclusion initiatives. In addition, the Council will advise athletics departments and the Conference office on ways student-athletes, coaches and staff may fulfill their ongoing civic responsibilities in the electoral process.

Greg Sankey Commissioner Southeastern Conference

Greg Sankey became the eighth Commissioner of the Southeastern Conference on June 1, 2015, and immediately embarked on a journey to build upon the SEC's recognized success, strong foundations and rich traditions.

Sankey has successfully introduced change and advancement for the conference while respecting the institutional traditions that make the SEC unique. With an understanding of

the highly competitive environment of college sports, he has fostered the collaborative culture of the SEC that sets the conference apart and supports its continuing success.

Sankey brings a big picture approach to his position through continuing focus on a vision that positions the SEC to leverage its athletics success and popularity for a greater overall cultural and economic impact on the region, the nation and the world.

During his first major address as Commissioner, he introduced his concept of "Scholars. Champions. Leaders." to describe the ultimate potential of the SEC. "Educating scholars and supporting champions provides the platform for developing leaders who will influence the world," Sankey said in his opening remarks at SEC Football Media Days in 2015.

ADVOCATING FOR STUDENT-ATHLETE OPPORTUNITY

Now in his sixth year as Commissioner of the SEC, Sankey has established himself as an advocate for the student-athlete, creating a framework to provide young people in the Conference with challenging leadership opportunities and expanded resources to succeed at the highest levels of academic and competitive success. New student-athlete focused initiatives under Sankey's leadership include:

- Creation of a new position in the SEC office for a Director of Student-Athlete Engagement, a role focused on offering student-athletes the opportunity to participate in Conference leadership and prepare for life after their intercollegiate athletics participation concludes. (August 2015)
- Introduction of Student-Athlete Leadership Councils for Football, Men's Basketball and Women's Basketball which, in addition to the Conference's longstanding Student-Athlete Advisory Committee, provide student-athletes with enhanced opportunities to engage with campus leaders and Conference office staff. (May 2016)
- Introduction of a Student-Athlete Career Tour during SEC Football Championship Week in Atlanta, which annually provides a group of student-athletes with opportunities to engage in career exploration with high level corporations and businesses. (December 2016, 2017, 2018)
- Expansion of the student-athlete role at the annual SEC Spring Meetings when student-athlete leaders participate in a robust agenda of interaction with administrators and coaches to provide their perspectives to Conference leaders. (May 2017, 2018, 2019)
- Increased funding for the SEC H. Boyd McWhorter Post-Graduate Scholarship, established in 1986 to honor outstanding student-athletes in the SEC for their accomplishments in athletics and academics. The value of the post-graduate scholarships increased to \$20,000 each for the two winners and \$10,000 each for the 26 finalists. (December 2017)

ADVANCING THE CONFERENCE

Sankey has been intentional and diligent in addressing issues critical to college athletics, with an emphasis on integrity, ethics and sportsmanship:

- Appointed a Working Group on Student-Athlete Conduct to develop recommendations for updated Conference policies governing conduct expectations

for student-athletes. As a result, the SEC adopted a serious misconduct policy governing transfers that has served as a model for similar policies subsequently adopted by other conferences and institutions (June 2016, expanded definition June 2017), and later expanded the policy to include all incoming prospective student-athletes. (June 2018)

- Appointed a Working Group on Compliance, Enforcement and Governance, designed to review and update principles which form the foundation of the Conference membership's commitment to SEC and NCAA rules compliance.
- Amended an SEC Bylaw to now require a university president or chancellor to consult directly with the SEC Commissioner before hiring someone "who has engaged in unethical conduct as defined under NCAA Bylaws or who has participated in activity that resulted, or may result, in a Level I, Level II, or major infraction." (June 2017)
- Appointed a Task Force on Sports Gambling to identify issues and solutions with the goal of working with other leaders in sports, both on the collegiate and professional level, as well as governmental leaders, to educate student-athletes on issues related to sports wagering and ensure the integrity of athletics events. (July 2018)
- Created the SEC Council on Racial Equity and Social Justice, a league-wide body consisting of a diverse group of student-athletes, administrators, coaches and SEC staff. The purpose of the Council is to identify resources, outline strategies and assist with implementation of efforts that, when taken together, will promote racial equity and social justice, while also fostering diversity, helping overcome racism and pursuing non-discrimination in intercollegiate athletics. (August 2020)

Sankey prioritized the enhancement of Conference championship events to meet the goal of providing student-athletes with life-long memories and exceptional experiences for fans, which has included:

- An agreement with Atlanta's new Mercedes Benz Stadium to serve as the long-term home for the SEC Football Championship Game. (September 2015)
- An agreement with the City of Hoover, AL, to continue as host of the SEC Baseball Tournament after the city committed to construction of a \$70 million baseball campus to enhance the baseball tournament experience for student-athletes and fans. (June 2016)
- Engagement with a security consulting firm to review and develop consistent and effective security plans for SEC Championship events. (August 2016)
- A three-year agreement with Greenville, SC, to provide a multi-year home for the SEC Women's Basketball Tournament at Bon Secours Wellness Arena. (May 2018)

Sankey has focused resources on the development of Conference officiating with a series of measures blending technology with effective leadership to create greater accuracy and consistency for officiating in all sports, including:

- Hiring new coordinators of officials in the sports of men's basketball, women's basketball and softball.
- Working with the NCAA to gain approval for a collaborative instant replay process in the sport of football, which was implemented successfully beginning with the Fall 2016 season. (May 2016)
- Collaborating with the American Athletic and ASUN conferences to create a men's basketball officiating consortium, later adding the Sun Belt Conference and Southwestern Athletic Conference. (July 2016, May 2017, June 2020)
- Securing NCAA approval to implement a collaborative instant replay process in the sport of men's basketball beginning with the 2017-18 season. (May 2017)
- Engaging in a consulting agreement with Bob Delaney, an accomplished former NBA official and executive with extensive experience in leadership training, to assume the role of Special Advisor for Officiating Development and Performance. (August 2018)
- Working with the NCAA to expand the number of permissible plays evaluated through video replay in the sport of baseball for the 2018 season (August 2017), and implementing the first centralized replay system in the sport the following year.

(March 2019)

- Commissioning Deloitte's Advisory practice to conduct a comprehensive analysis to identify best practices and program standards for the SEC Football Officiating Program. (January 2019)

Another priority under Sankey's leadership is growing exposure for the Conference and effectively publicizing success stories of the SEC. Strategies pursued to achieve this objective include:

- Engagement with The Richards Group, a renowned national marketing agency, to develop a comprehensive branding campaign. The theme – "It Just Means More" – communicates the history, legacy and overall positive impact the SEC has on its region, the nation and the world. (January 2016)
- Introduction of the SEC Graduate Patch, a logo placed on the uniforms of every sport displayed by SEC student-athletes who have earned their undergraduate degree and are continuing their participation in intercollegiate athletics. (October 2016)
- Ongoing collaboration with the SEC Network to create unique exposure opportunities for Conference universities, teams and student-athletes, including behind-the-scenes programming, expanding live championship coverage for Olympic Sports and other unique programming.
- An agreement with SiriusXM to create the first college branded satellite radio channel, SiriusXM SEC Radio, an exclusive 24/7 audio channel dedicated to SEC sports. (November 2017)
- Move of SEC Football Media Days to a new market, taking the signature event to the College Football Hall of Fame in Atlanta while adding a fan event in Centennial Olympic Park to expand the kickoff week to five days of activities. (July 2018)

A CAREER IN COLLEGE ATHLETICS

On March 12, 2015, the Presidents and Chancellors of the SEC announced Greg Sankey would succeed Mike Slive as Commissioner of the SEC.

Sankey, 56, first joined the SEC staff in 2002 as Associate Commissioner for Governance, Enforcement and Compliance and later added supervision of the league's championships staff to his responsibilities. He was elevated to Executive Associate Commissioner and Chief Operating Officer for the league office in 2012, becoming responsible for the day-to-day operation of the SEC Office.

Sankey has been active within the NCAA committee structure. He has served on the Division I Legislative Council, the Committee on Academic Performance and the NCAA Committee on Infractions, and most recently served on the Enforcement/Infractions Working Group created to address recommendations from the independent Commission on College Basketball.

Before moving to the SEC, Sankey served as Commissioner of the Southland Conference for nearly seven years. He joined the Southland Conference staff in 1992 where he served as both assistant and associate commissioner before he was named its Commissioner in 1996 at the age of 31.

Prior to his term at the Southland Conference, he was Director of Compliance and Academic Services at Northwestern State University in Natchitoches, LA. While at Northwestern State, Sankey also coached the Demons' golf teams for two years, earning the Golf Coaches Association of America District VI Coach of the Year award in 1991. Before his tenure at Northwestern State, he was the Director of Intramural Sports at Utica College in upstate New York.

A native of Auburn, NY, Sankey earned his master's degree from Syracuse University and his undergraduate degree from the State University of New York College at Cortland. Sankey and his wife, Cathy, reside in Birmingham, AL, and have two adult daughters, Hannah and Moriah.

SEC CORPORATE SPONSORS

Official Sponsor Program

The Southeastern Conference Official Sponsor program began in 1988 with three companies dedicated to intercollegiate athletics and higher education. Now supported by many of the nation's top corporations, this program has evolved into the most successful of its kind.

Each member of the SEC Official Sponsor team shows its commitment to the future of intercollegiate athletics with contributions to SEC Youth Clinics, SEC Scholarship Programs, SEC Academic Enhancement Programs, Championship Grants, FanFare and Legends Programs.

The corporations also conduct consumer promotions designed to increase sales and brand awareness. These promotions also increase public awareness of the member institutions of the SEC, which in turn supports increased ticket sales and high television and radio ratings.

In addition to the broad spectrum of benefits provided by these contributions, each SEC institution is a direct beneficiary of the program. SEC Official Sponsors include Academy Sports + Outdoors, Aflac, Allstate Insurance, Dr Pepper, Gatorade, Johnsonville, Mercedes-Benz, Regions Bank and Velveeta.

Program Mission

The mission of the corporate sponsor program is:

1. To develop marketing and promotional activities that benefit the SEC, its member institutions and the participating corporations;
2. To emphasize the positive role of athletics in our society; and
3. To provide funding for youth clinics, championship events and academic enhancement programs.

SEC Licensing Program

The Southeastern Conference markets its registered marks (Southeastern Conference, SEC, SEC Seal and SEC logos) through a licensing program with the Collegiate Licensing Company. The SEC began its licensing program in 1988 to protect the use of its name and insignias and to ensure that its member institutions benefit from the use and sale of items bearing its name and/or logos.

The program also ensures that manufacturers and retailers market only the highest-quality merchandise using the conference name and logos. The SEC has joined a significant number of colleges and universities throughout the country to bring about consistency in the marketplace for officially-licensed collegiate products.
