THE SOUTHEASTERN CONFERENCE

MUCH HAS HAPPENED IN THE SOUTHEASTERN CONFERENCE IN THE AFTERMATH OF THE COVID PANDEMIC

The last three years presented a series of complex, unprecedented challenges for the entire sports world. Throughout each reality, the Southeastern Conference emerged as an unquestioned leader in all of sports for successfully managing a unique landscape of issues.

- The SEC's leadership through the COVID-19 pandemic provided a pathway for college sports to return to action in the fall of 2020. Thousands of student-athletes were therefore able to pursue their lifelong passions in a healthy way. Memories were created that otherwise would have never come to pass because the SEC's culture of collaboration among the leaders of the league allowed the 14 universities to move together through adversity, difficult decisions and unrelenting pressures.

- While the pandemic had a devastating effect on the finances of college athletics programs across the country in 2020, the long-term financial vitality of the SEC stayed in focus. The SEC finalized a milestone 10-year agreement with the Walt Disney Company that grants ABC and ESPN exclusive broadcast rights to premier SEC football and basketball events beginning in 2024-25 and continuing through 2033-34.

- The SEC continued to lead in its commitment to providing equal opportunities to historically underrepresented individuals. With an understanding of the tremendous cultural influence the SEC has in its region, the Conference exercised that influence in calling on Mississippi lawmakers to remove Confederate imagery from the state flag.

- The SEC's commitment to diversity, equity and inclusion continued to be evident in 2021 in a new initiative codified by an SEC bylaw aimed at encouraging, facilitating and assisting member institutions in attracting and hiring individuals in historically underrepresented groups in leadership positions of their athletics programs.

- The SEC expanded its leadership of college sports in 2021, and in no more impactful way than the announcement that historical powerhouses Oklahoma and Texas would join the Conference beginning in 2025. The SEC will expand for the third time since 1992, bringing to 16 the number of members in the SEC.

- Amidst a time of upheaval in college sports during the last year, the SEC continues to lead. In February 2022, the SEC announced its largest distribution of revenue in Conference history, enabling SEC universities to provide unrivaled opportunities to its student-athletes as it positions itself to lead college sports into the future.

The SEC's popular slogan "It Just Means More" has struck a cultural nerve for the conference. And over the course of the last several years, it can certainly be applied to the continued effective and impactful leadership of the Southeastern Conference.

STUDENT-ATHLETE DEVELOPMENT AND ACHIEVEMENT

Student-Athlete Career Tour

The SEC's successful student-athlete career tours were not derailed by the COVID pandemic. The program, that allows graduating student-athletes to connect with human resource recruiters in various careers and submit resumes for entry-level jobs and internships, continued in a virtual format during the pandemic and resumed in-person in Atlanta Nov. 30-Dec. 2, 2021.

The group visited the headquarters and met with executives at several corporations and organizations in the Atlanta area including Mercedes-Benz Stadium, The Home Depot, Atlanta Hawks, Atlanta Braves and Delta Airlines.

In addition to visits with executives, the students also learn about interview preparation, and ways to build effective business relationships through authenticity, curiosity, and social media best practices.

SEC in NCAA's Top 10

Three SEC student-athletes in the last three years have been among the 10 student-athletes chosen annually from across the country named as recipients of the NCAA's Top 10 Awards. The award recognizes former student-athletes for their successes in competition, in the classroom and in the community.

- 2020: Kristin Quah, Vanderbilt, Bowling
- 2021: Asia Seidt, Kentucky, Swimming & Diving
- 2022: Mac Jones, Alabama, Football

NCAA Woman of the Year

Kentucky swimmer Asia Seidt was named the 2020 NCAA Woman of the Year. Finalists were selected from a group of 30 Woman of the Year honorees which included 10 honorees from each NCAA division and represented a variety of sports. Seidt became the eighth woman in the history of the SEC to win the award, and the first from Kentucky.

SEC Among Honda Award Winners

Six SEC student-athletes have been named Honda Sport Award recipients since 2019. The Honda Award is presented annually by the Collegiate Women's Sports Awards to the top women athletes in 12 NCAA-sanctioned sports and signifies "the best of the best in collegiate athletics."

Honda Award winners become finalists for Collegiate Woman Athlete of the Year and the prestigious Honda Cup. Florida gymnast Trinity Thomas and South Carolina basketball player Aliyah Boston are candidates for the 2022 Honda Cup.

- 2018-19 Honda Winners; Maria Fassi, Arkansas, Golf; Yanis David, Florida, Track & Field
- 2020-21 Honda Winners: Mercy Chelangat, Alabama, Cross Country; Madison Lilley, Kentucky, Volleyball
- 2021-22 Honda Winners: Trinity Thomas, Florida, Gymnastics; Aliyah Boston, South Carolina, Basketball

Graduate Patches

More than 1,300 student-athletes in all sports have worn the SEC Graduate Patch over the last three years. The SEC introduced the patch in 2016 for student-athletes who have graduated but have not exhausted their eligibility. The SEC logo patch on their uniforms is replaced with a special patch highlighting the word "Graduate" underneath the conference logo. The patch is similar in design for all conference schools, but is school-specific in color.

National Champions

SEC teams have won 17 national championships since college sports were shut down and then were revived after the pandemic., including nine titles won by eight different schools in the 2020-21 athletic year.

- The SEC has won three straight College Football Playoff championships and 12 football national championships in the last 16 years.
- Kentucky's 2020 volleyball national title gave the SEC at least one national title in each of its sponsored 21 sports.
- Two championships included head-to-head SEC national title battles in the 2021 College World Series (Mississippi State vs. Vanderbilt) and 2022 College Football Playoff (Georgia vs. Alabama).
- In all, there have been 18 SEC vs. SEC national championships all time.

SEC in the Draft

SEC student-athletes continue to dominate draft day across professional sports. Since the 2019 Spring Meetings, 39 football players, 19 men's basketball players, 19 baseball players and 10 women's basketball players have been drafted in the first round of their respective sport drafts.

MEDIA, BUSINESS AND INNOVATION

Landmark Media Agreement

The SEC and ESPN announced in December 2020 a milestone 10-year agreement that grants ABC and ESPN exclusive broadcast rights to premier SEC football and basketball events beginning in 2024-25 and continuing through 2033-34.

The landmark deal, which represents a significant expansion of the conference's current partnership with ESPN, will establish ABC as the new broadcast network home for Saturday afternoon SEC football games, as well as selected Saturday primetime football games and the annual SEC Football Championship Game, which has grown into one of the most popular sporting events of the year. In addition, approximately eight incremental marquee men's basketball games will be featured across ABC or ESPN.

The new First Tier rights agreement puts all SEC media rights under The Walt Disney Company umbrella, giving the SEC exposure on ABC, ESPN, ESPN2, ESPNU, ESPN+, SEC Network and SEC Network+.

The exclusive partnership with ESPN comes with significant scheduling flexibility that will produce an array of benefits for member schools, student-athletes and college football fans. Under the new agreement, a number of game times and broadcast windows will be announced in advance of the season, giving fans an ability to plan more seamlessly.

Record Revenue Distribution

For the fiscal year that ended August 31, 2021, the SEC distributed a Conference record \$764.4 million dollars to its 14 members, a record \$54.6 million per institution.

The SEC provides superior support to its 14 member universities as a direct result of the revenue distributed through the Southeastern Conference. The SEC's conference-wide commitment to the student-athlete experience is profound and translates into exceptional instruction, training, equipment, academic counseling, medical care, mental health and wellness support and life-skills development.

In addition, revenues generated through SEC athletics often contribute in significant and unique ways to the academic missions of the 14 SEC universities. Past examples of how this revenue has had an impact outside athletics has included participation in the construction and renovation of academic facilities, support of academic scholarship opportunities, funding of academic programs and direct transfers of funds to support academic budgets.

SEC Viewership Continues Growth

- For the last three years, the SEC on CBS was the highest rated college football package and the SEC Football Championship was highest rated championship game
- For a third straight year in 2021, the SEC was the most-watched football conference on ESPN with 2.8 million viewers. SEC games averaged +57% more viewers than any other conference on ESPN.
- SEC men's basketball games on ESPN were up +27% year-over-year, averaging over 1 million viewers per game.
- South Carolina women's basketball won the national title in the most-watched Women's National Championship since 2004 and Tennessee vs. South Carolina on ABC on February 20, 2022, was the most-viewed regular season women's college basketball game since 2017.

- The first gymnastics meet ever on ABC, Alabama at Florida on January 16, 2022, was ESPN's second most-watched gymnastics meet since 2011.

SEC Network has made achieving gender equity across live events a priority over the past few years, reaching that goal in the 2021-22 academic year. Moving forward, SECN will continue to program the network with gender equity as a north star, providing an equal platform to further the growth of all SEC sports.

A show that sets itself apart on every level, SEC Network's TrueSouth Presented by YellaWood was nominated for the prominent James Beard Award, earning a finalist nod in the Visual Media—Short Form category.

Continued Innovation in Officiating

The SEC began use of Collaborative Video Review in women's basketball and Centralized Video Review in softball games in 2022, becoming the first conference to use those processes in those sports as permitted by NCAA rules. With the addition of women's basketball and softball, the SEC now has five sports that operate Video Review out of the SEC Video Center in the Conference Office.

The SEC has been a pioneer in collaborative and centralized video review. In baseball and softball, a Replay Official in the SEC Video Center reviews plays in SEC vs. SEC games and renders decisions that are communicated to the on-site umpire crew. In football, men's and women's basketball, replay officials in the Video Center collaborate with on-site officials to determine outcomes.

The SEC successfully implemented a collaborative replay process in the sport of football in 2016, and the Conference secured NCAA approval to implement a collaborative replay process in men's basketball the following year. The SEC began centralized replay in baseball, modeled after MLB's process, in 2019.

Leaders in Attendance

- For the 23rd straight year, the SEC led every other conference in college football with the most fans in attendance per game with an average of 72,195.
- The SEC Football Championship Game attendance of 78,030 is the most in Mercedes-Benz Stadium and the second-highest championship game history, trailing only the inaugural championship game in 1992 between Alabama and Florida.
- SEC Women's Basketball has led the nation in attendance every year since 2015. In 2022, more than 1 million fans attended games. The SEC was the only conference to eclipse 1 million fans.
- SEC Baseball has led the nation in attendance 26 years in a row. Seven of the nation's top-10 attendance leaders in 2021 were from the SEC, and total attendance during the 2022 regular season surpassed 2.3 million.

RACIAL EQUITY AND SOCIAL JUSTICE

SEC Council on Racial Equity and Social Justice

In the summer of 2020, the SEC was among many around the world witnessing the unrest and demonstrations in countless cities and communities after the deaths of African American men and women in Minneapolis, Louisville and Brunswick, Georgia. Those events ignited a movement around the equitable treatment of all historically underrepresented individuals, and African Americans in particular.

At that time, the SEC took steps to gather and understand perspectives from a range of stakeholders, including student-athletes, presidents and chancellors, directors of athletics, senior woman administrators, faculty athletics representatives, various sport head coaches, mental health professionals and the SEC staff - ultimately establishing the SEC Council on Racial Equity and Social Justice in response.

The league-wide council includes more than 60 athletes who are in the SEC's existing student-athlete engagement program, plus administrative leaders from

THE SOUTHEASTERN CONFERENCE

each campus and head coaches from each sport. The council meets regularly with SEC players to better understand and respond to their questions and concerns. It has focused on five key areas:

- Increasing access and representation for underrepresented minorities
- Providing enhanced support for underrepresented minorities
- Improving education on racial and social issues for all stakeholders
- Deepening commitments to local communities
- Raising awareness of racial inequity and social justice

SEC Launches Hiring and Development Initiative

The SEC in 2021 launched a new initiative aimed at encouraging, facilitating and assisting member institutions in attracting and hiring individuals in historically underrepresented groups in the leadership of their athletics departments.

The initiative was approved by the Conference's Presidents and Chancellors with the creation of a new conference bylaw that will help guide hiring practices at the member institutions within the Conference, particularly in the roles of athletics director, head coach, and senior woman administrator (SWA) and in positions that typically lead to employment in the positions of athletics director, head coach and SWA.

Under the new initiative, member institutions will employ intentional efforts to identify and consider candidates from historically underrepresented minority groups who may be outside the professional, social, and societal networks of those frequently making hiring decisions on behalf of the member institutions.

SEC Programming on Racial Equity and Social Justice

The SEC teamed with the SEC Network to keep diversity, equity and inclusion top-of-mind. The Network developed interviews, TV specials, and regular series with impactful content such as:

- **Beyond the Whiteboard:** A Conversation with Black Head Women's Basketball Coaches
- **The Historic Change that United Mississippi Rivals:** A Look at the Creation of the New Flag
- **Black History Always:** 30-second vignettes on Significant Black SEC Historical Figures
- **Voices for Change Series:** Featuring SEC student-athletes and their participation in raising awareness of issues around diversity, equity and inclusion in their communities

The initial announcement was 60 seconds long and aired during every football game played on the September 26, 2020, opening day. Later, the SEC launched four 30-second announcements that featured all sponsored sports and universities.

SEC COMMISSIONER

Greg Sankey Commissioner Southeastern Conference

Greg Sankey became the eighth Commissioner of the Southeastern Conference on June 1, 2015, and has successfully built upon the SEC's recognized success, strong foundations and rich traditions.

Sankey has effectively introduced change and innovation for the conference while respecting the institutional traditions

that make the SEC unique. With an understanding of the highly competitive environment of college sports, he has fostered the collaborative culture of the SEC that sets the conference apart and supports its continuing success.

Sankey brings a big picture approach to his position through continuing focus on a vision that positions the SEC to leverage its athletics success and reputation for a greater overall cultural and economic impact on the region, the nation and the world.

Sankey has built upon the foundation set in his first major address as the conference leader in 2015 when he stated, "Educating scholars and supporting champions provides the platform for developing leaders who will influence the world." His relentless focus on providing resources for student-athlete success continues to make the Southeastern Conference a leader in college athletics.

LEADERSHIP IN A CHALLENGING ENVIRONMENT

As the NCAA has sought to navigate a changing landscape for college athletics, it called on Sankey to co-chair its Division I Transformation Committee, a body of college sports leaders tasked with addressing the most significant challenges in college athletics, to support student-athletes more effectively, and even reimagine the future of college sports.

Sankey's recognized abilities made him an appropriate leader for this critical endeavor to modernize and transform Division I college sports, and it cast him at the forefront of myriad issues facing college athletics leaders today.

But it is not the first time Sankey has stepped forward at a crucial time for college sports. Sankey's leadership through the COVID-19 pandemic served the SEC well as the league prepared for a return to action in the fall of 2020. Sankey fostered a culture of collaboration among the leaders of the Conference in order to allow the SEC's 14 schools to move together in lockstep through difficult and unprecedented decisions.

And while the pandemic had a devastating effect on the finances of college athletics programs across the country, Sankey kept focus on the long-term financial vitality of the SEC. In 2020, Sankey and his team finalized a milestone 10-year agreement with the Walt Disney Company that grants ABC and ESPN exclusive broadcast rights to premier SEC football and basketball events beginning in 2024-25 and continuing through 2033-34.

Less than a year after the blockbuster agreement with Disney, the SEC made news again as Sankey ushered the University of Oklahoma and University of Texas through membership discussions and announced the two leading universities will join as members with the SEC's nationally prominent member institutions.

ADVOCATING FOR STUDENT-ATHLETE OPPORTUNITY

Throughout his career, Sankey has established himself as an advocate for the student-athlete, creating a framework to provide young people in the Conference with challenging leadership opportunities and expanded resources to succeed at the highest levels of academic and competitive success. Student-athlete focused initiatives introduced under Sankey's leadership include:

- Creation of a leadership position in the SEC office for Student-Athlete Engagement, a role focused on offering student-athletes the opportunity to participate in Conference leadership.
- Introduction of Student-Athlete Leadership Councils for Football, Men's Basketball and Women's Basketball which provide student-athletes with enhanced opportunities to engage with campus leaders and Conference office staff.
- Introduction of a Student-Athlete Career Tour which provides groups of student-athletes with opportunities to engage in career exploration with high level corporations and businesses in major metropolitan areas.
- Expansion of the student-athlete role at the annual SEC Spring Meetings when student-athlete leaders participate in a robust agenda of interaction with administrators and coaches to provide their perspectives to Conference leaders.

ADVANCING THE CONFERENCE

Sankey has been intentional and diligent in addressing issues critical to college athletics, with an emphasis on integrity, ethics, sportsmanship and diversity including:

- Development of updated Conference policies governing conduct expectations for student-athletes, including the adoption of a serious misconduct policy governing transfers that has served as a model for similar policies adopted by other conferences. The policy was later expanded to include all incoming prospective student-athletes.
- Creation of the SEC Council on Racial Equity and Social Justice, a league-wide body consisting of a diverse group of student-athletes, administrators, coaches and SEC staff. The Council identifies resources, outlines strategies and assists with implementation of efforts that promote racial equity and social justice, fosters diversity and helps overcome racism and pursues non-discrimination in intercollegiate athletics.
- Crafting a new SEC bylaw aimed at encouraging, facilitating and assisting member institutions in attracting and hiring individuals in historically underrepresented groups in leadership positions of their athletics programs.

Another priority under Sankey's leadership is growing exposure for the Conference and effectively publicizing success stories of the SEC. Strategies pursued to achieve this objective include:

- Ongoing collaboration with the SEC Network to create unique exposure opportunities for Conference universities, teams and student-athletes, including behind-the-scenes programming, expanding live championship coverage for Olympic Sports and other unique programming.
- Engagement with a national marketing agency to develop and maintain a comprehensive branding campaign. The theme – "It Just Means More" – communicates the history, legacy and overall positive impact the SEC has on its region, the nation and the world.

SEC COMMISSIONER

- Introduction of the SEC Graduate Patch, a logo placed on the uniforms in every sport to provide recognition of SEC student-athletes who have earned their undergraduate degree and are continuing their participation in intercollegiate athletics.

A CAREER IN COLLEGE ATHLETICS

On March 12, 2015, the Presidents and Chancellors of the SEC announced Greg Sankey would succeed Mike Slive as Commissioner of the SEC.

Sankey, 58, first joined the SEC staff in 2002 as Associate Commissioner for Governance, Enforcement and Compliance and later added supervision of the league's championships staff to his responsibilities. He was elevated to Executive Associate Commissioner and Chief Operating Officer for the league office in 2012, becoming responsible for the day-to-day operation of the SEC Office.

Before moving to the SEC, Sankey served as Commissioner of the Southland Conference for nearly seven years. He joined the Southland Conference staff in 1992 where he served as both assistant and associate commissioner before he was named its commissioner in 1996 at the age of 31.

Prior to his term at the Southland Conference, he was Director of Compliance and Academic Services at Northwestern State University in Natchitoches, LA, as well as coach of the Demons' golf team. Before his tenure at Northwestern State, he was the Director of Intramural Sports at Utica College in upstate New York.

A native of Auburn, NY, Sankey earned his master's degree from Syracuse University and his undergraduate degree from the State University of New York College at Cortland. Sankey and his wife, Cathy, reside in Birmingham, AL, and have two adult daughters, Hannah (and her husband, Rod) and Moriah.

SEC CORPORATE SPONSORS

Official Sponsor Program

The Southeastern Conference Official Sponsor program began in 1988 with three companies dedicated to intercollegiate athletics and higher education. Now supported by many of the nation's top corporations, this program has evolved into the most successful of its kind.

Each member of the SEC Official Sponsor team shows its commitment to the future of intercollegiate athletics with contributions to SEC Youth Clinics, SEC Scholarship Programs, SEC Academic Enhancement Programs, Championship Grants, FanFare and Legends Programs.

The corporations also conduct consumer promotions designed to increase sales and brand awareness. These promotions also increase public awareness of the member institutions of the SEC, which in turn supports increased ticket sales and high television and radio ratings.

In addition to the broad spectrum of benefits provided by these contributions, each SEC institution is a direct beneficiary of the program. SEC Official Sponsors include Academy Sports + Outdoors, Allstate Insurance, Bush's Beans, Dr Pepper, Farm Rich, Gatorade, Johnsonville, Mercedes-Benz, Regions Bank and T-Mobile.

Program Mission

The mission of the corporate sponsor program is:

1. To develop marketing and promotional activities that benefit the SEC, its member institutions and the participating corporations;
2. To emphasize the positive role of athletics in our society; and
3. To provide funding for youth clinics, championship events and academic enhancement programs.

SEC Licensing Program

The Southeastern Conference markets its registered marks (Southeastern Conference, SEC, SEC Seal and SEC logos) through a licensing program with the Collegiate Licensing Company. The SEC began its licensing program in 1988 to protect the use of its name and insignias and to ensure that its member institutions benefit from the use and sale of items bearing its name and/or logos.

The program also ensures that manufacturers and retailers market only the highest-quality merchandise using the conference name and logos. The SEC has joined a significant number of colleges and universities throughout the country to bring about consistency in the marketplace for officially-licensed collegiate products.

MEDIA SERVICES

SEC Communications Mission Statement

The Southeastern Conference has been the nation's leader in media relations during its history. The SEC understands the importance of assisting the media in providing coverage of the conference and its institutions. To this end, the conference, including all of its member institutions, shall make the best attempt to fill reasonable requests by media outlets. Members of the media are encouraged to work with the media relations director of each institution and the conference office to establish satisfactory media policies that are mutually beneficial to all parties.

SEC Release

The conference volleyball release will be available each Tuesday beginning in August via the league's website. Any media representative wishing to receive information via e-mail should contact Jill Skotarczak at jskotarczak@sec.org. SEC standings and results will be updated each weekday, while conference statistics will be updated as often as needed based on the schedule of play. Information is also available via the school's SIDs.

Weekly Awards

The SEC will name a Player of the Week, Offensive Player of the Week, Defensive Player of the Week, Setter of the Week and Freshman of the Week each Monday of the season throughout the season. Each week's selections will be announced in the league's weekly releases. Nominations for the award are made each week by the volleyball communications contacts.

Internet

General SEC volleyball information can be accessed on the Web at www.secsports.com. The volleyball section is updated with new material daily on the page, with standings, statistics and other important information. The SEC volleyball release can also be printed off of the [secsports.com](http://www.secsports.com) website in an Adobe Acrobat file. Adobe Reader, which is used to read the Adobe Acrobat file, can be downloaded for free on your computer on the adobe.com website.

Email List

Press releases and information pertaining to SEC volleyball will be emailed to the media throughout the year. Accredited media can register for the SEC's mailing lists by contacting Jill Skotarczak at jskotarczak@sec.org.
