# THE SOUTHEASTERN CONFERENCE

## CELEBRATING THE ANNIVERSARY OF TITLE IX

During the 2022-23 athletic year, the Southeastern Conference culminated a year-long celebration of the anniversary of Title IX, the landmark legislation enacted half a century ago that has had a dramatic and lasting impact on opportunities for women in collegiate athletics.

Under the banner of "50th Anniversary of Title IX: Creating Opportunities," the SEC's celebration included recognitions at Conference championship events, commemoration of achievements through online and social media channels, commemorative memorabilia and a collaboration with the SEC Network highlighting the advancement of women's sports.

On June 23, 1972, the Title IX of the Higher Education Act was passed as U.S. legislation. It was enacted to ensure "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance."

The first Southeastern Conference title in a women's sport was awarded in 1979 and over the ensuing years SEC teams have won 118 national championships in all sports while thousands of young women have earned their college degrees on athletics scholarships.

The SEC launched [www.SECsports.com/TitleIX](http://www.SECsports.com/TitleIX) on its official website, a site that was updated throughout the year including a timeline of great moments in SEC women's sports history. The SEC's social media channels also celebrated the anniversary over the course of the anniversary year.

During the course of the year, every SEC team in every sport donned a commemorative pre-game warmup shirt on the first weekend of their conference season that featured a specially designed SEC-Title IX anniversary logo.

The SEC created a one-minute video celebrating the anniversary, with narration by Hall of Fame basketball player Tamika Catchings, that was seen in arenas across the SEC and at all SEC championship events during the year as well as across the SEC's social media channels.

## STUDENT-ATHLETE DEVELOPMENT AND ACHIEVEMENT

### Student-Athlete Career Tour

Twenty-seven current and former SEC student-athletes participated in the seventh annual SEC Career Tour Nov. 29-Dec. 1 in Atlanta. It marked the sixth time student-athletes from each SEC university convened in Atlanta to participate in the career tour leading up to the SEC Football Championship Game. The event was held virtually in 2020.

The annual program allows student-athletes to connect with human resource recruiters and submit resumes for entry-level jobs, internships and gain valuable knowledge of professional branding.

The group visited the headquarters and met with executives at several corporations and organizations in the Atlanta area including Mercedes Benz Stadium, Cox Enterprises, KPMG, InterContinental Hotels Group (IHG), Mercedes Benz USA and Lockheed Martin.

### SEC in NCAA's Top 10

Kentucky's Abby Steiner became the tenth SEC student-athlete in the six-year history of the NCAA's Top 10 Award to receive the prestigious honor. The award recognizes former student-athletes for their successes in competition, in the classroom and in the community. Steiner was honored at the 2023 NCAA Convention.

Steiner was a three-time NCAA Division I individual national champion and a member of Kentucky's 2022 NCAA outdoor 4x400-meter relay championship team. An 11-time first-team All-American, she also won The Bowerman as the national collegiate track and field athlete of the year.

A summa cum laude graduate, she was the 2022 SEC Indoor and Outdoor Track and Field Scholar-Athlete of the Year. Steiner volunteered with God's Pantry, preparing lunches for children and interned with Kentucky BioMotion Research Lab.

### NCAA Woman of the Year

Georgia distance runner Samantha Drop was among a group of 30 Woman of the Year honorees in 2022. Selected from 577 school nominees — a group that was then narrowed to 156 nominees at the conference level — the Top 30 honorees include 10 from each of the three NCAA divisions. Each honoree has demonstrated excellence in academics, athletics, community service and leadership.

Drop earned All-America honors in 2017 for cross country and holds four top-10 marks in Georgia track & field history. An eight-time All-Academic honoree, Drop was the SEC Women's Cross Country Scholar-Athlete of the Year. A four-year volunteer with Special Olympics at Georgia, Drop served as an executive board member and gymnastics coach.

### SEC Among Honda Award Winners

South Carolina basketball standout Aliyah Boston was named the 2022 Collegiate Woman Athlete of the Year and presented with the prestigious Honda Cup in the month following the 2022 SEC Spring Meetings. The Honda Award is presented annually by the Collegiate Women's Sports Awards to the top women athletes in 12 NCAA-sanctioned sports and signifies "the best of the best in collegiate athletics."

Boston won in a class that featured two other SEC student-athletes, Florida gymnast Trinity Thomas and Kentucky track athlete Abby Steiner. Thomas is a 2023 candidate for the award that will be presented in June, having been named the Honda Sport Award winner for gymnastics for the second consecutive year.

### Graduate Patches

More than 1,300 student-athletes in all sports have worn the SEC Graduate Patch over the last three years. The SEC introduced the patch in 2016 for student-athletes who have graduated but have not exhausted their eligibility. The SEC logo patch on their uniforms is replaced with a special patch highlighting the word "Graduate" underneath the conference logo. The patch is similar in design for all conference schools, but is school-specific in color.

### SEC Contribution To Professional Sports

The SEC continues to be a training ground for professional sports:

- NFL – The SEC had most active players of any conference in 2022 (369 on opening day rosters); and the most players drafted of any conference in 2023 (62) for the 17th straight year.
- NBA Playoffs – The SEC had more players in the NBA playoffs than any other conference (56).
- WNBA – The SEC has had the most No. 1 picks in the WNBA draft since it started in 1997 (8); 23 former players made 2022 WNBA rosters (second among conferences).
- MLB – The SEC had 88 players on opening day rosters – the most of any conference -- with at least 3 former players from each SEC school.

## MEDIA, BUSINESS AND INNOVATION

### Revenue Distribution

For the fiscal year that ended August 31, 2022, the SEC distributed \$721.8 million dollars to its 14 members, an average of \$49.9 million per institution.

The SEC provides superior support to its 14 member universities as a direct result of the revenue distributed through the Southeastern Conference. The SEC's conference-wide commitment to the student-athlete experience is profound and translates into exceptional instruction, training, equipment, academic counseling, medical care, mental health and wellness support and life-skills development.

# THE SOUTHEASTERN CONFERENCE

In addition, revenues generated through SEC athletics often contribute in significant and unique ways to the academic missions of the 14 SEC universities. Past examples of how this revenue has had an impact outside athletics has included participation in the construction and renovation of academic facilities, support of academic scholarship opportunities, funding of academic programs and direct transfers of funds to support academic budgets.

## **SEC Viewership Reigns Supreme**

- The SEC was the most-watched conference in college football, with 42.5 billion minutes watched on all nationally rated linear networks
- For a fourth consecutive year in 2022, the SEC was the most-watched football conference on ESPN, averaging 3.3 million viewers. SEC games on ESPN were up +14% YOY and averaged +52% more viewers than any other conference on the network.
- SEC Network was the most-viewed college network for the sixth consecutive fall season and posted double-digit growth over 2021
- SEC Network and SEC Network+ both delivered double-digit growth in streaming metrics last fall
- LSU women's basketball won the 2023 NCAA Championship, taking part in the most-viewed women's college basketball game on record (9.9 million viewers) and most-viewed college basketball game (men's or women's) ever on ESPN platforms
- SEC men's basketball games on ESPN were up +2% year-over-year, averaging more than 1 million viewers per game.

## **Innovative Programming Pushes SEC Network to New Heights**

- SEC Network achieved its gender equity goal across live events in the 2021-22 academic year and continues to program the network with parity as a north star, providing an equal platform to further the growth of all SEC sports
- SEC Network delivered nearly 1500 hours of original programming during the 2022-23 academic year
- Out of Pocket with Alyssa Lang and Andraya Carter is the only show across ESPN platforms hosted exclusively by two women
- SEC Network has now received more than a dozen Sports Emmy nominations thanks to two nods this year, including MegaCast coverage of the 2023 College Football Playoff National Championship
- ESPN/SEC Network reporter and host Andraya Carter earned the network's first commentator Sports Emmy nomination. Carter was nominated for the Sports Emmy for Personality/Emerging On-Air Talent.

## **SEC-ACC-ESPN Announce Basketball Challenges**

The Southeastern Conference, Atlantic Coast Conference and ESPN in November announced the formation of the SEC/ACC Challenge for men's and women's basketball, which will begin as part of the 2023-24 season.

ACC and SEC teams will square off as part of the annual Challenge - one in men's basketball and one in women's basketball. Each one of the 28 games (30 starting in 2024-25) will be carried on an ESPN platform and each conference will host an equal number of home games.

## **Continued Innovation in Officiating**

The SEC continued to pioneer innovation in officiating, adding official-to-official communication to expedite replay decisions in the sports of baseball and softball in 2023.

The new communications process comes on the heels of the SEC launching Collaborative Video Review in women's basketball and Centralized Video Review in softball games in 2022, becoming the first conference to use those processes in those sports as permitted by NCAA rules. The SEC now has five sports that operate Video Review out of the SEC Video Center in the Conference Office.

The SEC has been a pioneer in collaborative and centralized video review. In baseball and softball, a Replay Official in the SEC Video Center reviews plays in SEC vs. SEC games and renders decisions that are communicated to the on-site umpire crew. In football, men's and women's basketball, replay officials in the Video Center collaborate with on-site officials to determine outcomes.

The SEC successfully implemented a collaborative replay process in the sport of football in 2016, and the Conference secured NCAA approval to implement a collaborative replay process in men's basketball the following year. The SEC began centralized replay in baseball, modeled after MLB's process, in 2019.

## **Leaders in Attendance**

- For the 24th straight year, the SEC led every other conference in college football with the most fans in attendance per game with an average of 76,667. That marked an increase of 6.2% (4,472 per game).
- Five SEC programs experienced double-digit percentage increases in 2022. Ole Miss, Arkansas, Vanderbilt, Tennessee and Missouri all were up at least 10.8%.
- The SEC Football Championship Game attendance of 74,810 was the 27th consecutive sellout.
- The top three single-session crowds in SEC Soccer Tournament history were recorded at the 2022 event, capped off by 3,025 fans attending the championship match. The total attendance of 10,450 almost doubled the previous record (5,285 in 2009).
- SEC Baseball has led the nation in attendance 27 years in a row. Seven of the nation's top-10 attendance leaders in 2022 were from the SEC. Regular season attendance for games on SEC campuses surpassed the 2 million mark in 2023.

## **SEC Programming on Mental Health**

Each year, the SEC convenes several meetings of its Student-Athlete Leadership Councils, and with regularity, each group regardless of sport has one consistent point of emphasis for the conference: Mental Health. In the SEC where "It Just Means More." – students-athletes have an additional message for their peers – "YOU Mean More." From Commissioner Greg Sankey and across all 14 campuses – the message has become one of the top priorities.

The SEC is teaming with the SEC Network to keep mental health top-of-mind with the theme of "YOU Mean More." The Network is developing interviews, vignettes and other impactful content to depict student-athletes explaining the importance of striving for positive mental health.

## ***It Just Means More ... Than Sports***

In the spring of 2023, the SEC launched a new phase of the "It Just Means More" campaign, focusing on the many benefits made available to student-athlete during and even after their college careers. The SEC launched two :30-second spots during March Madness focused on young basketball players aspiring to become college athletes. It was followed by similar PSAs focused on softball and baseball, and will continue into the fall.

The spots are voiced by SEC student-athletes. The basketball spots were voiced by Georgia's Jabri Abdur-Rahim and Kentucky's Nyah Leveretter. The softball spot was voiced by Auburn pitcher Bri Ellis and the baseball spot was voiced by Vanderbilt outfielder Enrique Bradford.

**Greg Sankey  
Commissioner  
Southeastern Conference**

Greg Sankey became the eighth Commissioner of the Southeastern Conference on June 1, 2015, and has successfully built upon the SEC's recognized success, strong foundations and rich traditions.

Sankey has effectively introduced change and innovation for the conference while respecting the institutional traditions that make the SEC unique. With an understanding of the highly competitive environment of college sports, he has fostered the collaborative culture of the SEC that sets the conference apart and supports its continuing success.

Sankey brings a big picture approach to his position through continuing focus on a vision that positions the SEC to leverage its athletics success and reputation for a greater overall cultural and economic impact on the region, the nation and the world.

Sankey has built upon the foundation set in his first major address as the conference leader in 2015 when he stated, "Educating scholars and supporting champions provides the platform for developing leaders who will influence the world." His relentless focus on providing resources for student-athlete success continues to make the Southeastern Conference a leader in college athletics.

#### **LEADERSHIP IN A CHALLENGING ENVIRONMENT**

When the NCAA sought to navigate a changing landscape for college athletics, it called on Sankey to co-chair its Division I Transformation Committee, a body of college sports leaders tasked with addressing the most significant challenges in college athletics, to support student-athletes more effectively, and even reimagine the future of college sports.

And it was not the first time Sankey stepped forward at a crucial time for college sports. Sankey's leadership through the COVID-19 pandemic served the SEC well as the league prepared for a return to action in the fall of 2020. Sankey fostered a culture of collaboration among the leaders of the Conference in order to allow the SEC's 14 schools to move together through difficult and unprecedented decisions.

While the pandemic had a devastating effect on the finances of college athletics programs across the country, Sankey kept focus on the long-term financial vitality of the SEC. In 2020, Sankey and his team finalized a milestone 10-year agreement with the Walt Disney Company that grants ABC and ESPN exclusive broadcast rights to premier SEC football and basketball events beginning in 2024-25 and continuing through 2033-34.

Less than a year after the blockbuster agreement with Disney, the SEC made news again as Sankey ushered the University of Oklahoma and University of Texas through membership discussions and announced the two leading universities will join as members with the SEC's nationally prominent member institutions.

#### **ADVOCATING FOR STUDENT-ATHLETE OPPORTUNITY**

Throughout his career, Sankey has established himself as an advocate for college athletes, creating a framework to provide young people in the Conference with challenging leadership opportunities and expanded resources to succeed at the highest levels of academic and competitive success. Student-athlete focused initiatives introduced under Sankey's leadership include:

- Creation of a leadership position in the SEC office for Student-Athlete Engagement, a role focused on offering college athletes the opportunity to participate in Conference leadership.

- Introduction of Student-Athlete Leadership Councils for Football, Men's Basketball and Women's Basketball which provide college athletes with enhanced opportunities to engage with campus leaders and Conference office staff.

- Introduction of a Student-Athlete Career Tour which provides groups of college athletes with opportunities to engage in career exploration with high level corporations and businesses in major metropolitan areas.

- Expansion of the college athlete role at the annual SEC Spring Meetings when student-athlete leaders participate in a robust agenda of interaction with administrators and coaches to provide their perspectives to Conference leaders.

#### **ADVANCING THE CONFERENCE**

Sankey has been intentional and diligent in addressing issues critical to college athletics, with an emphasis on integrity, ethics, sportsmanship and diversity including:

- Development of updated Conference policies governing conduct expectations for student-athletes, including the adoption of a serious misconduct policy governing transfers that has served as a model for similar policies adopted by other conferences. The policy was later expanded to include all incoming prospective student-athletes.

- Creation of an SEC Council, consisting of a diverse group of student-athletes, administrators, coaches and SEC staff, whose purpose is to identify resources and strategies that promote equal opportunity in intercollegiate athletics.

- Crafting a new SEC bylaw aimed at encouraging, facilitating and assisting member institutions in attracting and hiring individuals in historically underrepresented groups in leadership positions of their athletics programs.

Another priority under Sankey's leadership is growing exposure for the Conference and effectively publicizing success stories of the SEC. Strategies pursued to achieve this objective include:

- Ongoing collaboration with the SEC Network to create unique exposure opportunities for Conference universities, teams and student-athletes, including behind-the-scenes programming, expanding live championship coverage for Olympic Sports and other unique programming.

- Engagement with a national marketing agency to develop and maintain a comprehensive branding campaign. The theme – "It Just Means More" – communicates the history, legacy and overall positive impact the SEC has on its region, the nation and the world.

- Introduction of the SEC Graduate Patch, a logo placed on the uniforms in every sport to provide recognition of SEC student-athletes who have earned their undergraduate degree and are continuing their participation in intercollegiate athletics.

## A CAREER IN COLLEGE ATHLETICS

On March 12, 2015, the Presidents and Chancellors of the SEC announced Greg Sankey would succeed Mike Slive as Commissioner of the SEC.

Sankey, 59, first joined the SEC staff in 2002 as Associate Commissioner for Governance and later added supervision of the league's championships staff to his responsibilities. He was elevated to Executive Associate Commissioner and Chief Operating Officer for the league office in 2012, becoming responsible for the day-to-day operation of the SEC Office.

Before moving to the SEC, Sankey served as Commissioner of the Southland Conference for nearly seven years. He joined the Southland Conference staff in 1992 where he served as both assistant and associate commissioner before he was named its commissioner in 1996 at the age of 31.

Prior to his term at the Southland Conference, he was Director of Compliance and Academic Services at Northwestern State University in Natchitoches, LA, as well as coach of the Demons' golf team. Before his tenure at Northwestern State, he was the Director of Intramural Sports at Utica College in upstate New York.

A native of Auburn, NY, Sankey earned his master's degree from Syracuse University and his undergraduate degree from the State University of New York College at Cortland. Sankey and his wife, Cathy, reside in Birmingham, AL, and have two adult daughters, Hannah (and her husband, Rod) and Moriah (and her husband, Austin).

# SEC CORPORATE SPONSORS

## Official Sponsor Program

The Southeastern Conference Official Sponsor program began in 1988 with three companies dedicated to intercollegiate athletics and higher education. Now supported by many of the nation's top corporations, this program has evolved into the most successful of its kind.

Each member of the SEC Official Sponsor team shows its commitment to the future of intercollegiate athletics with contributions to SEC Youth Clinics, SEC Scholarship Programs, SEC Academic Enhancement Programs, Championship Grants, FanFare and Legends Programs.

The corporations also conduct consumer promotions designed to increase sales and brand awareness. These promotions also increase public awareness of the member institutions of the SEC, which in turn supports increased ticket sales and high television and radio ratings.

In addition to the broad spectrum of benefits provided by these contributions, each SEC institution is a direct beneficiary of the program. SEC Official Sponsors include Academy Sports + Outdoors, Allstate Insurance, Bush's Beans, Dr Pepper, Farm Rich, Gatorade, Johnsonville, Mercedes-Benz, Pfizer, Regions Bank and T-Mobile.

## Program Mission

The mission of the corporate sponsor program is:

1. To develop marketing and promotional activities that benefit the SEC, its member institutions and the participating corporations;
2. To emphasize the positive role of athletics in our society; and
3. To provide funding for youth clinics, championship events and academic enhancement programs.

## SEC Licensing Program

The Southeastern Conference markets its registered marks (Southeastern Conference, SEC, SEC Seal and SEC logos) through a licensing program with the Collegiate Licensing Company. The SEC began its licensing program in 1988 to protect the use of its name and insignias and to ensure that its member institutions benefit from the use and sale of items bearing its name and/or logos.

The program also ensures that manufacturers and retailers market only the highest-quality merchandise using the conference name and logos. The SEC has joined a significant number of colleges and universities throughout the country to bring about consistency in the marketplace for officially-licensed collegiate products.
