1	DAWKINS:	The, uh, the um
2	BOWEN:	That's the problem. That's the whole
3		problem. If that wasn't out there, you
4		know, I'd be coasting.
5	DAWKINS:	(U/I).
6	BOWEN:	(U/I).
7	DAWKINS:	You done got like a fuckin' triple double
8		last month. You done got a God damn triple
9		double the past month.
10	BOWEN:	Oh, yeah, I know that. Remember I had that
11		- the fire at the house with no insurance
12		on it. Pain in my ass getting fixed. So I
13		got to get that mother fixed, I mean, so I
14		ain't got no choice. (U/I) my man, I got to
15		make sure he stay straight, you know what
16		I'm saying.
17	DAWKINS:	Yeah, you ain't lying. I mean, that's the
18		most important thing right there.
19	BOWEN:	Yeah, that's what I'm saying. So he can
20		look good. I got to be looking good, I
21		can't, I can't play with that. Listen like
22		I say, I can't be (U/I) thinking I'm (U/I)
23		you know what I'm saying. He ain't even
24		like that. He ain't worried, going crazy
25		with it, just trying to keep his stuff in

		-
1		order. And you know I'm trying to help him
2		do it. You know, make sure he gets the best
3		he can get.
4	DAWKINS:	Who you, who you, uh, who you got an account
5		with?
6	BOWEN:	Uh, only thing I got is I ain't got
7		nobody but Huntington Wildfire (PH) (U/I).
8	DAWKINS:	Nigga, what is Wildfire? It's like a cell
9		phone.
10	BOWEN:	(U/I) it's the local credit union.
11	DAWKINS:	They probably $({\tt U}/{\tt I})$ cell phones and shit.
12	BOWEN:	Huh?
13	DAWKINS:	Well, just I said, that's like a fucking
14		cell phone. Um, we can get it done in the
15		morning. I can get it done in the morning.
16		Shit, I was talking about your ass a few
17		minutes ago. Um, I told them I was gonna
18		find out how we needed to get it done. Uh,
19		just, just, well I mean, you tell me I
20		could (U/I) I could mail it to you if you
21		want me to.
22	BOWEN:	Um, uh, I'll figure it out (U/I) by
23		tomorrow.
24	DAWKINS:	Yeah, figure it out by tomorrow. Just call
25		me tomorrow morning before noon because I'm

	4
1	gonna be making some runs. I'm back home so
2	I'm good. I mean, ain't no sense in you
3	driving here for no two. That's retarded.

12	DAWKINS:	How is Tugs doing?
13	BOWEN:	He doing good. He's getting bigger,
14		stronger. That's what he doing (U/I). Let
15		me (U/I) give me one sec, one sec.
16		(Pause)
17	BOWEN:	Yeah, so he was like - like I was talking to
18		him. He doesn't realize how, how it's
19		supposed to be. (U/I) man, I didn't know you
20		had that much athleticism. It don't do no
21		good if you don't put it into your game and
22		can't move. (U/I) see how Kobe is, does it
23		and Jordan as opposed to Lebron, how he
24		doesn't really use the athleticism most
25		efficiently 'cause he's so good and big and

1		strong it don't really matter, but just some
2		of the stuff he was teaching kids about the
3		way you coming around picks and how you get
4		the guy and the steps you take to get to the
5		basket is like (U/I) up, like really. Get to
6		the basket with less steps and explode. I
7		mean, it was really I was impressed.
8	DAWKINS:	Hm. (U/I) . Tugs can be one and done.
9	BOWEN:	Huh?
10	DAWKINS:	I mean, (U/I) thinks Tugs can be one and
11		done.
12	BOWEN:	He should be, man. Tugs can be one and done;
13		it's up to him. If he wants to be one and
14		done, he'll be one and done. If he don't
15		wanna be one and done he'll be there two
16		years. That's just the way it is. (U/I) I
17		mean, you can put on a jersey and work out
18		and stuff, but when the lights come on Tugs
19		will play, you already know that.
