Being asked about the cleats that were taken from my locker. I have no idea were my cleats or who may have taken my cleats. I have been in a situation like this before and I told the true. And to be honest I ~~am not~~^{DH} so have no clue were my cleats can be right now

Q: How many cleats (pairs) did you have taken?

A: I had 3 pairs of cleats taken a home game pair away game pair and a 3rd pair I did not wear yet. DH

I know I have team issued cleats every Saturday. On the Saturday of the Penn State game I wore my "Thursday Bagged" cleats that aren't typically in my ^{game} locker. After the game I "Thursday Bagged" my cleats then left the locker room after doing media & showering. I didn't realize that my cleats & my teammates cleats were stolen with the following week when we played away at Iowa.

Q: Do you have any knowledge about the cleats which were stolen?

A: No knowledge as to where those cleats are. [Signature]
