*How you see your leadership this year as a senior?*

"I think this year I have to take on more of a leadership role. I'm a leader in everyday life, but I think I've tried to lead by example. This year its time to take on a bigger role. I need to be more vocal just because this year we have more younger players and they are looking up to me. I have a lot of experience so just being a more vocal leader and going out of my way to help people, even if they're not asking. I know when I was an underclassmen I didn't always ask for the help I needed, so just being there for them"

*What does it mean to have a strong program in Arkansas?*

"We don't have any NBA, WNBA, NFL teams so everybody looks at Arkansas athletes. Its a lot of pressure but I feel like I'm doing really well with it. It's always been a dream of mine to play here, being that im from Little Rock. So it's a dream come true."
