How do you not allow yourself to become complacent?

“When you think about becoming complacent, it’s kind of like, that’s going to stop you from your ultimate goal. I don’t want anything to stop me from where I want to go with Gods help, so I have to continue to work.”

Zia Cooke

How has the process of playing point-guard been and where do you feel like your game is?

“The process is good, honestly I feel like I have become a vet at this point. I am pretty experienced, so I kind of know what is going on and I am able to lead out there. So being able to play point guard a little bit, it is going to be fun for me I think, it’s going to be well needed and I can’t wait.”
