Redshirt Senior Linebacker Ventrell Miller

On spring practice...

“Spring went by well. Everyone has had their head down and keep coming out to get better and better. I am looking forward to the season.”

On missing last season...

“Devastating that I couldn’t be out there with my boys and going to war with them. We have a new year and, I am really looking forward to this season and being out there this year.”

On Head Coach Billy Napier...

“Coach Napier has done a great job emphasizing accountability. Also, teamwork and bringing the team together and building relationships. That’s a big thing he has brought in.”

On the coaching strategy...

“He wants you to go out and be physical with it. He likes us hitting people and the physicality.”

On taking a pen and paper everywhere...

“Whether it’s a meeting or team meeting, you are required to have a pen and paper and write down things that you feel like need to be written down and things to remember.”
