INTRODUCTION

Competition between Conference members during the regular season, as well as in Conference post-season championships and tournaments, is one of the fundamental purposes of the Southeastern Conference. The commitment to Conference competition dates back to 1894 when ten universities organized as members of the Southeastern Intercollegiate Athletic Association. Although the number of member institutions and sports has varied since the turn of the century, the basic principles of equitable competition and achievement of common competitive goals have remained as cornerstones of the Southeastern Conference.

The Commissioner's Regulations governing Conference competition, championships and tournaments are written as a guide for all Conference competition between its members and are considered the standard source of information on policies and procedures for the conduct of Conference competition. These Regulations are divided into two parts: 1) general administrative policies and procedures that apply to all Conference competition generally, and 2) specific regulations for each sport.

These regulations are intended for use in conjunction with current SEC Bylaws. If a policy appears in the SEC Bylaws, it is not reproduced in the Commissioner's Regulations; however, the specific reference to that policy may be cited in the regulations under the appropriate topic heading.

These regulations are approved by the appropriate Conference governing bodies and reviewed each year.

Access to Competition Area. In all sports, institutions shall limit access to the competition area to participating student-athletes, coaches, officials, support personnel, and properly credentialed or authorized individuals at all times. For the safety of participants and spectators alike, at no time before, during, or after a contest may spectators enter the competition area. It is the responsibility of each member institution to implement procedures to ensure compliance with this policy. Institutional penalties against individuals who improperly enter the competition area must include, but are not limited to, expulsion from the facility, arrest for trespassing, and the loss of future ticket privileges. In addition to these penalties, violators who are students must be subject to institutional student disciplinary measures. Each institution shall publicize this policy, as well as the penalties associated with violations, through appropriate means, such as ticket back statements, public address announcements, video/matrix announcements, facility signage, and other means available. In addition, each head coach shall publicly discourage spectators from entering the playing area at any time.

Penalties for Institutional Violations. For the safety of participants and spectators alike, the Commissioner may (in his or her sole discretion) impose the following penalties: 1st offense: an institutional fine of \$50,000; 2nd offense: an institutional fine of up to \$100,000; 3rd or subsequent offense: an institutional fine of up to \$250,000. The Commissioner may also impose additional penalties as he or she deems appropriate.

Amendments. The Commissioner's Regulations may be amended in the following manner: *[Revised: 7/25/17]*

1. Those regulations that are a part of the SEC Bylaws may only be amended by vote of the Presidents and Chancellors at a regular or called meeting of the Conference.
2. Those regulations that are not part of the SEC Bylaws, but may have philosophical, financial, and/or competition format implications may be amended by a majority vote of the Athletics Directors or, for items relating to men's and women's Olympic sports and women's basketball that do not have a significant financial impact, by a majority vote of the Senior Woman Administrators. The Athletics Directors may request review of any formal action taken by the Senior Woman Administrators at any future meeting.
3. Amendments may be proposed by the Commissioner, coaches groups, Senior Woman Administrators, and Athletics Directors. Proposals from coaches of men's and women's Olympic sports and women's basketball will be sent directly to the Senior Woman Administrators, unless the proposal has a significant financial impact in which case it will be sent to the Senior Woman Administrators first, then to the Athletics Directors with a report of action taken by the Senior Woman Administrators. Proposals from coaches of all other sports will be forwarded directly to the Athletics Directors.
4. Those regulations that are editorial in nature or do not have ramifications as noted above may be amended by a majority vote of the coaches of that sport.
5. Prior to any revision in Regular Season Competition/Scheduling policies or the adoption of any proposal that may have an academic impact, the Faculty Athletics Representatives group must review the proposal during its next regularly scheduled meeting.

Artificial Noisemakers and Sound Systems (Team). Except as otherwise provided in SEC Bylaw 30.22.1.5 and the Commissioner's Regulations of each sport, artificial noisemakers, and sound systems brought to competition sites by participating teams and team personnel are restricted to the locker and training room areas only. See also, SEC Bylaw 30.22.1.5(d)

Availability of Alcoholic Beverages at Athletic Events.

Each institution is permitted to determine the permissibility of selling alcoholic beverages in athletics venues and shall establish a policy governing the sale and distribution of alcoholic beverages in its athletics facilities. Institutions that offer alcohol sales in public areas must incorporate Conference-wide alcohol management expectations, which include: *[Adopted: 5/31/19, effective 8/1/19]*

1. Alcoholic beverages are to be sold and dispensed only at designated stationary locations;
2. Alcoholic beverages may not be sold by vendors within the seating areas;
3. Identification check is required at every point of sale to prevent sales to minors;
4. Alcoholic beverage sales are limited to beer, seltzers, and wine only (no hard liquor or mixed drinks may be sold in public seating areas); *[Revised: 4/28/21]*
5. Limits must be established on the number of drinks purchased at one time by an individual;
6. Alcohol may be dispensed in cans or plastic bottles but must be opened prior to being served (seller must

retain cap). If cans or plastic bottles are used as projectiles or otherwise cause game management issues, the institution is subject to an immediate fine and suspension of the alcohol sales privilege; [Revised: 6/11/20]

7. Safe server training and additional training for staff to handle high risk situations is required; and
8. Designated stop times for sale and/or distribution of alcohol must be enforced as follows:
 - A. Football (end of 3rd quarter);
 - B. Basketball (Men's—Second half 12-minute TV timeout; Women's—End of 3rd quarter);
 - C. Baseball (end of the top of 7th inning);
 - D. Softball (end of the top of the 5th inning); and
 - E. Other Sports (At a designated time, no later than when 75% of the event's regulation length competition is scheduled to be completed).

Each year, the Conference membership shall review this policy to determine institutional compliance with established expectations and evaluate fan conduct and alcohol-related incidents for the purpose of determining the need to revise the Conference's alcohol policy. Implementation of these management expectations does not include suites, clubs, or private leased areas. Each institution shall establish a policy for the admission of outside food and beverage into its facilities. As with all areas of the stadium, maintaining the safety of patrons and participants and maintaining an atmosphere suitable for families is of utmost importance. Advertising displays mentioning or promoting alcoholic beverage shall not be permitted in any playing facility except for common point-of-sale signage.

Awards. The Conference sponsors an awards program for each sport, as well as programs for each championship and tournament. General guidelines for the voting processes are outlined below: (See Supplement A of this section for a complete list of sport-specific awards)

1. **Guidelines** These guidelines are in place to ensure fair treatment of all student-athletes and coaches and are to be followed in all voting processes. All votes are submitted on behalf of the institution and thus, if a coach does not follow procedure, the Athletics Director or his/her designee will replace that coach's vote. Deadlines set by the Conference office must be adhered to in both the nomination process, as well as the final ballot. It is understood that all nominations and ballots are the responsibility of the institution. If the coach misses a specific deadline set by the Conference office, such forms become the responsibility of the athletics director or his/her designee. Institutions that miss nomination and/or voting deadlines set by the Conference office are subject to dismissal of that institution's forms.
 - A. Coaches may not vote for themselves or their student-athletes for awards determined by a vote of the head coaches.
 - B. A ballot must be completely filled out to be counted.
 - C. A coach must vote for post-season awards.
 - D. Only nominated student-athletes may receive votes for post-season awards. In all cases, a coach may only nominate his/her own student-athletes.
 - E. An institution may nominate more than one student-athlete for an individual award, including Scholar-Athlete, Freshman, and Athlete of the Year.
 - F. On a coach's ballot, his/her vote for Player of the Year must be listed among his/her All-SEC votes.
 - G. On a coach's ballot, his/her vote for Freshman of the Year must be listed among his/her All-Freshman votes.
2. **Roy F. Kramer Athlete of the Year Awards.** [SEC Bylaw 30.22.1.4a]
3. **H. Boyd McWhorter Scholar-Athlete of the Year Awards.** [SEC Bylaw 30.22.1.4b]

 - A. Any student-athlete who participates in a Southeastern Conference championship sport or a student-athlete who participates in a sport listed on his/her institution's NCAA Sports Sponsorship Form is

- eligible for nomination to the Academic Honor Roll.
- B. The following criteria will be followed:

 - (2) If a student-athlete attends summer school, his/her grade point average during the summer academic term must be included in the calculation used to determine eligibility for the Academic Honor Roll.
 - (3) Student-athletes eligible for the Honor Roll include those receiving an athletics scholarship, recipients of an athletics award (i.e., letter winner), and non-scholarship student-athletes who have been on a varsity team for two seasons.
 - (4) Prior to being nominated, a student-athlete must have successfully completed 24 semester or 36 quarter hours of non-remedial academic credit toward a baccalaureate degree at the nominating institution.

8. **Scholar-Athlete of the Year.** The recipient in each sport will be determined by vote of the head coaches. Coaches will vote during the All-SEC process for their sport. Each vote is worth one point. The criteria for nominating a student-athlete for the Scholar-Athlete of the Year are as follows:
- A. Nominee must be a starter or important reserve with legitimate athletic credentials.
 - B. Nominee must have participated in at least 50 percent of team's games for the nominating year.
 - C. Nominee must have at least a 3.2 cumulative grade point average for his or her collegiate career. A nominee in graduate school must have a cumulative grade point average of at least 3.2 both as an undergraduate and as a graduate student.

14. **Athletes of the Week.** The Conference Communications staff will select an "Athlete of the Week" from nominations submitted by the sports information offices of the member institutions.

15. **Freshmen of the Week.** The Conference office will select a "Freshman of the Week" from nominations submitted to the Conference office by the sports information directors of the member institutions.
16. **Community Service Teams.** Each institution selects one student-athlete per sport sponsored by the Conference. Selection is based on community service performed by the student-athlete. The cross country, indoor track and outdoor track "Community Service Team" will be selected during the outdoor track season.

Bands, Banners, Cheerleaders and Mascots. Specific policies regarding bands, banners, cheerleaders, and mascots are addressed in the SEC Bylaws or Commissioner's Regulations for each sport.

Coaches Committees and Meetings. [SEC Bylaw 21.8 and 21.9]

Championship Manuals. For on-campus championships, the host institution shall provide appropriate information packets to each participating institution as specified in the Commissioner's Regulations for each sport. The Conference championship staff shall provide appropriate information packets to each participating institution for neutral-site championships.

Championship Sites. The Executive Committee must approve all championship or tournament sites, unless otherwise specified in the Commissioner's Regulations for each sport. Such sites may be proposed by the Commissioner, coaches' groups, Senior Woman Administrators, or Athletics Directors. Site proposals from coaches must be reviewed by the Senior Woman Administrators and/or Athletics Directors prior to submission to the Executive Committee. Exceptions to this policy are specified in the Commissioner's Regulations for each sport.

Crowd Control and Game Management. The Presidents and Chancellors of the Conference are committed to excellent crowd control at all athletic events. They have passed several resolutions stating their aims and objectives for promoting mutual trust and friendly relations between Conference members and other institutions by emphasizing the need for spectator and student-athlete sportsmanship at athletic contests. The Athletics Director of the host institution shall assure that crowd control and game management are exercised in the best interests of safety and fair play for the participants, as well as for spectators. The Athletics Director shall designate a full-time staff person (or persons) to serve as game management director; however, ultimate responsibility remains with the Athletics Director. The home institution shall supply the visiting coach and game officials with the name and location of the individual responsible for game management and crowd control. The Athletics Directors of each institution are expected to communicate with their student-athletes, coaches, and fans to encourage enthusiastic support within the confines of good sportsmanship. Host institutions must provide adequate security and ushers, preferably in uniform, for effective crowd management. Attention should be given to seating arrangements that will alleviate crowd-control problems. In addition, evacuation and emergency plans should be in place and reviewed on a regular basis.

Equal Access to Locker Rooms. Equal access must be given to all media representatives, regardless of gender, at any time interviews with coaches and/or student-athletes are conducted, including after competition. Equal access is defined as access to coaches and/or student-athletes at the exact same time and at the exact same place. Bringing players to a separate area for reporters of the opposite gender is not considered equal access. The exact method of ensuring equal access shall be determined by the institution.

Financial Responsibilities. The method of distributing net receipts is specified in the SEC Bylaws. Host institutions shall file a financial report with the Conference office not later than 60 days after the event. See also, SEC Bylaw 31.

Interrupted Game Procedures. All personnel, including Athletics Directors, game management personnel, game officials, coaches, players, and Conference office staff, shall use their best effort to ensure each Conference contest is played to its conclusion. The Conference recognizes, however, emergencies may arise that make a contest's completion impossible or inadvisable. Such circumstances may include, but are not limited to, severe inclement weather, natural or man-made disasters, power failures and spectator interference. Contests should be delayed, relocated, suspended, canceled, postponed or terminated (see definitions below) when circumstances exist such that commencement or continuation of play would pose a threat to the safety of game participants. The following procedures shall apply to any sport which does not have sport-specific Inclement Weather or Interrupted Game Procedures.

1. **Definitions.**
 - A. **Delay** - To delay a contest is to delay the start of a contest until a later time on the same date.
 - B. **Relocate** - To relocate a contest is to change the location of the competition.
 - C. **Suspend** - To suspend a contest is to temporarily halt play for a short duration after the contest begins.
 - D. **Cancel** - To cancel a contest is to nullify it either before or after it begins and to make no provision for

- rescheduling it or for including its score or other performance statistics in Conference records.
- E. **Postpone** - To postpone a contest is to (a) defer its starting time to a later date, or to (b) suspend it after play has begun and make provision to resume it at a later date with all scores and other performance statistics up to the point of postponement added to those achieved in the resumed portion of the contest.
 - F. **Terminate** - To terminate a contest is to end it short of a full-designated duration of play, officially record it as a completed contest, and make no provision to resume it at a later date.
2. **Authority**. Authority to delay or relocate a contest is vested with the home institution's Athletics Director or designated senior level administrator. Authority to suspend a contest is vested with the officials. Authority to cancel, postpone or terminate a contest is vested *only* with the Commissioner or his/her designee.
 3. **Guidelines**.
 - A. The home institution's Athletics Director or designated senior level administrator shall have the authority to determine whether a contest should, prior to its start, be temporarily delayed until a later time on the same date. Once a contest has started, the decision to suspend play is the responsibility of the game officials.
 - B. If extenuating circumstances occur that necessitate the relocation of the contest site within the same city, the home institution's Athletics Director or designated senior level administrator shall have the authority to determine whether and where the contest should be relocated. The decision should be made in consultation with the visiting team. The alternate site must be in full compliance with all NCAA playing rules and regulations governing that particular sport.
 - C. If a contest is postponed prior to its start for any reason, the two participating institutions, in consultation with the Commissioner or his/her designee, shall attempt to reschedule the game at a later time or date. If the contest cannot be rescheduled, the Commissioner shall cancel the contest.
 - D. If a contest is suspended for any reason after play has begun, the contest must be resumed as soon as conditions are deemed safe by the officials in consultation with the home team game management personnel.
 - E. A suspended contest may not be resumed after midnight local time, or two hours following the point of suspension, whichever is later.
 - F. If a contest is suspended after play has begun and cannot resume before midnight local time, the two institutions, in consultation with the Commissioner, shall attempt to declare the game postponed, and resume it at a later date.
 - G. In the event a contest cannot be resumed at a later date, the following will apply:
 - (1) If the contest is suspended prior to the completion of one half of play (halftime), the Commissioner shall declare the contest ***canceled***.
 - (2) If the contest is suspended after the completion of one half of play (halftime), the Commissioner shall declare the contest ***terminated***.

In the event a contest is delayed or suspended and it does not appear play will be resumed on that date, the Athletics Directors (or designated representatives) of both participating institutions, game management personnel and the Conference office representative (if available) shall meet with the game officials in the officials' dressing room, or another suitable location nearby. The Conference office representative shall communicate with the Commissioner, who has the sole authority to declare a game canceled, postponed or terminated. If the Conference office representative is not on site, the home institution's Athletics Director or designated senior level administrator shall contact the appropriate Conference administrator. The home team game management, in consultation with the Conference office representative, is responsible for disseminating information regarding such a decision to the teams, media and general public.

Lightning Policy.

1. Each member institution must have the capability of determining when lightning strikes are within specified distances of the competition site for all outdoor events.
2. When lightning is detected within 15 miles of the competition site, the home institution shall notify the head referee-umpire.
3. When lightning is detected within a minimum of 10 miles from the competition site, home team management shall utilize the public address system to inform those in attendance that inclement weather including

lightning is within 10 (or more) miles and that should patrons vacate the facility for safe shelter, they will be allowed to re-enter with a ticket stub.

4. When lightning is detected within eight (8) miles of the competition site, competition shall be suspended. Competition may be resumed after 30 minutes of no detected lightning strikes within an eight-mile radius. A 10-minute warm-up period may be granted following this 30-minute suspension.
5. In cases of severe weather being detected prior to the start of competition: A maximum of 10 minutes may be used, at the discretion of the home institution, for the marching band, national anthem and introductions, immediately following the 30-minute time period of no detected lightning strikes.

Lodging. It is the responsibility of the host to ensure that adequate housing is available to all participating institutions. Each institution is responsible (unless otherwise noted in the Commissioner's Regulations or championship/tournament manual) for finalizing its own lodging arrangements.

Marketing/Sponsorship Policies. Any agreements and contracts that result in corporate sponsorship of a Conference championship or tournament must be approved by the Commissioner. This does not preclude a host from obtaining nominal sponsorship and trade-outs from local businesses that are interested in supporting the event. The Commissioner has the right of final approval of all commercial sponsorship, exhibitors and merchandisers at a Conference championship or tournament.

Medical Policies. Adequate medical personnel must be present or on call at all sessions of the event (practice and competition). The host is responsible for obtaining the necessary medical staff and supplies. Additional policies may be specified in the Commissioner's Regulations for each sport.

New Coaches Orientation. Upon initial employment at a Conference institution, each head or assistant coach shall attend a New Coaches Orientation conducted at the Conference office. Attendance at a New Coaches Orientation session should occur as soon as possible following employment of a coach but is required to occur not later than October following employment of each coach. A coach who fails to attend a New Coaches Orientation session within the prescribed time frame may not participate in any off campus recruiting activities until the coach attends a New Coaches Orientation session. New Coaches Orientation sessions shall be conducted in May, July and October. A coach who discontinues employment within the Conference shall be required to attend New Coaches Orientation if four calendar years lapse between dates of employment at an Conference institution.

Officials. Officials and officiating fees/travel expenses for all Conference tournaments and championships shall be approved by the Commissioner. Unless otherwise approved and noted in the Commissioner's Regulations, the expenses and fees shall be the responsibility of the host. See also, SEC Bylaw 30.20.

Penalties for Violations of Specified NCAA Bylaws. The Conference has established the following minimum penalties for violations of specified NCAA Bylaws. The institution shall apply the minimum penalty upon discovery of the violation and shall report the violations to the Conference in a timely manner. The minimum penalty may be increased at the Commissioner's discretion. In the event that a minimum penalty cannot be fully applied prior to the involved prospective student-athlete's written commitment to the institution, the Commissioner shall impose such other penalties to address the competitive or recruiting advantage gained by the institution (*e.g.*, prohibiting the issuance of a financial aid agreement, restrictions on recruiting activities, etc.). Prior to application of the minimum penalty, the involved institution may request relief from the minimum penalty if the institution establishes that: 1) the violation was clearly attributable to extenuating circumstances; and 2) the violation did not produce a recruiting or competitive advantage. If an institution that commits a violation seeks relief from the minimum penalty and there is a reasonable basis for consideration of the relief request, the penalty is stayed pending the Commissioner's determination. [Revised: 12/13/16]

Impermissible activity by noncoaching staff member (NCAA Bylaw 11.7.1.1 and 11.7.6) The involved institutional staff member shall be prohibited from attending all countable and required athletically related activities involving student-athletes (*e.g.* practice, competition, and team meetings involving student-athletes) for a seven-day period following discovery of the violation.

In sports that permit off-campus contact prior to the prospect's senior year, the institution shall be permitted to have no more than one additional off-campus contact with the involved prospect during his/her junior year and no more than one additional off-campus contact during the prospect's senior year. In sports that do not permit off-campus contact prior to the prospect's senior year, the institution shall be permitted to have no more than one additional off-campus contact with the involved prospect.

Further telephone calls and electronic correspondence between any institutional staff member and the prospective student-athlete involved in the violation shall be prohibited for the next 30 days following the first date for permissible phone calls. If a coach or coaching staff telephones a prospective student-athlete twice within a period where it is otherwise permissible

to call once, the coaching staff is prohibited from making or receiving calls and sending electronic correspondence to the involved prospective student-athlete for a two week period.

Playing Conditions. Policies regarding playing conditions are addressed in the Commissioner's Regulations for each sport. See also, SEC Bylaw 30.22.1.5.

Post-Game Interviews. Following each contest of a Conference tournament or championship, participating institutions shall make coaches and student-athletes available for interviews. These interviews are designed to provide the media with championship or tournament information required for thorough coverage of the event and to limit the demands placed upon coaches and student-athletes. The sports information department of the host institution (unless otherwise designated) shall coordinate and supervise post-game interviews. Interview policies for specific sports are contained in the Commissioner's Regulations for those sports. Also refer to Equal Access to Locker Rooms, as noted above.

Programs and Promotional Materials. The Conference shall provide a complete program for the baseball, men's and women's basketball, football, gymnastics, soccer, and softball championships. For other tournaments and championships, host institutions shall produce an informational supplement to be provided to fans.

Results and Statistics. Host institutions shall: (1) record the official results and statistics of all conference and non-conference contests; (2) forward a copy of such official results and statistics to the Conference office immediately following the conclusion of the contest; and (3) forward a copy of such official results and statistics to each participating institution in a timely manner.

Scheduling. Scheduling of Conference competition takes precedence over scheduling of non-conference competition in all sports.

Sportsmanship. Consistent with SEC Bylaw 10.5, all individuals employed by or associated with a member institution, including institutional staff members, student-athletes, boosters, and fans, are expected to conduct themselves with honesty, integrity, and good sportsmanship, and shall therefore exhibit respect and courtesy towards opposing student-athletes, coaches, and game officials. In addition, all individuals shall also adhere to the following principles of good sportsmanship: [*Revised: 8/7/18*]

- A. **Public Comments.** All individuals shall make every attempt to promote the Conference and its members in a positive manner.
- B. **Media Access.** All individuals shall make every effort to promote a cooperative environment with the media by providing reasonable access to interview student-athletes and staff.
- C. **Student Conduct.** Each institution shall ensure that all students involved in athletics activities, including student-athletes, band members, cheerleaders, mascots, and general students attending as fans, are informed of the appropriate standards of behavior and good sportsmanship.
- D. **Promoting Sportsmanship.** Each institution shall aggressively address the issue of sportsmanship through various forms (e.g., video spots, public address announcements, radio spots, television spots and print ads in game day programs).
- E. **Throwing Items onto the Playing Surface.** Each institution shall adopt a policy prohibiting fans from throwing items onto the playing surface. Such policy must specify (without limitation) that violators who are clearly identified will be ejected from the playing facility.

It is the responsibility of each member institution to establish policies for sportsmanship and ethical conduct in intercollegiate athletics consistent with the educational mission and goals of the institution. Furthermore, member institutions are responsible for educating all constituencies about these policies on a continuing basis.

Television, Radio and Media Services. All television and radio agreements for Conference championships and tournaments must be approved by the Commissioner. The media services associated with the event generally are the responsibility of the sports information department of the host institution, although it is understood that sports information personnel from participating institutions shall assist as needed. Specific policies for each sport are described in the Commissioner's Regulations or championship and tournament manuals.

Tickets. A host institution shall provide the visiting team (at its request) with up to 50 complimentary admissions for any regular-season competitive event for which the host institution charges admission. (Additional information is provided in the Commissioner's Regulations for each sport.)

Conference competition and Conference championships and tournaments (including banquets, press conferences, post-game interviews, and at all stadiums, arena facilities and competition grounds) is prohibited. This prohibition is applicable to all activities at the athletic competition and practice, including press box areas and locker rooms.

Uniforms and Apparel. The uniforms and apparel of all participants in Conference tournaments and championships must conform to appropriate standards of safety and good taste. All student-athletes shall wear uniforms that identify their institution by school name or school colors. This policy applies to regular-season and post-season play. All student-athletes shall conform to NCAA regulations governing the appearance of commercial identification on uniforms, equipment and apparel. Failure to adhere to this policy may result in ineligibility to continue participation in the sport.

Conference Championship/Tournament. [SEC Bylaw 30.22.1.3]

1. The team with the highest percentage of wins during regular-season Conference competition will be declared the Conference champion. The team in each division with the highest percentage of wins during regular-season Conference competition will be declared division champions. If two or more teams are tied with the highest percentage of wins, they will be declared division co-champions and/or Conference co-champions. Final division standings will be determined by the won-loss percentage in regular-season Conference competitions.
2. There will be a Conference tournament at the conclusion of the Southeastern Conference regular season to determine the Conference's automatic qualifier to the NCAA Championship. The Conference tournament will be conducted under the guidelines outlined in these Commissioner's Regulations.

Contests – Maximum. There shall be no more than 56 scheduled games during the traditional season, excluding play-off games in the Conference tournament and the NCAA Tournament, but including all other games played at both varsity and junior-varsity levels. The teams participating in the Conference tournament may have the option of scheduling additional games (within the NCAA limits and within the playing and practice session) prior to the NCAA Tournament, provided they are not scheduled on days when classes or final examinations are regularly scheduled.

Departure Time. The visiting team shall make arrangements to depart the locale of the competition site following the final game of each Conference series via the last available flight, bus, etc. leaving that day and connecting to the visiting team's final destination. Prior to the start of the regular season schedule, the visiting team shall notify the proper game management official (who will notify the umpire in chief) at the competition site and the Conference office of the visiting team's designated departure time from the competition site following the final game of each Conference series. If the visiting team is utilizing air travel and has set a departure time, a Sunday game may start no later than 1 p.m. local time unless dictated by television. If a contest is called due to travel arrangements, the following procedures will be used:

1. No half-inning shall start with less than 15 minutes remaining until the designated departure time.
2. If the contest is called and is a regulation game according to NCAA Rule 5.8, the contest and all averages shall count in the final playing record.
3. The contest will be considered a regulation tie game if it meets the conditions set forth in NCAA Rule 5.10 and all averages shall count in the final playing record.
4. If the contest is called prior to reaching regulation game status per NCAA Rule 5.8, the contest shall be considered "No Game" (NCAA Rule 5.12).
5. Teams shall not stay over Sunday night, in order not to miss classes on Monday, except during the final weekend of the regular season. A school may request a waiver from the Conference office in a situation when school is out of session. [Revised: 2/5/18]
6. In no case shall the departure time of umpires be a factor in completing games.

Dugouts. During a game, no one except players in uniform, coaches, managers, trainers, physicians, scorekeepers and bat persons shall occupy a team's dugout. The visiting team shall have the right to utilize its choice of isotonic beverage (product and equipment) in the dugout area during Conference regular season competition. If the visiting team does not arrange to have its own product and equipment at a contest, the home team shall supply the isotonic beverage (product and equipment) of its choice in the visiting team dugout area. Equipment utilized in the visiting team dugout area must be standard size.

Ejection Policy.

1. Any game official may eject a student-athlete, coach or team representative for misconduct or unsportsmanlike conduct.

The ejected individual shall remain out of sight and sound of the contest for the remainder of the contest. "Out of sight and sound" means that the ejected individual(s) may not view the contest, communicate with his or her team, or be in a location where the game officials can hear him or her. The ejected individual may not return to the dugout, field, or grandstands until all game officials are escorted to their dressing area by security or game management. If an ejected individual does not comply with the ejection policy set forth in this subparagraph 2 in a timely manner (as determined in the game officials' sole discretion), the game will be forfeited.
3. Upon first offense, a head coach ejected from a Conference contest for misconduct or unsportsmanlike conduct shall receive a written warning cautioning further like conduct. Upon second and subsequent offense(s) in the same academic year, a head coach ejected from a Conference contest for misconduct or unsportsmanlike conduct shall be suspended for the team's next previously scheduled and completed contest. If a previously scheduled contest is postponed or halted, that make-up contest against the originally scheduled opponent will count as a regularly scheduled contest. Contests may not be added after the incident to fulfill the requirements of this policy. End of season suspensions will be carried forward to the next season. (See also, NCAA playing rules regarding ejections/suspension of assistant coaches and other team personnel.) [Revised: 3/23/22]
4. A suspended individual shall remain out of sight and sound of the applicable contest (as defined in subparagraph 2). Additionally, a suspended individual may not:
 - A. Be dressed in game uniform;
 - B. Communicate with any team personnel or umpires;
 - C. Take part in any pregame activities at the site of competition; or
 - D. Be in the stadium or on the field once pregame activities have started.

If a suspended individual does not comply with the suspension policy set forth in this subparagraph 4 in a timely manner (as determined in the game official's sole discretion), the game will be forfeited. If a suspended individual participates in a game during the prescribed suspension, the game will be forfeited.
5. This policy is in effect for all regular season games and the Southeastern Conference Tournament only.

Electronic Equipment. The use of telephones, cellular telephones, walkie-talkies, etc., is permitted for two-way communication between a team's dugout/bench and bullpen. Electronic communication between a coach in the dugout and the catcher shall also be permitted in accordance with NCAA rules. Any other form of communication and any other communication between other areas is prohibited.

Game Clock. The Conference follows the NCAA Game Clock protocol, with the exception that the clock will be located on the outfield wall in each Conference stadium. In addition, thirty (30) minutes prior to the start of each game, the individual responsible for the operation of the game clock must meet with the umpiring crew to review the protocol. Emphasis should be placed on in-game communication (signals, etc.) from the field to the individual operating the clock.

3. Televised Games Affected by Weather
 - A. For games televised on ESPN, ESPN2 or ESPNU
 - (1) If a game is postponed on Friday, and the regularly scheduled Saturday game is televised by ESPN, ESPN2 or ESPNU, the regularly scheduled televised Saturday game must start at its published start time. If a postponed game is resumed/started prior to the start of the regularly scheduled televised game on Saturday, that game must be stopped after the completion of a full inning one hour prior to the start of the scheduled televised game and resumed following the completion of the regularly scheduled televised game.

- (2) If a game is postponed on Saturday, and the regularly scheduled Sunday game is televised by ESPN, ESPN2 or ESPNU, the regularly scheduled televised Sunday game must start at its published start time. If a postponed game is resumed/started prior to the start of the Sunday regularly scheduled televised game, that game must be stopped after the completion of a full inning one hour prior to the start of the scheduled televised game and resumed following the completion of the regularly scheduled televised game.
 - B. For games televised on the SEC Network
 - (1) If a game is postponed on Friday, and the regularly scheduled Saturday game is televised by the SEC Network, institutions must use their best efforts to start the regularly scheduled televised Saturday game on the SEC Network at its published start time. (The postponed game should be scheduled at a time which provides the regularly scheduled televised game a reasonable chance of starting at its published time.) If a postponed game is resumed/started prior to the start of the regularly scheduled televised game, the postponed game must be completed without interruption.
 - (2) If a game is postponed on Saturday, and the regularly scheduled Sunday game is televised by the SEC Network, institutions must use their best efforts to start the regularly scheduled televised Sunday game on the SEC Network at its published start time.  - B. In the event the visiting team is not scheduled to leave the host city until Monday and there are no prior travel limitations for the game's umpires that would dictate departure to enact these deadlines, with Conference approval, it would be permissible to waive the 4:00 p.m. deadline for the start of a game and a 6:00 p.m. deadline for the resumption of the game.
7. Authority to Play Doubleheaders
 - A. If weather forecasts on Friday or Saturday morning call for a high occurrence of inclement weather on Sunday, the home team with approval of the visiting team may request permission from the Conference office to play a doubleheader on Saturday.

2. Lightning Strikes
 - A. Each member institution shall be responsible for having the capability to determine when lightning strikes are within specified distances from the competition site. When lightning is detected within 10 miles of the competition site, home team game management shall utilize the public address system to inform those in attendance that inclement weather including lightning is within 10 miles and that should patrons vacate the facility for safe shelter, they will be allowed to re-enter with a ticket stub. When lightning is detected within eight miles of the competition site, the competition shall be suspended.
 - B. Competition may be resumed after 30 minutes of no detected lightning strikes within an eight mile radius.
 - C. A 10-minute warm-up period may be granted following this 30-minute suspension.

Lights. After a game has been started, the crew chief is to be the sole judge as to when field lights are to be turned on. If the crew chief is not the plate umpire, and if the plate umpire so needs the lights turned on to avoid hazardous play, he may do so. The turning on of lights should be called for before the beginning of a full inning unless some extraordinary condition or abnormally long inning prompts otherwise.

Mascots. If a home or visiting team has a mascot, the following guidelines shall be observed:

1. Mascots may be on the field prior to the start of the game, but only when such action involves the team represented by said mascot.
2. Mascots may not be on the field at any time once the game begins, with the exception of between-inning promotions and only allowed to be in front of the team dugout that the mascot represents, or to participate in a seventh inning stretch promotion such as running the bases.
3. At no time are mascots allowed to direct uncomplimentary attention toward the opposing team, its fans, players, coaches or the umpires.
4. Mascots are not allowed in the dugout, once the game begins.
5. Mascots are allowed to be on top of the dugout (team mascot represents) as long as mascot's actions conform to policy.

6. If mascot's actions do not conform to Conference guidelines, the umpires have the authority to remove the mascot from the playing field area.

Mounds. At the beginning of each series, the umpires' crew chief shall measure the mound on the playing field, to ensure compliance with NCAA Baseball Playing Rules. Any variation from the required height must be reported immediately to the Conference office.

NCAA Automatic Qualification. The Conference tournament champion will be the Conference's automatic qualifier to the NCAA Championship.

Officials. The Conference office will assign umpires for all home Conference and non-conference contests. *[Revised: 8/18/15]*

1. Each institution shall provide a dressing room for umpires closely located to the baseball facility. Admittance to this room shall be limited to game officials and conference office representatives. No guests, visitors or institutional personnel (other than a trainer or manager upon request) shall be admitted. The officials' dressing room shall be set up with towels and soap, soft drinks and water and cups.

No reference to officiating matters shall be permitted on coaches' radio and/or television shows.
5. Coaches shall not contact officials directly through correspondence or telephone, and all matters pertaining to officials or officiating will be directed to the Conference office only. Likewise, this policy precludes officials from contacting coaches in a similar manner.
6. The list of game officials assigned to a game shall not be announced to the media and/or public prior to the distribution of pre-game information packets before a game.
7. *Compensation* – Payment of the game officials will be handled by a conference-developed pay system. Each institution will be invoiced for their share of the compensation and travel/expense reimbursements for the game officials. The Conference office and Athletics Directors shall set the fees and travel/expense policies. *[Revised: 6/3/16]*
8. *Tickets* – Each official assigned to a game is entitled to a maximum of two complimentary tickets to that game. Officials shall contact the ticket offices directly. The deadline for ticket requests is ten days prior to the game.
9. Four umpires shall be assigned to each Conference and non-Conference regular season contest. *[Revised: 6/3/16]*

Practice during Conference Series. Weather permitting, visiting teams shall be permitted to practice on the field used for competition on either the night prior to, or the morning of, the first game of a Conference series. It is the responsibility of the visiting team to notify the host institution prior to the start of a series to arrange for such a practice. The host institution shall determine whether weather and/or field conditions are acceptable for practice and the visiting team may be required to assist in the field preparation (e.g., removal or placement of the tarp). The host institution will make best efforts to accommodate the visiting team and will notify the visiting team as soon as possible if the field is not available due to field conditions or if there will be limited availability of the field due to field conditions. A practice the night before the first game of a series may last no more than two hours. A practice on the morning of the first game of a series may last no more than 30 minutes, must be concluded by no later than 12pm (noon) local time, and players may not wear spikes during the practice. During practices the night before the first game of the series or on the day of any game in the series, including during pre-game batting practice, the host institution will make available to the visiting team all areas of the field and all practice facilities. A host institution may restrict access to any practice area that contains exclusive, institutionally owned equipment (e.g. pitching lab) at its discretion. The visiting team will otherwise have access to the same or comparable facilities as the home team

such that the visiting team is not disadvantaged in its preparation. *[Revised: 12/13/16, 2/16/22]*

Public Address. The public address announcer plays a vital role in the management of a game. The following policies should be followed by the public address announcer:

1. Once the pitcher takes his place on the rubber, there shall be no P.A. announcements, music or other amplified sounds.
2. Once the hitter takes his place in the batters' box, there shall be no P.A. announcements, music or other amplified sounds.
3. The P.A. system is allowed to utilize encouraging music, supportive sounds and other positive P.A. responses between pitchers and hitters assuming their ready positions. Also, these actions are allowable after a play in the field, a hit ball or other plays that occur in a game.
4. At no time shall music, sounds or announcements on the P.A. be made that will incite or reflect negative actions towards players, coaches or umpires.
5. It is recommended that the host team's game management director, prior to the first game of a series (or game), meet with the umpire crew chief in the umpires dressing room. At this time, the game management director has an opportunity to preview the program, to be utilized during the game. If the material is deemed inappropriate at this time, it can be altered prior to the beginning of the game.

The Conference also follows NCAA policies for scoreboard, video board and audio operations (Appendix B of NCAA Rulebook).

Regular-Season Competition/Schedule. Regular-season competition and scheduling are subject to the following:

1. Each institution will play a 30-game Conference schedule. The dates and sites for the 30-game Conference schedule shall be set by administrative action of the Conference.
2. Each game shall be scheduled for nine innings and shall be played at least nine innings except when inclement weather or travel constraints are taken into account. There is no 10-run rule in effect for Conference vs. Conference games. In non-conference games, by mutual consent of both head coaches, a game may be stopped only after seven innings if a team is ahead by at least 10 runs.
3. Conference series will be played with single games on Friday, Saturday and Sunday, unless the stadium does not have lights, and in which case there will be two games on Saturday and a single game on Sunday. The final Conference series of the season shall be played with single games on Thursday, Friday and Saturday, unless the stadium does not have lights, and in which case there will be two games on Friday and a single game on Saturday. One series during the second weekend of the Conference season will be a Thursday-Saturday series. Two series per weekend beginning on the third weekend of the Conference season will be a Thursday-Saturday series. All inclement weather and curfew policies will remain for these series with the exception of the following:
 - A. On Saturday (get-away day), all curfew times will be waived in order to get the game in on Saturday. No games will be continued to Sunday, however, teams can stay over until Sunday to get game completed on Saturday.
